Notices of Development of Proposed Rules and Negotiated Rulemaking

DEPARTMENT OF STATE

Division of Elections

RULE NO.: 1S-2.004
 RULE TITLE: Voting Machine Equipment Regulation/Purchase, Use and Sale

PURPOSE AND EFFECT: The rule has not been updated since 1986 to reflect current local and state-level procurement practices. Additionally, the current rule provides no guidance to other appropriate uses of the systems that would promote training, education and technological advances on or with certified voting systems. For example, the proposed revision establishes procedures or protocols for assessing a voting system during a routine test or system audit and for identifying potential or actual problems that require immediate resolution and assessing potential vulnerabilities to the integrity of voting systems. The rule revision reflects input from rule workshops conducted in 2004, 2006 and 2009 to elicit feedback in a substantial rewrite of the rule. If adopted, the rule revision will not need to be legislatively ratified to become effective.

DATE PROPOSED RULE APPROVED BY AGENCY HEAD: June 20, 2011

DEPARTMENT OF REVENUE

Child Support Enforcement Program

RULE NO.: RULE TITLE:

12E-1.0051 Undistributable Collections

PURPOSE AND EFFECT: Section 409.2558(3), F.S., requires the Department to establish by rule a method to determine a collection or refund to be undistributable to the final intended recipient. The law provides that before determining a collection or refund undistributable, the Department must make reasonable efforts to locate individuals to whom collections or refunds are owed. The law also directs the Department to process, as program income, payments the Department disburses that are less than \$1.00 by paper check and the check is not cashed after 180 days, or any amount less than \$1.00 owed on a closed Title IV-D case. The purpose of creating proposed Rule 12E-1.0051, F.A.C., is to provide guidance to the public about the Department's procedures for locating individuals to whom collections or refunds are owed, processing undistributable collections, how an individual can

reclaim an undistributable collection, and processing payments that are less than \$1.00 as program income. The effect is to provide the public with information on how the Department will: (1) try to locate individuals to whom collections or refunds are owed; (2) determine a collection or refund to be undistributable; (3) process undistributable collections; (4) allow an individual to reclaim a collection applied as program income; and (5) process payments that are less than \$1.00 as program income.

SUMMARY: The proposed creation of Rule 12E-1.0051, F.A.C., provides guidance to the public about the Department's procedures for locating individuals to whom collections or refunds are owed, processing undistributable collections, allowing individuals to reclaim an undistributable collection and processing refund requests. The proposed rule also tells the public that if the Department disburses a payment of less than \$1.00 by paper check and the check is not cashed after 180 days, or if less than \$1 is owed on a closed Title IV-D case, the Department will process the payment as program income, which is split between the state (General Revenue Fund) and federal governments.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The agency has determined that this rule will not have an adverse impact on small business.

Any person who wishes to provide information regarding regulatory costs, or to provide a proposal for a lower cost regulatory alternative, must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

12E-1.0051 Undistributable Collections.

(1) Introduction. The Department is responsible for distribution of child support payments under Section 409.2558, F.S. When the Department is unable to disburse the payment to the final intended recipient, the provisions of this rule shall be applied.

(2) Definitions. For purposes of this rule:

(a) "Final intended recipient" means a custodial parent, noncustodial parent, a parent's estate, or a state, country, or Federal agency providing Title IV-D services, including those agencies administering programs under Title IV-A (Temporary Assistance for Needy Families), IV-E (Foster Care), and XIX (Medicaid) of the Social Security Act.

(b) "Obligee" means the person to whom support payments are made pursuant to an alimony or child support order.

(c) "Obligor" means a person who is responsible for making support payments pursuant to an alimony or child support order.

(d) "Undistributable collection" is defined by the social and economic assistance provisions in Section 409.2554(14), F.S., to mean a support payment received by the Department which the Department determines cannot be distributed to the final intended recipient.

(3) Undistributable Collection Processing.

(a) The Department will consider a collection undistributable when:

1. The final intended recipient is deceased and the Department cannot locate the final intended recipient's estate or the estate does not claim the funds.

2. The final intended recipient cannot be found after making reasonable efforts to locate the individual.

(b) The Department will use the following sources to try to find the final intended recipient. If the final intended recipient is deceased, location searches under subparagraphs 1 through 6 are not required. Reasonable efforts to locate a final intended recipient are considered exhausted when, at a minimum, searches of the following sources have taken place and the Department has not found the final intended recipient.

1. Department's automated case management computer system, to include electronic searches with multiple sources and responses from the Federal Parent Locator Service, as required in 45 CFR 303.70. This search includes the obligor, obligee, and children.

2. Florida Department of Highway Safety and Motor Vehicles.

3. Florida Agency for Workforce Innovation. This search includes employment, wage, unemployment, and Workers' Compensation records.

4. Florida Department of Corrections.

5. Location sources available from an out-sourced location vendor, subject to a contractual agreement between the Department and vendor.

6. Secure Internet locate sites, as determined on a case-by-case basis.

(c) If the searches under subparagraphs (b)1. through 6. find the final intended recipient, the Department disburses the payment.

(d) If the searches under subparagraphs (b)1. through 6. do not find the final intended recipient, the collection is considered undistributable. The Department shall process the collection in priority order as provided in Section 409.2558(3), F.S.

(e) When the obligor has more than one support order with a past-due balance being enforced by the Department, the Department shall notify the obligor by certified mail, restricted delivery, return receipt requested, of its intent to apply the collection to the obligor's other cases, according to Section 409.2558(3)(b)6., F.S. If the address of the obligor is unknown, the Department will try to find the obligor using sources referenced in paragraph (b) of this subsection.

(f) If the obligor disagrees with the Department's plan to apply the collection to the obligor's other cases and a petition is filed in circuit court and served on the Department within 30 calendar days of the mailing date of notice, the Department will not apply the collection to the obligor's other cases unless the court enters an order for the Department to apply the collection to the obligor's other cases.

(g) When the Department has processed the collections as required in Section 409.2558(3)(b)6., F.S., and there are collections remaining, the Department will refund the remaining collections to the obligor if the address of the obligor is known. If the address of the obligor is unknown, the Department will try to find the obligor using sources referenced in paragraph (b) of this subsection.

(4) Undistributed Collections for Ninety-Nine Cents or Less.

(a) If the Department has sent one or more paper checks totaling ninety-nine cents or less to a final intended recipient, the final intended recipient has not cashed the check(s) within 180 days of the issue date on the check(s), the collection(s) is the only remaining payment due to the final intended recipient, and the final intended recipient does not have an established method of electronic disbursement, the Department shall process the collection as program income.

(b) If the Department identifies undistributed collections totaling ninety-nine cents or less on a closed case and the collection is the only remaining collection due to the final intended recipient, the Department shall process the collection as program income without attempting to locate the final intended recipient.

(5) Reclamation of Undistributable Collections.

(a) The final intended recipient may reclaim undistributable collections retained as program income. The final intended recipient may not reclaim an undistributable collection if the collection was applied to bad check charges because the obligor's payment is returned to the Child Support Enforcement Program for insufficient funds, overpayments, state-assigned arrears, administrative costs, other cases in which the obligor owes past-due support, or the collection was returned to the obligor. The final intended recipient may contact the local child support office or contact the Child Support Enforcement Program Office and ask for the Payment Processing Unit, and request a reclamation form.

(b) To reclaim a collection, the final intended recipient must complete and send to the Department, Form CS-FM125, Request for Refund, dated July 2010, incorporated by reference in this rule. The final intended recipient must prove they are the collection owner by giving his or her name, mailing address, and if known, the child support or case number, date of payment(s), and amount claimed.

(c) The Department will review the information submitted by the final intended recipient and respond in writing to approve or deny the request.

1. If approved, the Department will mail the collection to the final intended recipient.

2. If denied, the Department will mail Form CS-FM127, Request for Refund Denied, dated July 2010, incorporated by reference in this rule, to the final intended recipient. Form CS-FM127 states the request is denied, reason for the denial, and the final intended recipient may contest the decision by seeking an administrative hearing under Chapter 120, F.S. The form includes a Notice of Rights.

3. A final intended recipient may seek an administrative hearing to contest the Department's decision to deny a request to reclaim a collection considered undistributable by the Department. A petition for an administrative hearing must be received by the Department of Revenue, Child Support Enforcement Program, Deputy Agency Clerk within 20 calendar days from the mailing date of Form CS-FM127. Administrative hearings shall be conducted pursuant to Chapter 120, F.S.

(1) The reception center ~~chief~~ Chief of ~~security~~ Security shall ensure that property files are established for all new inmates. The inmate property file shall become part of the inmate's institutional file. All forms and correspondence pertaining to inmate property shall be placed in this file in chronological order. The ~~chief~~ Chief of ~~security~~ Security or his designee shall be responsible for the maintenance of the inmate property file. An addendum will be made to Form DC6-224, Inmate Personal Property List, any time the status of inmate personal property changes. Examples of changes include when an inmate receives additional property through an approved source or when the inmate chooses to dispose of a broken or worn out item. Form DC6-224 is incorporated by reference in subsection (17) of this rule.

(2)(a) When an inmate is initially received by the ~~department~~ Department, the receiving or property officer shall take charge of the inmate's personal property. The officer shall inventory all items in the inmate's possession at that time using Form DC6-224, Inmate Personal Property List.

(b) After final disposition is completed, the officer shall give one copy of the receipt to the inmate along with that property the inmate is authorized by the ~~department~~ Department to keep. Personal property remaining in the possession of an inmate is the responsibility of that inmate and not of the institution. One copy of the receipt shall be placed with any property that is not authorized within the ~~department~~ Department and that is to be stored. One copy of the receipt shall be placed in the package to be mailed to the inmate's home or to the person designated on the form; if the inmate chooses to forfeit the items, this copy of the receipt shall be given to the inmate. One copy of the receipt shall be placed in the inmate property file. The unauthorized property will be held at the institution for 30 days. During this 30 day period, the inmate shall be given an opportunity to have the items picked up by an approved visitor, relative, or friend; or to mail

money or valuables to their families or other persons of their choice at no expense to the ~~department~~ Department. The 30 day period will not include any time during which an appeal or grievance pertaining to the disposition of the property is pending. (3) No change.

(4) Authorized Property.

(a) The property reflected on the Approved Property List (Appendix One), in the indicated quantities, is authorized within the ~~department~~ Department once an inmate is permanently assigned, provided the inmate has sufficient storage space. An inmate may not use other inmates' storage space; or other non-authorized storage containers; or store property in locations other than his assigned housing unit.

(b) through (e) No change.

(f) An inmate transferred from a jail or private prison to a Department of Corrections facility shall be permitted to retain only that property that is authorized by the ~~department~~ Department in Appendix One. Any unauthorized item will be confiscated and held by the institution for 30 days. During this 30 day period, the inmate shall be given an opportunity to have the items picked up by an approved visitor, relative, or friend; or to mail the items to persons of their choice at no expense to the Department of Corrections. The 30 day time period will not include any time during which a grievance or appeal pertaining to the disposition of the property is pending.

(5) Unauthorized Property (Also see Control of Contraband, Rule 33-602.203, F.A.C.).

(a) Property that is contraband pursuant to Rule 33-602.203, F.A.C., shall be handled as provided in ~~that rule~~ Rule 33-602.203, F.A.C.

1. through 3. No change.

(b) Property that is authorized for inmates in general population such as shaving powders, oils, and lotions shall be unauthorized or restricted based upon an inmate's confinement or other high security status when that item presents a security risk. Further limits on personal items for inmates in confinement or other high security statuses are authorized as referenced in Rules 33-602.220, 33-602.221, 33-602.222, ~~and~~ 33-601.800, ~~and~~ 33-601.820, F.A.C.

(6) Storage of Excess Legal Materials.

(a) through (b) No change.

(c) Storage of Excess Active Legal Material.

1. No change.

2. When it is determined by the assistant warden or ~~chief~~ Chief of ~~security~~ Security that an inmate has legal material that cannot be contained in the inmate's assigned locker, the inmate shall be given a written order from an employee of the ~~department~~ Department providing:

a. No change.

b. If, after organizing and inventorying his or her legal material, the inmate will not be able to fit active legal material in his assigned inmate locker, the inmate shall complete Form DC6-2006, Request for Storage of Excess Active Legal Material, and Form DC6-2008, Excess Active Legal Material Inventory List, to be submitted to the warden for review. Forms DC6-2006 and DC6-2008 are incorporated by reference in subsection (17) of this rule.

3. No change.

4. In the event the inmate refuses to organize and inventory his legal material as ordered, the inmate shall receive a disciplinary report. If the inmate refuses to comply after being ordered a second time, the inmate shall receive a disciplinary report and the ~~department~~ Department shall organize and inventory the material. The inventory shall be performed in the same manner as the staff review described in subparagraph 5. below.

5. Prior to placing an inmate's active legal material into excess storage, the inmate's legal material shall be subject to a cursory review by ~~Department~~ staff to ensure compliance with ~~department~~ Department rules regarding utilization of excess storage, approved property, and contraband. This review will only be conducted in the presence of the inmate. Only the case style, signature on the document (if any), and letterhead (if any) may be read. Any material that is determined by staff to not be active legal material, shall be collected by two designated employees and placed in a box(es) with interlocking flaps for storage pending disposition. The warden or designee shall notify the inmate on Form DC6-2007, Excessive Inactive Legal Material Disposition Determination, of the determination that the inmate has 30 days to make arrangements to have the excess inactive legal material picked up by an approved visitor, ~~or sent to a relative, or friend or sent out~~ at the inmate's expense; as provided in subparagraph (6)(c)6. The, ~~or the~~ institution will otherwise destroy the material ~~it~~. This notification shall be provided to the inmate within three calendar days of the determination unless the inmate provides verification of a deadline that cannot be met within the three day waiting period. The 30 day limit shall not include any time that a grievance appeal is pending provided the inmate has provided the warden or the warden's designee with the written notice required in subparagraph (6)(c)7. Form DC6-2007 is incorporated by reference in subsection (17) of this rule. For purposes of this subparagraph, the warden's designee may include the property room supervisor.

6. through 8. No change.

9. If the inmate's grievance appeal is denied and the inmate wishes to appeal the determination to the courts as well as ~~and wishes~~ to have the order to dispose of the excess inactive legal material within 30 days stayed while the court appeal is proceeding, the inmate must provide written notice to the warden on Form DC6-236, Inmate Request, that he intends

to appeal the determination to the courts. The written notice must be filed within 30 calendar days of receipt of the response from the Office of the Secretary, must identify the court in which the appeal has been filed, must include a statement by the inmate that the inmate intends to appeal the determination, and must specifically identify the documents or papers on which the appeal is based.

10. If the inmate's appeal is denied, the inmate shall have 30 days to make arrangements to have the materials picked up by an approved visitor, relative, or friend; or pay to have the material sent to one of these approved individuals. If the material is not picked up or mailed out within 30 days, the institution shall destroy it.

11. Prior to being stored in excess storage, excess active legal material shall be placed in a box(es) with interlocking flaps, shall be numbered in sequential order, and shall have the inmate's name and ~~department~~ Department number clearly written on the top and side of each box. Prior to being sealed, the box(es) shall be inspected by staff, in the presence of the inmate, for contraband. If the property impounded does not belong to the inmate in possession of the property, an investigation shall be conducted to determine if the owner of the property knowingly permitted the use of the property. If so, the property shall be handled as contraband. If it can be determined that the property was stolen or otherwise taken, the impounded property shall be returned to the rightful owner. Inmates must report stolen items immediately to the housing officer. The officer shall complete an incident report and an attempt will be made to locate the missing property.

(b) When personal property of an inmate is taken, it will be inventoried according to the following procedure on Form DC6-220, Inmate Impounded Personal Property List, and, whenever practical, in the presence of the inmate. Exceptions may be made when the inmate's presence during this process jeopardizes institutional security or in times of an emergency such as a general disturbance creating security concerns. New inmates being processed into the ~~department~~ Department at one of the reception centers will have their property recorded on Form DC6-220, with a copy being given to the inmate. Unauthorized property will be stored pending final disposition

as provided in this rule. At the time of receipt into the ~~department~~ ~~Department~~ each inmate will also sign Form DC6-226, Authorization for Disposition of Mail and Property, which authorizes the ~~department~~ ~~Department~~ to dispose of the property should the inmate abandon it. Form DC6-226 is incorporated by reference in subsection (17) of this rule.

1. The inventory shall specifically list and identify each item or each group or package of personal items such as letters, legal papers, etc., as an assortment on Form DC6-220.

2. No change.

3. If an inmate refuses to sign the inventory list, or is not present, that fact will be noted on the inventory and signed by the employee making the inventory and also by a second employee present.

4. through 5. No change.

(c) After being inventoried, the property will be removed as soon as possible to a secure area where it will be safe from loss, theft, or damage and to which other inmates do not have access.

(d) No change.

(e) If it is appropriate to return part, but not all, of the impounded property to the inmate, the following procedure will be followed:

1. That part of the property being returned will be listed on the approved release, Form DC6-225, Inmate Partial Property Return Receipt, and any property found to be missing at that time will be noted on the form. Form DC6-225 is incorporated by reference in subsection (17) of this rule. The employee making the release and the inmate will date and sign the release form, each in the presence of the other. One signed copy of the release form shall be given to the inmate. One copy shall be attached to the original inventory list and kept with the remaining impounded property until all property is returned to the inmate, at which time it will be placed in and then to the inmate's property file.

2. through 3. No change.

(f) No change.

(g) When an inmate whose personal property has been taken and impounded is transferred to another facility, that property shall be transported with the inmate or as soon as possible thereafter. It is the responsibility of the sending location to ensure that only authorized property is transported and that the inmate has signed the proper receipt for the property, Form DC6-227, Receipt for Personal Property. Form DC6-227 is incorporated by reference in subsection (17) of this rule. The procedures for returning property listed in paragraph (f) shall be followed. When the inmate has excessive authorized property ~~that which~~ cannot be transported with the inmate, the procedures for making a partial return listed in paragraph (e) shall be followed.

(h) through (9) No change.

(10) When, with the prior knowledge of the ~~department~~ ~~Department~~, an inmate is not under the immediate control of the ~~department~~ ~~Department~~ for more than 24 hours and his personal property does not accompany him, it will be inventoried and held until his return.

(11) through (12) No change.

(13) The warden or ~~his~~ designee is authorized to require an inmate to bring all of his personal property to the disciplinary hearing if the warden or designee determines that this is necessary after evaluating the factors set out in subsection (12) above.

(14) Missing Inmate Property.

(a) No change.

(b) If the grievance is approved, the assistant warden or other designee of the warden, shall conduct an investigation of the loss. The investigation shall be completed and forwarded within 30 days.

(c) through (e) No change.

(15) Transfer of Property. Inmates shall not transfer items of personal property to any other individual by way of loan, sale, trade, barter, or donation.

(16) Religious Property.

(a) No change.

(b) Unless otherwise prohibited by ~~department~~ ~~Department~~ rule, inmates shall be permitted to possess, for personal use, religious publications as defined in Rule 33-503.001, F.A.C., that are in compliance with admissibility requirements of Rule 33-501.401, F.A.C.

(c) Unless otherwise prohibited by ~~department~~ ~~Department~~ rule or by paragraph (e) of this subsection, inmates shall be permitted to possess the following items adhering to the tenets of a particular religion for wearing or carrying at all times or for use during individual worship in their assigned cell or individual sleeping area if assigned to open dormitory housing. Such religious items must be documented on Form DC6-224, Inmate Personal Property List. (g) The chaplain at the institution shall serve as advisor to staff and inmates in the area of religious property listed in paragraphs (c) and (d) of this subsection. APPENDIX ONE PROPERTY LIST

This list incorporates all property authorized to be possessed by inmates in all department ~~Department~~ institutions and facilities except community correctional centers. Except for items specified below as "exemptions." "~~exemptions~~", property received must be in compliance with this list. Inmates in possession of property previously approved by the Department of Corrections which meets the description of property on the list shall be allowed to retain the property. Inmates transferring to department ~~Department~~ facilities from private correctional facilities shall be allowed to retain only those items that are in compliance with the list of authorized property. As items sold in canteens at private facilities may differ from those sold in department ~~Department~~ canteens, items purchased in canteens at private facilities will not always be admissible in department ~~Department~~ facilities.

Definitions.

The "quantity" establishes a maximum possession limit. This does not mean that all state issue items will be issued to each inmate, or that the maximum number of items will be issued. All canteen items are subject to availability and may not be available for purchase. Items found in the possession of an inmate that are in excess of the established "quantity" shall be treated as contraband in accordance with Rule 33-602.203, F.A.C. Where there is a "value" indicated, the authorized item shall not exceed that value. The terms "canteen" and "state issue" refer to the sources from which property can be obtained after January 1, 1996. All items with the "canteen" designation shall be available in all institutional canteens or through canteen order. All canteen items are transferable between department institutions. "State issue" means that the institution has the authority to issue this item to inmates based upon the character of the institution, the location of the institution, the housing or work assignment of the inmate, or other factors

related to institution or inmate needs. Institutions housing death row inmates shall make adjustments to this property list when possession of listed items by death row inmates would create a threat to the security of the institution.

Exemptions.

Inmates already in possession of the following previously approved items shall be allowed to retain the items until they are no longer serviceable, but shall not be allowed to replace them with like items.

- Clothing items of a different color than specified on the property list.
- Locks other than V68 series
- Plastic bowls, tumblers, cups and lids
- Pantyhose

34-8.202	General Rules for Filing a Statement of Financial Interests
34-8.208	Final Filing for CE Form 1 Filers

PURPOSE AND EFFECT: The purpose of the proposed amendments is to make revisions to financial disclosure forms that are adopted by reference in the various rules of Chapter 34-8, Florida Administrative Code. The filing year on all of the forms will be changed to 2011, and filing instructions are being revised for greater clarity. Additionally, where there were statutory changes to those who are required to file, those changes are reflected in the forms. Also, Rule 34-8.007, F.A.C., is being amended to address the situation where a filer elects to file their Federal income tax return with their CE Form 6. Even if they were not required to submit W-2's and other attachments to the I.R.S. if they filed electronically, they are still required to provide those documents with their CE Form 6.

SUMMARY: CE Form 6 (Full and Public Disclosure of Financial Interests), CE Form 6F (Final Full and Public Disclosure of Financial Interests), CE Form 6X (Amendment to Full and Public Disclosure of Financial Interests), CE Form 1 (Statement of Financial Interests), CE Form 1F (Final Statement of Financial Interests), and CE Form 1X (Amendment to Form 1 Statement of Financial Interests), are affected by this rulemaking.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. An SERC has not been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: 64B9-8.001 RULE TITLE: The Probable Cause Panel

PURPOSE AND EFFECT: The Board proposes this rule amendment to dispense with the geographical distribution of probable cause cases because the Board has three panels that meet monthly, and there are not always present or former board members available from specific parts of the state.

SUMMARY: The purpose of this amendment is to take out the geographical assignments.

64B9-8.001 The Probable Cause Panel.

(1) The determination as to whether probable cause exists shall be made by a majority vote of a probable cause panel of the Board.

~~(2)(a)~~ The Board establishes three probable cause panels of two persons each to be appointed by the Chairman of the Board. Each panel may have one former Board member serve, and at least one member of each panel must be an active licensee of the Board. No more than one member of each panel shall be a consumer member. One member of each panel shall be designated chairman. The Board may designate one panel to review the cases closed by the Department.

~~(b) One panel shall be designated as the North Florida probable cause panel and shall consist of members residing in the northern part of the state. Cases arising from the southern part of the state shall be referred to the North Florida panel.~~

~~(c) One panel shall be designated as the Central Florida probable cause panel and shall consist of members residing in the middle part of the state. Cases arising from the northern part of the state shall be referred to the Central Florida panel.~~

~~(d) One panel shall be designated as the South Florida probable cause panel and shall consist of members residing in the southern part of the state. Cases arising from the central part of the state shall be referred to the South Florida panel.~~

~~(e) It is the Board's intent to distribute the workload equitably among the three panels and to conduct meetings in a geographically convenient and economical manner for the panel members. A panel may refuse to consider a case that clearly belongs to another panel. However, it is not the intent of the Board to require mathematical and geographic precision. That one panel acted on a case which arguably should have been considered by another shall not be grounds to invalidate that panel's action.~~

~~(3)(f)~~ If a case needs to be reconsidered by the probable cause panel for any reason, the case must be taken to the panel which initially considered it.

~~(4)(2)~~ The panel shall ~~(a)~~ suggest penalties for inclusion in any stipulations between the Department and the licensee, based on the material submitted by the Department, the Board's past treatment of similar cases, and the Board's disciplinary guidelines. All stipulations and terms shall be subject to approval or rejection by the full Board.

(b) Receive interim reports from the probation supervisor to consider referring potential problem probationers to the full Board or for further investigation and a probable cause determination.

~~(5)(3)~~ The panel may consider and recommend rules concerning disciplinary actions, procedures, and penalties to the full Board.

NOTICE IS HEREBY GIVEN that on June 15, 2011, the St. Johns River Water Management District, received a petition for the modification of a granted variance from the St. Augustine Airport Authority. District receipt of the petition for modification of variance was published in the Florida Administrative Weekly on July 1, 2011. The District intends to grant the petition to modify the variance. On November 2, 2010, pursuant to Section 373.414(17), F.S., the airport was granted a variance from paragraph 40C-4.302(1)(c), F.A.C., and the associated portions of the Applicant's Handbook: Management and Storage of Surface Waters, including Sections 10.1.1(c), 12.1.1(d) and 12.2.5(c), with respect to Environmental Resource Permit Application 40-109-28307-40, to construct an Approach Lighting System in salt marsh at the end of Runway 13-31 in an area of 800 ft. by 35 ft. The Approach Lighting System is to be constructed directly in the Tolomato River, which is classified by the Department of Agriculture and Consumer Services as conditionally restricted for shellfish harvesting, and the rules do not authorize construction and operation of the Approach Lighting System in such classified waters. Since the variance and associated Environmental Resource Permit were granted by the District, the Federal Aviation Administration (FAA) has informed the airport that it had to install more lighting than was contemplated when the variance and associated permit were granted. In order to meet the FAA requirements, the airport must seek a modification of the variance to the rules and Applicant Handbook provisions for an additional 600 ft. by 35 ft. area. The petition to modify the variance has been assigned F.O.R. Number 2011-23. The is scheduled to take final action on the petition for variance no later than July 20, 2011.

2. If the District takes action that substantially differs from the notice of intended District decision, a person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the District, but this request for administrative hearing shall only address the substantial deviation. Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed (received) at the office of the District Clerk at the mail/street address or email address described in paragraph no. 1 above, within nineteen (19) days of the District depositing notice of final District decision in the mail (for those persons to whom the District mails actual notice) or within fourteen (14) days of newspaper or Florida Administrative Weekly publication of the notice of final District decision (for those persons to whom the District does not mail actual notice). 8. Pursuant to Section 120.68, Florida Statutes, a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action (in this case, the final order on the petition for variance).
