DEPARTMENT OF TRANSPORTATION

The Florida Department of Transportation, District 2 announces a hearing to which all persons are invited.

DATE AND TIME: January 13, 2022, 4:30 p.m. – 6:30 p.m.

PLACE: FDOT Jacksonville Urban Office Training Facility, 2198 Edison Avenue, Jacksonville, FL 32204

Virtual: Join Virtually from a computer, tablet by going to <https://attendee.gotowebinar.com/register/2274418286230167312> or www.nflroads.com/vph Or by Phone (631)992-3221
Audio Access Code 728-790-886

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT) District 2 invites you to the I-95 Hybrid Public Hearings to discuss the proposed improvements to I-95 from I-295 to Atlantic Boulevard in Duval County, Florida. The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated December 14, 2016, and executed by FHWA and FDOT.

The Department is offering two ways to participate in the hearing. Interested persons may join the virtual public hearing (VPH) at www.nflroads.com/vph from a computer, tablet or phone. Or, they may participate in person by going to the FDOT Urban Office Training Center, addressed listed below. A VPH is a free live presentation or webinar over the internet.

The Public Hearings will cover two projects:

I-95 from J. Turner Butler Boulevard to Atlantic Boulevard (Financial Project ID: 432259-2) - In April 2018, FDOT presented a preferred alternative that included two express lanes (toll lanes located in the center of I-95) in each direction and three general use lanes (non-toll lanes) in each direction. Recently, FDOT has changed the express lanes concept to general use lanes (non-toll lanes) in each direction. The revised preferred alternative now includes five general use lanes and one auxiliary lane (an extra lane constructed between on and

off-ramps) in each direction. These changes will require less right-of-way to construct, minimize impacts to the environment and provide construction cost savings. Additional changes are proposed on Belford Road at the J. Turner Butler Boulevard interchange and on Copper Circle West at Emerson Street intersection.

I-95 from I-295 to J. Turner Butler Boulevard (Financial Management ID: 435577-1) - FDOT is proposing to widen I-95 to four lanes with auxiliary lanes where needed to meet the projected population growth. Interchange improvements are proposed at Philips Highway and Baymeadows Road. Intersection improvements on Southside Boulevard are proposed at Paradise Island Boulevard and Belle Rive Boulevard.

As of December 22, 2021, draft project documents will be available for your review during normal business hours at the San Marco Branch Library, 1513 LaSalle Street, Jacksonville, FL 32207, Southeast Regional Library 10599 Deerwood Park Boulevard, Jacksonville, FL 32256 and the FDOT Urban Office, 2198 Edison Avenue, Jacksonville, FL 32204. Draft project documents and other information are available for your review on the project website at www.nflroad.com/I-95.

Persons who wish to submit written statements may do so at the hearing or the project website or send them to the address below no later than January 24, 2022, to be documented as part of the public hearing transcript.
