Specifically, the proposed amendments remove multiple cooling options for oyster shellstock and implements one set of sequential time limits for the months from April through November by specifying shipping and receiving temperatures. Additionally, the text of Rule 5L-1.008, F.A.C., was reorganized. Seven workshops were held for interested parties across the state of Florida, in the principal areas of oyster industry activity.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will have an impact on small business. An SERC has been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULES IS:

19-11.002 Beneficiary Designation for FRS Investment Plan.

(1) through (3) No change.

(4) A member may name a beneficiary or beneficiaries at any time, as follows:

(a) A member may name a beneficiary or beneficiaries to receive the assets of the member’s FRS Investment Plan account, either sequentially or jointly.

(b) A member may name as beneficiary any person, organization, trust, or his estate.

(c) A primary beneficiary is someone who will receive the member’s funds from the FRS Investment Plan account, if that person is living at the death of the member. If there are more than one primary beneficiary, named with percentages of the funds, they will each receive their member-designated percentages if they are still living at the death of the member. Example: if the member names his four sons, in equal shares (25% each), but two of the four sons die before their father, the other two living sons split the funds two ways, 50% each.

(d) A contingent beneficiary is one or more persons who are named, in case all primary beneficiaries die before the member. Naming a contingent beneficiary is optional. The member does not have to name anyone as a contingent beneficiary.

(e) Any such beneficiary designation may be made on Form IPBEN-1, rev. ~~03-11~~ ~~09-09~~, which is hereby adopted and incorporated by reference. This form is available in paper form and may be obtained by calling the toll-free MyFRS Financial Guidance Line at 1(866)446-9377, Monday through Friday, except holidays, 9:00 a.m. to 8:00 p.m. or by accessing the MyFRS.com website and clicking on “Resources” and then “Forms.” The beneficiary designation form must be completed and received by the FRS Investment Plan Administrator before it becomes effective. Alternatively, a beneficiary may be

designated electronically by logging on to MyFRS.com, clicking on “manage benefits,” then clicking on “manage investments,” and then clicking on “personal info.”

(f) If a member inadvertently uses an incorrect beneficiary designation form, the FRS Investment Plan Administrator will notify the member and request that the member complete and submit the correct form, Beneficiary Designation Form IPBEN-1, rev. 03-11. If the member should die prior to completing and submitting the IPBEN-1 form, the FRS Investment Plan Administrator will consider the beneficiary set forth on the incorrect form as being the member’s intended beneficiary for the purpose of paying benefits.

~~(g)~~ (f) A member may change his beneficiary designation at any time by filing a new beneficiary designation form or by designating a new beneficiary electronically. There is no separate form for changes of beneficiary designation.

(5)(a) If a member is married and names his or her spouse as a primary beneficiary, regardless of whether the percentage allocated to the spouse on the form is less than 100%, the member is not required to notify the spouse. However, if a member is married and names a primary beneficiary(ies) and the person(s) named is not the spouse of the member, then the member is required to notify the spouse that he or she is not a primary beneficiary of the proceeds of the member’s FRS Investment Plan account(s). The spouse must acknowledge that he or she understands that he or she is not a primary beneficiary of the member’s FRS Investment Plan account(s) by signing the beneficiary designation form, Form IPBEN-1, rev. 09-09, in the appropriate place. If a married member fails to obtain the spouse’s acknowledgment on the beneficiary designation form, then the member will be sent an Acknowledgement of Beneficiary Designation, reminding the member of the necessity of obtaining the spousal acknowledgement. The member can return this Acknowledgement of Beneficiary Designation with the spouse’s signature which will provide the acknowledgement from the spouse that the spouse is aware that he or she is not the primary beneficiary of the member’s FRS Investment Plan account(s). Alternatively, the spouse may provide the FRS Investment Plan Administrator with a notarized statement reflecting the spouse’s understanding that the spouse is not the beneficiary of the member’s FRS Investment Plan account(s).

(b) If the member fails to obtain his or her spouse’s acknowledgement that a beneficiary, other than the spouse, has been designated as the primary beneficiary of the member’s Investment Plan benefit, the beneficiary designation on file with the FRS Investment Plan Administrator at the time of the member’s death will be honored only if the spouse’s rights as a beneficiary are not compromised under Florida law.

(6)(a) An Alternate Payee may name a beneficiary to receive the benefits which may be payable in the event of the Alternate Payee’s death at any time, as outlined in paragraphs

(4)(a) through (f) above, once the Alternate Payee's account has been established by the FRS Investment Plan Administrator.

(b) If the Alternate Payee does not name a beneficiary(ies), then the Alternate Payee's beneficiary(ies) will be those as described in Section 121.4501(20)(a), F.S., which are: first, the spouse, if he or she is still living after the member's death; second, living children, if the spouse is dead; third, the member's father or mother, if living; fourth, to the member's estate. This means that the spouse will receive the member's account balance if living; but if not, the children will receive the account balance, if living; but if not, the father or mother will receive the account balance, and if none of the people mentioned in this paragraph are still living, the account balance will be paid to the Alternate Payee's estate.

(7) A beneficiary, whether designated or pursuant to Florida law, of a deceased member who, by a verdict of a jury or by a court trying the case without a jury, is found guilty, or who has entered a plea of guilty or nolo contendere, of unlawfully and intentionally killing or procuring the death of such member shall forfeit all rights to the deceased member's retirement benefits. Any benefits will be paid as if such beneficiary had predeceased the deceased member. No benefits will be paid until there is a final resolution of such charges against the beneficiary.

(8)(7)(a) If the deceased member has named a beneficiary but has not provided the beneficiary's social security number or address, or if the social security number is incorrect, then, after at least three unsuccessful attempts by the SBA or the FRS Investment Plan Administrator to contact the beneficiary, the FRS Investment Plan Administrator advise the SBA and the account will not be distributed.

(b) The FRS Investment Plan Administrator will, with the assistance of the SBA, at the time of notification of death, make a reasonable effort to obtain the beneficiary's Social Security Number or Taxpayer Identification Number, using available search tools, including the internet, LexisNexis Accurint, the Internal Revenue Service, and the Social Security Administration. Additionally, by calendar year-end, of each year following the transfer to the Suspense Account, the FRS Investment Plan Administrator will attempt to locate and obtain the Social Security Number or the Taxpayer Identification Number of the beneficiary.

(c) If after one year from date of death no information is available to identify the beneficiary, the FRS Investment Plan Administrator will transfer the funds to the FRS Investment Plan Suspense Account, indicating the name of the deceased member and the name of the beneficiary. The transferred funds shall be invested in the FRS Select U.S. Treasury Inflation-Protected Securities Index Fund. The amount will be held in the FRS Investment Plan Suspense Account until (1) the beneficiary contacts the FRS Investment Plan; or (2) another beneficiary requests consideration as the deceased's

proper beneficiary; or, (3) at the end of 10 years in the Suspense Account, the amount is transferred to the FRS Investment Plan Forfeiture Account, where it is held indicating the name of the deceased member and the name of the beneficiary.

(d) Should the beneficiary be located and provides a social security number, a check will be issued, with actual earnings, from the date of transfer from the member's account to the Suspense Account subject to applicable income tax withholding, which shall be paid to the tax authorities at the time of such payment to the beneficiary.

~~(9)~~(8)(a) Pursuant to Federal guidelines, if the deceased member's account is to be paid to the member's estate but no Estate Identification Number is provided, the account will not be paid to the Estate until receipt of the Estate Identification Number. In the event that no Estate Identification Number is provided, the FRS Investment Plan Administrator transfer the deceased member's account to the Suspense Account indicating the name of the deceased member and the name of the beneficiary. The transferred funds shall be invested in the FRS Select U.S. Treasury Inflation-Protected Securities Index Fund.

(b) The FRS Investment Plan Administrator will, at the time of the transfer to the Suspense Account, make a reasonable effort to obtain the Estate Identification Number. Additionally, by calendar year-end of each year following the transfer to the Suspense Account, the FRS Investment Plan Administrator will attempt to locate and obtain the Estate Identification Number.

(c) The amount will be held in the FRS Investment Plan Suspense Account until (1) the member's estate representative contacts the FRS Investment Plan; or (2) a beneficiary requests consideration as the deceased's proper beneficiary; or, (3) at the end of 10 years in the Suspense Account, the amount is transferred to the FRS Investment Plan Forfeiture Account, where it is held indicating the name of the deceased member.

(d) Should the estate's representative subsequently provide an Estate Identification Number, a check will be issued, with actual earnings, from the date of transfer from the member's account to the Suspense Account while invested in the FRS Select U.S. Treasury Inflation-Protected Securities Index Fund subject to applicable income tax withholding, which shall be paid to the tax authorities at the time of such payment to the estate.

(10)(a) If the social security number and date of birth of the named beneficiary are known, an account will be established in the beneficiary's name and funds will be transferred thereto. However, no distribution will be made to any beneficiary until a certified copy of the member's death

certificate has been received. In the meantime, the beneficiary will have control over any investment elections/allocations for the account. The beneficiary will be notified of the establishment of the account and will receive a PIN to access information pertaining to the account.

19-11.003 Distributions from FRS Investment Plan Accounts.

(1) through (2) No change.

(3) Distributions available after the member terminates FRS-covered employment.

(a) An FRS Investment Plan member shall not be entitled to a distribution from his account unless he has been terminated from all FRS-covered employment, including temporary, part-time, Other Personal Services (OPS) and any regularly established position with an FRS employer, for three (3) calendar months following the month of termination. Example: If a member terminates on May 15, the three calendar months are June, July, and August. Therefore, the member cannot request a distribution until September.

(b) If the member's termination date has not been submitted by the employer via the monthly payroll file within three (3) calendar months, the employer can complete and return the "Employment Termination Form," Form ETF-2, rev. 08/10 ~~04/09~~. The termination form can be found on the MyFRS.com website. This form has instructions and a section for employer certification. Alternatively, the employer can log onto the employer page at MyFRS.com and go to Online Payroll and submit the termination date electronically.

(c) Upon the expiration of the three calendar months after termination, the member may request a distribution from the FRS Investment Plan Administrator, by calling the toll free MyFRS Financial Guidance Line at 1(866)446-9377, Option 4, or by logging on to the MyFRS.com website, accessing his or her personal account information, and then requesting the distribution through the online services.

(d) If a member has terminated employment from all FRS-covered employment for one calendar month and he has reached his normal retirement date, in accordance with Section 121.021(29), F.S., he may request a one-time distribution of up to 10 percent (10%) of his account balance. For example, if a member terminates on May 15, the one calendar month is June. Therefore, the member can request a one-time distribution of up to 10 percent (10%) in July.

(e) A member who transfers to the Pension Plan from the Investment Plan and leaves a balance in the member's Investment Plan account is a member of the Pension Plan and,

as such, the member cannot take a distribution of the surplus Investment Plan funds until he begins receiving his Pension Plan benefits.

(4) All distribution of benefits from a Participant's account(s) in the Plan shall begin and be made no later than as prescribed by Code s. 401(a)(9) and the regulations issued thereunder, including any proposed regulations, and shall be subject to the incidental death benefit rules of Code s. 401(a)(9)(G). A copy of the Code section can be obtained by accessing the IRS website at irs.gov and clicking on the Tax Professionals section, and then clicking on the Code, Regs. & Guidance section.

(a) Distribution of benefits to a Participant shall be made or commence not later than April 1 following the close of the later of the calendar year during which the Participant attains age 70 1/2 or retires.

(b) If distribution of benefits has commenced before a Participant's death, any remaining benefits must be distributed at least as rapidly as under the method of distribution being used as of the date of the Participant's death.

(c) If a Participant dies before the commencement of distributions from the Participant's account(s) in the Plan, the method of distribution shall be as follows:

1. Any benefits not payable to a beneficiary designated by the Participant shall be distributed within five years after the Participant's death.

2. Any benefits payable to a beneficiary designated by the Participant shall be distributed over the life of such beneficiary (or over a period certain not extending beyond the life expectancy of such beneficiary), commencing not later than the end of the calendar year immediately following the calendar year in which the Participant died. If the designated beneficiary is the surviving spouse of the Participant, distributions shall commence on or before the later of the end of the calendar year immediately following the calendar year in which the Participant died and the end of the calendar year in which the Participant would have attained age 70 1/2.

3. If the designated beneficiary is the surviving spouse of the Participant and the surviving spouse dies before distributions to such spouse begin, this paragraph (c) shall be applied as if the surviving spouse were the Participant.

(5) Benefits shall be distributed to a Participant as a periodic distribution, a partial lump-sum payment whereby a portion of the accrued benefit is paid to the Participant less withholding taxes remitted to the Internal Revenue Service and the remaining amount is transferred directly to the custodian of an eligible retirement plan on behalf of the Participant, or as otherwise provided by Section 121.591(1)(c), F.S. Benefits shall be distributed to a survivor as provided in Section 121.591(3)(c), F.S. A distributee shall have the option to have all or any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(6) All distributions of benefits must be made in accordance with Code provisions, which shall override any distribution options inconsistent with such provisions.

~~(7)(4)~~ Distributions to beneficiaries on the death of a member.

(a) If a member dies before his effective date of retirement, the member's spouse at the time of his or her death shall be the member's beneficiary, unless the member has designated a different beneficiary after the member's most recent marriage. If the member did name another beneficiary after his or her most recent marriage, the named beneficiary will receive the member's account balance.

(b) Procedures for beneficiary designations are addressed in Rule 19-11.002, F.A.C.

(c) On the death of a member, the beneficiary must file Form IP-DBF, "Death Benefit Information and Distribution Claim Form," rev. ~~01/10 09-09~~, which is hereby adopted and incorporated by reference, with the FRS Investment Plan Administrator, to receive benefits.

This form is available in paper form and may be obtained by calling the toll-free MyFRS Financial Guidance Line at 1(866)446-9377, Monday through Friday, except holidays, 9:00 a.m. to 8:00 p.m. or by accessing the MyFRS.com website and clicking on "Resources" and then "Forms." ~~This form is available in paper form and may be obtained by calling the toll-free MyFRS Financial Guidance Line at 1(866)446-9377, Monday through Friday, except holidays, 9:00 a.m. to 8:00 p.m. or by accessing the MyFRS.com website and clicking on "Resources" and the "Forms."~~

(d) A beneficiary, whether designated or pursuant to Florida law, of a deceased member who, by a verdict of a jury or by a court trying the case without a jury, is found guilty, or who has entered a plea of guilty or nolo contendere, of unlawfully and intentionally killing or procuring the death of such member shall forfeit all rights to the deceased member's retirement benefits. Any benefits will be paid as if such beneficiary had predeceased the deceased member. No benefits will be paid until there is a final resolution of such charges against the beneficiary.

~~(8)(5)~~ Distributions to Alternate Payees as a result of a Qualified Domestic Relations Order (QDRO).

(a) Upon receipt of a QDRO from a court of competent jurisdiction, the named alternate payee may leave their account in the Plan or request a distribution from the account once the account has been established in the alternate payee's name as provided in the QDRO and the Alternate Payee has received their PIN.

(b) Upon receipt of the PIN, the alternate payee may request a distribution by calling the toll free MyFRS Financial Guidance Line at 1(866)446-9377, Option 4 or by logging on to MyFRS.com, go to "Manage My Benefits," "Manage

Investments," accessing their personal account information, and then requesting the distribution through the online services.

~~(9)(6)~~ De Minimus Distributions.

(a) If an inactive member's account balance is \$1,000 or less, such amount may be subject to an automatic distribution. However, a distribution will not occur until the member has been terminated from all employment with FRS-covered employers for a minimum of six (6) calendar months.

(b) If the member meets the termination requirements and upon receiving notification of the automatic distribution, the distribution either will be made as a complete lump-sum liquidation of the account balance, subject to the provisions of the Internal Revenue Code, or if so instructed by the member, a lump-sum direct rollover distribution on the member's behalf paid directly to the custodian of an eligible retirement plan, as defined by the Internal Revenue Code. If a member rolls money into the Investment Plan from another qualified plan, which brings the account balance greater than \$1,000, no automatic distribution will occur unless the balance should become \$1,000-~~00~~ or less in the future.

(c) If such member returns to FRS-covered employment after receiving this automatic distribution, the member is not considered a reemployed retiree and will not be subject to any limitation applicable to such employees.

~~(10)(7)~~ Required Minimum Distributions ("RMD").

(a) Members, age 70 1/2 or older, must begin taking an annual minimum distribution from their qualified plan accounts including 401(k), 457, 403(b) plans and IRA accounts if they have terminated employment. The amount of an RMD in any year is based on account balances as of December 31st of the prior year. The member must have terminated all FRS covered employment in order for an RMD to be processed. Once the RMD has been calculated, the RMD will be paid to the member, even if the member returns to active FRS employment during the calendar year.

(b) The FRS Investment Plan Administrator will notify a member who is subject to an RMD distribution at the beginning of each calendar year. At the end of the calendar year in which the RMD was required to be paid, if the member has not requested the required RMD distribution amount ~~met the RMD requirements~~, the FRS Investment Plan Administrator will initiate an automatic RMD to meet the mandatory required distribution amount. ~~The member must have terminated all FRS covered employment in order for an RMD to be processed.~~ Members have the right to defer the initial RMD to April of the year following the year in which the RMD was payable. Members can defer the initial RMD by calling the FRS Investment Plan Administrator by November 30.

(c) If such member returns to FRS-covered employment after receiving this automatic distribution, the member is not considered a reemployed retiree and will not be subject to any limitations applicable to such employees.

~~(11)(8)~~ Distributions to non-spousal beneficiaries.

(a) In accordance with Internal Revenue Service (IRS) rules, non-spousal beneficiary accounts cannot be held indefinitely in the FRS Investment Plan. The amount of time a non-spousal beneficiary has before benefits must commence are more restrictive than for a spousal beneficiary. The “required minimum distribution” is required by the Internal Revenue Service and spelled out in IRS Code Section 401(a)(9), requiring that if the beneficiary is not a spouse, the Investment Plan can hold the distribution for no more than 5 years from the date of the member’s death.

(b) For a non-spousal beneficiary, there are two possibilities, depending upon whether payments from the account had commenced to the member before his or her death:

1. Where distributions have already begun to the member, but the member dies before his or her entire account has been distributed, the remaining portion of the account must be distributed at least as rapidly as under the method of distribution being used as of the date of the member’s death.

2. If a member dies before the distribution of the member’s account has begun, the entire account of the member must be distributed within 5 years after the death of the member, unless:

a. The member’s account will be distributed over the life of the designated beneficiary (or over a period not extending beyond the life expectancy of such beneficiary), and

b. Such distributions begin no later than 1 year after the date of the member’s death.

(c) The non-spousal beneficiary must decide within 1 year of the date of death to take lifetime installment or annuity payouts; otherwise, the entire account balance must be distributed within 5 years.

(d) If the whole amount is not paid out during the required 5-year period, the remaining funds in the account will be paid in a lump sum to the non-spousal beneficiary.

~~(12)(9)~~ Beneficiaries who are minors.

(a) A minor is a child under the age of 18. Section 744.301, F.S., allows for the natural guardian (surviving parent) to handle benefits to a minor child where that amount does not exceed \$15,000, without court appointment, authority or bond.

(b) In all cases where a minor child or children are the beneficiary(ies) of the member, a copy of the birth certificate of all minor children shall be sent to the FRS Investment Plan Administrator, and shall be received prior to any payout, regardless of the amount. The purpose is to provide proof that the surviving parent is the natural guardian of the children. The

FRS Investment Plan Administrator shall confirm that the surviving parent is providing the instructions for any payment arrangements being made.

(c) In all cases in which a minor is a beneficiary of an account balance which is greater than \$15,000, the FRS Investment Plan Administrator shall place a hold on the account and advise the SBA of the situation and the SBA shall send instructions to the FRS Investment Plan Administrator for any additional action.

(d) If the individual responding to the correspondence sent by the Administrator and providing instructions for payout is not the surviving parent, the Administrator shall request the individual to provide a Court Order wherein a guardian has been appointed for the minor, prior to payout of any balance and the Administrator shall take directions only from the named guardian.

(e) If no instructions for payout are received, the Administrator shall notify the SBA and the SBA will contact the probate court with jurisdiction over the estate of the member to request direction on the disposition of the minor’s interest in the account. Expenses shall be deducted from the member’s account.

~~(13)(40)~~ Invalid distributions.

(a) An “invalid distribution” is a distribution given to a member to which the member is not entitled.

(b) If a member or a former member of the FRS Investment Plan receives an invalid distribution, the member or former member is required to repay the entire invalid distribution within 90 days of the member’s receipt of a final notification from the SBA. If the member fails to repay the invalid distribution, the employer is liable for the repayment of the invalid distribution even if the member signed a statement at the time the member was hired that no benefit had been received from the Plan.

1. If a member repays the entire distribution, the member’s repayment will be deposited in his FRS Investment Plan account; he will be returned to the Investment Plan; and all future employer contributions will be deposited in the funds he has chosen.

2. If the employer repays the entire distribution, the repayment will be deposited in the Investment Plan Trust Fund and allocated to the Investment Plan’s forfeiture account to offset plan expenses. The member will be returned to the Investment Plan; and all future employer contributions will be deposited in the funds the member has chosen.

3. If the member fails to repay the invalid distribution, the SBA will declare the member a “retiree” and will pursue the repayment of the invalid distribution pursuant to paragraph (b) above. As a “retiree,” the member is subject to the restrictions of Section 121.122, F.S., which means that if the member is reemployed in the future with an FRS-covered employer, the member is not eligible for Special Risk membership, or for the Deferred Retirement Option Program, nor for disability

benefits. Section 121.122, F.S., has other restrictions and should be read by the member with his or her particular situation in mind.

(c) The following are examples of scenarios that could result in invalid distributions. They are only examples and are not inclusive of all possible situations. Members and employers are encouraged to contact the FRS Investment Plan Administrator to discuss the particular situation.

1. Example 1: A member joined the FRS Investment Plan effective September 1, 2002. He terminated all employment from his FRS-covered employer on August 24, 2009. On December 15, 2009, he take a partial distribution from his Investment Plan account. However, he returned to FRS-covered employment on December 1, 2009. The member took an invalid distribution because he was working for an FRS-covered employer at the time he received the distribution. His payroll record reflected the August 24, 2009, termination date but did not yet reflect his rehire date. Therefore, because the payroll report is not required from the employer to the Division of Retirement until the 5th business day of the month following the end of the work-month, the FRS Investment Plan Administrator, which receives its information from the Division of Retirement, had no knowledge of his return to work in the middle of December, since the information would not have arrived until at least January 6. The member is asked at the time of the distribution whether he is employed or pending employment with an FRS covered employer. If it is determined that the member knew or reasonably knew the answer to this question was yes, the member has taken an invalid distribution.

2. Example 2: A member joined the FRS Investment Plan effective April 1, 2004. He terminates all FRS-covered employment on November 12, 2009. The member has not reached his normal retirement date. On March 1, 2010, the member takes a total distribution from his Investment Plan account. The member returns to FRS-covered employment on April 15, 2010. The March 1, 2010 distribution is invalid since the member returned to work within 6 calendar months of his retirement date.

3. Example 3: A member joined the FRS Investment Plan effective May 1, 2005. He terminates all FRS-covered employment on November 12, 2009. The member has reached his normal retirement date. On January 5, 2010, the member receives his one-time distribution of up to 10 percent from his Investment Plan account. The member returns to FRS-covered employment on May 15, 2010. The January 5, 2010 distribution is invalid since the member returned to work within 6 calendar months of his retirement date.

(14) Documentation of a distribution made prior to August 30, 2007.

A member or beneficiary who requests documentation of a distribution made prior to August 30, 2007 will incur a special service charge due to the extensive resources required to

retrieve and produce such documentation. The requestor will be advised of the amount of such charge at the time request is made. Upon payment of the charge by the requestor, the request will be promptly processed.

19-11.009 Reemployment with an FRS-covered Employer after Retirement.

(1) Purpose: The purpose of this rule is to clarify the provisions regarding reemployment after retirement for FRS Investment Plan members. The limitations of this rule apply to reemployment in any capacity irrespective of the category of funds from which the member is compensated.

(2)(a) A member who has terminated FRS-covered employment and has taken a distribution from his Investment Plan account is considered a retiree, as of the date of the distribution, in accordance with Section 121.4501(2)(j), F.S. As a retiree, the former member shall not be reemployed with an FRS-covered employer until he has been retired for 12 months, except under certain limitations. Any retiree may return to employment with an FRS-covered employer after 12 calendar months of retirement and may take distributions from prior career benefits, even while reemployed. A retiree may work for any private employer or for any public employer who does not participate in the FRS without affecting his/her FRS retirement benefits.

(b) A member who is reemployed with an employer during the first six calendar months after retirement shall be deemed to not have retired. The distribution will be deemed an invalid distribution. The member shall be required to repay the entire invalid distribution within 90 days of the member's receipt of a final notification.

(c)(b) There are exceptions to paragraph (2)(a) above. This paragraph does not contain an exhaustive list of all possible situations. Members who are not in exactly the same circumstances as described in this paragraph should call the toll-free MyFRS Financial Guidance Line at 1(866)446-9377, Option 1, to have their situations properly analyzed.

1. If reemployed prior to July 1, 2010, a ~~A~~ member who has reached his normal retirement date, in accordance with Section 121.021(29), F.S., may return to FRS-covered employment after being retired for six ~~one~~ calendar months. Six ~~One~~ calendar months means six ~~the~~ full calendar months following the month the member retired. For example, if a member retires in January, the six calendar months are February, March, April, May, June, and July. The retiree may return to employment in August. The retiree may return to employment in one of the excepted positions identified in Section 121.091(9)(b), F.S., and continue to take distributions from prior career benefits. If the retiree returns to work in a position that is not one of the exceptions allowed by law,

he/she must suspend receipt of any remaining retirement benefits until either employment is terminated or the completion of for the remainder of the 12 calendar months of after retirement.

2. If reemployed on or after July 1, 2010, a member may return to work in any position with an FRS-covered employer after being retired for six calendar months. Six calendar months means six full calendar months following the month the member retired. For example, if a member retires in January, the six calendar months are February, March, April, May, June, and July. The retiree may return to employment in August. The member must suspend receipt of any remaining retirement benefits until either employment is terminated or the completion of 12 calendar months of retirement. Effective July 1, 2010, there are no excepted positions. A member reemployed on or after July 1, 2010 will not be permitted to renew membership in the FRS. A member who has not reached his normal retirement date, in accordance with Section 121.021(29), F.S., can return to work in one of the excepted positions identified in Section 121.091(9)(b), F.S., FRS-covered employment after being retired for three calendar months. "Three calendar months" means three full calendar months following the month in which the member retired. For example, if a member retires in January, the three calendar months are February, March, and April. The retiree may return to employment in May in one of the excepted positions identified in Section 121.091(9)(b), F.S., and continue to take distributions from prior career benefits. If the retiree returns to work in a position that is not one of the exceptions allowed by law, he/she must suspend receipt of any remaining retirement benefits for the remainder of the 12 months after retirement.

(3) The Plan Choice Administrator must be informed whenever an FRS Investment Plan retiree returns to employment with an FRS-covered employer during the first 12 calendar months of retirement.

(4)(a) Any retiree employed in violation of the FRS Investment Plan reemployment limitations and an employer any employing agency which knowingly that employs or appoints such person are jointly and severally liable to the retirement trust fund for reimbursement of any benefits paid. To avoid liability, such employing agency must have a written statement from the retiree that he or she is not retired from a state administered retirement system.

(b) To help prevent this issue, the employer should obtain a written statement from each prospective employee as to the employee's retirement status. The written statement can be set forth on the "Certification Form," Form CERT, rev. 09/2010 and can be found on the MyFRS website. This form should be retained in the employee's personnel file.

(c) When a prospective employee signs the Certification Form, the employee is certifying that he or she has not retired from any State of Florida administered retirement plan nor concluded participation in the Deferred Retirement Option

Program (DROP) within the past 12 months, or received an initial distribution or rollover from the FRS Investment Plan within the last 6 calendar months.

RULE NO.: 69K-17.0034
 RULE TITLE: Continuing Education for License Renewal

PURPOSE AND EFFECT: To amend continuing education requirements for specified categories of licensees under chp. 497, F.S. This rulemaking will amend existing rule 69K-17.0034, to implement certain mandatory rulemaking requirements under s. 27 of Chapter 2010-125, Laws of Florida (Section 497.603, F.S.).

SUMMARY: The rule amendment relates to continuing education for funeral directors, embalmers, and direct disposers. The changes being made in this rule amendment, as compared to the existing rule, are summarized as follows: a) the amendment eliminates the cap on continuing education credit for attending Board meetings; b) The amendment reduces the regulatory burden on funeral director and embalmer licensees in that the communicable disease course that is required for license renewal may be included in the 12 hours of continuing education required for renewal, instead of being in addition to the 12 hours. It is important to note that the requirement for continuing education by these licensees has been in Chapter 497, F.S. (2010) for many years. This rule does not impose new or increased continuing education requirements, and in fact makes it easier for the licensees to meet the continuing education requirement.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will have an impact on small business. An SERC has been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF COMMUNITY AFFAIRS

The Department of Community Affairs hereby gives notice that an Order Granting Waiver has been issued.

NAME OF THE PETITIONER: William Scotsman, Inc.

REFERENCE TO THE PLACE AND DATE OF PUBLICATION OF THE NOTICE OF THE PETITION: A notice appeared on February 18, 2011, in Vol. 37, No. 7 of the Florida Administrative Weekly.

DATE OF THE ORDER DENYING OR APPROVING THE VARIANCE OR WAIVER: March 31, 2011.

GENERAL BASIS FOR THE AGENCY DECISION: The waiver is restricted to a procedural requirement of the rule, the timing of the attachment of an insignia to a building that has been inspected as required by the rule, and has no bearing on the technical standards applicable thereto.

DEPARTMENT OF LAW ENFORCEMENT

NOTICE IS HEREBY GIVEN that on April 11, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Ocean Ridge Police Department on behalf of 21 officers named in the petition. Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule. The petition supports the requested waiver by stating that the officers did successfully complete the course of fire, however, the instructor who supervised the mandatory shoots was not fully certified as a CJSTC firearms instructor at the time of the officers' requalifications. Petitioner states that the 21 officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that the 21 officers affected by this situation did successfully complete the requirement simply because their instructor had failed to comply with all administrative aspects of firearms instructor certification.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

The Department of Environmental Protection hereby gives notice that on April 8, 2011, the Department of Environmental Protection issued a Final Order granting a petition for variance to Southeastern Guide Dogs, Inc. The petition for variance was received on February 23, 2011, seeking a variance from Rule 62-550.310, F.A.C., to allow for exceedance of the sodium maximum contaminant level (MCL). The petition was assigned OGC Case No. 11-0422. Notice of receipt of this petition was published in the Florida Administrative Weekly on March 18, 2011. No public comment was received. The conditions require that the Department be notified of any change in status of the system, conversion of the nature of the business, or the sale or transfer of ownership. The variance does not relieve the Petitioner from meeting other contaminant MCLs or excuse the system from monitoring and reporting sodium or other inorganics as required by rule.

Highlands Counties. Entities interested in contracting with DCA to provide this service should attend this meeting to learn about the application requirements.

Selection will be based on the entity's experience and performance in related federal or state programs in assisting low-income persons in the area to be served, and their capacity to undertake a timely and effective program. Special consideration in the designation of a service provider will be given to any Community Action Agency or other public or nonprofit entity which is currently administering an effective program under any low-income energy assistance program or weatherization program under the Economic Opportunity Act of 1964. After the application deadline date (due to be submitted to DCA by 5:00 p.m. EDT, June 7, 2011), DCA staff will review the application(s) received and make a decision regarding each entity's eligibility to provide program services in the unserved counties. A recommendation for the selected entity or entities will then be prepared by DCA staff for subsequent consideration and approval or disapproval by DCA's Secretary.
