DEPARTMENT OF HEALTH

Board of Massage Therapy

RULE NOS.: **RULE TITLES:**
 64B7-26.001 Definitions
 64B7-26.002 Licensure of Massage Establishments
 64B7-26.006 Change of Corporate Officers, Interested
 Parties, Designated Establishment Managers
 64B7-26.007 Transfer of Massage Establishment License

PURPOSE AND EFFECT: The Board propose the rule amendments to clarify the language, incorporate new procedures, update the incorporated applications and add a new application due to recent legislative changes.

SUMMARY: The proposed rules will update the language and applications.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION

Florida Building Commission

RULE NO.: RULE TITLE:

61G20-1.001 Florida Building Code Adopted

NOTICE IS HEREBY GIVEN that the Florida Building Commission has issued an order disposing of the petition for declaratory statement filed by the City of Marathon on July 1, 2019. The following is a summary of the agency's disposition of the petition: Petitioner requested an answer to the following questions, based upon the project described within its petition: When the two-family dwellings are designed and constructed as described, are the requirements for "separate means of egress" satisfied by the shared deck and single staircase with point of exit discharge at the "yard"? On August 13, 2019, the Commission provided the following answer: Yes. The shared deck of the project in question is considered a "court" as defined in section R202, Florida Building Code, Residential, 6th Edition (2017). The proposed shared deck and single staircase with point of exit discharge at the "yard" would therefore satisfy the requirement of section R101.2, Florida Building Code, Residential, 6th Edition (2017), for a separate means of egress. A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk's Office, Department of Business and Professional Regulation, 2601 Blair Stone Road, Tallahassee, Florida 32399, (850)921-0342, AGC.Filing@myfloridalicense.com.
