RULE NO.: RULE TITLE:  
11B-27.002 Certification, Employment or Appointment, Reactivation, and Terminating Employment or Appointment of Officers

The Criminal Justice Standards and Training Commission hereby gives notice: on June 17, 2014, the Criminal Justice Standards and Training Commission received a petition for a temporary 180 day waiver of subsection 11B-27.002(4), F.A.C., from Kyle Durkin. Petitioner wishes to temporarily waive that portion of the rule that states within four years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination, and gain employment as an officer. Petitioner states that his State Officer Certification will expire on June 22, 2014. Petitioner states that he has been in the testing, screening and background evaluation process for a position with the Tampa International Airport Police Department since December 2013 however, that process has been slowed due to an internal agency evaluation. Petitioner also states that he is being considered for a position with the Pasco County Sheriff's Office and the Tampa Police Department.

Notice of receipt of petition was published in Vol. 40, No. 135, F.A.C., on July 4, 2014.

On August 7, 2014, pursuant to notice at a meeting held in Ponte Vedra, Florida, after careful consideration of the facts of this matter, the Commission found that Petitioner had demonstrated

that a strict application of subsection 11B-27.002(4), F.A.C., would violate principles of fairness and have an impact on Petitioner that was particular to Petitioner and significantly different to from the way the rule affects other similarly situated persons in that Petitioner would be able to continue with the hiring processes of the Tampa International Airport Police Department and the Pasco County Sheriff's Office. The Commission issued an order granting Petitioner's petition for a temporary 180-day waiver of subsection 11B-27.002(4), F.A.C., issued on August 15, 2014, effective August 30, 2014. A copy of the Order or additional information may be obtained by contacting: Linton B. Eason, Assistant General Counsel, Florida Department of Law Enforcement, P.O. RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On July 18, 2014, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, Paragraph 5-202.11(A), 2009 FDA Food Code, Paragraph 4-301.12(A), 2009 FDA Food Code and subsection 61C-4.010(5), Florida Administrative Code, Section 5-203.13, 2009 FDA Food Code, and paragraph 61C-1.004(2)(a), F.A.C., from Ramo's Dog & Beer Shack located in Ellenton. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater, facilities for manually washing, rinsing and sanitizing equipment and utensils, and at least one service sink is provided for the cleaning of mops or similar cleaning tools and the disposal of mop water. They are requesting to install holding tanks at a portable handwash sink and share warewashing and mop sink areas with another licensed food service establishment under the same ownership and on the same premise.

The Petition for this variance was published in Vol. 40, No. 145, F.A.R., on July 28, 2014. The Order for this Petition was signed and approved on August 4, 2014. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; potable water

provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure the handwash, 3-compartment and mop sinks are provided with hot and cold running water under pressure; the handwash sink must be provided with soap, an approved hand drying device and a handwashing sign. The Petitioner shall also ensure that the three-compartment sink and mop sink areas within Ramo's Deli (NOS5104451) are maintained in a clean and sanitary manner and are available during all hours of operation. If the ownership of Ramo's Deli (NOS5104451, ABA E CIG, Inc.) changes, a signed agreement for use of the shared facilities is required immediately.

## Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

### DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Drugs, Devices and Cosmetics

NOTICE IS HEREBY GIVEN that Division of Drugs, Devices and Cosmetics has received the petition for declaratory statement from Michael J. Glazer, General Counsel on behalf of H.D. Smith Wholesale, filed on July 9, 2014. The petition seeks the agency's opinion as to the applicability of Sections 499.002, 499.0051, 499.066, 499.0661, and 499.067, Florida Statutes, and related administrative rules set forth DBPR's enforcement authority, as it applies to the petitioner.

The petition seeks a formal opinion from the Department that the purchase and sale of certain prescription drugs by HDS can be made without meeting the pedigree, authentication and return requirements of Florida law to the extent they impose requirements that are inconsistent with, more stringent than, or in addition to, any requirements of the new Drug Quality and Security Act. H.D. Smith is requesting that the Department of Business and Professional Regulation issue a determination on the following. 1. HDS is a prescription drug wholesaler. HDS has historically and continues to comply with the requirements of Florida law that it only engage in transactions with properly licensed parties as it relates to the distribution of prescription drugs. 2. Certain 3PLs shipping products to HDS for distribution in Florida have taken the position that a Florida 3PL license is not required due to the provisions of DQSA. 3. HDS has held to its belief that a 3PL license is required. This disagreement regarding the interaction of state and federal law has made it difficult in certain instances for HDS to obtain products and provide these medications to Florida pharmacies. 4. HDS is substantially affected by these regulations. If HDS obtains and distributes product from an unlicensed 3PL and if DBPR determines that the 3PL should have been licensed, then HDS is subject to sanctions for violating Chapter 499, Florida statutes. HDS is therefore sufficiently and substantially affected and is justified in requesting this declaratory statement to clarify its rights under the referenced statutes and rule. WHEREFORE, HDS respectfully requests that DBPR issue a Final Order determining that if HDS obtains prescription drug products from a 3PL for distribution in Florida, then the 3PL must hold a valid Florida 3PL license.

A copy of the Petition for Declaratory Statement may be obtained by contacting: The Division of Drugs, Devices and Cosmetics, 1940 N. Monroe Street, Suite 26A, Tallahassee, FL 32399-1047.
