Petitions and Dispositions Regarding Rule
Variance or Waiver

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION
Division of Hotels and Restaurants
RULE NO.: RULE TITLE:
61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On July 11, 2014, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code, from Sage Events located in Naples. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within an adjacent establishment for use by customers only.

The Petition for this variance was published in Vol. 40, No. 137 of the Florida Administrative Register on July 16, 2014. The Order for this Petition was signed and approved on July 24, 2014. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within So Flo Speed Shop are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of So Flo Speed Shop (Brian Ohlis) changes, an updated signed agreement for use of the bathroom facilities is required immediately.

A copy of the Order or additional information may be obtained by contacting: Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

61C-5.001: Safety Standards

The Department of Business and Professional Regulation, Division of Hotels and Restaurants, Bureau of Elevator Safety hereby gives notice:

On July 30, 2014 the Division issued an order. The Final Order was in response to a Petition for an emergency Variance from St. Augustine Government House, filed June 30, 2014, and advertised on July 3, 2014 in Vol. 40, No. 129, of the Florida Administrative Register. No comments were received in response to the petition. The Final Order on the Petition for Variance grants the Petitioner a variance from Rule 2.2.2.5 ASME A17.1b, 2009 edition, as adopted by paragraph 61C-

5.001(1)(a), Florida Administrative Code, that requires upgrading the elevators sump pump because the Petitioner has demonstrated that the purpose of the underlying statute has been met and that Petitioner would suffer a substantial hardship if required to comply with this rule (VW2014-228).

A copy of the Order or additional information may be obtained by contacting: Mark Boutin, Bureau of Elevator Safety, 1940 North Monroe Street, Tallahassee, Florida 32399-1013.

PLACE: Redeemer Lutheran Church, 3377 Aloma Avenue, Winter Park, FL 32792

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT) is holding a public hearing regarding access management improvements at the intersection of Aloma Avenue (State Road 426) and Coachlight Way in Orange County. The access management improvements are part of a larger intersection operational improvement at Semoran Boulevard (State Road 436) and Aloma Avenue. The improvements at Semoran Boulevard and Aloma Avenue involve removing the outside thru lane in each direction along Aloma Avenue (that merges immediately after the intersection) and modifying the existing curb in the southeast, northeast, and northwest quadrants of the intersection. These modifications will reduce the size of the intersection and enhance safety by improving pedestrian visibility and reducing pedestrian crossing time. Additional improvements include converting the existing full median opening at Aloma Avenue and Coachlight Way to an east-west directional median opening to improve safety and replacing the existing traffic signal strain poles with four new mast arms and pedestrian signals. The project is funded for construction in 2015.

The hearing will be held Thursday, August 7, 2014, at the Redeemer Lutheran Church, 3377 Aloma Avenue, Winter Park, FL 32792. Board of Auctioneers

NOTICE OF DISPOSITION

The Board of Auctioneers hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement for One2GlobalCorp, filed on January 31, 2014. The Notice of Petition for Declaratory Statement was published in Vol. 40, No. 31, of the February 2, 2014, Florida Administrative Register. The Board considered the Petition at a duly-noticed public meeting held on March 7, 2014. The petition was seeking the Board's interpretation of Chapter 48.382(1), (8), Section 468.383(8), and Section 468.385(2), Florida Statutes, and whether providing services by the Petitioner both together and separate, for the remarketing of a Canadian technological company's proprietary software and technology for the Franchised motor vehicle dealers, that is run in Canada, only through the internet and with servers in Canada, where the franchised dealer will execute a direct selling contract with the buyer, receive payment from the buyer and deliver the vehicle to the buyer, classified as an auction for the Petitioner both together or separate, for these services.

The Board's Order, filed on July 3, 2014, Based on the facts set forth in the Petition and the sworn testimony provided by the Board and being otherwise advised in the premises, the Board responds to this Petition in the negative. The Board solely addresses the question propounded by the Petitioner. The

Board’s conclusion is based solely on the Board’s application of the narrow factual circumstances outlined in the Petition to the pertinent statutory provisions set forth in the Petition. The Petitioner soliciting (directly or through and Overseas Company) Franchised Dealer’s subscription and use of LAG’s software interface for selling new and used cars to the public over the internet would not be the conduct of “Auction business” requiring licensure and would not be otherwise violative of Section 438.385(2), (8), Section 468.383(8), and Section 468.385(2), Florida Statutes.

The petition submitted is applicable to one person rather than to all licensees similarly situated and is appropriate for determination by means of a declaratory statement.

A copy of the Board's Order may be obtained by contacting: Daniel Biggins, Executive Director, Board of Auctioneers, 1940 North Monroe Street, Tallahassee, Florida 32399-0790 or at Daniel.Biggins@myfloridalicense.com.
