Section IV

Emergency Rules

DEPARTMENT OF REVENUE

Sales and Use Tax
RULE NO.: 12AER14-5 RULE TITLE: Sales of Clothing, School Supplies, and Personal Computers during the Period August 1 through August 3, 2014

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 22, Chapter 2014-38, Laws of Florida, authorizes the Department of Revenue to promulgate emergency rules to implement the provisions of the law specifying a period during which the sale of certain clothing,
school supplies, and personal computers are exempt from sales and use tax. The law provides that conditions necessary for an emergency rule have been met. The promulgation of this emergency rule ensures that the public is notified in the most expedient and appropriate manner regarding the exemption during the period from 12:01 a.m., August 1, 2014, through 11:59 p.m., August 3, 2014, for sales of clothing, wallets, or bags having a selling price of $100 or less per item, for sales of school supplies having a selling price of $15 or less per item, and for the first $750 of the sales price of personal computers and certain related accessories. The exemption does not apply to sales within a theme park or entertainment complex, as defined in Section 509.013(9), F.S., or within a public lodging establishment, as defined in Section 509.013(4), F.S., or within an airport, as defined in Section 330.27(2), F.S. The rule defines “clothing,” “school supplies,” “personal computer,” “related accessories,” “theme park or entertainment complex,” “public lodging establishment,” “airport” and “mail order sales.” The rule describes the items that are included in the exemption and explains how various transactions are to be handled for purposes of the exemption, including sales of sets of both exempt and taxable items, items normally sold as a unit, mail order sales, shipping and handling charges, layaway sales, rain checks, exchanges, coupons, rebates, and discounts, repairs and alterations, gift certificates, rentals of clothing, and merchant’s license fees. The rule provides a list of items and their taxable status during the exemption period for clothing, school supplies, and personal computers.

**REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES:** The Legislature expressly authorized the promulgation of an emergency rule to administer the provisions of Section 22, Chapter 2014-38, Laws of Florida, which specify a period during which the sales of certain clothing, school supplies, and personal computers are exempt from sales and use tax. Additionally, an emergency rule is the most expedient and appropriate means of notifying dealers and taxpayers of the provisions of Section 22, Chapter 2014-38, Laws of Florida.

**SUMMARY:** Emergency Rule 12AER14-5 notifies the general public and retailers of the exemption during the period from 12:01 a.m., August 1, 2014 through 11:59 p.m., August 3, 2014, for sales of clothing, wallets, or bags having a selling price of $75 or less per item, for sales of school supplies having a selling price of $15 or less per item, and for the first $750 of the sales price of personal computers and certain related accessories.

**THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS:** Kimberly Bevis, Revenue Program Administrator I, Technical Assistance and Dispute Resolution, Department of Revenue, P. O. Box 7443, Tallahassee, Florida 32314-7443, telephone: (850)717-7082.

This exemption does not apply to sales of clothing, wallets, or bags within a theme park, entertainment complex, public lodging establishment, or airport.

(b) 1. The sales tax exemption applies to each eligible item of clothing, wallet, or bag, selling for $100 or less per item. The exemption applies regardless of how many items are sold on the same invoice to a customer.

2. Example: A customer purchases two shirts for $60 each. Both items are eligible for the exemption, even though the customer’s total purchase price ($120) exceeds $100.

(b) Example: A gift set consisting of a wallet and key chain is sold for a single price of $35. Although the wallet would otherwise be exempt during the Holiday Period, the sales price of the gift set is subject to tax.

(c) Example: A desk set consisting of a stapler (which is not defined as an eligible “school supply” by statute) and a pair of scissors (which is defined as an eligible “school supply” by statute) is sold for a single price of $10. Although the scissors would otherwise be exempt during the Holiday Period, the sales price of the desk set is subject to tax.

(d) A Personal Computer which comes preloaded with games for personal use, but which otherwise meets the criteria for the exemption, will be eligible for the exemption.

(e) Articles Normally Sold as a Unit.

(a) Articles that are normally sold as a unit must continue to be sold in that manner; they cannot be separately stated and sold as individual items in order to obtain the exemption.

(b) Example: A pair of shoes normally sells for $120. The pair of shoes cannot be split in order to sell each shoe for $60 to qualify for the exemption.

(c) Example: A suit is normally priced at $150 on a single price tag. The suit cannot be split into separate articles so that any of the components may be sold for $100 or less in order to qualify for the exemption. However, components that are normally priced as separate articles may continue to be sold as separate articles and qualify for the exemption if the price of an article is $100 or less.

(d) Example: A pen and pencil set is normally priced at $18 on a single price tag. The set cannot be split into separate articles so that either of the components may be sold for $15 or less in order to qualify for the exemption.

(7) Buy One, Get One Free or for a Reduced Price.

(a) The total price of items advertised as “buy one, get one free,” or “buy one, get one for a reduced price,” cannot be averaged in order for both items to qualify for the exemption.
(b) Example: A retailer advertises pants as “buy one, get one free.” The first pair of pants is priced at $110; the second pair of pants is free. Tax is due on $110. The store cannot sell each pair of pants for $55 in order for the items to qualify for the exemption. However, a retailer may advertise and sell the items for 50 percent off, selling each pair of $110 pants for $55, making each pair eligible for the exemption.

(c) Example: A retailer advertises shoes as “buy one pair at the regular price, get a second pair for half price.” The first pair of shoes is sold for $120; the second pair is sold for $60 (half price). Tax is due on the $120 shoes, but not on the $60 shoes. The store cannot sell each pair of shoes for $90 in order for the items to qualify for the exemption. However, a retailer may advertise the pairs for 25 percent off, thereby selling each pair of $120 shoes for $90, making each pair eligible for the exemption.

(8) Mail Order Sales.

(a) During the Holiday Period, eligible items purchased by mail order, including sales transactions over the Internet, are exempt if the order is accepted during the Holiday Period for immediate shipment, even if delivery is made after the Holiday Period.

(b) An order is accepted by the company when action has been taken to fill the order for immediate shipment. Actions to fill an order include assigning an “order number” to a telephone order, confirming an Internet order by an email to the customer, or placing a date received on an order received by mail.

(c) An order is considered to be for immediate shipment when delayed shipment is not requested by the customer. An order is for immediate shipment even if the shipment may be delayed because of a backlog of orders or stock is currently unavailable or on back order.

(9) Shipping and Handling Charges.

(a) When separately stated shipping charges are part of the sales price of the items listed on a sales invoice or receipt, the shipping charges must be proportionately allocated to each item sold to determine the total sales price of the item. The cost of each item is divided by the total cost of all the items ordered to obtain the percentage of cost that each item bears to the total order. The amount of the shipping charge applicable to each item is calculated by multiplying the total shipping charge by the percentage of cost for each item.

(b) Example 1: A customer orders a $100 dress and a $25 shirt, for a total of $125 during the Holiday Period. The shipping charge is $10. The percentage of cost for the shirt is 20 percent (the ratio of shirt cost to total cost is $25 to $125. $25 divided by $125 is 20 percent. The portion of the $10 shipping charge which is allocated to the shirt is therefore $2, or 20 percent of $10. The percentage of cost for the dress is 80 percent (the ratio of dress cost to total cost is $100 to $125. $100 divided by $125 is 80 percent. The portion of the $10 shipping charge which is allocated to the dress is therefore $8, or 80 percent of $10. Once the shipping charge has been allocated, the total sales price for the shirt is $27 and the total sales price for the dress is $108. The shirt qualifies for the exemption. The dress is more than $100 and does not qualify for the exemption.

(10) Layaway sales. A layaway sale is a transaction in which merchandise is set aside for future delivery to a customer who makes a deposit, agrees to pay the balance of the purchase price over a period of time, and receives the merchandise at the end of the payment period. Eligible items placed on layaway during the Holiday Period are tax exempt, even if final payment of the layaway is made after the Holiday Period. If a customer makes a final payment and takes delivery of the item during the Holiday Period, the eligible items are tax exempt.

(11) Rain checks. Eligible items purchased during the Holiday Period using a rain check will qualify for the exemption regardless of when the rain check was issued. However, issuance of a rain check during the Holiday Period will not qualify eligible items for the exemption if the item is actually purchased after the Holiday Period.

(12) Exchanges.

(a) If a customer purchases an eligible item during the Holiday Period, then later exchanges the item for the same item (different size or different color), no additional tax will be due even if the exchange is made after the Holiday Period.

(b) If a customer purchases an eligible item during the Holiday Period, then later returns the item and receives credit on the purchase of a different item, the new item purchased is subject to tax.

(13) Coupons, Rebates, and Discounts.

(a) Manufacturer’s coupons. The sales price of an item includes all consideration received by the retailer for that item. The price of an item is not limited to the amount paid by a customer. Manufacturer’s coupons do not reduce the sales price of an item, because the retailer is reimbursed for the amount of any discount provided to a customer. Therefore, the amount of the reimbursement is included in the taxable sales price of an item.

2. Example: A jacket sells for $105. The customer has a $10 manufacturer’s coupon good for the purchase of the jacket. The manufacturer’s coupon does not reduce the sales price of the jacket. Tax is due on $105, even though the customer only pays the retailer $95 for the jacket.

(b)1. Store coupons and discounts. A coupon, discount, or rebate offered by the retail seller reduces the sales price of an item because it reduces the total amount received by the retail seller for the item. Therefore, a store coupon or discount can be used to reduce the sales price of a clothing item to $100 or less, a school supply item to $15 or less, or the sales price of a personal computer, to determine if or to what extent an item qualifies for the exemption.
2. Example: A customer buys a $400 suit and a $110 shirt. The retailer is offering a 10 percent discount. After applying the 10 percent discount, the final sales price of the suit is $360, and the sales price of the shirt is $99. The suit is taxable (its price is over $100), and the shirt is exempt (its price is less than $100).
(c) Rebates. Rebates occur after the sale and do not affect the sales price of an item purchased.
2. Example: A jacket sells for $85. The customer receives a $10 rebate from the manufacturer. The rebate occurs after the sale, so it does not reduce the sales price of the jacket. Tax is due on $85.
(14) Repairs or Alterations to Eligible Items.
(a) Repairs to eligible items do not qualify for the exemption.
(b) Alterations to clothing or footwear do not qualify for the exemption, even though alterations may be sold, invoiced, and paid for at the same time as the item to be altered.
2. Example: A customer purchases a pair of pants for $75 and pays $5 to the retailer to have the pants cuffed. The $75 charge for the pants is exempt; however, tax is due on the $5 alterations charge.
(15) Gift Cards.
(a) Eligible items purchased during the Holiday Period using a gift card will qualify for the exemption, regardless of when the gift card was purchased. Eligible items purchased after the Holiday Period using a gift card are taxable, even if the gift card was purchased during the Holiday Period. A gift card does not reduce the selling price of an item.
(b) Example: A customer purchases a dress priced at $110 and uses a $50 gift card. Tax is due on $110. The gift certificate does not reduce the selling price to $60 for purposes of the exemption.
(16) Rentals. Rentals of eligible items do not qualify for the exemption.
(17) License Fees or Other Fees imposed by Panama City and Panama City Beach.
(a) Panama City and Panama City Beach impose a 1 percent merchant’s license fee or tax on retailers. The merchant’s license fee is included in the sales price of each item. If the fee is separately stated, it must be assigned to the sales price of each item on the invoice to determine if an item is exempt during the holiday.
(b) Example: A jacket sells for $99.95. The separately stated 1 percent gross receipts fee for this item is $1. Since the gross receipts fee is part of the sales price of the item ($100.95), the jacket will not qualify for the exemption.
(18) List of Items of Clothing and Their Taxable Status During the Holiday Period. The following is a list of items of clothing and their taxable status during the Holiday Period, if they are sold for $100 or less per item. This is not an inclusive list. T = Taxable, E = Exempt.

Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION
Division of Hotels and Restaurants

RULE NO.: RULE TITLE:
61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On June 30, 2014, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Paragraph 5-202.11(A), 2009 FDA Food Code from MagiCream located in Kissimmee. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash and three-compartment sinks.

The Petition for this variance was published in Vol. 40, No. 128 of the F.A. R. on July 2, 2014. The Order for this Petition was signed and approved on July 10, 2014. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash and three-compartment sinks is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash and three-compartment sinks are provided with hot and cold running water under pressure; the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

FLORIDA HOUSING FINANCE CORPORATION
Notice of Funding Availability
STATE APARTMENT INCENTIVE LOAN (SAIL) PROGRAM

2014 NOTICE OF FUNDING AVAILABILITY (NOFA)
The Florida Housing Finance Corporation (Florida Housing) announces the availability of funding for the State Apartment Incentive Loan (SAIL) Program, pursuant to Section 420.5087, Florida Statutes, and Rule Chapter 67-48, Florida Administrative Code (F.A.C.) or a competitive solicitation, as applicable. The funding will be offered through one or more competitive solicitations.

In accordance with Section 420.5087(1), Florida Statutes, program funds shall be distributed over successive 3-year periods in a manner that meets the need and demand for very low-income housing throughout the state. The need and demand must be determined by using the most recent statewide low-income rental housing market studies available at the beginning of each 3-year period. The percentages over the current 3-year period are as follows: 53% for Large County; 37% for Medium County; and 10% for Small County designation developments.

This funding cycle is the first year of a 3-year period. Funding cannot be made at levels that would make it impossible to meet the statutory requirements over the 3-year period.

In accordance with Section 420.5087(3), Florida Statutes, for the six-month period beginning with the publication of this NOFA, program funds shall also be reserved by designated tenant group category at the percentages determined by using the most recent statewide low-income rental housing market studies available.

Program funds shall be made available under this NOFA at the following percentages per tenant group: 10% for Commercial Fishing Worker/Farmworker; 10% for Homeless; 10% for Special Needs, 20% for Elderly [Note: This amount is subject to a 10% reduction of the 20% set-aside amount, with the funds being made available to applicants for the Elderly Housing Community Loan Program]; and 50% for Families. The reservation of funds to any demographic category may not be less than 10% of the funds available at that time, except for persons who are homeless which reservation may not be less than 5% of the funds available.
Florida Housing currently anticipates the allocation of approximately $93,660,000 for all competitive solicitations associated with the SAIL Program from funding sources as estimated below:

$57,660,000 = 2014 Legislative Appropriation
$36,000,000 = SAIL Program Income

Geographic distribution will be set based upon an anticipated funding level of $93,660,000. This amount is subject to change. The anticipated geographic funding distribution is as follows:
