DEPARTMENT OF FINANCIAL SERVICES

NOTICE IS HEREBY GIVEN that the Florida Department of Financial Services has received the petition for declaratory statement from the Bogen Law Group and Mark Bogen on June 2, 2011. The petition seeks the agency’s opinion as to the applicability of Section 626.9541(1)(h), F.S., as it applies to the petitioner.

The petition seeks the Department’s opinion as to whether or not an attorney at law licensed in the state of Florida may lawfully enter into a referral agreement with a Florida licensed resident insurance agent wherein the attorney will be paid an annual flat fee by the insurance agent for any and all legal clients referred to the agent for the potential purchase of insurance policies. Petitioner represents in the petition that the amount of the referral agreement will not be dependant in any sense on whether or not the referred legal client actually purchases insurance from the agent. Petitioner asks the Department to agree that such a referral agreement will not constitute an unlawful rebate or unlawful inducement under Section 626.9541(1)(h), Florida Statutes.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Heather Lewis at (850)413-4256 or email: heather.lewis@myfloridacfo.com.

Minor projects are specific projects for renovations, alterations, and additions that have a basic construction budget estimated to be \$2,000,000 or less, or studies for which the fee for professional services is \$25,000 or less. Campus Service contracts for minor projects provide that the consultant will be available on an as-needed basis for the upcoming fiscal year.

Firms desiring to provide professional services shall apply by letter specifying the discipline for which they are applying. Proximity of location will be a prime factor in the selection of the firm. Firms will be evaluated in the following areas: experience of personnel; past performance; ability to meet time and budget requirements; location; recent, current, and projected workloads.

Attach to each letter of application:

1. Architectural firms desiring to apply for consideration must include a letter of application and should have attached:

The most recent version of the Florida Board of Education "Professional Qualifications Supplement" (PQS) dated 7/03, completed by the applicant. Do not alter the PQS form.

A copy of the firm's current Professional Registration Certificates from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. The selection committee members have elected not to meet with proposed firms. Please do not contact the selection committee. Application material will not be returned.

The plans and specifications for Florida Board of Education projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.
