RULE NO.: RULE TITLE:
64B7-29.007 Colonic Irrigation Apprenticeship Training Program

PURPOSE AND EFFECT: The Board proposes the rule amendment to clarify language

SUMMARY: To clarify, language.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF HEALTH

Board of Psychology

NOTICE IS HEREBY GIVEN that Board of Psychology has issued an order disposing of the petition for declaratory statement filed by Diana M. Trevouledes, PhD., on March 28, 2019. The following is a summary of the agency's disposition of the petition:

The following is a summary of the agency's disposition of the Petition: The Notice of Petition for Declaratory Statement was published in Vol. 45, No. 71, on April 11, 2019, issue of the Florida Administrative Register. The Petitioner requested a declaratory statement regarding paragraph 490.014(2)(c), F.S., specifically regarding exemptions for students. Petitioner sought guidance to whether she would be violating the laws by supervising the clinical practicum placements of students who were temporarily placed at Eckerd College. The Board reviewed the Petition at its meeting held on April 26, 2019, in Tampa, Florida. The Board's Order was filed on September 1, 2021. It is the Board's opinion that given this particular circumstance, the students still meet the criteria for exemption and Petitioner may continue to supervise their clinical practicum without violating the practice act.

A copy of the Order on Petition for Declaratory Statement or additional information may be obtained by contacting: Allen Hall, Executive Director, Board of Psychology, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3253, or telephone (850)245-4373, or by electronic mail - Allen.Hall@flhealth.gov.
