THE PRELIMINARY TEXT OF THE PROPOSED RULE DEVELOPMENT IS:

6A-10.044 Residency for Tuition Purposes.

The purpose of this rule is to establish consistent policies for the classification of students as residents for tuition purposes. The determinations of classification or reclassification shall be consistent to assure that students are classified the same regardless of the institution determining the classification.

(1) through (6) No change.

(7) An applicant, who at the time of initial classification is not classified as an All Florida resident for tuition purposes, shall be further assessed by the institution to which the applicant is applying. The student shall provide clear and convincing evidence that establishes that he or she, or if a dependent, the student’s mother, father, or legal guardian, has been a Florida resident for the preceding twelve (12) consecutive months. No single piece of documentation shall be conclusive.

(a) The documentation may include, but is not limited to, the following: driver’s license, voter registration card, vehicle registration, declaration of domicile, proof of purchase of a permanent home, transcripts from a Florida school for multiple years, proof of permanent full-time employment, a Professional or Occupational License, Florida incorporation,

documents evidencing family ties, proof of membership in organizations, and any other documentation that supports the student's request for resident status.

(b) A student who meets any one of the following criteria shall be classified as an independent student for the determination of residency for tuition purposes:

1. The student is 24 years of age or older by the first day of classes of the term for which residency status is sought at a Florida institution;

2. The student is married;

3. The student has children who receive more than half of their support from the student;

4. The student has other dependents who live with and receive more than half of their support from the student;

5. The student is a veteran of the United States Armed Forces or is currently serving on active duty in the United States Armed Forces for purposes other than training;

6. Both of the student's parents are deceased or the student is or was (until age 18) a ward/dependent of the court;

7. The student is working on a master's or doctoral degree during the term for which residency status is sought at a Florida institution; or

8. The student is classified as an independent by the financial aid office at the institution.

(c)(b) A student who does not meet one of the criteria outlined in paragraph (7)(b) may be classified as an independent student only if he or she submits documentation that he or she provides fifty (50) percent or more of the cost of attendance as defined by the financial aid office at the institution. All other students shall be classified as dependent students for the determination of residency for tuition purposes. A dependent person will be one for whom fifty (50) percent or more of his or her support has been provided by another as defined by the Internal Revenue Service. An independent person will be one who provides more than fifty (50) percent of his or her own support.

(d) Dependent or independent status will be based on a copy of a student's or his or her parents' most recent tax return or other documentation.

(e) An independent or dependent student who is enrolled full-time in an institution and is seeking to be re-classified as a resident for tuition purposes, must provide such documentation which substantiates that he or she, or if a dependent, the student's mother, father, or guardian, is establishing Florida as his or her permanent domicile and not as a mere temporary residence incident to the enrollment in higher education.

(8) A student, or if a dependent his or her father, mother or legal guardian, must maintain legal residence in the state of Florida for at least twelve (12) consecutive months immediately prior to the first day of classes of the term for which residency status is sought at a Florida institution. Institutions may establish submission deadlines for all documentation that will be used to determine residency for

tuition purposes. The burden of providing the documentation, which justifies the classification of a student as a resident for tuition purposes, rests with the applicant.

(9) An individual who is initially classified as a nonresident for tuition purposes may become eligible for reclassification as a resident for tuition purposes only if that individual, or his or her parent if that individual is a dependent child, supports permanent residency in this state for 12 consecutive months. The individual, or his or her parent if that individual is a dependent child, must present documentation that substantiates residency in this state for the purpose of maintaining a bona fide domicile, rather than for the purpose of maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education.

(10)(9) Notwithstanding the foregoing, institutions shall classify persons as residents for tuition purposes in accordance with the criteria set forth in Section 1009.21, Florida Statutes.

(11)(40) For purposes of determining residency for tuition purposes, any reference to federal or state government shall be construed as meaning U.S. federal or Florida state government.

(12)(41) In determining the domicile of a married person, the determination of a legally married person shall be consistent with Chapter 741, Florida Statutes.

(13)(42) Definitions.

(a) The term "institution," as used in this rule when adopted by the Board of Governors shall mean state universities, and when adopted by the State Board of Education shall mean community colleges, with the understanding that both Boards shall coordinate and cooperate as a K-20 system.

(b) Community colleges shall mean those set forth in Section 1000.21(3), Florida Statutes.

(c) State universities shall mean those set forth in Section 1000.21(6), Florida Statutes.

(d) The term "full-time" shall mean enrollment in twelve (12) or more credits per term for under-graduate students and nine (9) or more credits per term for graduate students. Institutions may provide exceptions for students such as, dissertation students, co-op students, or students with disabilities.

(2) "Problem" may be either written or verbal. It is a question offered for consideration, discussion or solution.

(3) "Grievance" is a formal complaint process initiated only after all other forms of resolution have been exhausted and the complainant has not obtained relief. A grievance must be submitted in writing and must be signed by the complainant.

(4) "Florida KidCare Grievance Committee" or "Committee" is the entity responsible for hearing and resolving complaints and grievances related to the Florida KidCare program as delineated in these procedures.

Specific Authority 409.818 FS. Law Implemented 409.818 FS. History--New .

59G-14.002 Florida KidCare Grievance Process.

(1) The following provisions apply to the Florida KidCare Grievance Committee:

(a) The Florida KidCare Grievance Committee consists of one representative from each of the following Florida KidCare partners, appointed by their respective organization's agency head:

1. Agency for Health Care Administration.
2. Department of Children and Families.
3. Department of Health.
4. Florida Healthy Kids Corporation.
5. A family representative nominated by the KidCare Partners.

(b) The Agency for Health Care Administration's representative will serve as the committee chairperson. The committee members will elect a co-chair, who will serve as the chairperson in the absence of the Agency's representative.

(c) A quorum of at least three appointed members, or their designated representative (proxy), is required to make decisions on grievance cases the committee hears. Committee members or their designated representative must be present at the meeting to review documentation.

(d) Staff from the Agency for Health Care Administration will serve as committee staff, prepare committee minutes, and prepare communications to affected parties on behalf of the committee.

(e) Unless otherwise specified, committee meetings will be held in Tallahassee at the Agency for Health Care Administration's Headquarters offices.

(2) Initial complaints and problems will be routed to the appropriate KidCare partner for resolution. All initial complaints and problems must be answered within a reasonable length of time, not to exceed ten (10) business days from initial filing by the complainant, unless the complainant and affected KidCare partner mutually agree to extend the

time. Emergency issues will be addressed within twenty-four (24) hours. Only when the affected KidCare partner has failed to provide relief may the issue be elevated to the form of a formal grievance for review by the committee.

(3) Florida KidCare Grievance Procedures.

(a) A formal grievance must be submitted to the committee in writing and signed by the complainant. The complainant may submit the request on the KidCare Formal Grievance Request Form, AHCA Med-Serv Form 009, Sept. 06, which is incorporated by reference. In the event that a complainant is unable to submit a request in writing, assistance will be provided and a dictation of the grievance will be accepted. All formal grievances must be sent to: Florida KidCare Grievance Committee, Bureau of Medicaid Services, 2727 Mahan Drive, MS 20, Tallahassee, Florida 32308.

(b) In the event a formal grievance is submitted by someone other than the custodial parent or legal guardian, no confidential information will be released to the complainant. The grievance will be investigated and notification will be sent to the custodial parent or legal guardian.

(c) Upon receipt of a formal grievance, the Agency for Health Care Administration staff will send a letter of acknowledgement to the complainant informing them of the process, established time frames, and any additional information needed to proceed. If additional information is necessary, the KidCare Formal Grievance Request Form, AHCA Med-Serv Form 009, will be sent to the complainant for completion.

(d) Agency for Health Care Administration staff will review the grievance and determine if the affected KidCare partner used appropriate measures in handling the previous problem and complaint phases of resolution. When necessary, the appropriate KidCare partner will be contacted and asked to provide information relevant to the case. If the affected KidCare partner used appropriate action in handling the grievance, the complainant will be notified in writing.

(e) If it is determined that further remedy is warranted, the committee will be required to hear the grievance. The committee shall hear the grievance at its next regularly scheduled meeting.

(f) The committee shall meet the second Monday of each month. The committee will not meet if there are no pending grievances. Additional meetings to resolve a grievance will be scheduled, as needed. If further documentation is necessary for the committee to reach a decision, extensions of thirty (30) days will be granted. The complainant will be notified in writing of each extension. When a decision is rendered by the committee, the complainant will be notified in writing within thirty (30) calendar days.

(g) The committee members will review all pertinent information. When committee members have assessed the grievance information presented, the committee members will verbally vote to render a decision. The committee's decision

will be based on a majority vote. The decision of the committee is final and all KidCare partners will abide by such decision.

(h) The KidCare grievance process will comply with Section 409.821, Florida Statutes, with regard to confidentiality of records for the Florida KidCare program.

(4) The Florida KidCare Grievance Committee will hear grievances for which no other vehicle of remedy exists. Grievances heard by the committee shall include eligibility issues relating to Healthy Kids, MediKids or the Children's Medical Services Network. Grievances involving more than one KidCare program will be addressed by this committee. Complaints, problems or grievances associated with the following issues will not be heard by the Florida KidCare Grievance Committee:

(a) Quality of care. When contacted with quality of care complaints, problems or grievances, the Florida KidCare partners will make appropriate referrals to existing mechanisms to address these issues.

(b) Benefits disputes. Each Florida KidCare partner is responsible for resolving disputes about benefits relating to its own program.

(c) Medicaid eligibility issues. All decisions made by the Department of Children and Families with respect to Medicaid eligibility are final and may not be appealed beyond the Department's own fair hearing process.

when a protest of proposed agency action is filed.

THE FULL TEXT OF THESE PROPOSED RULES IS:

25-22.0021 Agenda Conference Participation.

(1) Participation at agenda conferences may be informal or by oral argument. The Commission determines when and whether participation is allowed in accordance with this rule. The notice for each agenda conference contains a list of items to be discussed, and identifies the type of participation allowed. The notice is available in hard copy or on the Commission’s internet site, www.psc.state.fl.us/agendas, at least seven days before the agenda conference.

(2) Any person who may be affected by an item set for agenda conference will be allowed to address the Commission informally concerning that item when it is taken up for discussion, except as provided in subsections (3)-(8), below. To participate informally, affected persons need only appear at the agenda conference and request the opportunity to address the Commission on an item listed on the agenda.

(3) Informal participation is not permitted on dispositive motions and motions for reconsideration. Participation on such items is governed by Rule 25-22.022, F.A.C.

(4) Informal participation is not permitted when a recommended order is taken up by the Commission. For purposes of this rule and Rule 25-22.022, F.A.C., a recommended order is one prepared by an administrative law judge at the Division of Administrative Hearings, or by a Commissioner appointed by the Chair to conduct a hearing pursuant to Section 350.01(7), Florida Statutes. Participation on such items is governed by Rule 25-22.022, F.A.C.

(5) Informal participation is not permitted in a rulemaking proceeding after the record has been closed.

(6) Informal participation, except by non-testifying staff, is not permitted when the Commission considers a post-hearing recommendation on the merits of a case after the close of the record.

(7) In certain types of cases in which the Commission issues an order based on a given set of facts without hearing, such as declaratory statements and interim rate orders, the Commission allows informal participation at its discretion.

(8) The Commission reserves the discretion to limit or restrict informal participation as needed to ensure the orderly disposition of matters before it. In limiting or restricting informal participation the Commission will consider such things as the number of persons who wish to address the Commission on an item, the number of items to be taken up at the agenda conference, the procedural status of the docket to which the item pertains, and the complexity of the issues addressed in an item.

(9) Nothing in this rule shall preclude the Commission from making decisions during the course of or at the conclusion of a hearing.

~~(1) Persons who may be affected by Commission action on certain items on the agenda for which a hearing has not been held (other than actions on interim rates in file and suspend rate cases and declaratory statements) will be allowed to address the Commission concerning those items when taken up for discussion at the conference.~~

~~(2) When a recommendation is presented and considered in a proceeding where a hearing has been held, no person other than staff who did not testify at the hearing and the Commissioners may participate at the agenda conference. Oral or written presentation by any other person, whether by way of objection, comment, or otherwise, is not permitted, unless the Commission is considering new matters related to but not addressed at the hearing.~~

~~(3) Nothing in this rule shall preclude the Commission from making decisions during the course of or at the conclusion of a hearing.~~

Specific Authority 350.01(7), 350.127(2) FS. Law Implemented 120.525 FS. History—New 3-23-93, Amended _____.

25-22.0022 Oral Argument Rule.

(1) Oral argument must be sought by separate written request filed concurrently with the motion on which argument is requested, or no later than 10 days after exceptions to a recommended order are filed. Failure to timely file a request for oral argument shall constitute waiver thereof. Failure to timely file a response to the request for oral argument waives the opportunity to object to oral argument. The request for oral argument shall state with particularity why oral argument would aid the Commissioners, the Prehearing Officer, or the Commissioner appointed by the Chair to conduct a hearing in understanding and evaluating the issues to be decided, and the amount of time requested for oral argument.

(2) The Commission may request oral argument on matters over which it presides. The Prehearing Officer may request oral argument on matters over which he or she presides. The parties will be notified directly when oral argument is scheduled.

(3) Granting or denying a request for oral argument is within the sole discretion of the Commission or the Prehearing Officer whichever presides over the matter to be argued.

(4) The staff attorney assigned to the docket may participate in any oral argument on that docket.

(5) Oral argument will not be entertained on a post-hearing recommendation on the merits of the case. However, when the Commission votes on a recommended order requests for oral argument will be entertained.

(6) Oral argument will not be entertained on a request for oral argument.

(7) Oral argument at an agenda conference.

(a) Oral argument at agenda conference will only be entertained for recommended orders and dispositive motions, such as motions to dismiss, motions for summary final order, and motions for reconsideration of non-final or final orders. Only parties to the docket and the staff attorney may participate in the oral argument.

(b) The Commission can request oral argument on any issue to be decided by a dispositive motion or recommended order. The listing of the dispositive motion or recommended order on the notice of the agenda conference shall serve as notice to the parties to be prepared for oral argument on all issues associated with the dispositive motion or recommended order on the agenda, even if a request for oral argument has not been made by a party, or if a request made by a party pertains to a limited number of issues. Notice of the agenda conference can be found at www.psc.state.fl.us/agendas, as explained in subsection 25-22.0021(1), F.A.C.

(c) If a request for oral argument filed by a party is scheduled to be taken up at an agenda conference, and the request is granted at that time, the oral argument will occur at that agenda conference. At the agenda conference where the request is taken up, parties should be prepared to proceed with oral argument on all issues pertaining to the dispositive motion or recommended order, whether raised in the request for oral argument or not. Notice that such a request will be taken up is provided at www.psc.state.fl.us/agendas, as explained in subsection 25-22.0021(1), F.A.C.

(d) This rule does not restrict the scheduling of oral arguments to agenda conferences. Oral arguments can be scheduled at any time, in which case the parties will be directly notified of the time and place.

Specific Authority 350.01(7), 350.127(2) FS. Law Implemented 120.525 FS. History—New _____.

25-22.029 Point of Entry Into Proposed Agency Action Proceedings.

(1) After agenda conference, the Division of the Commission Clerk and Administrative Services shall issue written notice of the proposed agency action (PAA), advising all parties of record that, except for PAA orders establishing a price index pursuant to Section 367.081(4)(a), Florida Statutes, they have 21 days after issuance of the notice in which to file a request for a Section 120.569 or 120.57, Florida Statutes, hearing. For PAA orders establishing a price index pursuant to Section 367.081(4)(a), Florida Statutes, the time for requesting a Section 120.569 or 120.57, Florida Statutes, hearing shall be 14 days from issuance of the notice for PAA orders establishing a price index pursuant to Section 367.081(4)(a), Florida Statutes. The Commission will require a utility to serve written notice of the PAA on its customers if the Commission finds that it is necessary in order to afford adequate notice.

(2) The Commission will require a utility to publish notice of the decision in newspapers of general circulation in its service area if the Commission finds that it is necessary in order to afford adequate notice. ~~Any such publication may be used in establishing the date of receiving notice.~~

(3) One whose substantial interests may or will be affected by the Commission's proposed action may file a petition for a Section 120.569 or 120.57, Florida Statutes, hearing, in the form provided by Rule 28-106.201, F.A.C. Any such petition shall be filed within the time stated in the notice issued pursuant to subsection (1) of this rule, and shall identify the particular issues in the proposed action that are in dispute. Within 10 days of service of the initial petition, any other person substantially affected by the proposed agency action or Commission staff may file a cross-petition identifying additional particular issues on which a hearing is requested. Issues in the proposed action that are not identified in the petition or a cross-petition shall be deemed stipulated.

(4) The Commission will not entertain a motion for reconsideration of a notice of proposed agency action.

(1) through (4) No change.

(5) ~~The Commission will not entertain a motion for reconsideration of a notice of proposed agency action. Southwest Florida Water Management District

RULE CHAPTER NO.: RULE CHAPTER TITLE:

40D-1 Procedural

RULE NO.: RULE TITLE:

40D-1.607 Permit Processing Fee

PURPOSE AND EFFECT: The purpose and effect of the proposed rule amendments is to clarify that activities requiring permits from the District and for which the District may charge a permit application fee include impacts to other surface waters pursuant to Part IV of Chapter 373, F.S. Further, the amendments will waive the application fee for Petitions for Formal Wetland Determinations when a petition that has been denied or withdrawn is resubmitted within 12 months, and the petition is substantially similar to the denied or withdrawn petition.

SUMMARY: The amendment of Rule 40D-1.607, F.A.C., revises the permit application processing fees for Environmental Resource Permits to more accurately reflect statutory language and creates a fee waiver for certain Petitions for Formal Wetland Determinations.

(1) The individual whose needs are included must meet the citizenship and ~~noncitizen alien~~ status established in: P.L. 104-193, The Personal Responsibility and Work Opportunity Reconciliation Act of 1996; P.L. 105-33, the Balanced Budget Act of 1997; P.L. 105-185, the Agricultural Research, Extension, and Education Reform Act of 1998; P.L. 105-306, the Noncitizen Benefit Clarification and Other Technical Amendments Act of 1998; P.L. 109-171, the Deficit Reduction Act of 2005; and, the Immigration and Nationality Act.

(2) For Medicaid, every individual who indicates they are a U.S. citizen must provide proof of U.S. citizenship and identity. Exceptions are those who receive or have received SSI or Medicare; and presumptively eligible pregnant women or newborns. The Department will assist with obtaining documentation if requested.

~~(3)(2)~~ The eligibility specialist must verify ~~confirm~~ the immigration status of ~~all non-U.S.~~ citizens through the United States Citizenship and Immigration and Naturalization Service (USCIS) (INS). Verification will be requested electronically using the alien number, or based on a USCIS or prior Immigration and Naturalization Services (INS) document

~~provided by the applicant.~~ The system of verification is known as the Verification Information System-Customer Processing System (VIS-CPS) Systematic Alien Verification for Entitlement System (SAVE) Program. ~~SAVE verification must be obtained when the alien provides an INS document that does not clearly indicate alien status.~~ When the noncitizen alien provides neither an alien number nor an USCIS INS document to indicate their status, the noncitizen alien must contact the USCIS INS to obtain documentation or verification of noncitizen alien status. The department will ~~offer to~~ assist in obtaining documentation ~~this effort~~ if requested ~~to do so~~. If the noncitizen alien provides any form of USCIS INS documentation, regardless of the expiration date, showing an eligible Immigration Act section, the eligibility specialist must accept the documentation and verify the individual's status ~~through SAVE.~~ Electronic verification of an eligible immigrant status ~~through SAVE~~ is acceptable proof documentation of the individual's eligible status for all programs. Automated verification ~~by telephone~~ is attempted first. If automated verification cannot be obtained, noncitizenship status must be verified manually (i.e., secondary verification) through use of an USCIS INS form. Benefits will not be withheld when VIS-CPS SAVE indicates secondary (i.e., manual) verification is required and response from the secondary verification is pending, provided all other technical factors of eligibility are met. Benefit recovery is required when such individuals are determined to not have been ~~no longer~~ in an eligible noncitizen alien status.

~~(4)(3)~~ Noncitizens who would experience an undue hardship in obtaining current USCIS INS documentation, hospitalized noncitizens or noncitizens with a medical disability will be considered eligible for benefits on the noncitizen factor of eligibility while awaiting the return of USCIS INS secondary or manual verification. Undue hardship includes living a prohibitive distance from the USCIS INS office, lack of transportation, inability to travel to or attend appointments due to a medical condition, or a long waiting period for an appointment with the USCIS INS. However, these individuals are subject to recoupment for any benefits issued while verification is pending should they subsequently be determined to have been in an ineligible noncitizen ~~alien~~ status.

PURPOSE AND EFFECT: The purpose of these proposed amendments is to align policies and procedures for income and asset exclusions for Medicaid coverage groups. Florida is aligning the policies to further simplify program policies and procedures.

 RULE TITLE: Wildlife Violator Compact, Implementation

PURPOSE AND EFFECT: The 2006 Florida Legislature authorized Florida to become a member of the interstate Wildlife Violator Compact in Chapter 2006-304, Laws of Florida. The compact creates a uniform system which allows member states to recognize suspensions of hunting and fishing

licenses from other member states. The legislation also made the Florida Fish and Wildlife Conservation Commission the enforcer of the compact. The purpose of this rule is to administer the provisions of the Wildlife Violator Compact. The compact has a list of violations for which licenses are typically suspended. All violations which result in a suspension are entered into the compact's computerized data system and are filed under one of the violation codes. Each compact member state must decide which violation codes will be recognized in their state. This rule lists the violations which resulted in a suspension that Florida will recognize and for which Florida will suspend a license. The rule also gives clarity as to how the suspensions will be recognized so that residents and non-residents will know how they are affected by the compact.

SUMMARY: Proposed new Rule 68-1.007, F.A.C., pursuant to Wildlife Violator Compact (adopted in Chapter 2006-304, Laws of Florida), lists the types of license suspensions and revocations from compact member states which will be recognized in Florida. It also clarifies that nonresidents who have a recreational hunting and fishing license suspension from a compact member state will not be able to purchase a recreational hunting and fishing license in Florida during the time period of the suspension. Lastly, the rule states that residents of Florida who have been issued a recreational license that has not yet expired, and who subsequently move out of the state will be considered Florida residents for purposes of the rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST: No statement of regulatory costs has been prepared.

Any person who wishes to provide information regarding the statement of estimated regulatory costs, or to provide a proposal for lower cost regulatory alternative must do so in writing within 21 days of this notice.

SPECIFIC AUTHORITY: Art. IV, Sec. 9, Fla. Const.; 372.8311 FS.

LAW IMPLEMENTED: Art. IV, Sec. 9, Fla. Const.; 372.8311, 372.831 FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAW.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: James V. Antista, General Counsel, Fish and Wildlife Conservation Commission, 620 South Meridian Street, Tallahassee, Florida 32399-1600, phone (850)487-1764

20-7.003 Commission Consideration of Properly Submitted Requests.

(1) Upon the Department’s receipt of any request pursuant to this Chapter 20-7, F.A.C. Rule, the Department shall determine whether any such request meets the requirements of this Chapter 20-7, F.A.C. Rule. Any request meeting Chapter 20-7, F.A.C., this Rule’s requirements shall be considered a properly submitted request and such properly submitted request, including all attachments thereto, shall be posted on the Department’s website. Such properly submitted request shall be placed as an agenda item for consideration by the Florida Citrus Commission at a ~~regularly scheduled~~ Commission meeting occurring no sooner than 15 days, but no later than 90 days, after such website posting the Department’s receipt of any properly submitted request. In deciding upon any such properly submitted request, the Commission may consider the following factors:

- (a) The logistics and impacts of requiring licensed citrus fruit dealers to collect and remit the requested dues, contributions or other financial payments;
- (b) Whether approval of the properly submitted request advances the purposes of The Florida Citrus Code, as may be amended from time to time;
- (c) Public comments; and
- (d) Recommendations by Department staff.

(2) If the Commission, by majority vote, approves the properly submitted request, then such approval shall be manifested in the form of a Commission Order Resolution issued pursuant to Section 601.10(1), F.S. The Order Resolution shall contain sufficient information, logistical and otherwise, to allow licensed citrus fruit dealers to collect dues, contributions, or any other financial payments on behalf of the corporation identified in the Order Resolution, and to remit those collected funds to said corporation.

(3) After issuance passage of the Order Resolution, the Department shall cause a contract, the duration of which shall be not greater than five years, but which shall be terminable by the Department without cause upon providing the requesting corporation 60 days written notice, and a continuing indemnity agreement in the form attached to this Chapter 20-7, F.A.C. Rule as Appendix A, Eff. 10-25-06, incorporated herein by reference to be presented to the requesting corporation identified in the Order Resolution. Each such contract shall include a requirement that the requesting corporation pay to the Department a fee equal to, but not exceeding, the amount necessary to ensure that any direct costs incurred by the Department in administering the contract are paid by the requesting corporation as calculated pursuant to section 20-7.005. Each such contract shall also include provisions to ensure that the requesting corporation continues to meet the requirements outlined in Section 601.992, F.S., and this

Chapter 20-7, F.A.C. Rule, throughout the term of said contract. If the requesting corporation and the Department have not mutually agreed to a contract and indemnification agreement, for submission to the Commission for approval, within 63 days of the date of the Commission Order Resolution, then the Order Resolution shall be of no force and effect, except that the Department’s Executive Director or Secretary of the Commission may expand this 63-day time limit if, in their sound discretion, more time is needed to effectuate a contract consistent with the Order Resolution.

(4) Upon a majority vote of the Commission, any time limit herein may be expanded, condensed, or waived.

Pursuant to the terms of the Order Resolution, each affected licensed citrus fruit dealer shall collect the dues, contributions, or any other financial payments on behalf of the corporation named in the Order and shall remit such funds as outlined in the Order Resolution.

20-7.005 Fees and Other Related Costs.

(1) Within 60 days of the effective date of this Chapter 20, F.A.C. Rule, and prior to August 1 of each year thereafter, the Department shall calculate the direct costs incurred by the Department for (i) processing request(s) for dues collection, and (ii) contract administration.

(2) For the purposes of calculating such fees, the term “direct costs” shall mean any actual costs incurred by the Department, including, but not limited to, the pro-rated value of any portion of any and all employees’ gross salary and benefits for any such employees’ time spent on administration of the services contemplated hereunder ~~and any fees, expenses or costs which the Department may pay to any licensed citrus fruit dealer for the dues collection and remittance contemplated herein~~. Such “direct costs” shall also include any portion of other Department expenses and/or overhead which may be reasonably allocated to the services contemplated hereunder.

(3) In no event shall the Department’s calculation of fees hereunder result in the Department subsidizing any requesting corporation, nor shall any such calculation result in the Department levying a fee in gross excess of those direct costs incurred by the Department in administering the services contemplated hereunder.

(4) From the remittance payments outlined in subsection 20-7.003(2), F.A.C., a licensed citrus fruit dealer may withhold any actual costs reasonably incurred by the licensed citrus fruit dealer for the collection and remittance contemplated herein.

(5)(4) The processing request fee established annually hereunder shall govern all processing requests for dues collection filed in the subsequent fee year (August 1 – July 31).

Windstorm Mitigation Discounts

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 32, No. 36, September 8, 2006 issue of the Florida Administrative Weekly.

These changes are being made to address concerns expressed by the Joint Administrative Procedures Committee.

Rule 69O-170.017 is changed to read as follows:

69O-170.017 Windstorm Mitigation Shutter Discounts.

(1)(a) This rule applies to all residential property insurance rate filings filed on or after January 1, 2007. All residential property insurers must make new filings by March 1, 2007, to reflect the requirements in this rule. For the purpose of determining appropriate discounts, credits, rate differentials, or reductions in deductibles for residential properties on which shutters or other wind mitigation devices or fixtures have been installed, pursuant to Section 627.0629(1), Florida Statutes, any rate filing which provides discounts, credits, rate differentials, or reductions in deductibles consistent with any statewide rating organization plan currently approved pursuant to Section 627.062, Florida Statutes, shall be considered in compliance with the applicable requirements of Section 627.0629(1), Florida Statutes.

(b) A rate filing which does not provide at least the same level of discounts, credits, rate differentials, or reductions in deductibles as specified in such a plan will be disapproved, unless the insurer demonstrates that the discounts, credits, rate differentials, or reductions comply with the requirements of Sections 627.062 and 627.0629(1), Florida Statutes.

(2) Section 627.0629, F.S., states that discounts on an actuarially reasonable basis or appropriate reductions in deductibles must be provided in the rates for residential property insurance for fixtures or construction techniques, including minimum provisions of the Florida Building Code which have been demonstrated to reduce windstorm loss. The discounts must reflect the discounts as set forth in Form OIR-B1-1700, "Windstorm Mitigation Discounts: Non-Single Family Residences" (10-06) and Form OIR-B1-1699 "Windstorm Mitigation Discounts: Single Family Residences" (10-06), which are incorporated by reference, and which are based upon the studies *Development of Loss Relativities for Wind Resistive Features of Residential Structures* and *Development of Loss Relativities for Wind-Resistive Features of Residential Structures of Five or More Units*. These discounts must be used without any modification unless they are supported by detail alternate studies where all assumptions are available to the Office for review. These public domain studies providing data and information on estimated loss reduction for wind resistive building features in residences are incorporated by reference, and are available for downloading at the website of the Florida Department of Community Affairs, at <http://www.floridadisaster.org/brm/RCMP/Wind%20Loss/> and <http://www.floridadisaster.org/brm/RCMP/Wind%20Loss/index2.htm> respectively. The forms are available for downloading at the Office's website at www.floir.com. Any insurer that has implemented a residential property rate filing on or after July 1, 1994, that does not provide at least the level of discounts, credits, rate differentials, or reductions in deductibles provided for in an approved rating plan referenced in subsection (1) above, or otherwise comply with the requirements of Section 627.0629(1), Florida Statutes, shall make a shutter discount filing immediately.

(3) Filings can modify other rating factors to reflect revenue impact on current business only if they have actual information on policies receiving the discounts currently to support the modification. An insurer shall provide to residential property insurance policy applicants at the time of procurement of the policy application actual notice of the availability of discounts, credits, rate differentials, or reductions in deductibles, as well as all requirements that must be satisfied in order to qualify for such discounts, credits, rate differentials or reductions. For all residential property insurance policies in force on the effective date of this rule, an insurer shall, at the next renewal, provide such actual notice to the policyholder. After once providing such actual notice to a policyholder or policy applicant, an insurer shall not be required to again provide such notice at the time of renewal of the policy unless the insurer implements changes to its discounts, credits, rate differentials, reductions in deductibles, or requirements that must be satisfied to qualify for such discounts, credits, rate differentials, or reductions. Failure to provide such notice shall be considered a violation of Section 626.9541(1)(a)1., Florida Statutes.

LAND AND WATER ADJUDICATORY COMMISSION

On February 13, 2006, the Florida Land and Water Adjudicatory Commission (the "Commission") received a Petition (Petition was supplemented August 22, 2006) to adopt an amendment to Chapter 42AA-1, F.A.C., to amend the boundary of the Poinciana Community Development District (the "District") pursuant to Chapter 190, F.S. Petitioner asserts a copy of the Petition was filed with both Polk County and Osceola County in compliance with Section 190.046, F.S. The Commission will follow the requirements of Chapter 190, F.S., and Chapter 42-1, F.A.C., in ruling on this Petition, as supplemented.

SUMMARY OF CONTENTS OF PETITION: The Petition, as supplemented, was filed by the Poinciana Community Development District with its registered office located at 123 South Calhoun Street, Tallahassee, Florida 32301. The Petition, as supplemented, proposes to modify the land area presently serviced by the District by amending its boundary to add approximately 212.65 acres. (The District was originally established by Rule 42AA-1, F.A.C., effective November 1, 1999.) The District currently covers approximately 3,028 acres of land located entirely within Polk County, Florida. After expansion, the District will encompass approximately 3,240 acres. There are no lands within the expansion parcel that are to be excluded from the District. Petitioner has written consent to amend the boundary of the District from the owners of one hundred percent of the real property comprising the expansion parcel. Pursuant to Section 190.046(1)(e), F.S., the filing of the Petition, as supplemented, for expansion by the District Board

of Supervisors constitutes consent of the landowners. The development plan that was included in the original Petition to establish the District consisted of 5,600 residential units and 140,000 square feet of commercial and office space. Petitioner indicates that the development plan within the District has been modified. The proposed 212.65 acre expansion area will include single family residential units that will be added to the overall development schedule. No additional residential or non-residential development is anticipated as a result of the expansion of the District's boundary.

SUMMARY OF THE STATEMENT OF ESTIMATED REGULATORY COSTS: In association with the Petition, as supplemented, the Petitioner has caused a Statement of Estimated Regulatory Costs ("SERC") to be prepared in compliance with Section 120.541, F.S. The complete text of the SERC is contained at Exhibit "8" to the Petition, as supplemented. By way of summary, the SERC estimates the principal individuals and entities likely to be required to comply with the amended rule are the single family residential households that locate within the proposed expansion area. The SERC estimates that rule amendment implementation and enforcement costs to the Commission and state agencies will be modest. The costs to Polk and Osceola Counties are modest and will be offset by the payment of requisite filing and annual fees. The SERC estimates there will be no effect on state and local revenues from the proposed amendment of the rule. The SERC indicates the District may levy non-ad valorem special assessments on properties within its boundaries to finance infrastructure that the District funds and to defray the costs of operating and maintaining the infrastructure and associated community facilities. Prospective future landowners would be required to pay off such indebtedness over time in the form of non-ad valorem special assessments or other rates, fees or charges. The District may also impose an annual levy for the operations and maintenance of the District. The SERC further provides the decision to locate within the District is completely voluntary. The SERC concludes that the expansion of the District's boundary will have no impact on small businesses. As to impact on small counties, neither Polk nor Osceola Counties are "small" counties as defined by Section 120.52, F.S. The SERC analysis is based on a straightforward application of economic theory. Input was received from the developer's engineer and other professionals associated with the developer.
