NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the disciplines of engineering and architecture for Total Building Commissioning will be required for the project listed below:

Project: UF-362, UF&Shands UDC Building Renovation, Jacksonville

The facility will include an upgrade of the building envelope and utilities infrastructure, roof replacement, and selective renovation of approximately 20,860 gross square feet (GSF) of the UDC Building under several phases of construction that minimize disruption to the building occupants. The Shands Jacksonville UDC Building is a 3 story, 34,946 GSF facility, constructed in the mid-1950's, located on the Shands Jacksonville Medical Center campus. It has been utilized as a multi-purpose building providing student dormitory space and various hospital support functions over the years. Gold LEED-CI (Leadership in Energy and Environmental Design -Commercial Interiors) certification by the U.S. Green Building Council is mandatory. The scope of services shall include design phase peer review, completion and maintenance of the Owner's Project Requirements (OPR) document, development of the Commissioning Plan and Commissioning Specifications, and construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation, and building envelope systems. The consultant shall also support project efforts to achieve higher-than-normal energy efficiency and attain Gold LEED certification.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet for Commissioning Consultants, and other background information. The proposal shall be limited to 20 single-sided pages OR 10 double-sided, consecutively-numbered pages and shall include:
