The Division finds that the association is a condominium association as defined by Section 718.103(2), F.S. The division will not issue a statement regarding felony adjudications withheld because the facts are in dispute; that the 90-day delinquency of the total amount due the master association by a subassociation does not render that subassociation ineligible to appoint representatives to serve on the master association board and does not render the member subassociation candidates ineligible to serve on the master association board under Section 718.112(2)(d)(2) and (2)(n), F.S., unless the individual candidate is 90-days delinquent in his or her individual payment due the master association.
