NOTICE TO PROFESSIONAL CONSULTANTS

The University of Florida Board of Trustees announces that Professional Services in the disciplines of engineering and architecture for Total Building Commissioning will be required for the project listed below:

Project: UF-273, Harn Museum Asian Art Wing (Gainesville, FL)

The facility will include a roughly 22,000 GSF addition to the west side of the existing Harn Museum. The addition will be three stories with storage and loading dock functions on the lower level, gallery space on the main level and offices, conference and donor spaces on the upper level. In addition, there will be an exterior Asian Garden accessed from the Galleries. Being a museum, there are stringent restrictions on temperature and humidity controls, as well as natural daylight levels. The scope of services shall include design phase peer review, completion and maintenance of the Owner’s Project Requirements (OPR) document, development of the Commissioning Plan and Commissioning Specifications, and construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation, and building envelope systems. The consultant shall also support project efforts to achieve higher-than-normal energy efficiency and attain minimum Silver LEED certification.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.

INSTRUCTIONS

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet for Commissioning Consultants, and other background information. The proposal shall be limited to 20 single-sided pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services.
2. A completed Commissioning Services Proposal Form using the project-specific version available at the UF Facilities Planning and Construction website. Applications on any other form will not be considered.
3. Resumes and copies of the applicant's current Professional Registration Certificate(s) from the appropriate governing board, corporate charter(s) if applicable, LEED accreditation, and other pertinent credentials.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected applicant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The Commissioning Services Proposal Form, Project Fact Sheet, UF Design Services Guide, UF Design and Construction Standards, FP&C non-technical specifications, standard University of Florida Owner-Commissioning Consultant agreement, and other project and process information can be found on the Facilities Planning and Construction website. Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. (Local Time), on Thursday, April 3, 2008. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO PROFESSIONAL CONSULTANTS

The University of Florida Board of Trustees, announces that continuing Campus Professional Services in the following numbers and disciplines: eight (8) Architects, eight (8) Mechanical/Electrical/Plumbing/Fire Protection Engineers, four (4) Environmental Engineers, two (2) Structural Engineers, four (4) Civil Engineers, two (2) Commissioning Engineers, four (4) Surveyors, and two (2) Landscape Architects, are required for the project listed below:

UFMP-08, Annual Campus Service Continuing Renovation/Construction Minor Projects

Typical projects assigned under this contract may include new construction, renovation, remodeling, reroofing and other building maintenance, equipment installation, pre-engineered metal buildings, greenhouses, pole barns, asbestos abatement, and fire code corrections. Areas requiring renovation or remodeling may include animal research or holding areas, research laboratories, classrooms, library and media centers, offices and related functions, outpatient clinics, reception and waiting areas, lobbies and corridors, atriums, courtyards and plazas, modular and pre-engineered buildings, apartments, dormitories, and associated roadways, sitework, sidewalks, and landscaping. Projects could be located on the University of Florida main campus or at UF and IFAS facilities throughout the State of Florida. The maximum per-project construction cost is \$1,000,000.

These are open-ended contracts, each for a period of one year with an option to renew for two additional one-year periods at the agreement of both parties. Contract discipline numbers will be as described above. In the "Architect" and "M/E/P/FP Engineer" disciplines, one (1) of the eight (8) contracts will be awarded to a "Small Business", as defined on the UF Small Business and Vendor Diversity web site <http://sbvdr.admin.ufl.edu>, one (1) of the eight (8) contracts will be awarded to an "Emerging Business", defined as having performed less than \$15,000 in design fees at the University of Florida cumulatively over the past three fiscal years, and one (1) of the eight (8) contracts will be awarded to a "Small Emerging Business", defined as one meeting both of the above criteria. In the "Environmental Engineer", "Civil Engineer", and "Surveyor" disciplines, one (1) of the four (4) in each discipline will be awarded to a "Small Business" as defined in the above web site.

The selected firms will provide design, construction documents and construction administration services for any Minor projects assigned under the referenced project. Blanket

professional liability insurance will be required for each assigned project in the amount of \$1,000,000. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the Project Fact Sheet, Professional Qualifications Statement and PQS Instructions, and other background information. Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. At the time of application, the applicant must possess current design licenses from the appropriate licensing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida at the time of application. The proposal shall be limited to 26 single-sided, or 13 double-sided, consecutively-numbered pages (including the PQS, but not including the cover sheet, table of contents, and blank divider pages) and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet.
2. A completed, project-specific "Professional Qualifications Statement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation (if available), and other pertinent credentials for all proposed staff.
4. Proof of the applicant's corporate status in Florida and copies of current licenses for applicant from the appropriate licensing board.
5. Proof of the applicant's ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The project-specific PQS form, instructions, Project Fact Sheet, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information can be found on the Facilities Planning and Construction website. Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The Selection Committee may reject all proposals and stop the selection process at any time.

Five (5) bound copies of the required proposal must be received at the University of Florida Purchasing and Disbursement Services, to the attention of Sarah Vidal, Building 365, Elmore Hall, Radio Rd., P. O. Box 115250, Gainesville, FL 32611 no later than the deadline of 3:00 p.m. local time on Friday, April 11, 2008. If an applicant is applying for multiple categories within one discipline (i.e. Small, Emerging, or Small Emerging Architecture Businesses), only one 5-copy submittal is required, but the Application cover letter must indicate which categories are applicable. If an applicant is applying for multiple disciplines (i.e. Civil Engineer and Surveyor), one 5-copy submittal is required for each applicable discipline. Facsimile (FAX) or e-mailed submittals are not acceptable and will not be considered.

The schedule of the selection process is as follows:

NOTICE TO CONSTRUCTION MANAGERS

The University of Florida Board of Trustees announces that continuing CM-At-Risk services will be required for the project listed below:

UFMP-08, Annual Campus Service Continuing Renovation/Construction Minor Projects

Typical projects assigned under this contract may include new construction, renovation, remodeling, reroofing and other building maintenance, equipment installation, pre-engineered metal buildings, greenhouses, pole barns, asbestos abatement, and fire code corrections. Areas requiring renovation or remodeling may include animal research or holding areas, research laboratories, classrooms, library and media centers, offices and related functions, outpatient clinics, reception and waiting areas, lobbies and corridors, atriums, courtyards and plazas, modular and pre-engineered buildings, apartments, dormitories, and associated roadways, sitework, sidewalks, and landscaping. Projects could be located on the University of

Florida main campus or at UF and IFAS facilities throughout the State of Florida. The maximum per-project construction cost is \$1,000,000.

This is an open-ended contract for a period of one year with an option to renew for two additional one-year periods. Eight (8) contracts will be awarded. Two (2) of the eight (8) contracts will be awarded to "Small Businesses", as defined on the UF Small business & Vendor Diversity web site <http://sbvdr.admin.ufl.edu>. One (1) of the eight (8) will be awarded to an "Emerging Business", defined as one having performed less than \$500,000 in construction at the University of Florida cumulatively over the past three fiscal years. One (1) of the eight (8) will be awarded to a "Small Emerging Business", defined as one meeting the Small Business criteria referenced above and having performed less than \$500,000 in construction at the University of Florida cumulatively over the past three fiscal years.

Typically, the contract for an assigned project's construction management services will begin at the 60% Construction Document stage but may include limited production of budget studies and estimates, value engineering, analysis of the design documents for constructability, coordination, detailing, materials, and systems, development and maintenance of the construction schedule, production of detailed jobsite management plans, development of strategies for the procurement of trade contracts, and development of a Guaranteed Maximum Price (GMP) proposal based on 60 or 100% Construction Documents. If the GMP proposal is accepted and executed, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable management fee for an assigned project, or failure to arrive at an acceptable GMP as provided in the agreement, may result in non-execution of the project Purchase Order.

Applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida at the time of application.

The Selection Committee may reject all proposals and stop the selection process at any time.

Applicants desiring to provide construction management services for the project shall submit a proposal only after thoroughly reviewing the Project Fact Sheet, Construction Manager Qualifications Statement and CMQS Instructions, and other background information. The proposal shall be limited to 26 single-sided or 13 double-sided,

consecutively-numbered pages (including the CMQS, but not including the cover sheet, table of contents, or blank divider pages) and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet.
2. Company information and signed certification.
3. A completed, project-specific "CM Qualifications Statement" (CMQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation (if available), and other pertinent credentials for all proposed staff.
5. Proof of the applicant's corporate status in Florida and a copy of the applicant's current contracting license from the appropriate licensing board.
6. Proof of applicant's bonding capacity.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The project-specific CMQS form, instructions, Project Fact Sheet, UF Design and Construction Standards, standard University of Florida Owner-CM agreement, and other project and process information can be found on the Facilities Planning and Construction website. Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

Five (5) bound copies of the required proposal must be received at the University of Florida Purchasing and Disbursement Services, to the attention of: Sarah Vidal, Building 365, Elmore Hall, Radio Rd., P. O. Box 115250, Gainesville, FL 32611 no later than the deadline of 3:00 p.m. (Local Time), Friday, April 11, 2008. If an applicant is applying for multiple categories (i.e. Small, Emerging, or Small Emerging Businesses), only one 5-copy submittal is required, but the Application cover letter must indicate which categories are applicable. Facsimile (FAX) or e-mailed submittals are not acceptable and will not be considered.

The schedule of the selection process is as follows:

Pre-proposal conference (non-mandatory): April 2, 2008, 1:30 p.m., Hilton Conference Center, 1714 S.W. 34th St., Gainesville

Applications due: April 11, 2008, 3:00 p.m. (EST), address listed above

NOTICE TO CONSTRUCTION MANAGERS

Florida State University, State of Florida, announces that construction management services will be required for the project listed below.

Project No. FS-206

Project and Location: Florida State University School Additions
Florida State University School,
Tallahassee, Florida

The project consists of the design and construction of three new classroom buildings, containing four classrooms in each building and totaling approximately 20,058 gsf. The buildings will be strategically located on the existing FSU School campus, which is located at 3000 School House Road, Tallahassee, FL 32311. Funding for this project will be phased, with an initial project amount for Phase I of \$5,000,000, of which approximately \$3,989,000 will be used for construction. Funding for Phase II of the project is estimated to be approximately \$8,000,000. The construction management team will be selected to perform professional services on Phase I of the project, and upon the satisfactory performance of services for Phase I, and at the discretion of the owner, their agreement may be amended to include the performance of services for subsequent phases of the project. The selected firm will be required to have bonding capacity for Phases I and II of the project. The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 50% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts, encouraging the inclusion of Minority Business Enterprises (MBEs). Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract. Selection of finalists for interviews will be

made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; recordkeeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; and qualifications of the firm's personnel, staff and consultants.

Finalists will be provided with the latest documentation prepared by the project architect/engineer, a description of the final interview requirements and, if requested, a copy of the standard Florida State University's construction management agreement. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Instructions:

Firms desiring to provide construction management services for the project shall submit a letter of application and the completed Florida State University "Construction Manager Qualifications Supplement." Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals which do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned. All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The Florida State University Construction Manager Qualifications Supplement forms and the Project Fact Sheet may be obtained through the website at www.fpc.fsu.edu or by contacting:

Lynetta Mills, Facilities Design and Construction
109 Mendenhall Maintenance Building A, Florida
State University, Tallahassee, Florida 32306-4152
(850)644-2843 telephone, (850)644-8351 facsimile

For further information on the project, contact Marvin Beard, Assistant Director, at the address and phone listed above.

Six bound copies of the required proposal data shall be submitted. Submittals must be received at the address listed above by 2:00 p.m. (Local Time), on Tuesday, April, 15, 2008.

Facsimile (FAX) or electronic submittals are not acceptable and will not be considered. All applicants will be notified of the results of the short listing via the Facilities Design and Construction web site at www.fpc.fsu.edu.

NOTICE OF CANCELLATION
PARKVIEW HOUSING – BT-889
PARKING GARAGE SIX – BT-868

Notice is hereby given that the Florida International University Board of Trustees Request for Qualifications in the discipline of Design-Build Construction Services for Parkview Housing – BT-889/Parking Garage Six – BT-868, as published in the February 15, 2008 issue of the F.A.W., Vol. 34, No. 7, is hereby cancelled.

NOTICE TO PROFESSIONAL CONSULTANTS

The Florida International University Board of Trustees, announces that professional services in the discipline of Roofing consultant services will be required for the project listed below:

Project and Location: Continuing Services Roofing Consultant, Florida International University, all sites, Miami, Florida.

Continuing Services Contracts are specific projects for roofing related services for both Capital and Minor Construction Projects and include roof repair and replacement design documents, construction management, inspection of work for compliance with Chapter 15, Florida Building Code, and quality control. These projects may be either renovation or new construction that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$100,000 or less. This will be a multiple award contract for an initial period of one year with an Owner's option to renew an additional year. Two contracts will be awarded. Continuing Services Contracts provide that the consultant will be available on an as-needed basis for the Fiscal Year, July 1 - June 30.

Firms desiring to provide professional services shall apply by letter specifying the discipline for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Attach to each letter of application:

1. A completed (former Board of Regents) "Professional Qualifications Supplement (SUSPQS)," dated September 1999 with FIU revisions dated 2/22/2008. Applications on any other form will not be considered. It is the intent of FIU to encourage participation by qualified Minority Business Enterprises however, State of Florida MBE Certification is not a factor in the selection process. Disregard paragraph 4 on page 2 of the instructions.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida.

If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit six (6) copies of the above requested data bound in the order listed above. Applications that do not comply with the above instructions will not be considered. Application material will not be returned. The University reserves the right to suspend or discontinue the selection process at any time and to return or reject any or all submissions of qualifications without obligation to the respondent.

The plans and specifications for A/E are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement forms and the Project Fact Sheet may be obtained from the web-site <http://facilities.fiu.edu> (Applicant firms may find project under Selection Process Information). Requests for meetings by individual firms will not be granted. Once the firm acquires the required forms, questions may be directed to Facilities Planning at (305)348-4090 or via email to cecilia@fm.fiu.edu.

Submit qualifications to: Selection Committee, Florida International University, Facilities Planning, Campus Support Complex, Room #236, University Park, Miami, Florida 33199, by 2:00 p.m. (Local Time), on April 11, 2008. Late submittals shall be disqualified. Facsimile (FAX) submittals are not acceptable and will not be considered.

REGIONAL TRANSPORTATION AUTHORITIES

REQUEST FOR PROPOSAL NO. 08-003 MARKETING, PUBLIC RELATIONS, AND ADVERTISING SERVICES

The South Florida Regional Transportation Authority (SFRTA), an agency of the State of Florida, operates Tri-Rail, a seventy-two (72) mile commuter rail service with eighteen (18) stations in Miami-Dade, Broward, and Palm Beach counties.

THE PURPOSE of this Request for Proposal (RFP) is to enter into an agreement with a qualified firm to provide public relations, public information, marketing services, and advertising, including but not limited to: copywriting, editing, proofing, event planning and coordination, media and community relations (including spokesperson activities), graphic design and print coordination. The term of the agreement will be for a period of five (5) years. Proposers must possess a minimum of five (5) years of recent and relevant experience in managing campaigns to assist public transit/transportation clients.

A REQUEST FOR DOCUMENTS should be directed to Mr. Robert Becker at SFRTA, 800 N. W. 33 Street, Pompano Beach, Florida 33064, (954)788-7909. The cost of the solicitation document is Fifty Dollars (\$50.00) non-refundable. Checks or money orders made payable to SFRTA should be forwarded to Mr. Becker at the address above. Solicitation documents will be available on or about March 17, 2008.

A PRE-PROPOSAL CONFERENCE will be held in the SFRTA Board Room at the address above on March 24, 2008 at 2:00 p.m. The purpose of the meeting will be for SFRTA to respond to questions from document holders and clarify requirements in an open forum. Attendance is not mandatory but is recommended.

RECEIPT OF SEALED PROPOSALS: All proposals must be received as per the RFP instructions no later than 5:00 p.m. Eastern Time on April 17, 2008, at the SFRTA office in Pompano Beach.

SFRTA reserves the right to postpone, accept, or reject any and all proposals in whole or in part. All Proposers must certify that they are not on the State of Florida Comptroller General's List of Ineligible Bidders. All proposals shall remain in effect for One Hundred Eighty (180) days from the RFP submission due date.

DBE PARTICIPATION: SFRTA solicits and encourages Disadvantaged Business Enterprise (DBE) participation. DBEs will be afforded full consideration of their responses and will not be subject to discrimination.

CONE OF SILENCE: Any verbal or written communications between any Proposer (potential or actual), or its representatives and any SFRTA Board Member, staff member, committee member, or consultant regarding this procurement are strictly prohibited from the date of the RFP advertisement through the date of execution of the contract. The only exceptions to this are: (1) written requests regarding information or clarification made to SFRTA's designated contract specialist during the allowable time period under the solicitation; (2) any communications at a publicly noticed meeting of SFRTA; and (3) any communications with the SFRTA Director of Procurement. Any violation of the requirements set forth in this section shall constitute grounds for immediate and permanent disqualification of the Proposer/violator from participation in this procurement.

DEPARTMENT OF CORRECTIONS

NOTICE TO PROFESSIONAL CONSULTANTS FOR PROFESSIONAL ENGINEERING SERVICES RFQ AE037

The State of Florida, Department of Corrections, Bureau of Procurement and Supply, announces that Professional Services are required from engineering firms to provide Structural Engineering Services for Statewide projects. Applications from qualified firms are to be sent to the attention of: Sandra L. Rogers, Bureau of Procurement and Supply, Department of Corrections, 2601 Blair Stone Road, Tallahassee, Florida 32399-2500, (850)922-8855. The selected firm may be required to perform its services on an accelerated schedule.

INSTRUCTIONS

Any firm desiring to provide professional services for this project shall apply for consideration with a letter of application/interest, indicating within the body of the letter your firm's specific abilities, respective to the particular project's requirements, office location(s) from which the firm will be doing the work and attach current copies of the following:

1. A copy of the Department of Corrections' current "Professional Qualifications Supplement" (PQS) (dated September 2004) with current data. The PQS is posted as a related document for printing on the Vendor Bid System under this solicitation at the following website address: http://vbs.dms.state.fl.us/vbs/search.criteria_form.
2. A reproduction of the firm's current Florida State Board License with the appropriate board governing the discipline offered. If the firm is a corporation, it must be properly chartered with the Department of State to operate in Florida. Include a copy of the charter and current certification that all fees and filings are current.
3. Attach a current copy of the SF330 for the office(s) that will be performing the work. This form may be found at the following website address: <http://www.gsa.gov>.
4. Evidence of professional liability insurance in the amount of at least \$1,000,000.
5. Describe scope of work to be assigned to any sub-consultant and include a SF330 for each sub-consultant.
6. Names, specific qualifications and professional memberships of person(s) to be assigned to this project and their respective roles (do not include resumes).
7. Names, addresses and phone numbers of at least five (5) other agencies for whom similar services have been performed within the last five (5) years and the date, project name, brief project description, firm's project manager and specific services provided in each case.
8. If desired by the firm, additional examples of similar projects completed by persons to be assigned to this project, references (none from current or former Department of Corrections personnel) and any other supporting information.

Submit one original letter of application/interest and five (5) copies of the required data. The required data shall be submitted in the order listed above. Faxed copies will not be accepted. Applications that do not comply with the instructions set forth above may be considered improper and be disqualified. The plans and specifications developed by the firm awarded this project are subject to reuse in accordance with the requirements of Section 287.055, Florida Statutes, ("Consultants' Competitive Negotiation Act").

The awarded firm shall not knowingly engage in this project, on a full time, part time or other basis during the period of this Contract, any current or former employee of the Department where such employment conflicts with Section 112.3185, Florida Statutes.

Respondents will be ranked by a Competitive Selection Committee based on the information received in response to this Request for Qualifications (RFQ). Under the authority delegated to the Secretary of the Department of Corrections by Section 287.055, Florida Statutes, sitting as the head of the Department of Corrections, Professional Services Contracts will be awarded to one firm following the recommendations of the Competitive Selection Committee and in accord with the statutory negotiation procedures. All firms responding to this RFQ will be notified by a single posting, after approval by the Secretary, through the following website address: http://vbs.dms.state.fl.us/vbs/search.criteria_form. It is the firm's responsibility to check the website for updated information.

Response Date: April 14, 2008 by 4:00 p.m. (EDT). Late submittals will not be opened or considered.

PROJECT: Provide Continuing Statewide Structural Engineering services for projects in which basic construction cost, for each project, does not exceed \$1,000,000, or for a study activity when the fee for professional services does not exceed \$50,000.

CONTRACT TERM: Services are for projects authorized within a two (2) year period with an option to renew for one (1) additional two (2) year period.

EXPERIENCE: Candidate firms need to provide information regarding their experience and expertise in the following areas: structural design of correctional institutional buildings, small buildings, additions to buildings and renovation projects.

LOCATION: Most of the work will be related to working on prototype designs for projects statewide, thus, 2601 Blair Stone Road, Tallahassee, Florida 32399-2500, is designated as the project site for purposes of the selection process.

Architect: Ned Terry, Architect Supervisor, (850)410-4217.
