Clinical Social Work, Marriage and Family
Therapy and Mental Health Counseling
Applicants

PURPOSE AND EFFECT: The Board proposes the rule
amendment to update the rule application with substantial
changes.

SUMMARY: To update the rule application with substantial
changes.

SUMMARY OF STATEMENT OF ESTIMATED
REGULATORY COSTS AND LEGISLATIVE
RATIFICATION:

The Agency has determined that this will not have an adverse
impact on small business or likely increase directly or indirectly
regulatory costs in excess of \$200,000 in the aggregate within
one year after the implementation of the rule. A SERC has not
been prepared by the Agency.

The Agency has determined that the proposed rule is not
expected to require legislative ratification based on the
statement of estimated regulatory costs or if no SERC is
required, the information expressly relied upon and described
herein: During discussion of the economic impact of this rule at
its Board meeting, the Board, based upon the expertise and
experience of its members, determined that a Statement of
Estimated Regulatory Costs (SERC) was not necessary and that
the rule will not require ratification by the Legislature. No
person or interested party submitted additional information
regarding the economic impact at that time.

Any person who wishes to provide information regarding a
statement of estimated regulatory costs, or provide a proposal
for a lower cost regulatory alternative must do so in writing

PURPOSE AND EFFECT: The proposed revisions clarify and amend existing guidelines and add new guidelines for out-of-state telehealth discipline.

SUMMARY: The language for disciplinary guidelines has been revised. The language for out-of-state telehealth discipline has been added.

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. (1) A restricted hunting area prohibiting the taking of game with a firearm, when the individual or the game is within 300 feet of a dwelling, shall be permitted by the Commission upon receipt of a complete application that is compliant with this rule and which is received from a local governmental body having

jurisdiction over the proposed restricted hunting area. A complete application shall include:

(a) A resolution passed by the local governmental body having jurisdiction over the area for which the restricted hunting area is being sought which clearly states that the governing body is seeking a restricted hunting area, and that they agree to assume the responsibility for enforcement of regulations which apply to such areas, including posting the area boundary with signs per subsection (6) below.

(b) Detailed maps and legal descriptions of the proposed restricted hunting area.

(c) Documentation that the proposed restricted hunting area has an average dwelling density of not less than 1 dwelling per acre.

(d) A statement that all residents in the proposed restricted hunting area have been contacted and invited to at least one public meeting discussing the resolution.

(e) A list of the local law enforcement agency(ies) that have agreed to enforce the ordinance adopted by the local government body pursuant to this Rule.

(2) Upon receipt of a complete application compliant with this Rule, the Executive Director or his or her designee shall issue a permit establishing the restricted hunting area and authorizing the local government to enact an ordinance in accordance with subsection (3).

(3) Upon receipt of the permit, the local government shall, in cooperation with Commission staff, enact a local ordinance in accordance with the permit and this Rule. The ordinance shall provide an exemption allowing a dwelling owner to take game with a firearm when the owner or game is within 300 feet of his or her own dwelling as well as for individuals in possession of written permission from the dwelling owner to do so.

(4) Restricted hunting areas shall not include any areas established pursuant to Rule 68A-14.0011, F.A.C., or any federally- owned or managed lands.

(5) Local law enforcement shall have sole responsibility for enforcing restricted hunting areas.

(6) The local government shall be responsible for posting the restricted hunting area boundary with signs with pink backgrounds which read: "RESTRICTED HUNTING AREA, Taking Game by Firearm Restricted within 300 Feet of any Dwelling" in black lettering not less than 2 inches in height, and shall include the controlling ordinance number on the sign in the same size lettering. The signs shall be placed at intervals of no more than 500 feet and must be easily visible from any point of ingress or egress. A restricted hunting area is not enforceable if it is not posted in accordance with this paragraph.

(7) For the purposes of this chapter, the term "dwelling" means a shelter built on land in which people live; a house, apartment, or other land-based place of residence.

~~(1) The Commission may establish bird sanctuaries for the protection of all birds and other wildlife and restricted hunting areas within any developed area upon the written request of the local governmental body having jurisdiction over such areas. In requesting establishment of such restricted hunting areas or bird sanctuaries, the governing body shall, by proper resolution or ordinance, officially agree to assume the responsibility for enforcement of regulations of the Commission which apply to such areas, including posting the area boundary with signs bearing the words "RESTRICTED HUNTING AREA, Hunting by Special Permit Only" or "BIRD SANCTUARY, No Hunting" established by Rule 68A-19.002, F.A.C., which shall be placed at intervals of no more than 500 feet, be easily visible from any point of ingress or egress and provide other necessary notice of such area to the public. Said governing body shall agree to instruct its duly authorized law enforcement personnel to enforce said regulations within the area.~~

~~(2) Following receipt of the request of the governing body the Commission shall, through its staff, investigate to ensure that the tract under consideration is sufficiently developed as to preclude recreational hunting in the interest of safety and that its closure will not result in a denial of reasonable and lawful hunting opportunity.~~

~~(3) Action by the Commission for the establishment of restricted hunting areas or bird sanctuaries as recommended by its staff shall be taken at its July and January meetings.~~

DEO Final Order No. DEO-21-026

FINAL ORDER

APPROVING MARATHON ORDINANCE NO. 2021-13

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to subsection 380.05(6), Florida Statutes, approving land development regulations adopted by the City of Marathon (“City”), Ordinance No. 2021-13 (the “Ordinance”).

FINDINGS OF FACT

1. The Florida Keys Area is designated by Section 380.0552, Florida Statutes, as an area of critical state concern. The City is a local government within the Florida Keys Area.

2. The Ordinance was adopted by the City on June 8, 2021 and rendered to the Department on June 16, 2021.

3. The Ordinance revises Chapter 104, Article 1, Section 104.62 of the City’s Land Development Code to adopt regulations that are consistent with Florida Statutes governing the regulation of mobile food dispensing vehicles through licenses, registrations, permits, and fees.

4. Specifically, the Ordinance removes Section 104.62(A), eliminating both the authority of the City’s Planning Department to issue licenses to mobile vendor food units and the City Council’s power to modify the number of licenses. The Ordinance also removes the requirement for annual license renewal and approval by the City’s Planning Department. Finally, the Ordinance removes the requirement that an individual license shall not be used at two locations simultaneously and removes former licensing exceptions for hot dog cart operations.

CONCLUSIONS OF LAW

5. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. *See* Section 380.05(6), Florida Statutes.

6. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

7. The Ordinance is consistent with the City’s Comprehensive Plan as required by Section 163.3177(1), Florida Statutes, generally, and is specifically consistent with Future Land Use Element Objective 1-1.1 and Future Land Use Element Policy 1-1.1.1.

8. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. *See* subsection 380.05(6), Florida Statutes. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in subsection 380.0552(7), Florida Statutes.

9. The Ordinance is consistent with the Principles for Guiding Development in subsection 380.0552(7), Florida Statutes, as a whole, and is specifically consistent with the following Principles:

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.

(n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that the City of Marathon Ordinance No. 2021-13 is consistent with the City of Marathon’s Comprehensive Plan and the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Final Order becomes final 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
