NOTICE TO ASBESTOS ABATEMENT CONSULTANTS
 The University of South Florida announces that continuing professional services are required for the following discipline: Asbestos Abatement Consultants (up to 2) (Tampa Campus with ability to include other campuses as required).

PROJECT DESCRIPTION:

Projects included in the scope of this agreement will be specific projects for renovations, alterations, new construction, and additions for University facilities that have an asbestos abatement construction budget that does not exceed \$2,000,000 or survey or studies for which the fee for professional services that does not exceed \$200,000. Projects for University facilities may include Teaching, Research, Health, Academic, Administrative, Recreation and Residence Life Facilities, as well as Infrastructure and utility projects. Continuing Service contracts for these projects provide that the consultant will be available on an as-needed basis for an initial period of one (1) year with an Owner’s option to renew for one (1) additional year at a time, up to a total of two (2) additional years. This selection is based upon Asbestos Abatement Consultant services only. Other services (including architectural, structural, etc.) that may be required for specific projects shall be provided as part of basic services through the selected Asbestos Abatement Consultant based upon project need. Use of USF Continuing Service Consultants by the selected Asbestos Abatement Consultants shall be encouraged for other services if required. A consultant receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional continuing service professionals under contract during the same time period. Blanket professional liability insurance in the amount of \$1,000,000 shall be required for the contract. Services required to be provided under the Continuing Service Contracts include the development of record drawings by the Continuing Service Consultant for projects designed by that consultant to reflect as-built conditions to facilitate the University’s space management program. The plans and specifications for University of South Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

INSTRUCTIONS:

Firms desiring to provide professional services shall submit one (1) original submittal and four (4) copies consisting of a letter of interest and a completed “USF Professional Qualifications Supplement for Asbestos Abatement Consultant” form dated December 2009 and any required or additional information within the proposal limits as described in the PQS General Instructions. Submittals that do not comply with these requirements or do not include the requested data may not be considered. No submittal material will be returned. Submittals become part of the public record. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.
