Section II Proposed Rules

**DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION**

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:
61C-5.006 Elevator Fees; Construction and
Alteration Permits; Annual
Certificates of Operation;
Delinquency Fee; Transfer of
Ownership; Certificate
Replacement

PURPOSE AND EFFECT: The purpose and effect of the proposed rule is to adopt the forms for permits and certificates of operation; update permit, licensure, registration and renewal requirements; and provide a plain language update.

SUMMARY: The proposed rule adopts the forms to apply for an elevator permit, a certificate of operation, a change of owner, and the temporary certificate of operation. The rule also requires a permit be posted onsite, specifies permit extension request requirements, adopts notification requirements for acceptance inspections, removes the requirement for a notarized statement verifying service maintenance contracts and a certificate of operation fee schedule that is no longer applicable, and updates change of owner notification requirements.

OTHER RULES INCORPORATING THIS RULE: None.

EFFECT ON THOSE OTHER RULES: N/A

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the agency.

The proposed rule will not directly or indirectly adversely impact economic growth, private-sector job creation or employment, private-sector investment, or business competitiveness in excess of \$1 million over five years. The proposed rule will increase regulatory costs on registered elevator companies by an estimated \$9,901.20 annually, totaling \$49,506 over five years, as result of the requirement to notify the division of the scheduled initial elevator inspections required to close a permit. Proposals to place the notification requirement on elevator inspectors were not adopted since statute places the notification responsibility on elevator permit holders.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: the economic review conducted by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 399.02, 399.03, 399.07(1), 399.10 FS.

LAW IMPLEMENTED: 399.03, 399.061, 399.07 FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

Section VII Notices of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF HEALTH

Board of Acupuncture

NOTICE IS HEREBY GIVEN that the Board of Acupuncture has issued an order disposing of the petition for declaratory statement filed by David Bass, DC, AP on March 27, 2012. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement published on April 13, 2012, in Vol. 38, No. 15, of the Florida Administrative Register. Petitioner sought a determination regarding removal of acupuncture needles from patients. The petitioner sought guidance as to whether he would be permitted to hire a phlebotomist, RN or LPN or other certified assistant and train them to remove the acupuncture needles at the completion of the acupuncture session. The Board of Acupuncture considered the Petition at its June 1, 2012 meeting. The Board's Order filed on June 5, 2012, declined to answer the petition on the grounds that the petition did not identify a statute or rule for the board to interpret; and therefore, the Board was unable to apply its rules to the questions posed.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Anthony Jusevitch, Executive Director, Board of Massage Therapy/MQA, 4052 Bald Cypress Way, Bin #C06, Tallahassee, Florida 32399-3256.
