DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Accountancy

RULE NO.: RULE TITLE:

61H1-27.0041 One Year of Work Experience

PURPOSE AND EFFECT: The Board proposes a rule amendment to update and clarify the rule language for an applicant’s one year of work experience.

SUMMARY: To update the rule language for one year of work experience.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

STATE OF FLORIDA
DEPARTMENT OF ECONOMIC OPPORTUNITY

In re: A LAND DEVELOPMENT REGULATION
ADOPTED BY CITY OF MARATHON,
ORDINANCE NO. 2022-10

FINAL ORDER
APPROVING CITY OF MARATHON ORDINANCE NO.
2022-10

The Department of Economic Opportunity (the “Department”) hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, approving land development regulations adopted by the City of Marathon (the “City”), Ordinance No. 2022-10 (the “Ordinance”).

FINDINGS OF FACT

1. The Florida Keys Area is designated by Section 380.0552, Florida Statutes, as an area of critical state concern. The City is a local government within the Florida Keys Area.
2. The Ordinance was adopted by the City on July 12, 2022, and rendered to the Department on July 27, 2022.
3. The Ordinance amends Sections 102.92 and 102.93 of the City’s Code of Ordinances to reduce the timeframe by which an applicant, the City, or any aggrieved party has to file an appeal of a decision of the administrative official or body from 30 working days to 5 days.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. See Section 380.05(6), Florida Statutes.

5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

6. The Ordinance is consistent with the City’s Comprehensive Plan as required by Section 163.3177(1), Florida Statutes, generally, and is specifically consistent with Goal 1-1 and Goal 1-3.

7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. See Section 380.05(6), Florida Statutes. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in Section 380.0552(7), Florida Statutes.

8. The Ordinance is consistent with the Principles for Guiding Development in Section 380.0552(7), Florida Statutes and is specifically consistent with the following Principles:

- (a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.
- (n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that the City of Marathon Ordinance No. 2022-10 is consistent with the City of Marathon’s Comprehensive Plan and the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Final Order becomes final 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.
