 NAME OF AGENCY HEAD WHO APPROVED THE PROPOSED RULE: Maria Matthews

DATE PROPOSED RULE APPROVED BY AGENCY HEAD: January 2, 2015
 DATE NOTICE OF PROPOSED RULE DEVELOPMENT PUBLISHED IN FAR: November, 26, 2014

DEPARTMENT OF HEALTH

Board of Medicine

RULE NO.: 64B8-3.003
 RULE TITLE: Renewal Fees

PURPOSE AND EFFECT: The proposed rule amendment is intended to clarify the renewal fees for resident physicians, assistant resident physicians, interns and fellows.

SUMMARY: The proposed rule amendments clarify the correct statutory renewal fees for resident physicians, assistant resident physicians, interns and fellows.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature because the clarification of the fee actually reflects a lower fee than that currently set forth in the rule as it is currently written. The proposed rule amendment will not in any way increase personnel costs, it will not result in decreased profit opportunities, and will not require any specialized knowledge to comply. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: 64B8-11.001
 RULE TITLE: Advertising

PURPOSE AND EFFECT: The proposed rule amendment is intended to add the American Board of Vascular Medicine to the list of approved entities for the purpose of advertising specialty certification.

SUMMARY: The Board has recently approved the American Board of Vascular Medicine as an entity for the purpose of advertising specialty certification and the proposed rule amendment adds this entity to the list of entities approved for this purpose.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. The Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them because the amendment simply adds an additional entity to the list of board- approved entities for the purpose of advertising specialty certification. The proposed rule amendment will not in any way increase personnel costs, it will not result in decreased profit opportunities, and will not require any specialized knowledge to comply. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NOS.: 64B14-4.001, 64B14-4.003
 RULE TITLES: Approved Examinations, Documentation of Eligibility for Licensure

PURPOSE AND EFFECT: For Rule 64B14-4.001, F.A.C., to clarify that applicants must pass the American Board for Certification examination in effect at the time of application or, if previously certified, at the time of certification; for Rule 64B14-4.003, F.A.C., to allow applicants who cannot supply patient logs as proof of completion of an internship to substitute documentation from the American Board for Certification.

SUMMARY: Rule 64B14-4.001, F.A.C., clarifies which licensing examination must be passed; and Rule 64B14-4.003, F.A.C., allows applicants to substitute documentation from the American Board for Certification, instead of patient logs, as proof of completion of an internship.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST AND LEGISLATIVE RATIFICATION: The agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency. The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: For 4.001, by clarifying licensing requirements, confusion and the number of petitions for waiver of the rule by applicants who previously took the examination will be reduced; and for 4.003, by making it possible for applicants who cannot produce patient logs to supply documentation from a national certifying agency. Accordingly, the Board believes regulatory burdens on and costs to all entities, including small business and government, will be reduced and should streamline and enhance the licensing process.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Parking information is as follows. We recommend you park in the Kleman Plaza parking garage, located at 306 South Duval Street, Tallahassee, Florida 32301. All-day parking costs \$6. As you exit the Kleman Plaza parking garage, the Supreme Court

building will be to your right, and the Capitol Complex will be to your right and across Duval Street. Proceed up the steps and past the fountain to get to the Capitol Complex’s west entrance. After you get through security, go straight ahead to the rotunda to take an elevator to the second floor. Final Order No.: DEO-15-005

NOTICE IS HEREBY GIVEN that the Florida Department of Economic Opportunity issued Final Order No. DEO-15-005 on January 6, 2015, in response to an application submitted by Lake Yvette Homeowner's Association, Inc., Unit 1 for covenant revitalization under Chapter 720, Part III, Florida Statutes.

The Department determined that the application did not meet the statutory requirements for covenant revitalization because the application contained covenant amendments, enacted after the original covenants lapsed, which are more restrictive, in violation of Section 720.404(3), Florida Statutes. Further, the revitalization was approved by homeowners more than sixty days prior to submission to the Department, which violates Section 720.406(1), Florida Statutes. Accordingly, the Department's Final Order denied the applications for covenant revitalization.

Copies of the final order may be obtained by writing to the Agency Clerk, Department of Economic Opportunity, 107 E. Madison Street, MSC 110, Tallahassee, Florida 32399-4128 or Katie.zimmer@DEO.MyFlorida.com.
