Notices of Development of Proposed Rules and Negotiated Rulemaking

DEPARTMENT OF EDUCATION

State Board of Education

RULE NO.: RULE TITLE:
6A-1.094221 Alternative Standardized Reading
Assessment and Use of Student
Portfolio for Good Cause
Promotion

PURPOSE AND EFFECT: The purpose of this rule revision is to provide guidance relating to the statewide public school student progression law eliminating social promotion by reducing the number of examples per benchmark required for the third grade portfolio, align the criteria for the portfolio to the new FCAT Item Specifications, and eliminating the reference to SAT-9.

Most recently, the Florida Comprehensive Assessment Test (FCAT) was revised to align with the current Next Generation Sunshine State Standards. Due to this revision, Rule 6A-1.094221, F.A.C., will need revisions to align to the new FCAT 2.0. The grade 3 FCAT Item Specifications document was used to revise the existing State Board Rule to properly align to FCAT 2.0. The revisions include the following:

- An increase in the average passage length from 350 to 500 words
- A change in the score for demonstrating proficiency for each benchmark from a grade of C or better to a grade of 70% or better.

Due to the number of benchmarks that are now assessed on FCAT 2.0, the rule as it exists would require 5 examples per benchmark for completion of the portfolio, equaling 70 samples of student work from one student to demonstrate proficiency of third grade benchmarks. This is a drastic increase, from 40 to 70 samples, and unrealistic expectations for students. This will cause loss of instructional time for our most struggling students. Therefore, a reduction of the number of examples required for the third grade student portfolio is proposed.

In addition, the Stanford Achievement Test, 9th Edition (SAT-9) is no longer provided by the publishing company, and therefore reference to SAT-9 needs to be stricken from rule.

SUBJECT AREA TO BE ADDRESSED: Alternative standardized reading assessment.

RULE NO.: 6A-6.054 RULE TITLE: K-12 Student Reading Intervention Requirements

PURPOSE AND EFFECT: The purpose of this rule revision is to update and align the criteria for reading intervention placement with current research, include professional development offerings that will be available to content area reading intervention teachers in 2011, and provide greater flexibility to districts in meeting student reading needs. A change is proposed in the criteria established for determining placement of students in reading intervention at the secondary level as new research suggests that fluency is not a strong predictor of a student’s ability to comprehend text in middle grades and high school. Also, in 2011, new professional development will be provided for content area reading intervention teachers, called Next Generation Content Area Professional Development (NGCAR-PD).

Finally, additional flexibility is requested for districts in scheduling additional time for reading intervention.

Finally, language was revised to allow flexibility to districts regarding progress monitoring requirements of Level 1 and 2 students to protect instructional time. With the rule revision it allows flexibility for administering a progress monitoring tool at the end of the school year.

THE FULL TEXT OF THE PROPOSED RULE IS:

72-1.001 Residency for Tuition Purposes.

(1) The purpose of this regulation is to establish consistent policies for the classification of students as residents for tuition purposes in accordance with the criteria set forth in Section 1009.21, F.S.

(2) For Initial Determination of Residency:

(a) A dependent student who attended a Florida high school for a minimum of two (2) academic years immediately preceding his or her initial enrollment in an institution of higher education and graduated from a Florida high school or earned a Florida GED within the last twelve (12) months may use the high school transcript or GED certificate as evidence of Florida residency. At least one (1) additional document identified in Section 1009.21(3)(c)1. or 1009.21(3)(c)2., F.S., must be presented evidencing his or her parent's legal residency in Florida.

(b) If a declaration of domicile, pursuant to Section 222.17, F.S., is being used as one of the documents to establish residency for tuition purposes, the date that an applicant shall be deemed as establishing residency for tuition purposes shall be twelve (12) months hence from the date that the Clerk of Circuit Court notes the declaration was sworn and subscribed to the Clerk. Nothing in this subsection shall prevent the use of additional documentation as evidence that legal residency was established by other means pursuant to Section 1009.21(3)(c), F.S., as of a date earlier than that established by the declaration of domicile.

(3) For Residency Reclassification Determination. A student who is classified as a nonresident for tuition purposes may become eligible for reclassification as a resident for tuition purposes by presenting a minimum of three (3) documents identified in Section 1009.21(3)(c)1. or

1009.21(3)(c)2., F.S., that convincingly demonstrate the establishment of permanent legal residence in Florida other than for the sole purpose of pursuing a postsecondary education. Documentation must demonstrate that the student or, if the student is a dependent, his or her parent has maintained legal residence in Florida for at least twelve (12) consecutive months immediately prior to the first day of classes for the term for which residency reclassification is sought except as otherwise provided in Section 1009.21(6), F.S.

(4) The burden of providing clear and convincing documentation that justifies the university’s classification of a student as a resident for tuition purposes rests with the applicant. For documentation to be “clear and convincing,” it must be credible, trustworthy, and sufficient to persuade the university that the applicant has established legal residency in Florida that is not solely for the purpose of pursuing an education and has relinquished legal residency in any other state for at least twelve (12) months prior to classification. Each university may establish submission deadlines for all documentation that will be used to determine residency for tuition purposes.

(5) A non-United States citizen may be eligible to establish residency for tuition purposes if evidence is presented verifying that he or she is legally present in the United States, has met the residency requirements of Section 1009.21, F.S., and the person is one of the following:

(a) A foreign national in a nonimmigrant visa classification that grants the person the legal ability to establish and maintain a bona fide domicile in the United States according to the United States Citizenship and Immigration Services (USCIS).

1. The following visa categories grant the person the legal ability to establish and maintain a bona fide domicile in the United States according to USCIS: A, E, G, H-1B, H-1C (classification expires 12-20-2011), I, K, L, N, NATO 1-7, O-1, R, S, T, U, and V.

2. The following visa categories do not grant the person the legal ability to establish and maintain a bona fide domicile in the United States according to USCIS: B, C, D, F, M, P, Q, and TN. J visa holders are not eligible to establish residency for tuition purposes except as provided in Section 1009.21(10), F.S.

3. The student, and parent if the student is a dependent, must present evidence of legal presence in the United States.

(b) A permanent resident alien, parolee, asylee, Cuban-Haitian entrant, or other legal alien granted an indefinite stay in the United States. The student, and parent if the student is a dependent, must present evidence of legal presence in the United States.

(6) Each university’s residency appeal process established pursuant to Section 1009.21(12), F.S., shall be in writing and displayed prominently on the university’s Web site.

**Section IV
Emergency Rules**

DEPARTMENT OF REVENUE

RULE NO.: RULE TITLE:
12ER11-1 Florida Tax Credit Scholarship
 Program

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 20, Chapter 2010-24, L.O.F., authorizes the Department of Revenue to promulgate an emergency rule, and to renew the emergency rule pending adoption of a permanent rule, to administer the provisions of the Florida Tax Credit Scholarship Program. This law authorizes the Department, and all conditions are deemed met, to adopt an emergency rule. This emergency rule establishes the Department’s administration of the Florida Tax Credit Scholarship Program. Procedures governing the approval of tax credit allocations and rescindments, the claiming of

allocated tax credits on a tax return, and the approval for carryforward tax credits to a subsequent tax year are included in this emergency rule.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized in Section 20, Chapter 2010-24, L.O.F., the promulgation of an emergency rule, and to renew the emergency rule pending adoption of a permanent rule, by the Department of Revenue to administer the provisions of Chapter 2010-24, L.O.F. This law expanded the tax credits against corporate income tax and insurance premium tax previously established in Sections 220.187 and 624.51055, F.S., to establish the Florida Tax Credit Scholarship Program. Beginning July 1, 2010, taxpayers were allowed to apply for a credit allocation for contributions made to a nonprofit scholarship funding organization to receive a tax credit against excise taxes on liquor, wine, and malt beverages administered by the Division of Alcoholic Beverages and Tobacco of the Florida Department of Business and Professional Regulation. Beginning January 1, 2011, certain taxpayers were allowed to apply for a credit allocation to be taken as a tax credit against sales and use tax, and taxpayers who pay the tax on oil and gas production in Florida are allowed to apply for a credit allocation to be taken as a tax credit. This emergency rule establishes the procedures governing the approval of tax credit allocations and rescindments, the approval for carryforward tax credits to a subsequent tax year, and the procedures to be followed by taxpayers when claiming tax credits on tax returns. This emergency rule adopts those applications necessary to apply for an allocation of the credit and to rescind a previously awarded credit allocation.

SUMMARY: Emergency Rule 12ER11-01 (Florida Tax Credit Scholarship Program): (1) provides the taxpayers authorized under Chapter 2010-24, L.O.F., eligible to participate in the Florida Tax Credit Scholarship Program and when those taxpayers are authorized to participate in the Program; (2) requires eligible taxpayers to file an Application for Tax Credit Contributions to Nonprofit Scholarship Funding Organizations with the Department to receive a credit allocation from the tax cap authorized by the law for the 2010-2011 state fiscal year; (3) establishes the procedures the Department will use to notify an applicant of the taxpayer’s credit allocation; (4) provides that a contribution to an eligible nonprofit scholarship funding organization must be made by an eligible taxpayer prior to taking a tax credit on a tax return; (5) establishes procedures for taxpayers to carry forward a tax credit for a period of up to three years when a taxpayer’s tax liability is insufficient to take the full amount of the tax credit; (6) establishes procedures for taxpayers who are unable to use a credit allocation to submit an Application for Rescindment of Tax Credit Allocation to Nonprofit Scholarship Funding Organizations to rescind that credit and when those funds are eligible to other taxpayers for

that state fiscal year; and (7) provides how taxpayers may obtain copies of the applications used in the administration of the Florida Tax Credit Scholarship Program.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Robert DuCasse, Revenue Program Administrator, Technical Assistance and Dispute Resolution, Department of Revenue, P. O. Box 7443, Tallahassee, Florida 32314-7443, telephone (850)717-6476

Notice of Intent to Grant Variance

The Department of Environmental Protection (Department) gives notice of its intent to grant a variance under Section 403.201, F.S., from the provisions of Rule 62-296.513, F.A.C., to the Lockheed Martin Aeronautics Company, an aerospace parts and components manufacturing facility located at 9300

28th Street North, Pinellas Park, Florida (File No. 19-3711) to allow relief from compliance with the volatile organic compound (VOC) reasonably available control technology (RACT) requirements of Rules 62-296.513, Florida Administrative Code (F.A.C.). The final order requires the petitioner to comply with the VOC content limits contained in the United States Environmental Protection Agency (U.S. EPA) Aerospace Industry Control Technology Guideline (Aerospace CTG) document titled "Control of Volatile Organic Compound Emissions from Coating Operations at Aerospace Manufacturing and Rework Operations" (EPA-453/R-97-004). The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, Division of Air Resource Management, Office of Policy Analysis and Program Management, 111 S. Magnolia Drive, Suite 23, Tallahassee, Florida 32301, Telephone: (850)717-9023.

A person whose substantial interests are affected by the proposed variance decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed with (received by) the Department's Agency Clerk in the Office of General Counsel of the Department of Environmental Protection at 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000 (Telephone: (850)245-2241) Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S. must be filed within 21 days of publication of this Public Notice or receipt of a written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who made written request for notice of this proposed agency action may file a petition within 21 days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address and telephone number of the petitioner; the name address and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial rights will be

affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency action or proposed decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so state; (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action including an explanation of how the alleged facts relate to the specific rules or statutes; and, (g) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the agency to take with respect to the agency's proposed action. A petition that does not dispute the material facts upon which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Permitting Authority's final action may be different from the position taken by it in this Public Notice of Intent to Issue Air Permit. Persons whose substantial interests will be affected by any such final decision of the Permitting Authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation: Mediation is not available for this proceeding.

The Department of Environmental Protection gives notice of its intent to grant a variance (No. 0187721-011-BV) from the provisions of paragraph 62-4.244(5)(c), F.A.C., to allow the turbidity mixing zone to exceed 150 meters; and from sub-subparagraph 62-4.242(2)(a)2.b., F.A.C., to establish a maximum allowable turbidity level above background for work within 1,000 meters of the Nassau River-St. Johns River Marshes Aquatic Preserve, Outstanding Florida Waters (OFW). The variance is for the Florida Park Service, Florida Department of Environmental Protection, Division of Recreation and Parks, 3900 Commonwealth Blvd., MS 350, Tallahassee, FL 32399-3000, the Nassau County Board of County Commissioners, 96160 Nassau Place, Yulee, FL 32097, and the South Amelia Island Shoreline Stabilization Assoc., Amelia Island Development Company, P. O. Box 3000, Amelia Island, FL 32035, to nourish approximately 3.4 miles of shoreline from DEP reference monument R-59.5 to R-78 using approximately 2 million cubic yards of sand from an offshore borrow site. (FDEP File No. 0187781-010-JC) The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, Office of Beaches

and Coastal Systems, 5050 West Tennessee Street, Building B, Tallahassee, Florida 32304-9201, Telephone: (850)488-7708 and www.dep.state.fl.us/beaches/permitting/permits.htm.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Mediation under Section 120.573 of the Florida Statutes, is not available.

Because the administrative hearing process is designed to redetermine final agency action on the application, the filing of a petition for an administrative hearing may result in a modification of the agency action or even a denial of the application. If a sufficient petition for an administrative hearing or request for an extension of time to file a petition is timely filed, this agency action automatically becomes only proposed agency action on the application, subject to the result of the administrative review process. Accordingly, the applicant is advised not to commence construction or other activities in accordance with this variance until the deadlines noted below for filing a petition for an administrative hearing, or request for an extension of time has expired.

Under subsections 28-106.111(3) and 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

In the event that a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Any intervention will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with subsection 28-106.111(2) and 62-110.106(3)(a), (4), F.A.C., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice

under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first.

Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; and (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action; (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This action is final and effective on the date filed with the Clerk of the Department unless a petition is filed in accordance with the above. Upon the timely filing of a petition this order will not be effective until further order of the Department.

This variance constitutes an order of the Department. The applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail

Station 35, Tallahassee, Florida 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the final order is filed with the Clerk of the Department.
