(1) The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace (MFMP), a statewide eProcurement system pursuant to section 287.057(24), F.S. The Transaction Fee is one percent (1.0%), or as may otherwise be established by law. All payments issued to registered vendors that are associated with a State Term Contract or Alternate Contract Source shall be assessed the Transaction Fee, unless exempt.

(2) Vendors shall pay the Transaction Fee and are subject to automatic deduction of the Transaction Fee when automatic deduction becomes available.

(3) Each Agency shall include the following statement in all Contracts and Purchase Orders, including the solicitation thereof, for purchases of Commodities or Contractual Services under Chapter 287, F.S., unless the transaction is exempt from the Transaction Fee:

MyFloridaMarketPlace Transaction Fee

The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system pursuant to section 287.057(24), Florida Statutes (F.S.). All payments issued by Agencies to registered vendors for purchases of Commodities or Contractual Services under Chapter 287, F.S., shall be assessed the Transaction Fee of one percent (1.0%) of the total amount of the payments received from the State or Eligible Users, as prescribed by Rule 60A-1.031, Florida Administrative Code (F.A.C.), or as may otherwise be established by law. Vendors shall pay the Transaction Fee and are subject to automatic deduction of the Transaction Fee, when automatic deduction becomes available. Vendors shall submit any monthly reports required pursuant to Rule 60A-1.031, F.A.C. All such reports and payments are subject to audit. The Agency will have grounds for declaring the vendor in default if the vendor fails to comply with the payment of the Transaction Fee or reporting of payments, which may subject the vendor to being suspended from business with the State of Florida.

(4) A vendor shall report received payments as follows:

(a) Vendors on an active State Term Contract or Alternate Contract Source shall report monthly at <https://vendor.myfloridamarketplace.com>, the total amount of payments received from Agencies or Eligible Users for Commodities or Contractual Services under Chapter 287, F.S. If such vendor does not receive any payment for Commodities or Contractual Services under Chapter 287, F.S., the vendor shall report zero dollars for the total monthly amount of payments received.

(b) Each month vendors not on an active State Term Contract or Alternate Contract Source shall review their consolidated billing invoice, reconcile all payments received for Commodities or Contractual Services under Chapter 287, F.S., and report any payments missing from the consolidated billing invoice in the Vendor Information Portal.

(c) If the total Transaction Fee amounts outstanding are less than \$50, balance to the next monthly reporting period.

(d) A vendor is not required to report payments exempt from the Transaction Fee set forth under this rule.

(e) Failure to comply with the payment of the Transaction Fee or reporting of payments may subject the vendor to being suspended from business with the State.

(5) The following purchases are excluded from payment of the Transaction Fee and the reporting requirements set forth herein:

(a) Purchases where payments are made utilizing the State's Purchasing Card program.

(b) Purchases where payments are made utilizing the State's Fuel Card program.

(c) Purchases of Commodities or Contractual Services under section 287.055, F.S.

(6) The following are exempt from the Transaction Fee:

(a) Transactions with an entity designated as non-profit under the Internal Revenue Code and registered with the Secretary of the State of Florida pursuant to applicable Florida Statutes, unless such entity is awarded a contract following a competitive solicitation involving for-profit entities and the contract, if it had been awarded to a for-profit entity, would have been subject to the Transaction Fee.

(b) Transactions with Agencies, Eligible Users, a private university in Florida, an agency of another state, or another sovereign nation, as vendors, unless such entity is awarded a contract following a competitive solicitation involving for-profit entities and the contract, if it had been awarded to a for-profit entity, would have been subject to the Transaction Fee.

(c) Transactions in which law or government regulation requires that the commodity or service be provided by a sole provider (e.g., regulated utilities, legislatively mandated transactions, etc.).

(d) Transactions established by an agreement, pursuant to law, implementing a state or federal program or grant.

(e) Payments to unregistered vendors under Rule subsection 60A-1.033(2), F.A.C.

(f) Payments to a vendor in exchange for providing health care services at or below Medicaid rates.

(g) Disbursements of State financial assistance to a recipient as defined in the Florida Single Audit Act, section 215.97, F.S.; disbursements of federal awards to sub-recipients as defined in 2 C.F.R. 200; payments of State dollars to satisfy federal maintenance of efforts requirements; and payments of State dollars for matching federal awards.

(h) Transactions associated with a gubernatorial suspension of purchasing regulations due to an emergency.

(i) Transactions associated with an Agency Head's declaration of an emergency under section 287.057(3)(a), F.S.

(j) Transactions associated with the purchase of insurance pursuant to section 287.022, F.S.

(7) An Agency, or an Eligible User of a State Term Contract or Alternate Contract Source, may request Department approval to exempt a particular transaction from the

Transaction Fee. In order for the exemption to be approved by the Department, the transaction must be critical to public health, safety, or welfare and the imposition of the fee would violate state or federal law.

(a) The requesting Agency or Eligible User shall submit Form PUR 3778, Request for Transaction Fee Exemption, effective xx/2022, hereby incorporated by reference, and available at [FAR link] or on the Department's website at <http://www.dms.myflorida.com/mfmp> forms. Form PUR 3778 shall be completed by the agency head (or designee), or an Eligible User's authorized representative, providing all information supporting the request, and submitted to PCS@dms.fl.gov. Within 14 days from receipt of Form PUR 3778, the Department will approve the request, deny the request, or request additional information. Requests outstanding for more than 14 days from receipt by the Department will be deemed approved unless additional information is requested, which will reset the timeframe for response.

(b) Once an exemption to the Transaction Fee for a transaction under this section has been approved or is deemed approved, the Agency or Eligible User need not request exemption of subsequent related transactions (e.g., individual payments under the same contract).

(8) Vendors must register pursuant to Rule 60A-1.033, F.A.C., regardless of a particular transaction being exempt from the Transaction Fee.

SUMMARY: Remove old and update new referenced text of rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that Florida Power & Light Company’s (FPL) petition filed on January 7, 2022, seeking a temporary waiver of subsection 25-6.078(3), Florida Administrative Code, in Commission Docket No. 20220012-EI, was addressed by Order No. PSC-2022-0062-PAA-EI, issued February 17, 2022, and consummated by Order No. PSC-2022-0191-FOF-EI, issued May 23, 2022. Subsection 25-6.078(3), F.A.C., addresses contributions-in-aid-of-construction for installation of electric underground facilities in new residential subdivisions and requires an investor-owned utility to file its written policy and supporting data and analyses at least once every three years. Notice of Petitions and Dispositions
Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Construction Industry Licensing Board

NOTICE IS HEREBY GIVEN that Construction Industry Licensing Board has issued an order disposing of the petition for declaratory statement filed by Mark D’Amico, on February 28, 2022. The following is a summary of the agency’s disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 48, No. 46, of the March 8, 2022, Florida

Administrative Register. The Petitioner sought a Declaratory Statement from the agency’s opinion as to the applicability of Section 489.147 Florida Statutes and amended Senate Bill 17, as it applies to the petitioner. Petitioner’s petition, asks, “Can a contractor legally pay the Public Adjuster fee for the client of the contractor for which the contractor has done repairs due to an insurance claim?” The Construction Industry Licensing Board considered the Petition at a duly noticed public meeting held on April 15, 2022, in Amelia Island, Florida. The Board’s Order was filed on May 20, 2022. The Board finds that the Petitioner is attempting to use the Petition as a means to determine the conduct of another person, namely any third-party contractor who performs regulated construction services pursuant to an insurance claim, as prohibited by Rule 28-105.001, F.A.C. The Board therefore DENIES the Petition for Declaratory Statement, as specified in Final Order.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Donald Shaw, Executive Director, Construction Industry Licensing Board, 2601 Blair Stone Road, Tallahassee, FL 32399, Donald.Shaw@myfloridalicense.com or telephone 850-487-1395.

Board of Massage Therapy

NOTICE IS HEREBY GIVEN that the Board of Massage Therapy has issued an order disposing of the petition for declaratory statement filed by Sharon L. Phillips on January 05, 2022. The following is a summary of the agency’s disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 48, No. 12, of the January 19, 2022, Florida Administrative Register. The Petitioner seeks a Declaratory Statement from the Board in regard to the interpretation of Sections 480.033(11), F.S., in regard to whether manual lymphatic drainage is within the scope of practice for a massage therapist under the circumstances as outlined in the petition. At the duly-noticed public meeting held on April 7, 2022, in Tallahassee, Florida, the Board discussed the petition. The Board found that the definition of massage does not include exuding fluids from open wounds and the treatment requested is not within the scope of massage. The Board’s Order was filed on May 5, 2022.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Allen Hall, Acting Executive Director, Board of Massage Therapy, at the above listed address, (850) 245-4162, or by electronic mail – allen.hall@flhealth.gov.
