RULE NO.: RULE TITLE:

60FF1-5.009 E911 Monthly Fee Rate

PURPOSE AND EFFECT: The new rule is to determine appropriate E911 monthly fee.

SUMMARY: E911 monthly fee rate.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The Agency has determined that the proposed rule is expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: A Statement of Estimated Regulatory Costs (SERC) was prepared by Carr, Riggs & Ingram, LLC. Essentially, the SERC finds that the proposed rule is likely to increase regulatory costs, including transaction costs, in excess of \$1 million in the aggregate within 5 years after implementation of the rule. The SERC was based upon a monthly average of wireless, non-wireless, and wireless-prepaid consumers (23,270,055). A good faith estimate of the transactional costs likely to be incurred by individuals and entities, including government entities, required to comply with the rule is \$13.9 million annually. The additional fee would provide the counties \$11.1 million in revenue to help support E911.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DATE AND TIME: June 7, 2016, 5:30 p.m.

**GENERAL SUBJECT MATTER TO BE CONSIDERED:** Tampa Bay Express (TBX) City of Tampa Community Engagement Meetings for the Downtown Tampa Interchange (I-275 at I-4); WPI: 433821-22-01.

In August of 2015, the Hillsborough Metropolitan Planning Organization (MPO) adopted the Tampa Bay Express (TBX) project into the County's Transportation Improvement Plan (TIP). As part of the Tampa Bay Express public outreach, Florida Department of Transportation (FDOT) District 7 is seeking input from neighborhood residents and business owners regarding how Tampa Bay Express will impact adjacent neighborhoods and what mitigation or improvement efforts are desired to meet the neighborhoods' needs.

Neighborhood workshops are being utilized to allow organizations, individuals, and local agencies to collaboratively explore potential solutions to issues facing their community regarding the Tampa Bay Express project.

During the first Workshop Series, citizens from Downtown Tampa, Seminole Heights, Tampa Heights, West River, and Ybor City identified neighborhood assets and needs, and then framed their concerns around the Tampa Bay Express project. The local agencies then came together to determine how community goals and current planning efforts aligned with neighborhood needs. To review the summary report for the first Workshop Series, please visit [www.tampabayexpress.com](http://www.tampabayexpress.com), click on the "Get Involved" pull-down, select "Community Engagement" and scroll down to the Reports section.

During the second Workshop Series, neighborhood groups determined goals and objectives for their neighborhoods and then listed design strategies to address their concerns identified in the first Workshop Series. To review the Summary (Workshop Series 2) presentation, please visit [www.tampabayexpress.com](http://www.tampabayexpress.com), click on the "Get Involved" pull-down, select "Community Engagement" and scroll down to the Presentation section.

The third Workshop Series coordinated community-driven design strategies between neighborhoods, FDOT District VII and local agencies to determine potential, neighborhood-specific improvements that could become part of the Tampa Bay Express project.

The Florida Center for Community Design and Research (FCCDR), in cooperation with the Florida Department of Transportation District Seven, City of Tampa, Hillsborough County, HART and Hillsborough Planning Commission, is inviting community representatives from City of Tampa, Home Owner Associations, residents, and civic and business associations near the Downtown Tampa Interchange (I-275 at I-4) to attend and participate in the Summary (Workshop Series 3) presentation of the Community Engagement meetings regarding the TBX project.

## Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF MANAGEMENT SERVICES  
NOTICE IS HEREBY GIVEN that the Public Employees Relations Commission (Commission) has declined to rule on the petition for declaratory statement filed by The International Union of Painters and Allied Trades, AFL-CIO, Local Union 2301 on April 25, 2016. The following is a summary of the agency’s declination of the petition:

The Petitioner requested that the Commission clarify language appearing at page nine of an order amending certification in which the Petitioner was designated as the certified bargaining agent for a unit of City of Fort Myers (City) nonprofessional employees. In re Petition of Fort Myers City Employees Union, to Amend Certification No. 614, Order No. 16E-107 (PERC 2016); 42 FPER 304 (2016). According to the petition, the City interprets the language in the order to require that the

Petitioner obtain new cards specifically authorizing dues deductions on its behalf. Until such time as it receives new authorization cards, the City contends that it has no duty to further deduct dues. The Petitioner interprets the language to require that the City continue to deduct dues on behalf of employees who signed authorization cards prior to the filing of the amendment to certification petition, but that the City is to forward the dues to the Petitioner, rather than to the prior certified bargaining agent. The Petitioner and the City sought a declaratory statement regarding their respective rights and responsibilities regarding dues deductions. The Commission declined to rule on this question because the issue has ripened into an actual controversy. A petition for declaratory statement is not the appropriate procedure for resolving an existing dispute. To the extent that either party is entitled to any relief, the proper procedure is to file an unfair labor practice charge.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: The Clerk, Public Employees Relations Commission, 4708 Capital Circle NW, Suite 300, Tallahassee, Florida 32303-7256.

NOTICE IS HEREBY GIVEN that the Office of Financial Regulation has issued an order disposing of the petition for declaratory statement filed by FirstKey Business Lending, LLC, (FKBL) on March 31, 2016. The following is a summary of the agency's disposition of the petition:

The petition sought the Office's interpretation on the following: Whether FKBL is required to be licensed as a Florida mortgage lender to make investment property loans depends on two factors: (1) whether FKBL falls within the Act's definition of "mortgage lender;" and (2) whether FKBL can satisfy any of the Act's exemptions to licensure. On May 26, 2016, the Office issued a Final Order. Based on the information provided and subject to the caveat expressly provided, the Office answers the petition and declares that

with the exception of loans on properties consisting of five or more dwelling units, the loans described by FKBL are not "mortgage loans" as defined by section 494.001 (24), Florida Statutes. The mortgage loans that are described are "nonresidential mortgage loans" subject to the exemption from licensure under 494.00115(2)(d), Florida Statutes. Therefore, FKBL is not required to obtain a license from the Office before offering or making such loans in Florida.
