During the meeting, an overview of the draft Florida Medicaid Family Planning Waiver extension request will be discussed. There will be an opportunity for public comment at the meeting.

SUMMARY DESCRIPTION OF THE FLORIDA MEDICAID FAMILY PLANNING WAIVER: The Centers for Medicare and Medicaid Services (CMS) has approved an 1115 Research and Demonstration Waiver, entitled Florida Medicaid Family Planning Waiver (#11-W-00135/4), for the periods 9/1/1998 through 08/31/2003, 12/1/2003 through 11/30/2006, 12/1/2006 through 11/30/2009, and the current period of July 1, 2011

through December 31, 2014. The State is requesting a three-year extension of this federal waiver authority for the period of January 1, 2015 through December 31, 2017.

The Florida Medicaid Family Planning Waiver seeks to improve the provision of family planning services to a population of women who otherwise may be unable to access the services, with the expectation that decreasing unintended pregnancies, increasing the child spacing interval, and referring for continuance of care will improve future birth outcomes thereby leading to net saving for the Florida Medicaid program. The waiver population consists of women, between the ages of 14 through 55, losing their Medicaid coverage who:

- Have family income at or below 185 percent of the Federal poverty level (FPL); and
- Are not otherwise eligible for Medicaid, Children's Health Insurance Program (CHIP) or health insurance coverage that provides family planning services.

* Eligibility for the waiver services is limited to 2 years after losing Medicaid coverage, subject to an annual eligibility redetermination.
