RULE NO.: 60BB-10.001
 RULE TITLE: Emergency Contingency Fund for the Temporary Assistance for Needy Families Program

PURPOSE AND EFFECT: A new rule chapter is proposed to implement emergency assistance under the Temporary Assistance for Needy Families (TANF) Program. The United States Congress passed the American Recovery and Reinvestment Act of 2009 (Public Law 111-5) to provide emergency assistance to qualifying states during the country’s economic downturn. Subtitle B of the Act creates the Emergency Contingency Fund for State Temporary Assistance for Needy Families Program (“Emergency Fund”), and authorizes states that have an increase in assistance caseloads

to request federal grant money in fiscal year 2009 and fiscal year 2010. The Emergency Fund provides grants equal to 80 percent of a state’s increased TANF and maintenance-of-effort expenditures on basic assistance, non-recurrent short-term benefits, and subsidized employment to help families unable to find jobs or to help families with low earnings during this difficult economic time. Florida is receiving grant money from the United States Department of Health and Human Services to, among other things, create subsidized employment projects. Participants must satisfy eligibility criteria to engage in the subsidized employment projects. Therefore, a need exists to adopt a new rule which sets forth these eligibility criteria.

THE PRELIMINARY TEXT OF THE PROPOSED RULE DEVELOPMENT IS:

62-213.205 Annual Emissions Fee.

Each Title V source permitted to operate in this state must pay between January 15 and March 1 of each year, upon written notice as provided in the Title V permit, an annual emissions fee in an amount determined as set forth in subsection 62-213.205(1), F.A.C.

(1) Emissions Fee Calculation and Payment. Each Title V source must calculate the annual fee, based upon the source's previous year's emissions, by multiplying the applicable annual emissions fee factor times the tons of each regulated air pollutant (except carbon monoxide) allowed to be emitted per hour by specific condition of the source's most recent certification, construction permit or operation permit, times the annual hours of operation allowed by specific condition; provided, however, that:

(a) through (d) No change.

(e) For any Title V source that emits less of any regulated air pollutant than allowed by specific condition, the annual fee calculation for such pollutant may, at a responsible official's option, be based upon emissions determined as follows:

1. The Department will accept, for fee purposes, emissions determined by means of data from a certified continuous emissions monitor which, for other than an acid rain source, ~~or CAIR source, or Hg Budget source,~~ meets the certification and quality assurance requirements of Appendices B and F of 40 C.F.R. Part 60, or for an acid rain source; ~~or CAIR source, or Hg Budget source,~~ meets the certification and quality assurance requirements of 40 C.F.R. Part 75, which are adopted and incorporated by reference in Rule 62-204.800, F.A.C. Stack gas volumetric flow rates will be determined using, if available at the source, calibrated flowmeters with recorders that record data on a continuous basis. In the absence of a flowmeter, flow rates will be determined by the average flow rate for the three most recent stack tests that were conducted at 90 percent to 100 percent of the maximum allowable operating rate for the unit. If three such stack tests have not been conducted, the average of the latest two tests conducted at the 90 percent to 100 percent level will be used. If two or more such tests have not been conducted, the results of the latest test conducted at the 90 percent to 100 percent level shall be used. For purposes of this determination, a stack test shall consist of all test runs required under subsection 62-297.310(1), F.A.C. Flow rates as determined in this paragraph shall be used with continuous emission monitors to determine the mass emissions for fee purposes.

2. through 3. No change.

(f) through (k) No change.

(2) through (4) No change.

62-213.420 Permit Applications.

(1) Duty to Apply. For each Title V source, the owner or operator shall submit a timely and complete permit application in compliance with the requirements of this section and subsections 62-4.050(1) through (3), F.A.C.

(a) Timely Application.

1. through 4. No change.

~~5. For purposes of the Hg Budget Part form (DEP form number 62-210.900(1)(e)), a timely application is one that is submitted as follows:~~

~~a. For a Hg Budget unit covered by a Title V permit prior to May 1, 2008, a certified Hg Budget Part form shall be submitted to the Department by May 1, 2008. The form shall be submitted as part of a Title V permit revision application.~~

~~b. For a Hg Budget unit not covered by a Title V permit prior to May 1, 2008, a certified Hg Budget Part form shall be submitted to the Department prior to the unit commencing operation. The form shall be incorporated into the Title V permit upon issuance of an initial, revised, or renewal Title V permit, whichever comes first.~~

~~e. A Hg Budget Part form shall be submitted simultaneously with any Title V permit renewal application for a Hg Budget source.~~

(b) Complete Application.

1. No change.

2. The application shall be deemed complete sixty days after receipt, unless the Department, within sixty days after receipt of a certified application for permit, permit revision or permit renewal, requests additional documentation or information needed to process the application. An applicant making timely and complete application for permit, or for permit renewal, shall continue to operate the source under the authority and provisions of any existing valid permit or Florida Electrical Power Plant Siting Certification, and in accordance with applicable requirements of the Acid Rain Program; ~~and application requirements of the CAIR Program, and applicable requirements of the Hg Budget Trading Program,~~ until the conclusion of proceedings associated with its permit application or until the new permit becomes effective, whichever is later, provided the applicant complies with all the provisions of subparagraphs 62-213.420(1)(b)3., F.A.C. Failure of the Department to request additional information within sixty days of receipt of a properly signed application shall not impair the Department's ability to request additional information pursuant to subparagraphs 62-213.420(1)(b)3., F.A.C.

3. through 5. No change

(2) through (6) No change.

~~(7) Hg Budget Part Form. (1) Standard Permit Requirements. Each permit issued under this chapter shall incorporate all applicable requirements for the Title V source and for each method of operation proposed by the applicant and approved by the Department. Each such permit shall include all emission limitations and standards, including those operational requirements and limitations that assure compliance with all applicable requirements, with citation to the Department's rule authority for each term or condition, and identification of any difference in form from the applicable requirement upon which the term or condition is based. However, when there are multiple, redundant, or conflicting applicable requirements, these

provisions can be reduced to a single streamlined term or condition that is the most stringent of the multiple applicable requirements. In addition, the Department shall label permit terms or conditions “not federally enforceable” consistent with 40 C.F.R. § 70.6(b)(2), adopted and incorporated by reference at Rule 62-204.800, F.A.C. Emissions units or pollutant-emitting activities within a Title V source determined to be insignificant pursuant to subsection 62-213.430(6), F.A.C., shall be identified. The Acid Rain Part of a Title V permit shall include a permit condition prohibiting emissions exceeding any allowances that the source lawfully holds under the Federal Acid Rain Program. The CAIR Part of a Title V permit shall include a permit condition prohibiting emissions exceeding any allowances that the source lawfully holds under the CAIR Program. ~~The Hg Budget Part of a Title V permit shall include a permit condition prohibiting emissions exceeding any allowances that the source lawfully holds under the Hg Budget Trading Program.~~ The source may not, however, use allowances as a defense to noncompliance with any other applicable requirement.

1. No permit revision shall be required for increases in emissions that are authorized by allowances acquired pursuant to the Federal Acid Rain Program; or the CAIR Program, ~~or the Hg Budget Trading Program~~, provided that such increases do not require a permit revision pursuant to Rule 62-213.400, F.A.C. Each CAIR Part incorporates every allocation, transfer, or deduction of a CAIR NO_x or CAIR NO_x ozone season allowance to or from the compliance account of the CAIR source covered by the permit, upon recording by the Administrator. ~~Each Hg Budget Part incorporates every allocation, transfer, or deduction of a Hg allowance to or from the compliance account of the Hg Budget source covered by the permit, upon recording by the Administrator.~~

2. No limit shall be placed on the number of allowances held by the source under the Federal Acid Rain Program; or the CAIR Program, ~~or the Hg Budget Trading Program.~~

3. Allowances shall be accounted for under the Federal Acid Rain Program; or the CAIR Program, ~~or the Hg Budget Trading Program.~~

4. Each CAIR Part incorporates the definitions of terms under 40 C.F.R. § 96.102, 96.202, and 96.302, adopted and incorporated by reference at Rule 62-204.800, F.A.C. ~~Each Hg Budget Part incorporates the definitions of terms under 40 CFR 60.4102, adopted and incorporated by reference in Rule 62-204.800, F.A.C.~~

For example, Road 77 is a north-south route located between control routes 75 and 85 and is found near the westernmost portion of the state. Minor connecting routes are assigned three-digit or four-digit numbers between the control routes. For example, Road 510 is an east-west route located between control routes 50 and 60 and would be found near the central portion of the state.

40D-24.010	Definitions
40D-24.020	Incentive Program
40D-24.030	Incentive Program – Qualifying

PURPOSE AND EFFECT: The purpose and effect of this rulemaking is to repeal Chapter 40D-24, F.A.C., which established the District’s Xeriscape Incentive Program.

SUMMARY: Chapter 40D-24, F.A.C., sets forth an incentive program adopted in 1992 that encouraged local governments within the District to adopt ordinances to promote xeriscape landscaping, or landscaping practices that conserves water and protects the environment by using site appropriate plants, efficient watering, proper planning and design and proper maintenance. These practices are now generally regarded as “Florida-friendly” landscape principles. Effective July 1, 2009, the Florida Legislature enacted Chapter 2009-243, Laws of Florida, which sets forth the principles of Florida-friendly Landscaping.™ The legislation requires water management districts to implement an incentive program to encourage local governments to adopt landscape ordinances that promote water conservation and includes criteria for participation in such programs as well as specific landscaping principles to be promoted. This renders the District’s Chapter 40D-24, F.A.C., as redundant and unnecessary.

61H1-26.001 Form of Practice and Name-Shared Office Space.

(1) A Florida certified public accountant may practice public accounting, whether as an owner or employee, only in the form of a proprietorship, a partnership or a corporation, or a limited liability company. A Florida certified public accountant shall not allow any person to practice in his name that is not a partner or shareholder with him or in his employ. A Florida certified public accountant shall not practice under a name which is misleading or deceptive as to the legal form of the firm or as to persons who are partners, or shareholders of the firm or as to any other matter. In this regard:

(b) A firm name may include the names of retired or deceased partners or shareholders or members who were active partners or shareholders or members of the entity. This provision permits a firm, in the same line of succession, to

change from one form of business to another and continue to use the names of retired or deceased partners, shareholders or members.

(c) Use of the term "and Company" or "and Associates" requires at least one other fully employed Florida certified public accountant ~~licensee~~ or non certified public accountant ~~CPA~~ owner other than those named in the firm name; however, this rule does not preclude a Florida certified public accountant ~~licensee~~ initially meeting this requirement from using the above-mentioned terms if the Florida certified public accountant ~~licensee~~ subsequently does not fully employ at least one Florida certified public accountant ~~licensee~~ other than those named in the firm name.

(d) A firm may use the term "Certified Public Accountants" in the firm's name if all owners are certified public accountants ~~CPAs~~. If there are non certified public accountants ~~CPA~~ owners, the firm may use the terms "CPA Firm" "CPAs and Associates" or "Certified Public Accountants and Associates" provided the firm has more than one certified public accountant ~~CPA~~. Further, a certified public accountant ~~CPA~~ firm with non certified public accountant ~~CPA~~ owners may not use the term Certified Public Accountants without indicating there are other owners such as Associates or Consultants.

(2) The term "certified public accountant(s)" or the abbreviation "CPAs" must appear with the name of a certified public accountant when used in connection with an expression of opinion.

(3) Florida cCertified pPublic aAccountants may share office facilities provided there is adequate disclosure that would enable a reasonable person to determine the practice is not associated with the profession or occupation not regulated by the Board, such as written agreements, signs, etc.

- 2. Target court-ordered sanctions that can be reasonably initiated or completed while the youth is in the program; and
- 3. Identify transition activities targeted for the last 60 days of the youth's anticipated stay in the program.

(b) For each goal, the performance plan shall specify its target date for completion, the youth's responsibilities to accomplish the goal, and the program's responsibilities to enable the youth to complete the goal.

2. In maximum-risk programs, the intervention and treatment team shall meet at least every 30 days to conduct a formal performance review of each youth.

3. The intervention and treatment team shall document each formal and informal performance review in the official youth case record, including the youth's name, date of the review, meeting attendees, any input or comments from team members or others, and a brief synopsis of the youth's progress in the program.

(b) Performance Reporting. The intervention and treatment team shall prepare a Performance Summary at 90-day intervals, beginning 90 days from the signing of the youth's performance plan, or at shorter intervals when requested by the committing court. The program shall not release any youth without written notification from the JPO or the JPO's supervisor that documents the court's approval or confirms the release is considered approved when the court does not respond within 10 days of the department's request. Upon notification that a release request has been approved or is considered approved, the program shall provide written notification to the youth's parents or legal guardian of the planned release and complete an RPACT exit assessment.

2. (3) Vendors need to register at the myfloridamarketplace.com as a vendor doing business with the State of Florida in order for the E911 Board to generate a warrant.

(4) Each wireless provider seeking reimbursement under Section 365.173(2)(d), Florida Statutes, shall submit a cost recovery proposal to the E911 Board by August 1 of each year detailing the estimated anticipated capital and operating expenses during the ensuing state fiscal year, including:

(b) The requirement that a wireless provider timely submit its cost recovery proposal by August 1 of each year in compliance with Section 365.173(2)(d), Florida Statutes, is mandatory in order to enable the Board to timely prepare and submit its legislative budget request to the Legislature by September 15 of each year.

(6) A wireless provider that fails to timely submit its cost recovery proposal in accordance with Rule subsection (4) for the ensuing state fiscal year shall be deemed ineligible pursuant to Section 365.173(2)(d), Florida Statutes, and thereby precluded from any cost recovery during the ensuing state fiscal year.

(7) A wireless provider deemed ineligible for cost recovery in the ensuing state fiscal year for failure to timely file its cost recovery proposal may request reinstatement of its eligibility by showing good cause in writing explaining in detail the facts and circumstances purporting to excuse its noncompliance. The wireless providers representative will be permitted to appear either in person or via teleconference at the next available Board meeting to present its position and answer any questions from the Board. The Board, in the exercise of its powers enumerated in Section 365.172(6), Florida Statutes, shall consider the facts and circumstances and determine whether relief is justified to avoid imposition of a substantial hardship or a violation of the principles of fairness, and whether relief would serve the purpose of Sections 365.172, 365.173, 365.174 and, particularly, Section 365.173(2)(d), Florida Statutes, and whether relief can be granted without causing an impediment to recovery by providers who have timely submitted.

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Chapter 2008-173 (Senate Bill 1588), Laws of Florida, authorized the Department of Revenue to adopt emergency rules that could remain in effect for 18 months and that could be renewed. These acts further provided that all conditions imposed by Chapter 120, Florida Statutes, were deemed to be met.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized the Department of Revenue to adopt emergency rules that implement the provisions of Chapter 2008-173 (Senate Bill 1588), Laws of Florida. The law provides that these emergency rules remain in effect for a period of 18 months and that they may be renewed. The form included here is based on the requirements of Section 218.12, Florida Statutes, as passed by the 2008 Legislature. The Department of Revenue has taken several actions to inform interested parties about the form, procedures, and emergency rules that are being developed to implement this new law, and to give such parties an opportunity to review and comment. These interested parties include Property Appraisers, county governments and the professional associations that represent them. The actions that the Department has taken include: making the proposed drafts available via the Internet for public review and comments at: <http://dor.myflorida.com/dor/property/fiscal.html>, establishing a Department email address

to make it easier for interested parties to submit comments and questions to the agency, emailing copies of the draft forms to interested parties, as well as receiving and incorporating public comments on the drafts of forms.

12DER09-2 Reporting of Fiscal Data by Fiscally Constrained Counties to the Department of Revenue For Local Fiscal Year 2009-2010.

(1) This rule applies to counties that meet the fiscally constrained definition in Section 218.67(1), Florida Statutes. Pursuant to Section 218.12, Florida Statutes, such counties are required to apply for a distribution of funds appropriated by the Legislature for the purpose of offsetting reductions in property tax revenues occurring as a direct result of the implementation of revisions to Article VII, Florida Constitution approved in the special election held on January 29, 2008 (Amendment 1). Application must be in a form and manner prescribed by the Department of Revenue. For local fiscal year 2009-10, these reductions include the additional \$25,000 homestead exemption, the \$25,000 tangible personal property exemption, homestead assessment difference transferability, and the 10% assessment increase limitation on nonhomestead property.

values comparable to those certified on Form DR-420, Certification of Taxable Value. For local fiscal year 2009-10 only, that portion of the estimated reduction in ad valorem taxable value occurring as a result of homestead assessment difference transfers shall include only the reduction in taxable value for homesteads established on January 1, 2009;

(b) Millage rates for all county government taxing jurisdictions as included on the tax roll extended pursuant to Section 193.122, Florida Statutes, for all such jurisdictions for both the current and prior year;

(c) Rolled-back rates, if available, for each jurisdiction determined as provided in Section 200.065, Florida Statutes, and included on Form DR-420 by each taxing jurisdiction;

(d) Maximum millage rates, if available, for each jurisdiction that could have been levied by a majority vote pursuant to Section 200.185, Florida Statutes, as included on Form DR-420MM, Maximum Millage Levy Calculation – Final Disclosure, by each taxing jurisdiction.

DEPARTMENT OF COMMUNITY AFFAIRS

Notice of Funding Availability FEMA-1831-DR-FL and
 FEMA-1840-DR-FL
 Program Summary

The Florida Division of Emergency Management is pleased to announce the availability of Hazard Mitigation Grant Program (HMGP) funds as a result of the recent Presidential Disaster Declarations (FEMA-1831-DR-FL and FEMA-1840-DR-FL). HMGP is authorized by Section 404 of the Robert T. Stafford Disaster Relief Act and is offered to assist communities in implementing mitigation measures designed to reduce or eliminate long-term risk to people and property from natural

hazards and their effects. The Division is soliciting applications and encourages all eligible applicants to identify and submit applications that address eligible mitigation activities. The amount of funding available to the state is based on 20% of the total federal disaster assistance for these events. The application period will close January 15, 2010. Therefore, all applications must be postmarked by January 15, 2010. The Division encourages and welcomes the submittal of complete applications at anytime during this cycle. You are entitled to submit applications under both disaster declarations. Please Note: Each funding disaster is separate. If you are submitting to both FEMA-1831-DR-FL and FEMA-1840-DR-FL, four (4) completed applications must be received per each disaster.

APPLICATION TIMELINE: Applications are currently being accepted. The deadline for the submission of applications is January 15, 2010 (postmarked). Applications will only be accepted from eligible applicants as defined in the Minimum Program Eligibility section of this notice. Please provide four completed copies of the State of Florida Joint Hazard Mitigation Grant Program and Flood Mitigation Assistance Application and all appropriate attachments. The Joint application and all other pertinent forms may be obtained at the Divisions website located at <http://www.floridadisaster.org/Mitigation/Hazard/forms.htm>.

Alternatively, you may contact the Division directly at (850)922-4182. In order to be considered, completed applications must be sent to the following address:

ATTN: Kathleen Marshall, Hazard Mitigation Grant Program
Florida Division of Emergency Management
Mitigation Section
2555 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

MINIMUM PROGRAM ELIGIBILITY

Eligible Applicants: According to the C.F.R. 44 § 206.434(a) applicants eligible to apply for Hazard Mitigation Grant Program funds include: State and local governments who have an approved Local Mitigation Plan (LMS) in accordance with 44 CFR 201.6, prior to receipt of HMGP subgrant funding for projects; private non-profit organizations or institutions that own or operate a private non-profit facility as defined in § 206.221(e); and a qualified conservation organization as defined at 44 CFR § 80.3(h); Indian tribes or authorized tribal organizations.

Eligible Activities: Activities include mitigation projects that will result in protection of public or private property from natural hazards. Activities for which implementation has already been initiated or completed, are not eligible for funding. Eligible projects include, but are not limited to the following:

- a. Acquisition or relocation of hazard prone structures;
- b. Retrofitting of existing buildings and facilities that will result in increased protection from hazards;
- c. Elevation of flood prone structures;

- d. Infrastructure protection measures;
 - e. Stormwater management improvements;
 - f. Minor structure flood control projects; and
 - g. Retrofitting of existing buildings and facilities for shelters.
- See Attachment C for FEMA Memorandum – Clarification of requirements for HMGP wind retrofit projects.

The state will not consider funding requests for:

- Generators-unless they are an integral part of a larger eligible project (see Attachment A).
- Construction of new facilities – however, the cost associated with above code upgrades can be considered.
- Equipment such as emergency pumps, vehicles and communication devices.
- Tree removal.
- Projects already in progress. (Construction may not begin until the project has met requirements of the National Environmental Policy Act. In addition the contract between the State and subgrantee must be executed.)

Eligibility Criteria: All projects submitted must meet the following minimum criteria to be considered for funding:

- Conform to the Florida Hazard Mitigation Plan and the respective community's Local Mitigation Strategy (LMS);
- Conform to the funding priorities for the disaster as established in the respective community's LMS governing the project;
- Demonstrate cost-effectiveness;
- Is technically feasible;
- Provide a beneficial impact upon the designated disaster area;
- Conform to all applicable environmental laws and regulations and Executive Orders;
- Solve a problem independently or constitutes a functional part of a solution;
- Is in an National Flood Insurance Program (NFIP) participating community that is not on probation or have been suspended from the NFIP; and
- Meet all applicable State and local codes and standards.

COST-SHARE REQUIREMENTS

Under the HMGP, FEMA will contribute up to 75 percent (75%) of the total amount approved under the grant award to implement eligible cost-effective mitigation measures. The applicant must provide the remaining 25 percent (25%) non-federal share. All contributions, cash or in-kind services, are acceptable as part of the non-federal share. Requirements for in-kind contributions can be found in 44 CFR §13.24. In-kind contributions must be directly related to the eligible project cost. In-kind resources are those personnel, materials, equipment and supplies owned, controlled and operated by the applicant or a third party contributor.

Applicants will also be able to use the Global Match concept as part of the 25% non-federal share match. Which means if the Match project is approved you will be eligible to receive up to 100% federal share. Global Match is when non-federal

contributions are derived from one single non-federally funded project or several non-federally funded projects that are “pooled” together to match one or more federally funded projects to attain the required 25% or greater program share for a HMGP grant. In other words, Global Match permits a potential applicant to meet the non-federal share match by receiving credit for state and/or local government funds that were committed to similar type project(s). These similar non-federally funded projects must meet all of the eligibility requirements as specified by the federal funding source for which it is matching.

PRE-AWARD COSTS

Prior to receiving a grant award, Pre-award costs may be requested. Pre-award costs include items such as engineering, environmental study, permitting and other “soft” costs associated with a construction project. Construction activities are not considered pre-award costs. Pre-award costs must be requested in writing. Guidelines for pre-award costs are included, see Attachment B.

COUNTY FUND ALLOCATION

To ensure funds are distributed equitably, designated counties have been assigned a portion of the total HMGP grant. The amount is based on a calculation of the proportional share of the total federal assistance under the Public Assistance (PA), Individual Assistance (IA) and Small Business Administration (SBA) programs as of February 2009. Commitment of project funds by the Division is contingent upon receipt of appropriate Legislative Budget Authority.

These figures are shown in Attachment D and represent the estimated amount of HMGP funds currently available. HMGP funding is available only to those counties that have a FEMA approved Disaster Mitigation Act of 2000 compliant Local Mitigation Strategy (LMS). Project applications will be considered only if:

- (1) The application is accompanied by an endorsement by the LMS Chairperson or Vice-Chairperson stating that the project is included in the current LMS; and
- (2) If more than one project is submitted, the endorsement indicates the prioritization. A sample project submission letter is shown in Attachment E.

DEM will attempt to fund each submitted project in priority order until the county’s allocation has been exhausted. In accordance with Rule 9G-22.006, F.S., the Division uses the following tiered allocation system up until the State application deadline with FEMA:

Tier 1 The available HMGP funds are allocated to counties included in the relevant presidential disaster declaration in proportion to each county’s share of federal disaster funding from the Public Assistance (PA), Individual Assistance (IA) and Small Business Administration (SBA) Disaster Loan Program as of the date of receipt of the FEMA funding notice described above. Eligible projects submitted by each county included in the relevant

presidential disaster declaration will be funded in order of priority as outlined in the LMS until the allocated funds (through the 12-Month Lock-in) are exhausted or all eligible projects are funded.

Tier 2 Any allocation remaining after all eligible projects in any declared county are funded, shall be re-allocated to those counties included in the relevant presidential disaster declaration whose allocation was not sufficient to fund all submitted eligible projects. The order of priority for re-allocating funds is detailed in Attachment E.

Tier 3 In the event funds remain after the Tier 1 and Tier 2 process, any remaining funds will be offered on a statewide basis as described in Attachment E.

Please see Attachment E for a detailed explanation of funding tiers.

FUNDING AVAILABILITY AND NOTIFICATION

FEMA notifies the State of HMGP funding availability at several milestones:

1. Initial Estimate

This represents an early estimate only, is not an actual commitment of funding by FEMA. It may increase or decrease based on actual disaster claims during the declaration period. These estimates are provided for planning purposes and to jump-start the HMGP application process.

2. 180 Days from the Date of Declaration

This represents the State’s Lock-in Amount. It is the minimum the State can expect to receive from FEMA. County allocations listed in Attachment D are based on this estimate. After this disclosure, HMGP funds to the State cannot be decreased.

It is important for potential applicants to recognize that HMGP funds are contingent upon FEMA’s reexamination of the disaster figures at the given time intervals. A county’s funding allocation can increase or decrease after it has submitted an application.

The St. Johns River Water Management District (District) intends to grant a variance from paragraph 40C-4.302(1)(c), Florida Administrative Code (F.A.C.), and the associated portions of the Applicant's Handbook: Management and Storage of Surface Waters (May 13, 2008), including Sections 10.1.1(c), 12.1.1(d), and 12.2.5(c), to Honda R. & D. The project is located in Section 3, Township 30 South, Range 38 East, Brevard County, Florida. paragraph 40C-4.302(1)(c), F.A.C., and the associated portions of the Applicant's Handbook: Management and Storage of Surface Waters (May 13, 2008), including Sections 10.1.1(c), 12.1.1(d), and 12.2.5(c), are designed to protect Class II or Class III waters which are classified as approved, restricted, conditionally approved or conditionally restricted for shellfish harvesting and require permit applicants to comply with additional criteria when the proposed work is located in, adjacent to, or in close proximity to such waters. The petitioner seeks a variance pursuant to Subsection 373.414(17), Florida Statutes (F.S.), in conjunction with Environmental Resource Permit Application 4-009-103222-3, to reconstruct a boat ramp to support an outboard engine research and development facility. The work would occur in the Indian River which in this area is a Class II water classified by the State as conditionally restricted for shellfish harvesting. Notice of receipt of the petition for variance was published in the Florida

Administrative Weekly on November 14, 2008. The Executive Director is scheduled to take final action on the petition for variance and the related permit application on or after October 27, 2009.

A person whose substantial interests are or may be affected by the District's intended action has the right to request an administrative hearing by filing a written petition with the District. Pursuant to Chapter 28-106 and Rule 40C-1.1007, F.A.C., and Section 403.201, Fla. Stat., the petition must be filed (received), either by delivery at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka, Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwmd.com, within fourteen (14) days of this publication date (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), F.S., and Chapter 28-106, F.A.C. The District will not accept a petition sent by facsimile (fax), as explained below. Mediation pursuant to Section 120.573, F.S., is not available.

If the District takes action that substantially differs from this notice, a person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the District, but this request for administrative hearing shall only address the substantial deviation. Pursuant to Chapter 28-106 and Rule 40C-1.1007, F.A.C., the petition must be filed (received) at the office of the District Clerk at the mail/street address or email address described above, within nineteen (19) days of the District depositing notice of final District decision in the mail (for those persons to whom the District mails actual notice), within fourteen (14) days of the District emailing the notice of final District decision (for those persons to whom the District emails actual notice), or within fourteen (14) days of newspaper publication of the notice of final District decision (for those persons to whom the District does not mail or email actual notice). The petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), F.S., and Chapter 28-106, F.A.C. Mediation pursuant to Section 120.573, F.S., is not available.

A person whose substantial interests are or may be affected has the right to a formal administrative hearing pursuant to Sections 120.569 and 120.57(1), F.S., where there is a dispute between the District and the party regarding an issue of material fact. A petition for formal hearing must also comply with the requirements set forth in Rule 28-106.201, F.A.C. A person whose substantial interests are or may be affected has the right to an informal administrative hearing pursuant to Sections 120.569 and 120.57(2), F.S., where no material facts are in dispute. A petition for an informal hearing must also comply with the requirements set forth in Rule 28-106.301, F.A.C.

A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8:00 a.m. – 5:00 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8:00 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, F.A.C.), which is available for viewing at www.sjrwmd.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile is prohibited and shall not constitute filing.

Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, Florida Administrative Code).

The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. A person whose substantial interests are or may be affected by the District's final action has the right to become a party to the proceeding, in accordance with the requirements set forth above.

Pursuant to Section 120.68, F.S., a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to the Florida Rules of Appellate Procedure within 30 days of the rendering of the final District action. A District action is considered rendered after it is signed on behalf of the District and is filed by the District Clerk. Failure to observe the relevant time frames for filing a petition for judicial review will result in waiver of that right to review.

The petition for variance (F.O.R. 2008-107) and permit application files are available for public inspection during normal business hours, 8:00 a.m. through 5:00 p.m., Monday through Friday, except legal holidays, at District Headquarters. To request copies or inspection of these files, contact Gail L. Hankinson, Assistant General Counsel, Office of General Counsel, at the address above, or by telephone at (386)329-4391.

As required by Sections 120.569(1) and 120.60(3), F.S., following is notice of the opportunities which may be available for administrative hearing or judicial review when the substantial interests of a party are determined by an agency. You may wish to consult an attorney regarding your legal rights.

Right to Request Administrative Hearing – A person whose substantial interests are or may be affected by the South Florida Water Management District's (SFWMD or District) action has the right to request an administrative hearing on that action pursuant to Sections 120.569 and 120.57, F.S. Persons seeking a hearing on a District decision which does or may determine their substantial interests shall file a petition for hearing with the District Clerk within 21 days of receipt of written notice of the decision, unless one of the following shorter time periods apply: 1) within 14 days of the notice of consolidated intent to grant or deny concurrently reviewed applications for environmental resource permits and use of sovereign submerged lands pursuant to Section 373.427, F.S.; or 2) within 14 days of service of an Administrative Order pursuant to Subsection 373.119(1), F.S. "Receipt of written notice of agency decision" means receipt of either written notice through mail, or electronic mail, or posting that the District has or intends to take final agency action, or publication of notice that the District has or intends to take final agency action. Any person who receives written notice of

a SFWMD decision and fails to file a written request for hearing within the timeframe described above waives the right to request a hearing on that decision.

Filing Instructions – The Petition must be filed with the Office of the District Clerk of the SFWMD. Filings with the District Clerk may be made by mail, hand-delivery or facsimile. Filings by e-mail will not be accepted. Any person wishing to receive a clerked copy with the date and time stamped must provide an additional copy. A petition for administrative hearing is deemed filed upon receipt during normal business hours by the District Clerk at SFWMD headquarters in West Palm Beach, Florida. Any document received by the office of the SFWMD Clerk after 5:00 p.m. shall be filed as of 8:00 a.m. on the next regular business day. Additional filing instructions are as follows:

- Filings by mail must be addressed to the Office of the SFWMD Clerk, P. O. Box 24680, West Palm Beach, Florida 33416.
- Filings by hand-delivery must be delivered to the Office of the SFWMD Clerk. Delivery of a petition to the SFWMD's security desk does not constitute filing. To ensure proper filing, it will be necessary to request the SFWMD's security officer to contact the Clerk's office. An employee of the SFWMD's Clerk's office will receive and file the petition.
- Filings by facsimile must be transmitted to the SFWMD Clerk's Office at (561)682-6010. Pursuant to subsections 28-106.104(7), (8) and (9), F.A.C., a party who files a document by facsimile represents that the original physically signed document will be retained by that party for the duration of that proceeding and of any subsequent appeal or subsequent proceeding in that cause. Any party who elects to file any document by facsimile shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the clerk as a result. The filing date for a document filed by facsimile shall be the date the SFWMD Clerk receives the complete document.

Initiation of an Administrative Hearing – Pursuant to Rules 28-106.201 and 28-106.301, F.A.C., initiation of an administrative hearing shall be made by written petition to the SFWMD in legible form and on 8 and 1/2 by 11 inch white paper. All petitions shall contain:

1. Identification of the action being contested, including the permit number, application number, District file number or any other SFWMD identification number, if known.
2. The name, address and telephone number of the petitioner and petitioner's representative, if any.
3. An explanation of how the petitioner's substantial interests will be affected by the agency determination.
4. A statement of when and how the petitioner received notice of the SFWMD's decision.

5. A statement of all disputed issues of material fact. If there are none, the petition must so indicate.

6. A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the SFWMD's proposed action.

7. A statement of the specific rules or statutes the petitioner contends require reversal or modification of the SFWMD's proposed action.

8. If disputed issues of material fact exist, the statement must also include an explanation of how the alleged facts relate to the specific rules or statutes.

9. A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the SFWMD to take with respect to the SFWMD's proposed action.

A person may file a request for an extension of time for filing a petition. The SFWMD may, for good cause, grant the request. Requests for extension of time must be filed with the SFWMD prior to the deadline for filing a petition for hearing. Such requests for extension shall contain a certificate that the moving party has consulted with all other parties concerning the extension and that the SFWMD and any other parties agree to or oppose the extension. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

If the District takes action with substantially different impacts on water resources from the notice of intended agency decision, the persons who may be substantially affected shall have an additional point of entry pursuant to Rule 28-106.111, F.A.C., unless otherwise provided by law.

Mediation – The procedures for pursuing mediation are set forth in Section 120.573, F.S., and Rules 28-106.111 and 28-106.401-.405, F.A.C. The SFWMD is not proposing mediation for this agency action under Section 120.573, F.S., at this time.

Right to Seek Judicial Review – Pursuant to Sections 120.60(3) and 120.68, F.S., a party who is adversely affected by final SFWMD action may seek judicial review of the SFWMD's final decision by filing a notice of appeal pursuant to Florida Rule of Appellate Procedure 9.110 in the Fourth District Court of Appeal or in the appellate district where a party resides and filing a second copy of the notice with the SFWMD Clerk within 30 days of rendering of the final SFWMD action.

Notice of Opportunity to Hold a Public Hearing for Supplemental Environmental Assessment for Jacksonville Rapid Transit System Phase One Project.

The Federal Transit Administration and the Jacksonville Transportation Authority (JTA) are issuing a Notice of Opportunity to Hold a Public Hearing on the Supplemental Environmental Assessment (EA) for the Jacksonville Rapid Transit System Phase One project. The project is located in Downtown Jacksonville Florida and includes the provision of a Bus Rapid Transit (BRT) System to support population and employment growth and improve mobility, transit travel times, passenger facilities, and service reliability. Based on the results of the Supplemental Environmental Assessment and the

evaluation of alternatives, Final Modified Option E has been identified as the recommended Locally Preferred Alternative (LPA). Modified Option E moves the Kings Avenue BRT station to the same location as the Kings Avenue Skyway station. The LPA includes dedicated transit lanes during peak hours, enhanced transit superstops, streetscape improvements, and other BRT features along portions of Broad and Jefferson streets, Bay and Forsyth streets west of Broad Street, the Acosta Bridge, Museum Circle, San Marco Boulevard, Riverplace Boulevard, Prudential Drive, Onyx Street, Louisa Street, and Kings Avenue north of Manning Street.

Information on the project can be found on the JTA website: www.jtafla.com and a copy of the Supplemental EA can be reviewed at the following places:

- Jacksonville Main Library
- 303 N. Laura Street
- Jacksonville, FL 32202
- Jacksonville Transportation Authority Offices
- 100 N. Myrtle Avenue
- Jacksonville, FL 32204

You may request that a public hearing be held for the Supplemental EA by sending a written request on or before November 8, 2009 to:

- Winova Hart-Mayer
- Communication and Outreach Coordinator
- Jacksonville Transportation Authority
- 100 N. Myrtle Avenue
- Jacksonville, FL 32204
- whart@jtafla.com

If a public hearing is held, then JTA will publish a notice of date, time, and location for the hearing in the Florida Times Union, Legal Section and post on the JTA website: www.jtafla.com. You may also submit written comments on the Supplemental EA to Winova Hart-Mayer of JTA at the address above by November 8, 2009.

The environmental assessment and public hearing has been conducted in compliance with Title VI of the Civil Rights Act of 1964 and Title VIII of the Civil Rights Act of 1968. Persons wishing to express their concerns relative to adherence to Titles Six and Eight of the Civil Rights Act may do so by contacting: JTA's Contract Compliance Program Manager, Ken Middleton at (904)598-8728 or kmiddleton@jtafla.com.
