DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On January 14, 2022 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2017 FDA Food Code from VOODOO FOODS INC located in Tampa. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink.

The Petition for this variance was published in Vol. 48/11 on January 18, 2022. The Order for this Petition was signed and approved on January 26, 2022. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sinks are provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Kasimira.Kelly@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

Regarding Declaratory Statements

DEPARTMENT OF HEALTH

Board of Physical Therapy Practice

NOTICE IS HEREBY GIVEN that the Board of Physical Therapy Practice has issued an order denying the Petition for Declaratory Statement filed by Nelson Min. The Petition, filed November 10, 2021, seeks a determination from the Board regarding whether the performance of dry needling on other participants of a 50 hour face to face continuing education course, rather than patients, would satisfy the requirements of subparagraph 486.117(1)(c)1., F.S.

The Notice of Petition for Declaratory Statement was published in Vol. 47, No. 220, on November 12, 2021, in the Florida Administrative Register. The Board, at its meeting held on December 10, 2021, voted to deny the Petition and decline to issue the requested statement, because the meaning of "patient" and the statute's requirements are clear. The Board also found that Petitioner lacks standing for a declaratory statement.

A copy of the Board's Order or additional information may be obtained by contacting Allen Hall, Executive Director, Board of Physical Therapy Practice, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3253, Allen.Hall@flhealth.gov.
