NOTICE TO PROFESSIONAL CONSULTANTS

The University of Florida Board of Trustees announces that Professional Services in the disciplines of engineering and architecture for Total Building Commissioning will be required for the project listed below:

Project: UF-273, Harn Museum Asian Art Wing (Gainesville, FL)

The facility will include a roughly 22,000 GSF addition to the west side of the existing Harn Museum. The addition will be three stories with storage and loading dock functions on the lower level, gallery space on the main level and offices, conference and donor spaces on the upper level. In addition, there will be an exterior Asian Garden accessed from the Galleries. Being a museum, there are stringent restrictions on temperature and humidity controls, as well as natural daylight levels. The scope of services shall include design phase peer review, completion and maintenance of the Owner’s Project Requirements (OPR) document, development of the Commissioning Plan and Commissioning Specifications, and construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation, and building envelope systems. The consultant shall also support project efforts to achieve higher-than-normal energy efficiency and attain minimum Silver LEED certification.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.
