**RULE NO.:** RULE TITLE:  
61G16-5.004 Work Experience

**PURPOSE AND EFFECT:** The proposed rule amendment updates the language for work experience.

**SUMMARY:** To update the rule language for work experience.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within

one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

(9) Determination of Prizewinners.

(a) There are two (2) crossword games: PUZZLE 1 and PUZZLE 2. Each PUZZLE is played separately. Words formed in one PUZZLE cannot be used in the other PUZZLE. Each PUZZLE has its own corresponding prizes for the number of words formed in a PUZZLE.

Letters combined to form a “word” must appear in an unbroken horizontal or vertical string of letters in a PUZZLE that are not interrupted by a blank space and must contain every single letter square between two (2) blank spaces or an edge and a blank space. Every letter in the unbroken string must be revealed in the YOUR LETTERS or BONUS play areas and must be included to form a “word.” The possible completed words are shown in each PUZZLE. At the time the \$1,000,000 prize is claimed, the terminal will produce a player claim instructions ticket. The winner has sixty (60) days from the date the player claim instructions ticket is produced to file a claim choosing the One-Time Cash Payment. If a winner does not choose the One-Time Cash Payment within the sixty (60) day timeframe, the Annual Payment option will be applied. Once the winner files a claim and exercises the winner's chosen option, the election of that option shall be final. The Annual Payment method of payment will also be final when it is applied due to a \$1,000,000 prize winner not making his/her payment election within sixty (60) days after the player claim instructions ticket is produced.

(b) A winner of a \$1,000,000 prize who elects the One-Time Cash Payment shall receive a single cash payment of \$640,000.00, less applicable federal income tax withholding.
