## Section II Proposed Rules

**DEPARTMENT OF HEALTH**

**Board of Medicine**

**RULE NO.:**         **RULE TITLE:**  
 64B8-51.006      Rule Governing Licensure and Inspection of  
                           Electrology Facilities

**PURPOSE AND EFFECT:** The Council proposes the rule amendment to update the incorporated applications for licensure and inspection of electrology facilities.

**SUMMARY:** Updates to the applications.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**RULEMAKING AUTHORITY:** 456.037, 478.43(1), (4), 478.51(3), (11) FS.

**LAW IMPLEMENTED:** 456.037, 456.0635, 478.43, 478.49, 478.51, 478.55 FS.

**IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.**

**THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS:** Allen Hall, Executive Director,

Electrolysis Council/MQA, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3255.

**THE FULL TEXT OF THE PROPOSED RULE IS:**

64B8-51.006 Rule Governing Licensure and Inspection of Electrology Facilities.

- (1) No change.
- (2) Electrology Facility Licensure.
  - (a) No change.

(b) To obtain the license, the applicant shall provide information to the Department as required by this rule on a form provided by the Department and approved and incorporated herein by reference by the Board as Form DH-MQA 1213, entitled “State of Florida Application for Electrolysis Facility Licensure – New Facility or New Ownership” (revised ~~10-15-2018~~ ~~12-02-2016~~), which can be obtained from <http://www.flrules.org/Gateway/reference.asp?No=Ref-07894>, or the Department at The Florida Department of Health, Electrolysis Council, Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3256. The applicant must pay a \$100 application fee, which is nonrefundable, \$100 inspection fee, \$100 licensure fee and a \$5.00 unlicensed activity fee.

- (3) through (5) No change.
- (6) Transfer of Ownership or Location of the Electrology Facility.

- (a) No change.
- (b) An electrology facility license may be transferred from one location to another only upon approval by the Department which approval shall be granted upon compliance with all requirements set out below in subparagraphs 1. through 3. Only the licenses for electrology facilities which have passed inspection at the original location are eligible for transfer to another location. In order to begin practice at the new location, the electrology facility license holder must first perform all of the following procedures:

1. File a completed application for transfer prior to the date of the transfer on a form prescribed by the Department, and approved and incorporated herein by reference by the Board as Form DH5018-MQA-07/2016, entitled “State of Florida Application for Transfer of Electrolysis Facility Location” (revised ~~10-15-2018~~ ~~12-02-2016~~), which can be obtained from <http://www.flrules.org/Gateway/reference.asp?No=Ref-07896>, or the Department at the Florida Department of Health, Electrolysis Council, Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3256, which application must be processed by the Council office,

- 2. through 3. No change.
- (7) No change.

AGENCY FOR HEALTH CARE ADMINISTRATION  
Health Facility and Agency Licensing  
RULE NO.: RULE TITLE:  
59A-4.1265 Emergency Environmental Control for Nursing Homes  
NOTICE IS HEREBY GIVEN that on February 27, 2019, the Agency for Health Care Administration, received a petition for Variance from subsection 59A-4.1265(5) from Healthcare Properties of St. Augustine, Inc. d/b/a The Ponce Therapy Center, seeking additional time beyond May 31, 2019, to implement the Detailed Nursing Home Emergency Power Plan. The petition was assigned case number 2019002955. Any interested person or other agency may submit written comments on the petition within 14 days after this notice by e-mailing LTCstaff@ahca.myflorida.com.  
A copy of the Petition for Variance or Waiver may be obtained by contacting: Jacqueline Williams, Agency for Health Care Administration, 2727 Mahan Drive, Mail Stop #33, Tallahassee, Florida 32308 or e-mailing LTCstaff@ahca.myflorida.com.

DEPARTMENT OF HEALTH  
Board of Massage Therapy  
RULE NO.: RULE TITLE:  
64B7-32.002 Proof of Graduation  
NOTICE IS HEREBY GIVEN that on March 01, 2019, the Board of Massage Therapy, received a petition for variance and waiver filed by Stephanie A. Blaisdell. The Petitioner is seeking a variance or waiver of Rule 64B7-32.002, regarding the requirement for an official transcript as proof of graduation. Comments on this petition should be filed with the Board of Massage Therapy, 4052 Bald Cypress Way, Bin #C06, Tallahassee, Florida 32399-3258, within 14 days of publication of this notice.  
A copy of the Petition for Variance or Waiver may be obtained by contacting: Kama Monroe, Executive Director, Board of Massage Therapy, at the above listed address, (850)245-4162, or by electronic mail - kama.monroe@flhealth.gov.

DEPARTMENT OF HEALTH  
Board of Opticianry  
RULE NO.: RULE TITLE:  
64B12-9.016 Eligibility of Individuals Licensed in Another State  
NOTICE IS HEREBY GIVEN that on February 28, 2019, the Board of Opticianry, received a petition for variance or waiver filed by Michele Sousa regarding Rule 64B12-9.016, F.A.C., which requires that applicants be actively licensed to practice opticianry, in another state, territory, or jurisdiction of the United States, for a period of more than 3 years immediately preceding application. Petitioner did not maintain her license for the required period and is asking the Board to consider an exception to the rule requirement that she has actively worked in the optical field for over 25 years and that she be allowed to take the exam. Comments on this petition should be filed with the Jennifer Wenhold, Executive Director, Board of Opticianry, 4052 Bald Cypress Way, Bin # C08, Tallahassee, Florida 32399-3253.  
A copy of the Petition for Variance or Waiver may be obtained by contacting: Jennifer Wenhold, Executive Director, at the above address or telephone (850)521-0050 or by email: Jennifer.Wenhold@flhealth.gov.

DEPARTMENT OF HEALTH  
Board of Physical Therapy Practice  
RULE NO.: RULE TITLE:  
64B17-3.007 Board Approved Credentialing Agencies; Credentials Evaluation Reports  
The Board of Physical Therapy Practice hereby gives notice: that on March 4, 2019, an Order was filed on the Petition for Variance or Waiver. The Petition for Variance or Waiver was filed by Monica Rita Cotik-Bilsky, on January 24, 2019,

seeking a variance or waiver of sub subparagraph 64B17-3.001(3)(c)2.a., F.A.C., by requesting that the Equivalence Credential Evaluation Report performed by IERF be accepted by the Board as meeting the requirement of the licensure rule for foreign trained applicants. The Board considered the Petition at a duly-noticed public meeting held on February 15, 2019, in Tampa, Florida, and granted Petitioner’s motion to modify the Petition. At its meeting, the Board granted the modified Petition finding that Petitioner demonstrated that the purpose of the underlying statute has been achieved by other means; has demonstrated a hardship; and has demonstrated that the principles of fairness would be violated. Specifically, the Order grants a variance or waiver of paragraph 64B17-3.007(2)(g), F.A.C., and permits the Petitioner to use copies of transcripts and educational documents for evaluation of foreign education credentials for licensure as a physical therapist. A copy of the Order or additional information may be obtained by contacting: Allen Hall, Executive Director, Board of Physical Therapy Practice, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3253, Allen.Hall@flhealth.gov.

**FLORIDA HOUSING FINANCE CORPORATION**

**RULE NO.: RULE TITLE:**

67-48.0072 Credit Underwriting and Loan Procedures  
 NOTICE IS HEREBY GIVEN that on March 01, 2019, the Florida Housing Finance Corporation, received a petition for waiver of paragraph 67-48.0072(4)(c) from Woodland Park Redevelopment I, LLC, requesting to extend the SAIL loan closing deadline from May 1, 2019 to September 4, 2019, and that no further extension fee be imposed.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Ana McGlamory, Corporation Clerk, Florida Housing Finance Corporation, 227 North Bronough Street, Suite 5000, Tallahassee, FL 32301-1329. The Petition has also been posted on Florida Housing’s website at floridahousing.org. Florida Housing will accept comments concerning the Petition for 14 days from the date of publication of this notice. To be considered, comments must be received on or before 5:00 p.m., Eastern Time, on the 14th day after publication of this notice at Florida Housing Finance Corporation, 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329.

**FISH AND WILDLIFE CONSERVATION COMMISSION**

**Vessel Registration and Boating Safety**

**RULE NO.: RULE TITLE:**

68D-23.109 Additional Specifications for Information, Danger, and Regulatory Markers  
 The Florida Fish and Wildlife Conservation Commission hereby gives notice: it issued a Final Order granting the Pinellas County Parks and Conservation Resources Department a permanent variance from the requirement in subsection 68D-

23.109 (3), Florida Administrative Code, that the size of signs used as information, danger, or regulatory waterway markers shall be no smaller than three feet by three feet. The Final Order authorizes Petitioner to use signs of 24 inches by 18 inches to mark the Weedon Island Preserve Paddling Trail in Pinellas County, Florida.

Petitioner’s Name: Pinellas County Parks and Resources Department

Date Petition Filed: October 4, 2018

Rule No.: Rule Title:

68D-23.109 Additional Specifications for Information, Danger, and Regulatory Markers

Nature of the rule for which variance is sought: size requirements for information, danger, and regulatory waterway marker signs

Date Petition Published in the Florida Administrative Register: February 5, 2019 (FAR Volume 45, Number 24)

General Basis for Agency Decision: The Petitioner demonstrated that the use of smaller signs on Weedon Island Preserve Paddling Trail will still ensure waters of the state are marked in such a manner as to promote safe navigation on Florida’s waterways, the purpose of the rule and the statutes it implements. The Petitioner further demonstrated that if the request for a variance is denied, they will face substantial financial hardship associated with purchasing and installing the more expensive, larger signs.

A copy of the Order or additional information may be obtained by contacting:

Lamont Nelson, Florida Fish and Wildlife Conservation Commission, Division of Law Enforcement, Boating and Waterways Section, 620 South Meridian Street, Tallahassee, FL 32399-1600, (850)488-5600.

**Section VI**

**Notice of Meetings, Workshops and Public Hearings**

**STATE BOARD OF ADMINISTRATION**

The State Board of Administration announces a public meeting to which all persons are invited.

DATE AND TIME: Tuesday, March 26, 2019, 1:00 p.m. until completion of agenda.

PLACE: The Hermitage Centre, Hermitage Room, 1801 Hermitage Boulevard, Tallahassee, Florida 32308; attendees should check in at reception desk, on-site parking available.

GENERAL SUBJECT MATTER TO BE CONSIDERED: Regularly scheduled quarterly meeting of the Investment Advisory Council. The IAC is a nine-member advisory council, which reviews the investments made by the staff of the State Board of Administration and makes recommendations to the

board regarding investment policy, strategy, and procedures. The IAC operates under Section 215.444 of the Florida Statutes. A copy of the agenda may be obtained by contacting: Pam Noda, State Board of Administration, (850)413-1381 or pam.noda@sbafla.com.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Eddie McEwen, (850)413-1104, eddie.mcewen@sbafla.com. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice). If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

For more information, you may contact: Pam Noda, State Board of Administration, (850)413-1381 or pam.noda@sbafla.com.

**EXECUTIVE OFFICE OF THE GOVERNOR**

The Volunteer Florida announces a telephone conference call to which all persons are invited.

DATE AND TIME: Monday, March 18, 2019, 9:00 a.m. (ET) until all business is complete.

PLACE: Phone: 1(888)585-9008, Code: 721-648-837

GENERAL SUBJECT MATTER TO BE CONSIDERED: A series of calls discussing general business. Meetings will begin on the hour every hour, with the exception of a lunch break at 12:00 PM (ET).

A copy of the agenda may be obtained by contacting: Savannah Kelly, (850)414-7400, savannah@volunteerflorida.org.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 3 days before the workshop/meeting by contacting: Savannah Kelly, (850)414-7400, savannah@volunteerflorida.org. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

If any person decides to appeal any decision made by the Board with respect to any matter considered at this meeting or hearing, he/she will need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence from which the appeal is to be issued.

For more information, you may contact: Savannah Kelly, (850)414-7400, savannah@volunteerflorida.org.

**REGIONAL PLANNING COUNCILS**

**Southwest Florida Regional Planning Council**

The Southwest Florida Regional Planning Council announces a public meeting to which all persons are invited.

DATES AND TIMES: March 21, 2019, 8:00 a.m. (Relevancy Committee), 9:00 a.m. (regular Council meeting), 11:00 a.m. (Transportation Committee)

PLACE: SWFRPC Office: 1400 Colonial Blvd., Suite 1, Fort Myers, FL 33907

GENERAL SUBJECT MATTER TO BE CONSIDERED: Monthly meeting of the Southwest Florida Regional Planning Council (9:00 a.m.). There will be a meeting of the Council's Relevancy Committee immediately preceding the Council meeting (8:00 a.m.) and a Transportation Committee meeting immediately following the Council meeting (11:00 a.m.).

A copy of the agenda may be obtained by contacting: Charles Kammerer, (239)938-1813, ext. 227, ckammerer@swfrpc.org. Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 48 hours before the workshop/meeting by contacting: Charles Kammerer, (239)938-1813, ext. 227, ckammerer@swfrpc.org. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

If any person decides to appeal any decision made by the Board with respect to any matter considered at this meeting or hearing, he/she will need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence from which the appeal is to be issued.

For more information, you may contact: Charles Kammerer, (239)938-1813, ext. 227, ckammerer@swfrpc.org.

**REGIONAL PLANNING COUNCILS**

**South Florida Regional Planning Council**

If any person decides to appeal any decision made by the Board with respect to any matter considered at this meeting or hearing, he/she will need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence from which the appeal is to be issued.

For more information, you may contact: Chelsea Creel, (850)617-1940 or [Chelsea.Creel@flhealth.gov](mailto:Chelsea.Creel@flhealth.gov).

DEPARTMENT OF CHILDREN AND FAMILIES

Refugee Services

The Broward Area Refugee Task Force announces a public meeting to which all persons are invited.

DATE AND TIME: Thursday, March 21, 2019, 10:00 a.m. – 12:00 Noon

PLACE: Florida Department of Children and Families, 1400 W. Commercial Blvd., Fort Lauderdale, FL 33309

GENERAL SUBJECT MATTER TO BE CONSIDERED: The purpose of the Broward Area Refugee Task Force meeting is to increase awareness of the refugee populations, share best practices, spot trends in refugee populations, build collaborations between agencies, help create good communication among service providers, get informed about upcoming community events, and discuss refugee program service needs and possible solutions to meeting those needs.

A copy of the agenda may be obtained by contacting: Miriam Rosario at (561)227-6722 or David Draper at (407)317-7335.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Miriam Rosario at (561)227-6722 or David Draper at (407)317-7335. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

For more information, you may contact: Miriam Rosario at (561)227-6722 or David Draper at (407)317-7335.

FLORIDA HOUSING FINANCE CORPORATION

The Florida Housing Finance Corporation announces a public meeting to which all persons are invited.

DATE AND TIME: March 22, 2019, 8:30 a.m. until adjourned

PLACE: Tallahassee City Hall Commission Chambers, 300 South Adams Street, Tallahassee FL 32301

GENERAL SUBJECT MATTER TO BE CONSIDERED: 1. Consider financing and acknowledgement resolutions for various multifamily developments, under any multifamily program, including the ranking of developments.

2. Consider appointment of professionals including but not limited to trustee and/or originator/servicer for upcoming and/or past multifamily programs and single-family programs.

3. Consider approval of all bond documents for and terms of all upcoming single-family and multifamily bond sales, including those secured by third-party guarantors, letters-of-credit, insurance or other mechanisms.

4. Consider adopting resolutions authorizing negotiated or competitive sale of bonds on various single-family and multifamily issues.

5. Consider directing Staff to submit summaries of various TEFRA/Public Hearings to the Governor.

6. Consideration of policy issues concerning ongoing and upcoming single-family bond issues including initiation of request for proposals on an emergency basis, and structuring new issues.

7. Consideration of all necessary actions with regard to the Multifamily Bond Program.

8. Consideration of approval of underwriters for inclusion on approved master list and teams.

9. Consideration of all necessary actions with regard to the HOME Rental Program.

10. Consideration of all necessary actions with regard to the HC (Housing Credits) Program.

11. Consideration of all necessary actions with regard to the SAIL (State Apartment Incentive Loan) Program.

12. Consideration of all necessary actions with regard to the SHIP (State Housing Initiatives Partnership) Program.

13. Consideration of all necessary actions with regard to the PLP (Predevelopment Loan) Program.

14. Consideration of all necessary actions with regard to the Homeownership Programs.

15. Consideration of all necessary actions for initiating new rules or rule amendments on an emergency or non-emergency basis.

16. Consideration of Appeals from Requests for Applications funding selection with entry of final orders.

17. Consideration of workouts or modifications for existing projects funded by the Corporation.

18. Consideration of matters relating to the stated purpose of the Corporation to provide safe and sanitary housing that is affordable for the residents of Florida.

19. Consideration of funding additional reserves for the Guarantee Fund.

20. Consideration of audit issues.

21. Evaluation of professional and consultant performance.

22. Such other matters as may be included on the Agenda for the March 22, 2019, Board Meeting.

A copy of the agenda may be obtained by contacting: Sheila Freaney, Board Liaison, Florida Housing Finance Corporation, 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, phone number (850)488-4197, or by visiting the Corporation's website at [www.floridahousing.org](http://www.floridahousing.org).

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Sheila Freaney at (850)488-4197. If you are hearing or speech impaired, please contact the agency using the Florida

Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

If any person decides to appeal any decision made by the Board with respect to any matter considered at this meeting or hearing, he/she will need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence from which the appeal is to be issued.

**FLORIDA HOUSING FINANCE CORPORATION**

The FHFC II, Inc. announces a public meeting to which all persons are invited.

**DATE AND TIME:** March 22, 2019, 11:00 a.m., or upon adjournment of the Florida Housing Finance Corporation Board of Directors meeting, until adjourned.

**PLACE:** Tallahassee City Hall Commission Chambers, 300 South Adams Street, Tallahassee FL 32301

**GENERAL SUBJECT MATTER TO BE CONSIDERED:** 1. Conduct business necessary for the organization of FHFC II, INC.

2. Consider adopting resolutions delegating operational authority to the Executive Director.

3. Consideration of all necessary actions with regard to any property owned or held by FHFC II, Inc.

4. Consideration of approval of underwriters for inclusion on approved master list and teams.

5. Consideration of all necessary actions for initiating new rules or rule amendments on an emergency or non-emergency basis.

6. Consideration of status, workouts, or modifications for existing projects.

7. Consideration of matters relating to the statutory purpose of FHFC II, Inc., to provide safe and sanitary housing that is affordable for the residents of Florida.

8. Such other matters as may be included on the Agenda for the March 22, 2019, Board Meeting.

A copy of the agenda may be obtained by contacting: Sheila Freaney, Board Liaison, Florida Housing Finance Corporation, 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, phone number (850)488-4197, or by visiting the Corporation's website at [www.floridahousing.org](http://www.floridahousing.org).

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Sheila Freaney at (850)488-4197. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

If any person decides to appeal any decision made by the Board with respect to any matter considered at this meeting or hearing, he/she will need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence from which the appeal is to be issued.

**FLORIDA HOUSING FINANCE CORPORATION**

The FHFC III, Inc. announces a public meeting to which all persons are invited.

**DATE AND TIME:** March 22, 2019, 11:00 a.m., or upon adjournment of the Florida Housing Finance Corporation Board of Directors meeting, until adjourned.

**PLACE:** Tallahassee City Hall Commission Chambers, 300 South Adams Street, Tallahassee FL 32301

**GENERAL SUBJECT MATTER TO BE CONSIDERED:** 1. Conduct business necessary for the organization of FHFC III, INC.

2. Consider adopting resolutions delegating operational authority to the Executive Director.

3. Consideration of all necessary actions with regard to any property owned or held by FHFC III, Inc.

4. Consideration of approval of underwriters for inclusion on approved master list and teams.

5. Consideration of all necessary actions for initiating new rules or rule amendments on an emergency or non-emergency basis.

6. Consideration of status, workouts, or modifications for existing projects.

7. Consideration of matters relating to the statutory purpose of FHFC III, Inc., to provide safe and sanitary housing that is affordable for the residents of Florida.

8. Such other matters as may be included on the Agenda for the March 22, 2019, Board Meeting.

A copy of the agenda may be obtained by contacting: Sheila Freaney, Board Liaison, Florida Housing Finance Corporation, 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, phone number (850)488-4197, or by visiting the Corporation's website at [www.floridahousing.org](http://www.floridahousing.org).

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Sheila Freaney at (850)488-4197. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

If any person decides to appeal any decision made by the Board with respect to any matter considered at this meeting or hearing, he/she will need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence from which the appeal is to be issued.

**FLORIDA HOUSING FINANCE CORPORATION**

The Florida Housing Finance Corporation announces a workshop to which all persons are invited.

**DATE AND TIME:** April 2, 2019, 10:00 a.m. (Eastern Time)

**PLACE:** The meeting will be available in person at Florida Housing Finance Corporation, 227 N. Bronough Street, 6th Floor Seltzer Room, Tallahassee, Florida. The workshop will also be available by telephone.

**GENERAL SUBJECT MATTER TO BE CONSIDERED:** This workshop is intended to provide information on anticipated changes to the RFA process for the upcoming RFA cycle, as well as to solicit ideas and feedback on how Florida Housing can best implement its RFA process.

A copy of the agenda may be obtained by contacting: Multifamily Programs Allocation staff, (850)488-4197. The workshop agenda and call-in instructions will be available prior to the workshop. An announcement will be issued via the Florida Housing ListServ when this information is available.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Jean Salmonsens, (850)488-4197. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

**DEPARTMENT OF ECONOMIC OPPORTUNITY**

Division of Workforce Services

The Reemployment Assistance Appeals Commission announces a public meeting to which all persons are invited.

**DATE AND TIME:** March 13, 2019, 9:30 a.m.

**PLACE:** Reemployment Assistance Appeals Commission, 101 Rhyne Building, 2740 Centerview Drive, Tallahassee, Florida 32399-4151.

**GENERAL SUBJECT MATTER TO BE CONSIDERED:** Deliberation for cases pending before the Reemployment Assistance Appeals Commission that are ready for final review and the Chairman's report. No public testimony will be taken.

A copy of the agenda may be obtained by contacting: Reemployment Assistance Appeals Commission, 101 Rhyne Building, 2740 Centerview Drive, Tallahassee, Florida 32399-4151, (850)487-2685.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 24 hours before the workshop/meeting by contacting: Reemployment Assistance Appeals Commission, 101 Rhyne Building, 2740 Centerview Drive, Tallahassee, Florida 32399-4151, (850)487-2685. If you are hearing or

speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

For more information, you may contact: Reemployment Assistance Appeals Commission, 101 Rhyne Building, 2740 Centerview Drive, Tallahassee, Florida 32399-4151, (850)487-2685.

**SUNSHINE STATE GOVERNMENTAL FINANCING COMMISSION**

The Sunshine State Governmental Financing Commission announces a public meeting to which all persons are invited.

**DATE AND TIME:** Monday, March 18, 2019, 10:30 a.m. (ET)

**PLACE:** Via conference call. This special meeting of the Commission will be conducted through the use of communications media technology, as authorized by subsection 163.01(18), Florida Statutes. Persons desiring to attend the meeting may do so by conference call which may be in listen-only mode during Commission deliberations and action, or at other times not designated for public comment. A copy of the agenda, conference-call dial-in instructions, and directions to the location of the hosting facility designated for public use of communications media technology (conference call) for this meeting may be obtained from the agency contact listed below. Any one not having access to a telephone will be entitled to use the telephone facilities available in the Commission's offices by contacting the Program Administrator at least 3 business days prior to the meeting.

**GENERAL SUBJECT MATTER TO BE CONSIDERED:** General Business of Commission

A copy of the agenda may be obtained by contacting: Richard C. Dowdy, Program Administrator, at [ssgfc@embarqmail.com](mailto:ssgfc@embarqmail.com) or (850)878-1874.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least days before the workshop/meeting by contacting: the agency contact as noted above. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

**QUINCY-GADSDEN AIRPORT AUTHORITY**

The Quincy-Gadsden Airport Authority announces a public meeting to which all persons are invited.

**DATE AND TIME:** Monday March 11, 2019, 5:30 p.m.

**PLACE:** Quincy Municipal Airport Terminal Conference Room - 1300 Airport Drive, Quincy, FL

**GENERAL SUBJECT MATTER TO BE CONSIDERED:** Regular monthly meeting of the Quincy-Gadsden Airport Authority.

A copy of the agenda may be obtained by contacting: Janice Watson – QGAA, P.O. Box 1905, Quincy, FL 32353, (850)643-7752, quincyairport@tds.net.

If any person decides to appeal any decision made by the Board with respect to any matter considered at this meeting or hearing, he/she will need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence from which the appeal is to be issued.

**DRMP, INC.**

The Department of Transportation announces a public meeting to which all persons are invited.

DATE AND TIME: Tuesday, March 12, 2019, 5:30 p.m. – 6:30 p.m.

PLACE: Our Lady of the Rosary Catholic Church, 5622 Julie Drive, Panama City, Florida 32404

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT) will hold a public meeting for the proposed improvement to State Road 390 from State Road 77 to U.S. 231 in Bay County, Florida. Maps, drawings, and other information will be on display. FDOT Representatives will be available to discuss the study, answer questions, and receive comments.

Financial Project Identification Number: 421225-22-02

A copy of the agenda may be obtained by contacting: Iris Waters, P.E., FDOT Project Manager, 1(888)638-0250, extension 1625, or Iris.Waters@dot.state.fl.us.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 7 days before the workshop/meeting by contacting: Iris Waters, P.E., FDOT Project Manager, at 1(888)638-0250, extension 1625, or via e-mail at Iris.Waters@dot.state.fl.us, or by mail at 1074 Highway 90, Chipley, Florida 32428. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the FDOT pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated December 14, 2016, and executed by the FHWA and FDOT.

For more information, you may contact: Iris Waters, P.E., FDOT Project Manager, at 1(888)638-0250, extension 1625, or via e-mail at Iris.Waters@dot.state.fl.us, or by mail at 1074 Highway 90, Chipley, Florida 32428. You may also contact Ian Satter, District Three Public Information Director, at 1(888)638-0250, extension 1205 or via email: ian.satter@dot.state.fl.us.

**Section VII  
Notice of Petitions and Dispositions  
Regarding Declaratory Statements**

**DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION**

Florida Building Commission

RULE NO.: RULE TITLE:

61G20-3.015 Equivalence of Standards

NOTICE IS HEREBY GIVEN that the Florida Building Commission has issued an order disposing of the petition for declaratory statement filed by Al-Farooq Corporation on January 3, 2019. The following is a summary of the agency's disposition of the petition:

Petitioner requested an answer to the following question, based upon the project described within its petition: Given that it is likely that ASTM E1996-17 will be incorporated into future versions of the Florida Building Code, and since this product revision implies that it is not a structural issue for this type of substitution, is it acceptable to follow the new exemption in ASTM E1996-17 section A1.9.2 for spacers, even though chapter 35, Florida Building Code, 6th Edition (2017), currently only lists ASTM E1996-05, 06, 09, 2012a, or 2014a as reference standards? ? On February 19, 2019, the Commission provided the following answer: pursuant to subsection 61G20-3.015(5), ASTM E1996-2017 is permitted to be used to update the current product approval for FL 28367 as long as the said standard is certified by an approved entity (i.e. an approved certification agency, an approved test lab, an approved evaluation entity, a Florida licensed professional engineer or architect, or a nationally recognized standard writing organization) as meeting or exceeding the performance of the standard referenced by the Florida Building Code, 6th Edition (2017) (in this case, ASTM E1996-05, 06, 09, 012a, or 014a).

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk's Office, Department of Business and Professional Regulation, 2601 Blair Stone Road, Tallahassee, Florida 32399, (850)921-0342, AGC.Filing@myfloridalicense.com.

**DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION**

Florida Building Commission

RULE NO.: RULE TITLE:

61G20-1.001 Florida Building Code Adopted

NOTICE IS HEREBY GIVEN that the Florida Building Commission has issued an order disposing of the petition for declaratory statement filed by Lineaire Designs, LLC on November 05, 2018. The following is a summary of the

agency's disposition of the petition: Petitioner requested an answer to the following questions, based upon the project described within its petition: 1. Is Section 1607.8.1 the applicable section of the Florida Building Code for the design of a glass handrail and guards assembly in an interior installation? 2. Since the project is located within the High Velocity Hurricane Zone, is Section 1618.4.6.3 the applicable section of the Florida Building Code for the design of a glass handrail and guards assembly in an interior installation? On February 19, 2019, the Commission provided the following answers: In response to Petitioner's question 1, the answer is yes. However, in addition to meeting the design requirements of Section 1607.8.1, Florida Building Code, Building, 6th Edition (2017), the interior glazed handrails/guards in question must also meet the applicable requirements of chapter 24 of the Florida Building Code, Building, 6th Edition (2017). In response to Petitioner's question 2, the answer is no. Section 1618.4.6.3, Florida Building Code, Building, 6th Edition (2017) pertains to wind resistance requirements and does not apply to the interior glazed handrails/guards in question.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk's Office, Department of Business and Professional Regulation, 2601 Blair Stone Road, Tallahassee, Florida 32399, (850)921-0342, AGC.Filing@myfloridalicense.com.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Building Commission

RULE NO.: RULE TITLE:

61G20-1.001 Florida Building Code Adopted

NOTICE IS HEREBY GIVEN that the Florida Building Commission has received the petition for declaratory statement from Finrock DMC. The petition seeks the agency's opinion as to the applicability of section 716, Florida Building Code, Building, 6th Edition (2017) as it applies to the petitioner.

Petitioner seeks clarification about whether an access panel for a fan coil unit, which would be installed in a wall acting as a fire partition, would be classified as a "smoke and draft control door" requiring rating pursuant to UL 1784.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk's Office, Department of Business and Professional Regulation, 2601 Blair Stone Road, Tallahassee, Florida 32399, (850)921-0342, AGC.Filing@myfloridalicense.com.

DEPARTMENT OF EDUCATION

Florida State University

UTILITIES ASSESSMENT AND GIS/ASSETWORKS INTEGRATION

FLORIDA STATE UNIVERSITY

REQUEST FOR QUALIFICATIONS

RFQ 5988- A

FLORIDA STATE UNIVERSITY (FSU) UTILITIES ASSESSMENT AND GIS/ASSETWORKS INTEGRATION

I. STATEMENT OF OBJECTIVE

Florida State University is requesting proposals from Engineering consulting firms experienced in comprehensive utility infrastructure condition assessment, utility geolocation, and Geographic Information Systems (GIS)/AssetWorks platform integration. The chosen firm will conduct and implement a comprehensive utility location and condition assessment and build a corresponding ArcGIS file geodatabase (FGDB) and online GIS platform that integrates the collected data with FSU’s AiM AssetWorks Integrated Workplace Management System (AiM). The term survey when used throughout this RFQ refers to a general assessment and geolocation of infrastructure and assets; it does not refer to the profession or science of licensed survey work, does not need to be completed by a licensed professional, and will not be used for legal boundary identification.

**II. INITIAL CONTRACT PERIOD AND RENEWAL OPTION**

The effective date of this contract will be from the date of the purchase order through the anticipated completion of project. The overall project is anticipated to begin late May 2019 and be completed by June 30, 2021.

**III. Sole Point of Contact**

James C. Johnson, Category Manager for Facilities/MRO, Procurement Services, 969 Learning Way, Mendenhall Bldg. A, Tallahassee, FL 32306-4153, Phone: (850)645-0407, Email: [jcjohnson@fsu.edu](mailto:jcjohnson@fsu.edu).

Please use the Question & Answer Board within the RFQ event of FSU’s Public Procurement Portal to ask any questions. See the Calendar of Events for the last day to submit questions. At all times it shall remain the responsibility of the Respondent participating in the RFQ to check the RFQ event for any addenda, notices or award decisions and the Question and Answer Board. No further notice will be given.

Only those communications that are in writing from Procurement Services shall be considered as a duly authorized expression on behalf of FSU. Respondents may not consider any verbal instructions as an official expression on FSU’s behalf. **QUESTIONS DIRECTED TO, OR ANY PROPOSALS RECEIVED FROM ANY OTHER DEPARTMENT, PERSON, AGENT, OR REPRESENTATIVE OF FSU WILL NOT BE CONSIDERED VALID OR BINDING.** Also, FSU will recognize only communications from Respondents that are either signed and in writing or submitted directly within FSU’s Public Procurement Portal as duly authorized expressions on behalf of the Respondent.

Respondents to this RFQ or persons acting on their behalf shall not contact any employee or officer of FSU, Board of Trustees, or a University Direct Support Organization concerning any aspect of this RFQ, except in writing to the Sole Point of Contact or Chief Procurement Officer or as provided in this RFQ document, from the date of release of this RFQ through

the end of the 72-hour period following FSU’s posting of the notice of intended award, in accordance with Board of Governors (BOG) Regulation 18.002. Violation of this provision may be grounds for rejecting a proposal response.

necessary to change any of these dates and times, it will issue an Addendum to the RFQ. All times listed are Eastern Standard Time (EST). It is the Respondent’s responsibility to check FSU’s Public Procurement Portal for any updates or addendums to this RFQ.

**IV. CALENDAR OF EVENTS**

Task	Date
FSU Releases (FSU Public Procurement Portal Open Date) RFQ	2/27/19
Question & Answer Submission no later than 5 pm EST	3/22/19
Answers to be posted no later than 5 pm EST	3/27/18
Proposals Due (FSU Public Procurement Portal Close Date) from Respondents no later than 3 pm EST	4/5/18
FSU Posts Intent to Award on or about	TBD

Unless otherwise revised by a subsequent addendum to this RFQ, the dates and times by which stated actions should be taken or completed are listed above. If FSU determines, in its sole discretion, that it is necessary to change any of these dates and times, it will issue an Addendum to the RFQ. All times listed are Eastern Standard Time (EST). It is the Respondent’s responsibility to check FSU’s Public Procurement Portal for any updates or addendums to this RFQ.

**V. SPECIFICATIONS**

FSU campus locations relevant to this proposal include all FSU properties, i.e. Main Campus, Southwest Campus (including Innovation Park, Seminole Golf Course, Rec SportsPlex, and FSU Reservation), Jim Moran Institute, Facility for Arts Research, Florida High, Panama City Campus, the Ringling Campus, and all remote properties.

This project will include locating and surveying utility systems on University property including electrical, steam, gas, hot water loops, chilled water, telecommunications, domestic water, sanitary sewer, natural gas (owned by City of Tallahassee), wells, and stormwater. The completed survey will provide FSU with the location, condition, size/capacity, flow direction of the utilities and an inventory of buildings served by the utilities as explicated in the following sections. The successful engineering firm will provide these services and deliver the information in a digital format (FGDB) and a web resident format.

The successful firm, in coordination with FSU Utilities & Engineering and the FSU Facilities ITS department, will be required to integrate the utilities survey with the AiM AssetWorks software and database. Support shall include

integration of applicable AiM assets with respective GIS FGDB and maps, so that Work Orders, Inspections and Preventative Maintenance can be viewed on the GIS platform.

The services provided for this project will include recommendations for FGDB organizational structure, document management organization, data dictionary development, policies and procedures for maintaining accurate information effectively and efficiently, and potential resources needed to implement the program.

The University possesses some CADD/GIS information in paper and/or digital format. The successful firm, in coordination with FSU Utilities & Engineering and the FSU Space Planning Department, will be required to review, verify, and incorporate existing information into the official campus GIS map, which is projected in NAD 1983 HARN State Plane Florida North FIPS 0903 (US Feet). Additionally, the firm will be required to conduct interviews and site visits with staff to identify and capture historical utility knowledge for incorporation into the base map. For each of the following systems, each visible structure shall be photographed and geo-referenced to supplement the GIS deliverable. Each asset will have a specific set of required attributes for collection (detailed in the following section), but all assets will require the following: campus, city, county, owner.

**Storm Water System**

Survey Phase: Perform a survey of stormwater system, including conveyances (closed and open), inlets, drains, and manholes, to gather the following data:

- Horizontal location
- Pipe size, type and condition
- Pipe size and type at each structure
- Direction of flow of each pipe at each structure
- Manhole condition assessments

**Stormwater Video Inspection**

Perform a video inspection and assessment of closed stormwater conveyances (pipes) within project limits using NASSCO Pipeline Assessment Standards. This phase includes engineering services to review and make observations of closed stormwater conveyances conditions within the project limits. Light to moderate cleaning prior to videoing should be considered a part of the scope of services. Deliverables will include digital files of the video inspection and a log of findings, which should be incorporated into the GIS database.

Condition Assessment: Perform field observations of existing storm drainage structures to determine the condition of the system. Document and assess the condition of each structure and the pipes that are visible at each structure. Document and assess condition of each manhole using NASSCO or ASCE manhole assessment standards. Photographs of each manhole or structure are required.

Report Phase: Based on the data collected during the Survey Phase, Video Inspection Phase and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these service

**Sanitary Sewer System**

Perform a survey of sanitary sewer piping system, including manholes, to gather the following data:

- Horizontal location
- Pipe size, type and condition
- Pipe size and type at each structure
- Direction of flow of each pipe at each structure
- Manhole condition

**Sanitary Sewer Video Inspection**

Perform a video inspection and assessment of sanitary sewers within project limits using NASSCO Pipeline Assessment Standards. This phase includes engineering services to review and make observations of sanitary sewer conditions within the project limits. Light to moderate cleaning prior to videoing should be considered a part of the scope of services. Deliverables will include digital files of the video inspection and a log of findings, which should be incorporated into the GIS database.

Condition Assessment: Engineer shall perform observation of existing sanitary sewer manholes within the project limits to determine the condition of the system. Engineer will assess and document the condition of each structure and the pipes that are visible at each structure. Document and assess condition of each manhole using NASSCO or ASCE manhole assessment standards. FSU will provide the location for all known FSU owned manholes. FSU will coordinate with COT to provide location of COT owned manholes and piping. University personnel will be made available to provide local knowledge.

Report Phase: Based on the data collected during the Survey Phase, Video Inspection Phase and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

**Chilled Water**

Perform a survey of each of the chilled water distribution piping, air vents, drains, and valves to gather the following data on each structure:

- Horizontal location
- Vertical elevation
- Piping materials
- Piping sizes
- Insulation type, thickness, and condition
- Year of installation

**Condition Assessment:** Review all available information, including existing drawings, local knowledge and interviews of staff to determine the age and condition of the piping and insulation. Engineer shall interview staff to assist with identification of areas where leaks recur or main breaks occur. Location of all campus chilled water distribution shall be determined whether above or below ground. All applicable methods of locating pipe shall be used, including but not limited to GPR. Perform field observations of existing structures to determine the condition of the system.

**Report phase:** Based on the data collected during the Survey and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

#### Potable Water and Fire Water

Perform a survey of all above ground water system structures including hydrants, valve boxes, water meters, meter pits/boxes, PIVs, and backflow preventers (BFPs). Perform a survey of potable water pipe system. Perform visual review of all associated systems to gather the following information.

- Horizontal location

- Vertical elevation

- Piping sizes and materials

- Flow direction

- Insulation type, thickness, and condition (BFPs)

**Condition Assessment:** Review all available information, including existing drawings and interview staff for local knowledge to determine the age and condition of underground piping. Maintenance staff will be interviewed to locate chronic problems areas. Location and direction of all campus water distribution shall be determined by the engineer above and below ground. All applicable methods of locating pipe shall be used including, but not limited to, ground penetrating radar (GPR).

**Report phase:** Based on the data collected during the Survey and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

#### Electrical Distribution

Perform a survey of existing electrical distribution, both above ground and underground. The engineer shall provide:

- Location of all primary feeds and secondary conductors

- Location of all lights, including pedestrian pathway and parking lot lighting, and conductors

- Location of all Blue Lights

- Location of all electric meters

- Location of all generators

Cooling towers and any other special equipment requiring electrical service

Location of all duct banks, with designation of functional use of each (i.e. fiber, secondary conductor, primary conductor, etc.)

- Geo-referenced photographs of above ground equipment

Vertical elevations shall be indicated for all components of the systems as applicable

**Condition Assessment:** Review all available information, including existing drawings, local knowledge and interviews of staff to determine the age and condition of the existing electrical infrastructure. Engineer shall interview staff to assist with identification of problem areas. Location of all electrical distribution shall be determined whether above or below ground. Perform field observations of existing infrastructure to determine the condition of the system. Document and assess the condition of all infrastructure. Document and assess condition of each manhole. Photographs of each manhole or structure are required.

**Report Phase:** Based on the data collected during the Survey and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

#### Steam Distribution

Perform a survey of all above ground and underground steam distribution system piping, tunnels, manholes, valves, condensate, traps, etc. Information collected shall include pipe and valve sizes, details of manhole equipment (i.e. pumps, lights, ladders, alarms, etc.), and schematics of each manhole.

- Horizontal location

- Vertical elevation

- Piping materials

- Piping sizes

- Flow direction

- Insulation type, thickness, and condition

- Year of installation

**Condition Assessment:** Review all available information, including existing drawings, local knowledge and interviews of staff to determine the age and condition of the piping and insulation. Engineer shall interview staff to assist with identification of areas where leaks recur or main breaks occur. Location of all campus steam distribution shall be determined whether above or below ground. All applicable methods of locating pipe shall be used, including but not limited to GPR. Perform field observations of existing structures to determine the condition of the system. Document and assess the condition of each structure and the pipes that are visible at each structure. Document and assess condition of each manhole using

NASSCO or ASCE manhole assessment standards. Photographs of each manhole or structure are required.

Report Phase: Based on the data collected during the Survey and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

Gas Distribution

Perform a survey of all above ground and underground gas distribution system piping, valves and meters. Work with the City to verify City-provided GIS data of gas distribution system.

- Horizontal location
- Vertical elevation
- Piping materials
- Piping sizes
- Flow direction
- Meter location

Condition Assessment: Perform a survey of all above and below ground gas distribution system piping. Review all available information, including drawings and local knowledge. Maintenance staff shall be interviewed and any problem areas where recurring leaks or main breaks occur will be identified. Location and direction of all campus gas distribution shall be determined whether above or below ground. All applicable methods of locating pipe shall be used including, but not limited to GPR. Each visible structure shall be geo-reference photographed to supplement the GIS data and incorporated into the GIS deliverable.

Report Phase: Based on the data collected during the Survey and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

Well Inventory

Perform a survey of all well infrastructure. Information collected shall include:

- Well use
- Permitting agency (DEP or NFWFMD)
- Operating permit number
- Status (i.e. abandoned, unused, etc.)
- Owner/department (i.e. FSU, State of Florida, TIIFT)
- Diameter
- Well depth
- Casing depth
- Finish
- Elevation
- Aquifer
- Pump data (type, size, model, condition etc.)

Condition Assessment: Review all available information, including existing drawings, local knowledge and interviews of staff to determine the age and condition of campus wells. Engineer shall interview staff to assist with identification of problematic wells.

Report Phase: Based on the data collected during the Survey and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

Fiber

Perform a survey of each of the visible above ground structures to gather the following data:

- Horizontal location
- Vertical elevation
- Geo-referenced photograph of each structure and manhole (inside and outside)
- Fiber count, including fiber used and available
- Fiber type (i.e. multi-mode/ single mode)
- Indicate which agency/ entity ownership (i.e. IT, NLRP, Telecom)
- Fiber route, including location of all duct banks
- Indicate duct bank usage (i.e. fiber, secondary conductor, primary conductor)

Condition Assessment: Typical structures include fiber boxes, manholes, etc. It is expected that the engineer will use existing drawings, local knowledge, and any means necessary including GPR to establish the data. Some areas of campus have been previously surveyed. For areas where recent survey has been performed, surveyor shall incorporate existing survey information into overall base map.

Report Phase: Based on the data collected during the Survey and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

Telephone

Perform a survey of each of the visible above ground structures to gather the following data:

- Horizontal location
- Vertical elevation
- Geo-referenced photograph of each structure
- Fiber route

Condition Assessment: Typical structures include telephone boxes, manholes, etc. It is expected that the engineer will use existing drawings, local knowledge, and any means necessary including GPR to establish the data. Some areas of campus have been previously surveyed. For areas where recent survey has

been performed, surveyor shall incorporate existing survey information into overall base map.

Report Phase: Based on the data collected during the Survey and Condition Assessment, the engineer will prepare a summary report outlining the findings of the condition assessment. The report shall include identification of problematic areas that need improvements. Design for improvements is excluded from these services.

Miscellaneous

Work with the University to generate a list of attributes for objects or layers that will be added to the database at a later date. The program will need to be developed to anticipate these additive elements such as Emergency Management Systems (cameras, card access readers etc.) bike racks, knox boxes, parking lot gated access, parking assignments, parking spaces, etc.

VI. EVALUATION CRITERIA

The submitted proposal responses will be evaluated on the following criteria.

- a. Experience and Qualifications
- b. Overall Responsiveness of Proposal to Satisfy Specifications of RFQ
- c. Value Added Functions, Features and Services: FSU will consider proposals for value added features that may improve the performance, efficiency, and functionality of the overall project

VII. SUBMISSION INSTRUCTIONS

Proposal responses shall be submitted exactly as outlined, and the required information shall be provided in the section under which it was requested by FSU. Respondents may not combine or reorganize the headings and/or requests for information, or indicate that the information will be included in another section. Proposal responses shall not refer FSU to any location outside the requested sections noted within the required format below (i.e. External website).

Note: If Respondent’s proposal deviates from these instructions, such proposal may, at FSU’s sole discretion, be rejected.

a. Upload Instructions

FSU utilizes an online electronic sourcing portal for accepting proposals digitally. We do not accept hard copy submissions or submissions through any other medium other than through FSU’s Public Procurement Portal. Your submission must be uploaded prior to the Closing Time as indicated in the Calendar of Events. We strongly recommend that you give yourself sufficient time and at least ONE (1) hour before Closing Time to begin the uploading process and to finalize your submission.

- Each item of Requested Information is instantly sealed (no one from FSU can review) and will only be visible after the Closing Time. You may edit your submission as needed up to Closing Time.

- Responders may elect to utilize the import/export feature to export questions into Excel in order to work on responses offline and import into the system upon completion.
- Keep in mind that when answering questions in the provided text box within the system (if applicable) there is a limit to the number of characters you can use in your response. The dynamic character limit counter at the bottom of each text box will display the remaining characters available.
- Uploading large documents may take significant time, depending on the size of the file(s) and your Internet connection speed. The maximum upload file size is 50 MB.
- Please do not embed any documents within your uploaded files, as they will not be accessible or evaluated.
- Information submitted that is not requested by FSU may be considered to be supplemental and not subject to evaluation.
- All sourcing event-related communications between Respondents and FSU is managed and tracked through a Question and Answer Board within the RFQ event on the Public Procurement Portal. Any issues related to logging in or technical issues, including attachments, questions can be submitted to our third party software host, SciQuest via a Support Form: <http://go.sciquest.com/RespondantsSupportRequest.html> or via 1(800)233-1121, option 2 then option 2.

DEPARTMENT OF ENVIRONMENTAL PROTECTION  
DEP RFP 2019011 Marketing Campaign Services

The Florida Department of Environmental Protection is requesting Proposals from multiple, qualified, full-service, multi-platform, Vendors that specialize in marketing campaign services (Services). The Department will post notice of any changes or additional meeting(s) on the Vendor Bid System (VBS) in accordance with subsection 287.042(3), Florida Statutes, and will not re-advertise any notice in the Florida Administrative Register (FAR). Access the VBS at: [http://www.myflorida.com/apps/vbs/vbs\\_www.main\\_menu](http://www.myflorida.com/apps/vbs/vbs_www.main_menu).

DEPARTMENT OF FINANCIAL SERVICES  
 Division of Accounting and Auditing  
 Interest rate Set Pursuant To Section 55.03, Florida Statutes  
 RULE NO.: RULE TITLE:  
 69I-25.003 Requirements  
 DEPARTMENT OF FINANCIAL SERVICES  
 INTEREST RATE SET PURSUANT TO SECTION 55.03,  
 FLORIDA STATUTES  
 Chapter 2011-169, Laws of Florida, amended subsection 55.03(1), Florida Statutes (F.S), to require the Chief Financial Officer to set the rate of interest that shall be payable on judgments and decrees on a quarterly basis rather than an annual basis. The interest rate for the quarter beginning April 1, 2019 has been set at 6.57 percent per annum or a daily rate of .0180000 percent (.000180000 expressed as a decimal). Current and historical interest rates are available on the following website: <http://www.myfloridacfo.com/aadir/interest.htm>. Please contact the Vendor Ombudsman Section at (850)413-5516 if you have any questions.
