DEPARTMENT OF ECONOMIC OPPORTUNITY

Final Order No.: DEO-12-101

In re: A LAND DEVELOPMENT REGULATION

ADOPTED BY THE CITY OF KEY WEST,

FLORIDA, ORDINANCE NO. 12-19

FINAL ORDER

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to Sections 380.05(6) and (11), Florida Statutes (2012), approving land development regulations adopted by the City of Key West, Florida, Ordinance No. 12-19 (the “Ordinance”).

FINDINGS OF FACT

1. The City of Key West is designated pursuant to Section 380.05(1), Florida Statutes (2012), and Chapter 28-36, Florida Administrative Code, as an area of critical state concern. Land development regulations adopted by the City of Key West do not become effective until approved by the Department by final order. Sections 380.05(6) and (11), Florida Statutes (2012).

2. The Ordinance was adopted by the City of Key West on July 17, 2012, and rendered to the Department on July 18, 2012.
3. The Ordinance amends Section 110 of the City Code, entitled "Floodplain Protection," by adding Section 110-467 to provide the basis for enhanced protection of specifically identified endangered species habitat and the species focus area maps and real estate list. The Ordinance is intended to be consistent with the U.S. Fish and Wildlife Service's April 30, 2010, Biological Opinion for the Federal Emergency Management Agency's administration of the national flood insurance program in the Florida Keys. The regulations implement a court-approved settlement agreement to ensure the City of Key West's participation in the federal flood insurance program.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. Sections 380.05(6) and (11), Florida Statutes (2012).
5. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes (2012). The regulations adopted by the Ordinance are land development regulations.
6. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. Sections 380.05(6) and (11), Florida Statutes (2012). The Principles for Guiding Development for the City of Key West Area of Critical State Concern are set forth in subsection 28-36/003(1), Florida Administrative Code.
7. The Ordinance is consistent with the Principles for Guiding Development as a whole, and specifically furthers the following Principles:
 - (a) To strengthen local government capabilities for managing land use and development.
 - (c) Protection of tidal mangroves and associated shoreline and marine resources and wildlife.
 - (h) Protection of the public health, safety, welfare and economy of the City of Key West, and the maintenance of Key West as a unique Florida resource.
8. The Ordinance is consistent with Objective 1-3.6 and Policies 1-3.6.1 and 1-3.6.3 of the City of Key West Comprehensive Plan.

WHEREFORE, IT IS ORDERED that City of Key West Ordinance No. 12-19 is found to be consistent with the Principles for Guiding Development for the City of Key West Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is timely filed as described in the Notice of Administrative Rights below.
