RULE NO.:       RULE TITLE:

5L-1.003       Shellfish Harvesting Area Standards

**PURPOSE AND EFFECT:** The proposed rule amendments will reclassify some shellfish harvesting areas to protect the health of shellfish consumers and to provide access to renewable shellfish resources. The proposed rule amendments will also correct errors and formatting inconsistencies in the incorporated Shellfish Harvesting Area Classification Boundaries and Management Plans. The effect of these amendments is to maximize the amount of shellfish harvesting waters available and to maximize the times those waters will be in the open status while continuing to protect public health.

**SUMMARY:** The following shellfish harvesting areas and management plans will be amended: Choctawhatchee Bay (#06), Alligator Harbor (#18), Citrus County (#37), Tampa Bay (#48), Gasparilla Sound (#58), and Duval County (#96). The effect of these amendments is to maximize the amount of shellfish harvesting waters available and to maximize the times those waters will be in the open status while continuing to protect the public health.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: As part of this analysis, the Department reviewed the proposed classification changes and predicted days closed for each shellfish area resurveyed and found no adverse financial impacts to the industry. In instances where the predicted number of days closed increased it was found that this will not

impact the industry as those shellfish will be available for harvest on an open harvest day. Classification/management changes were shared with Industry with no negative feedback to date. The proposed rule changes do not require additional fees. Additionally, no interested party submitted additional information regarding the economic impact.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 597.020 FS.

LAW IMPLEMENTED: 597.020 FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

RULE NO.: 34-7.025  
RULE TITLE: Ethics Training Course Content

PURPOSE AND EFFECT: The purpose of the amendment is to recognize changes made by Chapter 2020-167, Laws of Florida, which created Section 332.0075, F.S. Section 332.0075(4)(b), F.S., requires each member of the governing body of a commercial service airport to receive 4 hours of ethics training annually, addressing, at a minimum, s. 8, Art. II of the State Constitution, the Code of Ethics for Public Officers and Employees, and the public records and public meetings laws of this state. The effect of the amendment will be to list these types of governing board members as public officers required to receive 4 hours of annual ethics training.

SUMMARY: The amendment indicates that each member of the governing body of a county, municipality, or special district that operates a commercial service airport is required by Section 332.0075(4)(b), F.S., to complete four (4) hours of ethics training each calendar year. The amendment includes the subject matter that should be covered in the training--which is laid out in Section 332.0075(4)(b)--and indicates that compliance with Section 112.3142, F.S., a separate ethics training requirement, will constitute compliance with Section 332.0075(4)(b). The amendment also encourages those providing training to attorneys subject to Section 332.0075(4)(b) to seek accreditation from the Florida Bar so that the attorneys may obtain continuing legal education credit.

regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: based on past experience with other public officers who must complete similar four hours of ethics training, the adverse impact or regulatory costs, if any, do not exceed and would not be expected to exceed any one of the economic analysis criteria set forth in Section 120.541(2)(a), F.S.
