(2) Filing of campaign finance reports and documentation.

(a) Candidates requesting matching funds must file their campaign finance reports with the Division electronically as provided in Section 106.0705, F.S., and Rule 1S-2.017, F.A.C. All electronic documents within the file must be submitted in a horizontal format, readable from left to right, so that the Division can read the document on a computer screen without having to rotate any image.

(e) The supporting documentation must satisfy the requirements of this rule to permit verification of the applicable contribution on the campaign finance report for which matching funds are requested.

(f) The Division must receive the following legible and complete documentation:

(g) Documentation that does not conform to the specifications in paragraph (2) of this rule will not be processed and the Division will notify the candidate. (3) Distribution of state matching funds.

(a) For purposes of distribution of state matching funds, the Division shall process campaign finance reports and documentation in order of receipt and prioritize those that are timely submitted over those that are untimely submitted.

(c) Subject to the further restrictions specified in this subparagraph and subparagraph (d), distribution of funds based on untimely documentation or reports, amended reports, or supplemental documentation will be distributed no later than the weekly cycle occurring three weeks after receipt of such documentation or report. However, no distribution shall occur based upon the applicable campaign finance contribution report and its supporting documentation if the following final deadlines for campaign finance reports and documentation are not met:

5. The campaign finance report and documentation due on the 4th day prior to the general election must be received no later than noon on the 3rd day following the general election.

(d) Distributions shall not be made to any person after the person withdraws his or her candidacy, becomes an unopposed candidate, or is eliminated as a candidate or elected to office, even if the person submitted nonconforming documentation while the person was a candidate and then corrects the deficiencies in the documentation after withdrawing, becoming unopposed, being eliminated, or being elected. The only exception is that a distribution can be made to a candidate based upon qualifying matching contributions received and certified to the Division on the campaign finance report due on the 4th day prior to the election, as long as the documentation conforms to the requirements of this rule.

(4) Review of agency action.

(a) An adverse final decision by the Division regarding the distribution of matching funds constitutes a notice of agency decision for purposes of Rule 28-106.111, F.A.C.

61J1-4.008 Continuing Education for School Instructors

PURPOSE AND EFFECT: The Board proposes the rule amendment to update the requirements for continuing education.

SUMMARY: Update requirements for continuing education.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On September 20, 2017, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Section 5-203.13, 2009 FDA Food Code, Paragraph 5-202.11(A), 2009 FDA Food Code and subsection 61C-4.010(5), Florida Administrative Code, from Pizza Magnolia LLC located in Orlando. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater; and the requirement that at least one service sink is provided for the cleaning of mops or similar cleaning tools and

the disposal of mop water. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and the three compartment sink and to share the mopsink facilities with another licensed food service establishment under a different ownership and on the same premises.

The Petition for this variance was published on September 22, 2017 in Vol. 43, No. 184, F.A.R. The Order for this Petition was signed and approved on September 28, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink and the three compartment sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that all the handwash sinks are provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign. The mops sink facilities within Franks and Steins LLC must be maintained in a clean and sanitary manner. These areas must also be available to Pizza Magnolia LLC during all hours of operation. If the ownership of Pizza Magnolia LLC and/or Franks and Steins LLC changes, a signed agreement between the two establishments for the use of the shared facilities must be provided to the division immediately.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Rd., Tallahassee, Florida 32399-1011.
