DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On December 12, 2018 the Division of Hotels and Restaurants received a Petition for a Routine Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2009 FDA Food Code from Key Largo Hospitality Group LLC located in Key Largo. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink.

The Petition for this variance was published in Vol. 44/241 on December 13, 2018. The Order for this Petition was signed and

approved on January 3, 2019. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sink is provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Daisy.Lee@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

DEPARTMENT OF HEALTH

Board of Medicine

Notice is hereby given that the Board of Medicine has received a Petition for Declaratory Statement filed on behalf of Robert David Willix, Jr., M.D., on December 27, 2018. The Petitioner seeks a declaratory statement from the Board with regard to whether, under the provisions of Section 458.348, Florida Statutes, he is permitted to supervise the work of a licensed electrologist performing laser hair removal under his direct supervision and responsibility while he is located at various parts of the campus of the Hippocrates Heath Institute. The Board will consider this petition at its meeting currently scheduled for Friday, February 8, 2019. DEPARTMENT OF FINANCIAL SERVICES

Finance

NOTICE IS HEREBY GIVEN that the Florida Office of Financial Regulation has issued an order disposing of the petition for declaratory statement filed by Grapefruit Trading, LLC on October 09, 2018. The following is a summary of the agency's disposition of the petition: On 10/9/2018, the Florida Office of Financial Regulation (Consumer Finance) received a Petition for Declaratory Statement from Grapefruit Trading. The petition sought a declaratory statement from the Office on whether its proposed business model (to trade virtual currencies with individuals and corporations in the state of Florida and elsewhere. To conduct bilateral trades to buy or sell virtual currencies using US dollars or other virtual currencies) falls under the Florida Money Transmitter Statute, Chapter 560, Florida Statutes. *****On 1/4/2019, the Office issued a Final Order on the Petition. The Office determined that under the circumstances described, proposed activities would not require Petitioner to obtain licensure as a money transmitter under Chapter 560, Florida Statutes. Under the circumstances described in the findings of facts, Petitioner's transactions occur directly between Petitioner and a counter-party with no third parties involved. Petitioner has complete control over the transactions and Petitioner does not receive, "currency, monetary value, or payment instruments for the purpose of transmitting the same". Consequently, Petitioner is not acting

as a "money transmitter", and licensure for these activities is not required under Chapter 560, Florida Statutes.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.com.

LAND AND WATER ADJUDICATORY COMMISSION

Pine Island Community Development District

Notice of Receipt of Petition

RULE NO.: RULE TITLE:

4200-1.002: Boundary

Petition to Expand the Bella Collina Community Development District

On November 19, 2018, the Florida Land and Water Adjudicatory Commission (“FLWAC” or “Commission”) received a petition for expansion of the Bella Collina Community Development District (“District”) by amending District boundaries to encompass approximately 1,810.11 acres adjacent in Lake County, Florida. The Commission will follow the requirements of Chapter 42-1, F.A.C., and Chapter 190, F.S., as amended, in considering the petition.

SUMMARY OF CONTENTS OF PETITION: The petition requests expansion of the District by including certain real

property consisting of approximately 5.11 acres (the “Expansion Property”) situated adjacent to the existing District boundaries. DCS Real Estate Investments, LLC, (the “Developer”) requested and consented to the Petitioner expanding boundaries of the District to include the Expansion Property as evidenced in Exhibit 4. The metes and bounds descriptions of the external boundaries are provided in Exhibit 5. There is no real property within the boundaries of the proposed District which are to be excluded from the District.

SUMMARY OF ESTIMATED REGULATORY COSTS: A statement of estimated regulatory costs (SERC) was prepared at the request of the Petitioner. The complete text of the SERC is contained as Exhibit 8 to the petition. Generally, the SERC indicates the rule:

Is not expected to have any direct or indirect impact on economic growth, private sector job creation or employment, or private sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rule;

Is not likely to have any adverse impact on business competitiveness;

Is not likely to increase regulatory costs of the State or the County. The proposed District will pay a one-time filing fee to the County to offset any County expenses; and will pay the annually required Special District Filing Fee, which is meant to offset any State costs related to oversight of all special districts in the State. The District will incur overall operational costs related to services for infrastructure maintenance, landscaping and similar items. In the initial stages of development, the costs will likely be minimized. These operating costs will be funded by landowners through direct funding agreements or special assessments levied by the District;

Will require compliance by the State of Florida, Lake County, and current and future property owners;

Will not directly or indirectly result in any additional costs to the agency or any other state and local government entities other than those noted above and will have no anticipated effect on state or local revenues;

Will result in transactional costs to future landowners in the development to pay for facilities and services the District may provide. Financing for these facilities and services is projected to be provided by the District; and,

Will have no adverse impact on small businesses, counties or cities.

A LOCAL HEARING WILL BE HELD AT THE TIME, DATE AND PLACE SHOWN BELOW:
