

not delivered to the consumer or the consumer's agent, have not been dispensed within the meaning of Section 456.003, F.S., and these medicinal drugs may be returned to the stock of the pharmacy. It is the Board's opinion that although it is legally permissible to return non-dispensed medicinal drugs to the stock of a pharmacy, it is the responsibility of the pharmacist making the decision to return the medicinal drugs to the stock of the pharmacy to exercise his or her professional judgment in deciding whether or not it is appropriate to return the medications to the stock of the pharmacy in light of the conditions under which the medications were stored prior to the return to the pharmacy.

A copy of the Board's Order may be obtained by contacting: Rebecca Poston, R.Ph., Executive Director, Board of Pharmacy, 4052 Bald Cypress Way, Bin # C04, Tallahassee, Florida 32399-3254.

The University of West Florida, Florida Public Archaeology Network (FPAN) has issued a Request for Proposal (RFP) to host a Regional Center of the Network. The RFP is posted on [www.flpublicarchaeology.org](http://www.flpublicarchaeology.org). Proposals are due October 20, 2006.

In 2004 the Florida Legislature established and in 2005 provided continuing funding for the Florida Public Archaeology Network (FPAN) through the University of West Florida (UWF). The Network is administered by the University of West Florida through a memorandum of agreement (MOA) between UWF and the Florida Division of Historical Resources. Regional public archaeology centers will be established throughout Florida to help stem the rapid deterioration of this state's buried past and to expand public interest in archaeology. This will be achieved by a robust program of public education, through the promotion and development of archaeology-based heritage tourism, by active
