DEPARTMENT OF FINANCIAL SERVICES

Division of Funeral, Cemetery, and Consumer Services

RULE NO.: 69K-21.005
 RULE TITLE: Display of Licenses

PURPOSE AND EFFECT: This rule action will REDUCE costs to regulated persons. This rulemaking action implements changes to Sections 497.380(15), 497.604(1), 497.376(2), and 497.602(5), Florida Statutes, as enacted by the Florida legislature in Chapter 2010-125, Laws of Florida. Prior to enactment of the changes referred to above, each funeral home and direct disposal establishment had to have each professional staffer post their license inside the establishment in a conspicuous location; the license had to be an original and there had to be a photo less than 2 years old attached to the license. The statutory changes allow the photo to be up to 6 years old, and, if a staffer member works at more than one location, they can post a copy of their license at the 2nd and subsequent locations (they do not need to obtain additional original licenses from the Division (which requires payment of a fee). Licensees thus save money and trouble due to less frequently having to replace photos, and not having to obtain extra originals of licenses issued to them.

SUBJECT AREA TO BE ADDRESSED: This rule action eliminates a requirement that photos attached to posted licenses be less than 2 years old; the 2-year old requirement is inconsistent with statutory changes made in the 2010 session of the legislature.

RULEMAKING AUTHORITY: 497.380(10), 497.604(9)(c), 497.103(5), 497.103(1)(n) FS.

RULE NO.:

59G-13.131

RULE TITLE:

Traumatic Brain Injury and Spinal Cord Injury Waiver Services Fee Schedule

PURPOSE AND EFFECT: The proposed amendment to Rule 59G-13.131, F.A.C., incorporates by reference the Traumatic Brain Injury and Spinal Cord Injury Waiver Services Fee Schedule, July 2009. The revised fee schedule adds services specific to nursing home transition and increases the number of services from 12 to 14.

SUMMARY: The fee schedule is being changed to add two new services, transition case management and transition home modifications. These services are specific to nursing home transition activities and available only to those recipients who have transitioned on to the waiver from a nursing home placement. This rule is the stand alone rule for the Fee Schedule for services available under the Traumatic Brain Injury and Spinal Cord Injury (TBI/SCI) waiver.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. An SERC has not been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

This policy does not have a deductible feature or other retention and is not subject to additional premium or assessment on the basis of claims and loss experience. We have no financial exposure to workers' compensation insurers with respect to policies covering prior periods. (2) Workers' compensation constitutes a very significant cost in the operation of an employee leasing company. Many employee leasing companies choose to provide workers' compensation coverage through insurance arrangements that may involve certain retention of risks.

The determination of an appropriate accrual that adequately reflects the cost retained by the employee leasing company is essential to the fair representation of the employee leasing company's financial position and results of operation for the reporting period, in accordance with generally accepted accounting principles.

Ultimate costs for workers' compensation must include a reserve for loss development and a provision for incurred but not reported claims, as determined through the utilization of a variety of generally acceptable actuarial methodologies.

We hereby represent that our financial statements' accrual for workers' compensation is based upon a methodology that accounts for loss development and incurred but not reported claims for the period covered by the attached financial statements, and for all prior periods for which we may have continued financial exposure, as follows:

(a) through (c) No change.

(d) Through other methodologies described in detail on Exhibit A hereto, resulting in a loss development factor of _____, which our independent accountants consider adequate to enable them to express an opinion on the financial statements as required by Section 468.525(3)(e), F.S., and Rules 61G7-5.0031 and 61G7-5.0032, F.A.C.

12DER11-11	Disclosure and Certification of Compliance; Filing of Documents Relating to Millage Levy Compliance Commencing 2009

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Chapter 2008-173 (Senate Bill 1588), Laws of Florida, authorized the Department of Revenue to adopt emergency rules that could remain in effect for 18 months and that could be renewed. These acts further provided that all conditions imposed by Chapter 120, Florida Statutes, were deemed to be met.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized the Department of Revenue to adopt emergency rules that implement the provisions of Chapter 2008-173 (Senate Bill 1588), Laws of Florida. The law provides that these emergency rules remain in effect for a period of 18 months and that they may be renewed. The forms included here are based on the requirements of Chapter 2008-173 (Senate Bill 1588), Laws of Florida, as passed by the Legislature, and will replace the forms used in previous years. The Department of Revenue has taken several actions to inform interested parties about the forms, procedures, and emergency rules that are being developed to implement this new law, and to give such parties an opportunity to review and comment. These interested parties include Property Appraisers and the professional associations that represent them, taxing authorities, including counties, municipalities, and independent districts, school districts, their associations, and practitioners who have told the Department that they want to receive all information associated with property tax rulemaking. The

actions that the Department has taken include: making the proposed drafts available via the Internet for public review and comments, establishing a new Department email address to make it easier for interested parties to submit comments and questions to the agency; emailing copies of the draft forms to interested parties, as well as receiving and incorporating public comments on the drafts of forms.

SUMMARY: Chapter 2008-173 (Senate Bill 1588), Laws of Florida, authorized the Department of Revenue to adopt emergency rules that could remain in effect for 18 months and that could be renewed. The purpose of these emergency rules is to renew previous emergency rules on the same subject matter. These rules renew and replace emergency rules as listed, and these rules will remain in effect during the pendency of procedures to adopt rules addressing the subject matter of these emergency rules. Emergency Rule 12DER11-3 (Denials and Late Filed Applications for Transfer of Assessment Limitation Differential (Portability)) will replace Emergency Rule 12DER09-6. This rule provides the procedure and forms for applicant taxpayers and property appraisers regarding denials and late applications of portability. Emergency Rule 12DER09-7 (Appeals to the Value Adjustment Board of Denials and of Amount of Transfer of Assessment Limitation Difference (Portability)) was promulgated into Rule 12D-9.028, F.A.C., and effective March 30, 2010. This rule provides for the applicable forms and the appeal process before the value adjustment board for denials for portability. Emergency Rule 12DER11-4 (Tax Collector Non-Ad Valorem Assessment Roll Reports) will replace Emergency Rule 12DER09-8. This rule provides assistance regarding certain actions to be taken by local governments and officials. Section 10 of Senate Bill 1588 (Chapter 2008-173, L.O.F.) states that Tax Collectors are required to report information concerning non-ad valorem assessments collected on the property tax bill to the Department of Revenue. This summary information on each non-ad valorem assessment must be provided by December 15th each year starting in 2008. This rule adopts and incorporates by reference Form DR-503NA, Tax Collector's Report on Non-Ad Valorem Assessments Collected on the Notice of Taxes (R. 06/09), to be used by tax collector for this report. Emergency Rule 12DER11-5 (Scope of Emergency Rules 12DER11-3 Through 12DER11-11; How to Obtain Forms) describes in detail the scope and application of emergency rules when implementing the provisions of Chapter 2008-173 (Senate Bill 1588), Laws of Florida, and will replace Emergency Rule 12DER09-9. Emergency Rules 12DER11-6 through 12DER11-8 supersede any other existing rules of the Department that deal with the same or similar issues and should be read in conjunction with those source documents that created the laws, and not rely solely on these rules. Emergency Rule 12DER11-6 (Transfer of Assessment Limitation Difference; "Portability;" Sworn Statement Required) will replace Emergency Rule 12DER09-10. This rule sets forth the limitations and special rules to be observed and the forms to be

used by applicant taxpayers and property appraisers for the transfer of assessment limitation difference, when a homestead is abandoned. Emergency Rule 12DER11-7 (Tangible Personal Property Exemption) will replace Emergency Rule 12DER09-11. This rule describes the procedure applicant taxpayers can use to apply for and receive this exemption, and the duties of the property appraiser when allocating exemptions and preparing the tax roll. Emergency Rule 12DER11-8 (Additional Homestead Exemption Pursuant to Section 196.031(1)(b), F.S.) will replace Emergency Rule 12DER09-12. This rule provides that no new application form will be necessary. The additional homestead exemption shall only apply to non-school levies, and the property appraiser shall have additional duties when documenting changes in the assessment roll. THE FULL TEXT OF THE EMERGENCY RULES IS:

12DER11-3 Denials and Late Filed Applications for Transfer of Assessment Limitation Differential (Portability).

(1) Denials.

(a) If the taxpayer is not qualified for transfer of any assessment limitation differential, the property appraiser in the county in which the new homestead is located shall send Form DR-490PORT, (Notice of Denial of Transfer of Homestead Assessment Difference; R. 12/09; incorporated by reference in Rule 12D-16.002, Florida Administrative Code), by July 1, including the reasons for the denial. Such notice shall be sent on or before July 1. Form DR-490PORT can be obtained from the Department's website at: <http://dor.myflorida.com/dor/property/forms/>.

(b) Any property appraiser that has not received, from the previous property appraiser, information sufficient to identify the previous homestead and the amount of the assessment limitation difference which is transferable, and has sent a notice of denial on or before July 1 may, if information is received from the previous property appraiser and the applicant is qualified, grant the transfer of assessment increase differential and, if a petition was filed based on a timely application for transfer of homestead assessment difference, the value adjustment board shall refund the taxpayer the \$15.

(2) Late applications.

Any person who is qualified to have his or her property assessed under Section 193.155(8), Florida Statutes, and who fails to file an application by March 1 may file an application for assessment under that subsection and may, pursuant to Section 194.011(3), Florida Statutes, file a petition with the value adjustment board requesting that an assessment under Section 193.155(8), Florida Statutes, be granted. Such petition may be filed at any time during the taxable year on or before the 25th day following the mailing of the notice by the property appraiser as provided in Section 194.011(1), Florida Statutes. Notwithstanding Section 194.013, Florida Statutes, such person must pay a nonrefundable fee of \$15 upon filing the

petition. Upon reviewing the petition, if the person is qualified to receive the assessment under Section 193.155(8), Florida Statutes, and demonstrates particular extenuating circumstances judged by the property appraiser or the value adjustment board to warrant granting the assessment, the property appraiser or the value adjustment board may grant an assessment under this subsection.

12DER11-5 Scope of Emergency Rules 12DER11-3 Through 12DER11-11; How to Obtain Forms.

(1) These rules shall replace Emergency Rules 12DER09-6 through 12DER09-15, which were effective December 17, 2009. Emergency Rule 12DER09-7, Appeals to the Value Adjustment Board of Denials and Portability, was promulgated into Rule 12D-9.028, F.A.C., and effective March 30, 2010.

(2) These rules shall supersede existing rules to the contrary, where indicated, to the extent necessary to implement Chapter 2007-339 (Senate Bill 4-D) and Chapter 2008-173 (Senate Bill 1588), Laws of Florida.

(3) These rules are to be read in conjunction with applicable statutes and not as a substitute for them. They are designed to assist with the understanding and deployment of the requirements of Chapter 2007-339 (Senate Bill 4-D) and Chapter 2008-173 (Senate Bill 1588), Laws of Florida. Users should consult those laws as the source documents that created the legal requirements, and not rely solely on these rules.

(4) Copies of the forms incorporated in Emergency Rules 12DER11-4 through 12DER11-10 may be obtained at the Department's Internet site: <http://dor.myflorida.com/dor/property/forms/>.

(5) This rule renews and replaces Emergency Rule 12DER09-9 and this rule will remain in effect during the pendency of procedures to adopt rules addressing the subject matter of this emergency rule.

Rulemaking Authority Section 13 of Ch. 2008-173, L.O.F. (Senate Bill 1588) Law Implemented 193.155, 196.031, 196.183 FS. History–New 5-27-11.

12DER11-6 Transfer of Assessment Limitation Difference; "Portability;" Sworn Statement Required.

(1) This rule shall replace Emergency Rule 12DER09-10, which was effective December 17, 2009.

(2) Section 193.155(8), Florida Statutes, provides the procedures for the transfer of the assessment limitation difference, within stated limits, when a homestead is abandoned. These rules describe those procedures, which are an alternative to assessment at just value. The transfer of the

assessment limitation difference is to the just value of the interest owned by those persons that qualify and receive homestead exemption on a new homestead.

(a) These rules set forth limitations and special rules that must be met consistent with Section 193.155(8), Florida Statutes. A person may apply for the transfer of a homestead assessment difference from a previous homestead property to a new homestead property if:

1. that person received a homestead exemption on the previous property as of January 1 of either of the two (2) immediately preceding years; and

2. the previous property was abandoned as a homestead after such January 1 and was, or will be, reassessed at just value or assessed under Section 193.155(8), Florida Statutes, as of January 1 of the year after the year in which the abandonment occurred; and

3. the new homestead property was assessed at just value without the homestead exemption either because it did not receive a homestead exemption, or the homestead exemption was abandoned, as of January 1 of the year for which application is made.

(b) Under Section 193.155(8), Florida Statutes, the transfer of an assessment limitation difference is available to a person only from a prior homestead in which that person received a homestead exemption.

1. For a husband and wife who owned, shared and both resided on a previous homestead, each shall be considered to have received the homestead exemption for purposes of these rules.

2. For joint tenants with right of survivorship, those tenants that applied for, received the homestead exemption, and resided on a previous homestead shall be considered to have received the homestead exemption for purposes of these rules.

3. For tenants in common, those tenants that applied for and received the homestead exemption and resided on a previous homestead shall be considered to have received the homestead exemption for purposes of these rules.

(3) To apply for portability, the applicant taxpayer shall file Form DR-501T (Transfer of Homestead Assessment Difference-Attachment to Original Application for Tax Exemption R. 12/08), which the Department of Revenue hereby adopts and incorporates in this rule by reference, by March 1, as an attachment to the homestead exemption application, Form DR-501, Original Application for Tax Exemption, (incorporated by reference in Rule 12D-16.002, Florida Administrative Code). Completing Form DR-501T, including a sworn statement, and Form DR-501 shall be considered sufficient documentation for applying for the transfer. Note: Section 192.047(2), Florida Statutes, provides "When the deadline for filing an ad valorem tax application or

return falls on a Saturday, Sunday, or legal holiday, the filing period shall extend through the next working day immediately following such Saturday, Sunday, or legal holiday."

(4)(a) Upsizing – When the just value of the new homestead is equal to or greater than the just value of the previous homestead, the maximum assessment limitation difference that can be transferred is \$500,000. Within that limit, the differential between assessed value and just value can be transferred to the new property, subject also to provisions for multiple owners described below.

(b) Downsizing – When the just value of the new homestead is less than the just value of the previous homestead, the maximum assessment difference that can be transferred is \$500,000. However, within that limit, the transferred assessment difference must be the same proportion of the new homestead's just value as the proportion of the assessment difference of the previous homestead was of the just value of the previous homestead, subject also to provisions for multiple owners described below.

(5)(a) Transferring without splitting or joining – When one or more people who previously owned a single homestead and each received the homestead exemption as described in these rules together qualify for a new homestead, where all persons who qualify for homestead exemption in the new homestead also qualified for homestead exemption in the previous homestead without an additional person qualifying for homestead exemption in the new homestead, the maximum assessment difference that can be transferred is \$500,000. Within that limit, the assessment limitation difference from the previous homestead may be transferred, and it is not considered to be a splitting or joining as discussed in paragraphs (b) and (c) below. Further, the rules for "upsizing" and "downsizing" as set forth above apply.

(b) Splitting – When two or more people who previously shared a homestead abandon that homestead and establish separate homesteads, the maximum total limitation that can be transferred from the previous homestead is \$500,000. However, within that limit, each person that received a homestead exemption and who is eligible to transfer an assessment limitation difference is also limited to a share of the previous homestead's difference between assessed value and just value. For tenants in common, this share is equal to the difference between just value and assessed value for the tenant's proportionate interest in the property, in other words, the just value of the person's interest minus the assessed value of the person's interest. For tenancy with right of survivorship, the share is equal to the assessed value of the homestead portion of the property divided by the number of owners that received the exemption, unless another interest share is stated on the title in which case the portion of the assessment limitation difference that may be transferred is equal to the difference between just value and assessed value for the stated share. Within this limit, the rules for "upsizing" and

“downsizing” as set forth above would apply. For purposes of the transfer of the assessment limitation difference, the shares of the assessment limitation difference cannot be sold, transferred, or pledged to any person. For example, a husband and wife divorcing and both abandoning the homestead would each take their share of the assessment limitation difference and the property appraiser could not accept a stipulation otherwise. In no case shall the shares of the persons that received the homestead exemption add up to more than 100 percent.

(c) Joining – When two or more people, some of whom previously owned separate homesteads on which they received homestead exemption, join together in qualifying for a new homestead, the maximum assessment limitation difference that can be transferred is \$500,000. However, within that limit, the assessment difference that can be transferred is further limited to the highest difference between assessed value and just value from any of the applicants’ former homesteads. Within that limit, the rules for “upsizing” and “downsizing” as set forth above apply.

(6) For the applicant taxpayer to be eligible for any transfer, the prior homestead must be “reassessed” at just value in the year after the year in which the abandonment occurred, or subject to such reassessment, either under the “change in ownership” rules of Section 193.155(3), Florida Statutes, or because the property is no longer used as a homestead. After it is assessed at just value, the prior homestead could have some assessment limitation difference transferred to it and be assessed under Section 193.155(8), Florida Statutes. Generally, if all joint owners of the prior homestead “abandon” it, then the prior homestead is reassessed at just value. However, under the referenced “change in ownership” rules of Section 193.155(3), Florida Statutes, some transfers do not subject property to re-assessment, such as transfers between husband and wife, equitable and legal title, and addition of persons to a title. Unless the property is reassessed at just value, or assessed under Section 193.155(8), Florida Statutes, if only one of the previous owners of the homestead property moved to another parcel and other previous owners of the homestead property stayed in the original homestead, the homestead would not be abandoned and the one who moved could not transfer any assessment limitation difference. For purposes of transferring an assessment limitation difference, a homestead owner may abandon his or her homestead, as of or before January 1 of the year for which application is made, even though it remains his or her primary residence. To do so, the person must notify the property appraiser in writing before or at the same time as filing the timely new application for homestead exemption on the property. Such an abandonment will result in reassessment at just value as provided in subparagraph (2)(a)2., of this rule above.

(7) Classified use assessment and living quarters for parents and grandparents – The assessment limitation difference that is eligible for transfer under these rules is the amount of difference between assessed value and just value of the portion of the property used as a homestead. This difference is equal to the reduction in value due to Section 193.155, Florida Statutes. For property with both a classified use assessment, such as agricultural, and assessed pursuant to Section 193.155, Florida Statutes, the difference eligible for transfer is equal to the difference between just and assessed value on the homestead portion of the property. No portion of property classified and used for agricultural or other non-homestead purpose may be included in the calculation of the eligible assessment limitation difference under Section 193.155(8), Florida Statutes. In calculating the assessment reduction to be transferred from a prior homestead that has an assessment reduction for living quarters of parents or grandparents pursuant to Section 193.703, Florida Statutes, the value calculated pursuant to Section 193.703(6), Florida Statutes, must first be added back to the assessed value of the prior homestead.

(8) Procedures for property appraiser:

(a) If the previous homestead was located in a different county than the new homestead, the property appraiser in the new county must transmit a copy of the completed Form DR-501T together with a completed Form DR-501 to the property appraiser in the previous county. If the previous homesteads of applicants for transfer were in more than one county, each applicant from a different county must fill out a separate Form DR-501T.

1. The property appraiser in the previous county must complete Form DR-501RVSH (Certificate for Transfer of Homestead Assessment Difference R. 12/08), which the Department of Revenue hereby adopts and incorporates in this rule by reference, within two weeks of receipt of Form DR-501T, and forward this form to the new property appraiser. As part of the information returned on Form DR-501RVSH, the previous property appraiser shall certify that the homestead assessment difference to be transferred is part of a previous homestead that has been or will be reassessed at just value as of January 1 of the year after the year in which the abandonment occurred.

2. Based on the information provided on Form DR-501RVSH from the previous property appraiser, the new property appraiser shall calculate the amount of the assessment limitation difference that may be transferred and apply such difference to the January 1 assessment of the new homestead for the year for which application is made.

(b) If the transfer is requested from the same county in which the new homestead is located, the property appraiser shall retain the Form DR-501T and Form DR-501RVSH is not required. Upon request of a taxpayer that had timely applied

for the transfer of assessment limitation difference, the property appraiser shall update the ownership share information using the share methodology in this rule.

(c) The property appraiser in the county in which the new homestead is located shall record in the assessment roll submitted to the Department pursuant to Section 193.1142, Florida Statutes, the following information for the year in which the transfer is made to the homestead parcel:

1. Flag for current year assessment difference transfer;
2. Number of owners among whom previous assessment difference split. Enter 1 if previous difference was not split;
3. Assessment difference value transferred;
4. County number of previous homestead;
5. Parcel ID of previous homestead;
6. Year from which assessment difference value transferred;

(d) All information sharing agreements in effect in 2007 that were extended by previous emergency rule, and such agreements in effect in 2008, covering confidential tax information are hereby perpetuated and extended during the period these emergency rules are in effect, and property appraisers having information sharing agreements with the Department are authorized to share confidential tax information with each other pursuant to Section 195.084, Florida Statutes, including social security numbers and linked information on Forms DR-501, DR-501T, and DR-501RVSH.

(9) Documenting changes in the assessment roll due to this provision will necessitate changes to the record layout and the information provided on the Rule 12D-8.013, Florida Administrative Code, NAL file submitted to the Department. See Section 193.114, Florida Statutes.

(10) The transfer of any limitation is not final until any values on the assessment roll on which the transfer is based are final. If such values are final after the procedures in these rules are exercised, the property appraiser(s) shall make appropriate corrections and a corrected tax notice bill shall be sent. Any values that are in administrative or judicial review shall be noticed to the tribunal or court for accelerated hearing and resolution so that the intent of Section 193.155(8), Florida Statutes, may be carried out and fulfilled.

(11) Additional provisions.

(a) If the information from the property appraiser in the county where the previous homestead was located is provided after the procedures in this section are exercised, the property appraiser in the county where the new homestead is located shall make appropriate corrections and a corrected tax notice and tax bill shall be sent.

(b) The property appraiser in the county where the new homestead is located shall promptly notify a taxpayer if the information received or available is insufficient to identify the previous homestead and the amount of the assessment limitation difference which is transferable. Such notification shall be sent on or before July 1.

(c) If the property appraiser in the county where the previous homestead was located supplies sufficient information to the property appraiser in the county where the new homestead is located, such information shall be considered timely if provided in time for inclusion on the notice of proposed property taxes sent pursuant to Sections 194.011 and 200.065(1), Florida Statutes.

(d) If the property appraiser has not received information sufficient to identify the previous homestead and the amount of the assessment limitation difference which is transferable before mailing the notice of proposed property taxes, and such amount is not included on such notice, the taxpayer may file a petition with the value adjustment board in the county where the new homestead is located.

(12) Copies of the forms incorporated in Emergency Rule 12DER11-06 may be obtained at the Department's Internet site: <http://dor.myflorida.com/dor/property/forms/>.

(13) This rule renews and replaces Emergency Rule 12DER09-10 and this rule will remain in effect during the pendency of procedures to adopt rules addressing the subject matter of this emergency rule.

Rulemaking Authority Section 13 of Ch. 2008-173, L.O.F. (Senate Bill 1588) Law Implemented 192.047, 193.114, 193.155, 193.461, 193.703 FS. History—New 5-27-11.

12DER11-7 Tangible Personal Property Exemption.

(1) This rule shall replace Emergency Rule 12DER09-11, which was effective December 17, 2009.

(2)(a) To apply for the exemption, no new form will be necessary; Form DR-405, DR-470A, or Form DR-471 (incorporated by reference in Rule 12D-16.002, Florida Administrative Code), if required, will be considered the application for exemption. Form DR-405EZ, Tangible Personal Property Exemption Application and Return (R. 12/08)) formerly incorporated in Emergency Rule 12DER08-34 was retired by the Department effective April 2, 2009. Nothing in this rule shall preclude a property appraiser from requiring that Form DR-405 be filed.

(3) For taxpayers who fail to make a complete return and file a return by April 1 or within any applicable extension period, or who late file, the \$25,000 exemption shall not apply; however, at the option of the property appraiser, owners of property previously assessed without a return being filed may qualify for the exemption without filing an initial return. For returns not timely filed and for which the property appraiser does not grant the exemption, the penalties enumerated in Section 193.072, Florida Statutes, are applicable. Note: Section 192.047(2), Florida Statutes, provides "When the deadline for filing an ad valorem tax application or return falls on a Saturday, Sunday, or legal holiday, the filing period shall extend through the next working day immediately following such Saturday, Sunday, or legal holiday."

(4) Section 196.183(1), Florida Statutes, specifically states that a single return must be filed, and therefore a single exemption granted, for all freestanding equipment not located at the place where the owner transacts business.

(5) "Site where the owner of tangible personal property transacts business".

(a) The "site where the owner of tangible personal property transacts business" includes facilities where the business ships or receives goods, employees of the business are located, goods or equipment of the business are stored, or goods or services of the business are produced, manufactured, or developed, or similar facilities located in offices, stores, warehouses, plants, or other locations of the business. Sites where only the freestanding property of the owner is located shall not be considered sites where the owner of tangible personal property transacts business.

(b) Example: For a business leasing copying machines or other freestanding equipment, the location where the leased equipment is located does not constitute a site where the owner transacts business. If it is not a site where one or more of the activities stated in paragraph (a) occur, for purposes of the tangible personal property exemption, it is not considered a site where the owner transacts business.

(6) Property Appraiser actions – maintaining assessment roll entry.

(a) For all freestanding equipment not located at a site where the owner transacts business, and for which a single return is required, and for property assessed pursuant to Section 193.085, Florida Statutes, the property appraiser is responsible for allocating the exemption to taxing jurisdictions in which freestanding equipment or property assessed pursuant to Section 193.085, Florida Statutes, is located. Allocation should be based on the proportionate share of the just value of such property in each jurisdiction. However, the amount of the exemption allocated to each taxing authority may not change following the extension of the tax roll pursuant to Section 193.122, Florida Statutes. All accounts shall be listed on the assessment roll submitted to the Department pursuant to Section 193.1142, Florida Statutes, whether fully exempt or not.

(b) Documenting changes in the assessment roll due to this provision will necessitate changes to the record layout and the information provided on the Rule 12D-8.013, Florida Administrative Code, NAP file submitted to the Department. See Section 193.114, Florida Statutes.

(7) By February 1 of each year, the property appraiser shall notify by mail all taxpayers whose requirement for filing an annual tangible personal property tax return was waived in the previous year. The notification shall state that a return must be filed if the value of the taxpayer's tangible personal property exceeds the exemption and include the penalties for failure to file such a return. Form DR-405W (Notice to Taxpayer Whose Tangible Personal Property Return Was

Waived in the Previous Year, N. 12/08) which the Department of Revenue hereby adopts and incorporates in this rule by reference, may be used by property appraisers at their option.

12DER11-8 Additional Homestead Exemption Pursuant to Section 196.031(1)(b), Florida Statutes.

(1) This rule shall replace Emergency Rule 12DER09-12, which was effective December 17, 2009.

(2) To apply for the additional homestead exemption, no new application form will be necessary. Form DR-501, "Original Application for Ad Valorem Tax Exemption" (incorporated by reference in Rule 12D-16.002, Florida Administrative Code), will be considered the application for exemption.

(3) The additional homestead exemption shall only apply to non-school levies.

(4) Property appraiser actions – Documenting changes in the assessment roll due to this provision will necessitate changes to the record layout and the information provided on the assessment roll submitted to the Department pursuant to Section 193.1142, Florida Statutes. The property appraiser's programming may use a different approach than that set forth in this rule for exemption ordering as long as such programming achieves the same result as this rule requires.

12DER11-9 Reporting of Fiscal Data by Fiscally Constrained Counties to the Department of Revenue Commencing Local Fiscal Year 2010 and Thereafter.

(1) This rule applies to counties that meet the fiscally constrained definition in Section 218.67(1), Florida Statutes. Notices of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF LAW ENFORCEMENT

NOTICE IS HEREBY GIVEN that The Criminal Justice Standards and Training Commission has declined to rule on the petition for declaratory statement filed by Paul Salone on April 11, 2011. The following is a summary of the agency's declination of the petition:

The Notice of Petition for Declaratory Statement was published in the Florida Administrative Weekly, Vol. 37, No. 16, on April 22, 2011. The Petition sought the Commission's interpretation of Rule 11B-27.007, F.A.C., and Section 943.13(4), F.S., and asks if the bar to criminal justice professional certification presented by a felony conviction can be overcome by a judicially issued Certificate of Relief from Disabilities issued by a court in New York. The Commission considered the petition at its regularly scheduled business agenda meeting held in Ocala, Florida, on May 19, 2011. The Commission's order, filed May 19, 2011, denied the requested interpretation of Rule 11B-27.007, F.A.C., and Section 943.13(4), F.S., by the Petitioner. The Petitioner sought to have the Commission interpret Rule 11B-26.007, F.A.C., and Section 943.13(4), F.S., in such a way as to make his New York felony conviction for Criminal Sale of Controlled Substance no longer a disqualification for certification as a criminal justice professional in Florida. Petitioner urged that the judicially rendered New York Certificate of Relief from Disabilities operates in the same manner as an executive full pardon in Florida. In Florida, only an executive full pardon will permit a candidate with a felony conviction to potentially become a certified officer. The Commission found that Florida case law is clear. Only an executive full pardon will serve to permit a convicted felon to be considered for a criminal justice professional certification. The Commission found that the judicial Certificate of Relief from Disabilities issued by the New York court in Petitioner's case is not the equivalent of an executive full pardon issued by the Governor of Florida because the Certificate of Relief from Disabilities is not a

pardon. The Certificate of Relief from Disabilities cannot overcome the bar to certification faced by the Petitioner in both Rule 11B-27.007, F.A.C. and Section 943.13(4), F.S.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

The following is a summary of the agency's disposition of the petition:

The Division finds that Emerald Lake, SPE may not require the purchaser of an existing home in the community to enter into a new rental agreement with it under the P3 prospectus, under Section 723.059(3), Florida Statutes, and must include the disclosure required by the Division to be included in the lifetime rental agreement amended into the P1, PA and P2 prospectus, and the language required to be included in the P3 prospectus, which are consistent with Section 723.059(3), Florida Statutes.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Division Clerk, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2217.

NOTICE IS HEREBY GIVEN that the Division of Florida Condominiums, Timeshares, and Mobile Homes, Department of Business and Professional Regulation, State of Florida has declined to rule on the petition for declaratory statement filed by Thomas Kopf, Unit Owner, In re: Lauderdale Tennis Club, Inc., Docket No. 2011020393, on April 18, 2011. The following is a summary of the agency's declination of the petition:

The Division declined to issue a declaratory statement because the division may not issue a statement without competent substantial evidence, including a complete, current set of governing documents upon which to base its decision; or because it cannot issue a statement when it would affect the rights of third parties who are not parties to this proceeding.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Division Clerk, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2217.

The intent of this program is to reduce overall risk to people and property, while also minimizing the cost of disaster recovery.

Proposed hazard mitigation projects must primarily focus on natural hazards but also may address hazards caused by manmade forces. Funding is restricted to a maximum Federal share of \$3 million per project sub-application. The Federal share will cover 75% of the project cost. Sub-applicants are required to provide the remaining 25% in matching funds. All project submissions must have a Benefit Cost Analysis of 1 or greater.

Eligible Sub-Applicants:

Private non-profit (PNP) organizations and private colleges and universities are not eligible Sub-Applicants; however, an eligible, relevant State agency or local governments may as the Sub-Applicant for assistance to benefit the private entity.

Sub-applicants may request up to 10% of the funds requested for their mitigation project sub-application for information dissemination activities (public awareness and education) regarding cost-effective mitigation technologies. These activities may include marketing and outreach (i.e., brochures, videos) and must relate directly to the project sub-application. Any information dissemination activities should be identified as separate line items in the Cost.

Sub-applicants may include a maximum of 5% of the total funds requested (Federal and non-Federal shares) for their project sub-application for management costs to support the project. Sub-applicant cost activities must be consistent with the Office of Management and Budget Circular A-87.
