Florida Forest Service

RULE NOS.: **RULE TITLES:**
 5I-6.001 Purpose
 5I-6.002 Approved Best Management Practices
 BMPs
 5I-6.003 Presumption of Compliance
 5I-6.004 Notice of Intent to Implement
 5I-6.005 Record Keeping
 5I-6.006 Implementation Verification

PURPOSE AND EFFECT: Adopts definitions; creates a system for verification of implementation of best management practices for agriculture; identifies alternative means of verification of implementation.

SUMMARY: 2016 legislation requires implementation verification rulemaking. This rule formalizes and strengthens the implementation verification program for Best Management

Practices for Silviculture.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department’s economic analysis of the adverse impact or potential regulatory costs of the proposed rule did not exceed any of the criteria established in Section 120.541(2)(a), Florida Statutes. As part of this analysis, the Department relied upon the fact that those that enroll in the BMP program are already subject to record-keeping and implementation requirements under the existing rule; this rule merely establishes the process by which Department staff verifies implementation and works with Practitioners to address any corrective measures needed to achieve full implementation of Applicable Best Management Practices.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 403.067(7)(c)2., 403.067(7)(d)2.c., FS.

LAW IMPLEMENTED: 403.067(7), FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Mr. Jeff Vowell, Assistant Director, Florida Forest Service, (850)681-5800, Jeffery.Vowell@freshfromflorida.com.

Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF EDUCATION

State Board of Education

NOTICE IS HEREBY GIVEN that Department of Education has declined to rule on the petition for declaratory statement filed by Rod Hartsook, the Martin County Education Association, and the Florida Education Association on May 08, 2017. The following is a summary of the agency's declination of the petition:

The petition seeks the agency's opinion as to the applicability of section 1012.22(1)(c), Florida Statutes, requiring that district school boards adopt a performance salary schedule for instructional personnel, to JROTC instructors employed as instructional personnel by the Martin County School Board and/or other district school boards in Florida. The department does not have authority concerning salaries of personnel, as 1012.27(2), Fla. Stat., provides that the district school superintendent is responsible for preparation and recommendation of salary schedules in accordance with § 1012.22, Fla. Stat., to the district school board for adoption. Further, to the extent there may be a collective bargaining agreement governing these issues in Martin County, this matter is more appropriately resolved through the bargaining process and not through administrative channels. The final order was issued August 7, 2017.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Christian Emerson, Agency Clerk, Department of Education, (850)245-9601 or christian.emerson@fldoe.org or go to <https://app1.fldoe.org/rules/default.aspx>.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Florida Condominiums, Timeshares and Mobile Homes

NOTICE IS HEREBY GIVEN that the Division of Florida Condominiums, Timeshares, and Mobile Homes, Department of Business and Professional Regulation, State of Florida, has received the petition for declaratory statement from Hans C. Wahl, Esq. on behalf of Kirk Brown, In Re: The Landings of the Withlacoochee Condominium Association, Inc., Docket No. 2017038116, filed on August 7, 2017. The petition seeks the agency's opinion as to the applicability of section 718.113(7), Florida Statutes, as it applies to the petitioner.

Whether the installation of an electric vehicle charger falls under Section 718.113(7), Florida Statutes, thereby eliminating the requirement for unit owner approval?

A copy of the Petition for Declaratory Statement may be obtained by contacting: Danielle Walker, Administrative Assistant II, at Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 2601 Blair Stone Road, Tallahassee, Florida 32399-1030, (850)717-1539, Danielle.Walker@myfloridalicense.com.

Please refer all comments to: Robin E. Smith, Chief Attorney, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes, 2601 Blair Stone Road, Tallahassee, Florida 32399-2202. Responses, motions to intervene, or requests for an agency hearing, §120.57(2), Fla. Stat., must be filed within 21 days of this notice.

DEPARTMENT OF FINANCIAL SERVICES

Division of Consumer Services

NOTICE IS HEREBY GIVEN that the Department of financial Services, Division of Consumer Services ("Department") has declined to rule on the petition for declaratory statement filed by David Avellar Neblett, Esq. of Perry & Neblett, P.A. ("Petitioner") on May 12, 2017. The following is a summary of the agency's declination of the petition:

The Petitioner sought the Department's opinion regarding: (1) whether an insured's participation in the mediation process prescribed in Section 627.7015, Florida Statutes ("DFS mediation"), if requested prior to the commencement of formal litigation, is a legal prerequisite to filing suit against the insurer; and (2) whether DFS mediation supplants or replaces any pre-suit alternative dispute resolution procedures set forth in the insurance contract or is an optional process for pre-suit alternative dispute resolution. The Department determined that the petition should be denied because it sought approval or disapproval of conduct which has already occurred. Additionally, a declaratory statement is not an appropriate remedy where there is related pending litigation regarding the same issues underlying the petition for declaratory statement. Finally, the petition requested the Department to make a determination outside of its jurisdiction regarding interpretation of certain insurance contract provisions.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Gina G. Smith, Assistant General Counsel, Department of Financial Services, 200 East Gaines Street, Tallahassee, Florida 32399-0333 or by email at Gina.Smith@myfloridacfo.com.
