PURPOSE AND EFFECT: To establish a new rule chapter in the Florida Administrative Code to implement Chapter 662, F.S., Family Trust Companies. The purpose and effect of the rules is to provide the forms and requirements for the licensing, registration, renewal, and regulation of family trust companies, licensed family trust companies, and foreign licensed family trust companies.

SUMMARY: Proposed Rules 69U-162.003, 69U-162.004, and 69U-162.005, F.A.C. set forth the varying licensing or registration requirements and application forms for each company type, which are more comprehensive for licensed family trust companies than for family trust companies or foreign licensed family trust companies. Proposed Rule 69U-162.009, F.A.C. sets forth the general application process and incorporates by reference all forms prescribed by the proposed rules. For licensed family trust companies, proposed Rule 69U-162.003, F.A.C. requires that directors, officers, managers, and members acting in a managerial capacity or equivalent position provide criminal justice, employment, financial, disciplinary, and licensing background information by completing proposed new Form OFR-162-Bio, “Biographical Report.” Proposed Rule 69U-162.006, F.A.C. provides the requirements and prescribes the application forms for annual renewal of a license (for licensed family trust companies) or registration (for family trust companies and foreign licensed family trust companies). Proposed Rule 69U-162.010, F.A.C. prescribes the notification process and form for a licensed family trust company proposing to appoint, add, or employ a new director, officer, manager, or member acting in a managerial capacity or equivalent position. Proposed Rule 69U-162.012, F.A.C. prescribes the requirements and form for the quarterly reporting of capital account information by licensed family trust companies and family trust companies.

The proposed rules also identify the types of records the companies must maintain, provide that examinations will be performed in accordance with the statute, and establish the process and requirements for a licensed family trust company to discontinue its business operations.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Based upon an analysis of potential economic impact conducted by persons with subject matter knowledge of these rules, and based upon the financial services-related nature of the business of the affected companies, the affected companies will likely have already collected or prepared the financial, fiduciary services, and family member information required by the rules and forms or such information will be readily ascertainable to the affected companies. Additionally, the rules and forms do not impose any fees and do not require the use or purchase of any particular software, equipment, or professional legal or accounting services.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
