2B-1.0041       Expedited Hearings

PURPOSE AND EFFECT: The proposed rule amendment will update the text to include complaints regarding misleading advertisements using AI.

SUMMARY: Changes to the rule regarding misleading advertisements using AI.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Commission meeting, the Commission concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Commission

determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Tallahassee, FL 32314-6609

(b) A separate application to receive a credit allocation is required for:

1. Each tax listed in subsection (2) against which the taxpayer intends to apply any allocation of credit received.

2. Each beverage license issued by the Division for which a separate return to report and pay the excise taxes on liquor, wine, and malt beverages is filed with the Division.

3. Each tax credit cap year.

(c) Taxpayers are eligible to apply during the following periods to receive a credit allocation from each annual tax credit cap for the following taxes as follows:

1. Corporate Income Tax – A taxpayer may make an application for a credit allocation on the first business day of

January of each calendar year for its tax year that begins during that calendar year. The credit must be earned before the date the taxpayer is required to file its Florida corporate income/franchise tax return for that tax year pursuant to Section 220.222, F.S., including a valid extended due date.

a. Example: A calendar year taxpayer may apply for a credit allocation for the 2025-2026 state fiscal year credit beginning on January 2, 2025. The credit must be earned before May 1, 2026; however, if the due date of the taxpayer’s Florida corporate income/franchise tax return is validly extended, the credit must be earned before November 1, 2026.

b. Example: A taxpayer with a tax year beginning December 1, 2025, and ending November 30, 2026, may apply for a credit allocation for the 2025-2026 state fiscal year credit beginning on January 2, 2025. The credit must be earned before April 1, 2027; however, if the due date of the taxpayer’s Florida corporate income/franchise tax return is validly extended, the credit must be earned before October 1, 2027.

2. Insurance Premium Tax – A taxpayer may make an application for a credit allocation on the first business day of January of each calendar year and before the due date of the insurance premium taxes and fees return, which is March 1 following the taxable year. The credit must be earned during the taxpayer’s taxable year. Example: For the 2025-2026 state fiscal year tax credit cap, a taxpayer may submit an application for a credit allocation beginning on January 2, 2025. The credit must be earned on or before December 31, 2025.

3. Sales and Use Tax – Tax on Oil and Gas Production – Excise Taxes on Liquor, Wine, and Malt Beverages – A taxpayer may make an application for a credit allocation on the first business day of January of the calendar year preceding the state fiscal year beginning on July 1 of the calendar year. The credit must be earned by June 30 of the state fiscal year for which the taxpayer is applying. For example, for a credit allocation for the 2025-2026 state fiscal year, taxpayers may apply for a credit allocation beginning on January 2, 2025. The credit must be earned by June 30, 2026.

(d) The Department will accept applications until either the tax credit cap is reached or until the end of the state fiscal year for sales and use tax, the tax on oil and gas production, and the excise taxes on liquor, wine, and malt beverages; until on or before the day the taxpayer’s insurance premium tax return is due; or until the day before the due date of the taxpayer’s Florida corporate income/franchise tax return for corporate income tax, whichever occurs first.

(4) Notification.

(a) The Department will approve credit allocations on a first-come, first-served basis. Following receipt of an application, the Department will send written correspondence regarding the amount of the credit allocation for each tax applied for, or the reason the credit allocation could not be

approved. For excise tax on liquor, wine, and malt beverages, the Division must approve the credit allocation before the Department will issue such correspondence.

(b) When the Department is not able to approve an application, a letter explaining the reason for the denial will be mailed to the taxpayer. The taxpayer may protest the denial pursuant to Sections 120.569 and 120.57, F.S. The Department will reserve the denied amount of the allocation for the taxpayer during the protest period.

(c)1. If the amount of credit allocation requested by a taxpayer is subsequently determined to be overstated, the taxpayer may not claim more credit on its tax return than it was allocated by the Department. For example, Taxpayer A requested an allocation of credit of \$800,000, based on estimated costs of constructing an eligible child care facility. Later, it was determined Taxpayer A should have only applied for an allocation of \$750,000, based on actual eligible child care facility startup costs. Taxpayer A is only entitled to claim a credit of up to \$750,000 on its tax return. Taxpayer A may rescind the \$50,000 in unused credit allocation so that it may be reallocated to other taxpayers, if such rescindment is made within the timeframes provided in subsection (8).

2. If the amount of credit allocation requested by a taxpayer is later determined to be understated, the taxpayer may not claim more credit on its tax return than it was allocated by the Department. For example, Taxpayer Z submitted Form DR-556000 to the Department, requesting an allocation of credit of \$64,800. The request was based on Taxpayer Z making payments to an eligible child care facility in the name and for the benefit of its employees, estimating that it would be paying for child care costs for 18 eligible children. Later, Taxpayer Z determined its allocation request should have been for \$72,000, because it actually made payments to an eligible child care facility for 20 eligible children. Taxpayer Z is limited to a credit of \$64,800 when it files its tax return.

#### (5) Tax Credits.

(a)1. Corporate Income Tax – One hundred percent of the credit earned against any corporate income tax due for the tax year is allowed. The amount of the tax credit for a tax year:

a. Is taken in the order of the credits provided against the corporate income tax in Section 220.02(8), F.S.

b. Is revoked and rescinded when a taxpayer applies for a credit allocation after timely requesting an extension of time in which to file its Florida corporate income/franchise tax return and fails to remit sufficient tentative tax, such that its extension is not valid under Sections 220.222 and 220.32, F.S.

2. Taxpayers must attach a copy of the tax credit allocation letter issued by the Department to the Florida corporate income/franchise tax return on which any tax credit is taken.

(b)1. Insurance Premium Tax – One hundred percent of the credit earned against any insurance premium tax due under

Section 624.509(1), F.S., for the tax year is allowed. The amount of the tax credit for a tax year is limited to the insurance premium tax due after deducting:

a. Assessments made pursuant to Section 440.51, F.S. (workers' compensation administrative assessments);

b. Credits for taxes paid under Sections 175.101 and 185.08, F.S. (firefighters' and police officers' pension trust funds);

c. Credits for income taxes paid under Chapter 220, F.S., and the salary credit allowed under Section 624.509(5), F.S., as these are limited by Section 624.509(6), F.S. (the 65 percent limitation);

d. The amount of the Strong Families Tax Credit under Section 624.51057, F.S., and

e. The amount of the Live Local Program credit under Section 624.51058, F.S.

2. Taxpayers must attach a copy of the tax credit allocation letter issued by the Department to the tax return on which any tax credit is taken.

(c)1. Sales and Use Tax – One hundred percent of the credit earned is allowed against any state sales and use tax due self-accrued and paid directly to the Department in accordance with a valid Sales and Use Tax Direct Pay Permit issued by the Department.

2. The Department will send written instructions on how to claim the credit allocation as a tax credit on a sales and use tax return remitted to the Department by electronic means.

(d)1. Tax on Oil and Gas Production – One hundred percent of the credit earned is allowed against any tax due on oil or gas production in Florida imposed under Sections 211.02 and 211.025, F.S.

2. The tax credit may not exceed 50 percent of the tax due on the return on which the tax credit is taken. If a taxpayer has earned tax credits under Section 1002.395, F.S. (Florida Tax Credit Scholarship Program), Section 402.62, F.S. (Strong Families Tax Credit), and Section 1003.485, F.S. (The New Worlds Reading Initiative), the credit under Section 1002.395, F.S., will be applied first; the credit under Section 402.62, F.S., will be applied second; the credit under Section 1003.485, F.S., will be applied third; and the credit under Section 402.261, F.S., will be applied fourth, as applicable, until the 50 percent limit is reached.

3. Taxpayers must attach a copy of the tax credit allocation letter issued by the Department to the tax return on which the credit allocation, or a portion of the credit allocation, is taken as a tax credit.

(e)1. Excise Tax on Liquor, Wine, and Malt Beverages – One hundred percent of the credit earned is allowed against the following taxes administered by the Division.

a. Excise tax on liquor beverages imposed under Section 565.12, F.S.;

b. Excise tax on wine beverages imposed under Section 564.06, F.S., except excise taxes imposed on wine produced by manufacturers in Florida from products grown in Florida; or

c. Excise tax on malt beverages imposed under Section 563.05, F.S.

2. The tax credit taken on a return filed with the Division is limited to 90 percent of the tax due on the return. Taxpayers must attach a copy of the tax credit allocation letter from the Department to the tax return on which any tax credit is taken.

(f) Credits earned for corporate income tax or insurance premium tax will be taken into account when determining the estimated payment amounts required to meet the prior year exceptions for each tax. Cross reference: Rules 12C-1.034 and 12B-8.001, F.A.C.

(6) Carryforward of unused credits.

(a) When a taxpayer is unable to use a tax credit during the period specified by the Department in the tax credit allocation letter, because the taxpayer's liability is insufficient, the taxpayer may carry forward the unused tax credit amount for a period not to exceed five years.

(b) Examples.

1. Corporate Income Tax Example – A calendar year taxpayer applied for and was approved for a credit allocation against corporate income tax for the tax year ending December 31, 2025. Any unused carryforward from its tax year ending December 31, 2025, expires on the due date pursuant to Section 220.222, F.S., for the Florida corporate income/franchise tax return for the taxable year ending December 31, 2030.

2. Insurance Premium Tax Example – A taxpayer applied for and was approved for a credit allocation against insurance premium tax due for calendar year 2025. Any unused carryforward from its tax year ending December 31, 2025, expires on December 31, 2030.

3. Sales and Use Tax Example – A taxpayer who holds a Sales and Use Tax Direct Pay Permit applied for and was approved for a credit allocation against sales and use tax due to the Department for the state fiscal year 2025-2026. The taxpayer's state tax liability in accordance with the Permit was insufficient to use the entire credit allocation on sales and use tax returns filed with the Department on or before June 30, 2026. Any unused carryforward from the 2025-2026 state fiscal year expires June 30, 2031.

4. Tax on Oil and Gas Production – The same application periods and credit carryforward periods that apply to a sales and use tax credit allocation apply to a credit allocation against the tax on oil and gas production.

5. Excise Taxes on Liquor, Wine, and Malt Beverages Example – A taxpayer who holds a liquor license issued by the Division applied for and was approved for a credit allocation against the liquor excise tax for returns due during the state fiscal year 2025-2026. The taxpayer's liability was insufficient

to use the entire credit allocation during that state fiscal year. Any unused carryforward from the 2025-2026 state fiscal year expires June 30, 2031.

(7) Transfers of unused tax credits.

(a) A taxpayer may not convey, assign, or transfer an approved credit allocation or a carryforward tax credit to another entity unless all of the assets of the taxpayer are conveyed, assigned, or transferred in the same transaction. However, an approved credit allocation that has not been claimed on a tax return or a carryforward tax credit that has not been claimed on a tax return may be transferred between members of the same affiliated group of corporations.

(b) A transferred credit allocation or carryforward tax credit may only be used against the same tax as the original credit allocation approved by the Department.

(c) A transferred credit allocation or carryforward tax credit may only be taken by the receiving member of the affiliated group during the same period for which the transferring member was approved.

(d)1. A taxpayer must notify the Department of its intent to transfer any unused credit allocation or carryforward tax credit to another member of its affiliated group by submitting Child Care Tax Credits Program – Notice of Intent to Transfer a Tax Credit (Form DR-556200, incorporated by reference in Emergency Rule 12ER24-12). A separate notice must be submitted for each member of an affiliated group of corporations receiving a transfer.

2. Taxpayers must submit an application for transfer of any unused credit allocation or carryforward tax credit to the Department by email at CreditTrackingGroup@floridarevenue.com or by mail to:

Florida Department of Revenue  
Revenue Accounting  
P.O. Box 6609  
Tallahassee, FL 32314-6609

(e) The Department must approve the application for transfer of the unused credit allocation or carryforward tax credit before the receiving member may claim a tax credit on a tax return. For excise tax on liquor, wine, and malt beverages, the Division must also approve the transfer before the receiving member may claim a tax credit on a tax return.

(f) Following receipt of an application, the Department will send written correspondence approving the transfer or providing the reason the transfer could not be approved. The taxpayer may protest the denial pursuant to Sections 120.569 and 120.57, F.S.

(g) If the transfer is approved, a copy of the approval letter will be sent to both the transferring member and the receiving member. The approval letter will include instructions on how the receiving member may claim a tax credit on a tax return.

(8) Rescindment of unused tax credits.

(a) The rescindment provision allows credit allocations that will not be used by the taxpayer to be reallocated to other taxpayers who may use the credit allocation. Taxpayers must apply online using the Department's website at floridarevenue.com or submit Child Care Tax Credits Program – Application for Rescindment of Previous Allocation of Tax Credit (Form DR-556100, incorporated by reference in Emergency Rule 12ER24-12) to the Department to rescind all or a portion of an unused credit allocation. See paragraph (3)(a) for submitting the application to the Department.

(b) An application for rescindment of the unused credit allocation by the Department will not be approved when:

1. The amount of credit allocation requested to be rescinded has been claimed as a credit on a previously filed return; or

2. The allocation year is closed for all taxpayers. The allocation period for a calendar year is closed for all taxes and all taxpayers on October 1 of the third year following the January 1 opening of the allocation period, regardless of whether the annual tax credit cap has been reached. For example, the allocation period beginning January 1, 2025, for the state fiscal year beginning July 1, 2025, closes for all taxpayers on October 1, 2027.

(c) Following receipt of an application, the Department will send written correspondence regarding the amount of the rescindment, or the reason rescindment could not be approved. For excise tax on liquor, wine, and malt beverages, the Division must approve the rescindment before the Department will issue such correspondence. The taxpayer may protest the denial pursuant to Sections 120.569 and 120.57, F.S.

#### **53ER24-38 LIMITED-TIME \$500 RAFFLE PROMOTION (September 23 – October 27, 2024).**

(1) Beginning September 23 and ending October 27, 2024 (“Promotion Period”), the Florida Lottery will conduct the Limited-Time \$500 Raffle Promotion (September 23 – October 27, 2024) (“Promotion”).

(a) Up to, through, and including, the issuance of the 9,999,999<sup>th</sup> Raffle ticket, or until the end of the Promotion Period, whichever occurs first, one Raffle ticket will be issued to players who purchase a single ticket, of a \$10 or greater purchase price, for any CASH POP<sup>TM</sup>, FLORIDA LOTTO<sup>®</sup>, MEGA MILLIONS<sup>®</sup>, or POWERBALL<sup>®</sup> draw game.

(b) Upon the issuance of the 9,999,999<sup>th</sup> Raffle ticket, Raffle tickets will no longer be issued.

(c) Powerball and Mega Millions QUICKTICKETS<sup>TM</sup> are not eligible. Canceled, Continuation/Advance Play, and Free tickets are not eligible. Tickets that are part of a GROUPER<sup>®</sup>/GROUPER<sup>®</sup> Super Sampler are not eligible.

(d) Players holding Raffle tickets will have a chance to win a cash prize of \$500.

(2) How to Enter.

(a) A purchase that meets the requirements described in subsection (1), above, will trigger a terminal or vending machine, as applicable, to automatically print one Raffle ticket. A Winning Alert will sound when a Raffle ticket is generated. A prize alert symbol will print on qualifying draw game tickets. Upon the issuance of the 9,999,999<sup>th</sup> Raffle ticket, no additional Raffle tickets will be issued. Should a problem arise concerning the transaction, it is a player's responsibility to seek resolution with the retailer and the Florida Lottery prior to leaving the retail or Lottery office location. Each Raffle ticket will contain a unique number that will automatically be entered into the next available Raffle drawing; the next available Raffle draw date will print on a Raffle ticket. Players shall keep their original Raffle ticket/s throughout the Promotion Period, which will be needed for determining if a prize has been won and for redeeming a prize won, if any.

(b) The odds of winning depend on the number of Raffle tickets issued, which constitute entries (one entry per Raffle ticket issued), during each drawing entry period. Upon the occurrence of the issuance of the 9,999,999<sup>th</sup> Raffle ticket, all non-winning Raffle tickets, irrespective of the draw dates shown on Raffle tickets, will be entered into the upcoming drawing, if any, and subsequent Promotion drawings, if any remain. All entries are subject to validation by the Florida Lottery and will be disqualified if eligibility requirements are not met.

(3) Drawings and Number of Prizes.

(a) The Florida Lottery will conduct five (5) drawings in the Promotion to select winning Raffle ticket numbers. Drawings will be held on the dates listed in the table, below, from entries generated by 11:59:59 (ET) on the Drawing Entry Period end date. Drawings will be public, held in Tallahassee, Florida, and witnessed by an accountant employed by an independent certified public accounting firm.

(b) Only Raffle tickets issued during a Drawing Entry Period, listed in the table below, will be entered into the associated drawing. Except that, upon the occurrence of the issuance of the 9,999,999<sup>th</sup> Raffle ticket, if such occurs prior to the end of the Promotion Period, all non-winning Raffle tickets issued throughout the Promotion Period (less Raffle tickets previously drawn as winners), irrespective of the drawing dates shown on Raffle tickets, will be entered into an upcoming drawing, if any, and subsequent Promotion drawings, if any remain.

(c) As players are not required to register for a drawing, the only evidence of a winning Raffle ticket is the original Raffle ticket. Players shall retain their original Raffle ticket/s throughout the entire Promotion Period, as it will be required to show proof of a win and be required to redeem a prize won, if any.

(d) Drawing Entry Periods, Winning Raffle Numbers Drawn and Publish Dates, and Winning Raffle Ticket Redemption Deadline dates:

RULE NO.: RULE TITLE:

69AER24-3 Means of Egress

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Chapter 2024-155, Laws of Florida, amended paragraph (f), subsection (6), of section 1006.07, Florida Statutes by requiring Charter Schools and District School Boards to install locking classroom doors no later than August 1, 2024. This newly-effective provision of law conflicts with portions of Rule 69A-58.0081, Florida Administrative Code, requiring doors to classrooms that contain fire alarm pulls to remain unlocked at all times. The Chief Financial Officer, as agency head for the Department of Financial Services, hereby finds this conflict of laws creates uncertainty regarding whether classroom doors must remain locked which presents an immediate danger to public health, safety or welfare of the citizens of Florida. The Chief Financial Officer, as the State Fire Marshal, has determined that continued enforcement of the portions of Rule 69A-58.0081, Florida Administrative Code, requiring doors to classrooms that contain fire alarm pulls to remain unlocked at all times shall be stricken and shall not be enforced. It is necessary to ensure all doors to school classrooms and other instructional spaces be locked at all times in order to resolve the conflict presented by adoption of Chapter 2024-155, Laws of Florida, which created paragraph (f) of subsection (6) of section 1006.07, Florida Statutes, and Rule 69A-58.0081, F.A.C. which contains the Uniform Firesafety Standards for Educational Facilities. Therefore, the Department of Financial Services finds that there is an immediate danger to the public health, safety, or welfare of the citizens of Florida requiring emergency action.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: This rulemaking is necessitated by a conflict of law between school safety statutes provided in paragraph (f), subsection (6), of section 1006.07, Florida Statutes, and the Uniform Firesafety Standards for Educational Facilities. The resulting lack of clarity on how Authorities Having Jurisdiction are to apply the Uniform Firesafety Standards for Educational Facilities, in light of newly effective amendments to section 1006.07(6)(f), Florida Statutes, gives rise to uncertainty, which is an imminent threat

to the public health, safety, or welfare of the citizens of Florida, which necessitates emergency rule making. The purpose of this emergency rule is to address a conflict between current Uniform Firesafety Standards for Educational Facilities and the newly-enacted paragraph (f), subsection (6), of section 1006.07, Florida Statutes, and the Florida Department of Education rule requiring all doors to all school classrooms and other instructional spaces be locked. The emergency rule will remove the requirement that doors to classrooms that contain fire alarm pulls be unlocked at all times and instead will allow for all classroom doors to remain locked during the school day. This emergency rulemaking is narrowly tailored to address the specific conflict described herein. All statutory and administrative procedures required for the adoption of this emergency rule have been followed.

**SUMMARY:** Emergency Rule 69AER24-3, F.A.C. removes provisions of Uniform Firesafety Standards for Educational Facilities that conflicts with newly-enacted provisions of section 1006.07, Florida Statutes. The new statutory provision requires classroom doors to be unlocked at all times. Removing those provisions will allow all classroom doors to be closed and locked during school days to ensure school children are safe and protected in emergency situations.

RULE NO.: RULE TITLE:

61C-5.001 Safety Standards

The Department of Business and Professional Regulation, Division of Hotels and Restaurants, Bureau of Elevator Safety hereby gives notice: On September 18, 2024, the Division issued an order. The Final Order was in response to a Petition for an Emergency Permanent Variance from Arise Church located at 401 Pauls Dr., Brandon, FL 33511, filed September 6, 2024, and advertised on September 11, 2024, in Vol. 50, No. 178, of the Florida Administrative Register. No comments were received in response to the petition. The Final Order on the Petition for Variance denies the Petitioner a variance from Rule 2.27.1, ASME A17.1, 2019, edition, as adopted by Rule 61C-5.001 Florida Administrative Code that requires car emergency signaling devices, because the Petitioner has not demonstrated that the purpose of the underlying statute has been met and that Petitioner would suffer a substantial hardship if required to comply with this rule (VW2024-144).

#### Future Outlook:

**Sustainability Focus:** As environmental awareness grows, there will likely be a push for sustainable practices in beach sports, including eco-friendly events and conservation efforts to protect beach environments.

**Technological Integration:** The use of technology, such as apps for organizing events or wearable tech for performance tracking, may enhance the experience for participants and spectators alike.

**Diversity of Sports:** Beyond traditional activities, new sand sports are emerging, appealing to various demographics. This diversification can engage a broader audience, including families and casual participants.

**International Competitions:** We anticipate hosting international competitions and collaborations, as countries look to showcase their talent on global stages, leading to increased interest and investment.

- The City of Dania Beach passed their first ever Parks Master Plan in 2019 focusing on its first-ever comprehensive 10-year plan to address latent community park and recreation needs while providing a professional roadmap to improve public recreation and leisure facilities throughout the city. Numerous cities throughout the tri-county area have embarked or are beginning to embark on their own Parks Master Plan in order to expand and provide and meet the recreational and leisure services needs of the communities. This partnership would be another step forward in meeting those needs and bringing the City of Dania Beach and other surrounding cities Parks Master Plans to life.

- In addition to the city passing the Parks Master Plan in 2019, the City of Dania Beach adopted a revised Comprehensive Plan in 2023. This Comprehensive Plan has a Parks and Recreation element with goals and objectives for the city with the overall goal of providing a sustainable recreation and open space system to adequately meet the physical, social, recreational and

cultural needs for all current and future residents and visitors of the City with an objective of all public facilities in the city being open to the public. Another main objective of the Comprehensive Plan is to ensure these recreational needs and standards are met through public and private resources. A partnership with Rita Crockett Beach Sports Academy supports these objectives.

- Along with the with the City’s Parks Master Plan and the Comprehensive Plan, Broward County has a Recreation and Open Space Element to their Comprehensive Plan that was adopted in 2019 with the goal to provide safe and adequate recreation sites and facilities to satisfy the current and future needs while promoting active and healthy living. Broward County amended their master plan in 2022 with the continued goal of providing a countrywide park system with diverse facilities and recreation opportunities to enhance the well-being of all residents, businesses and visitors while also creating a world-call and truly inclusive guest experience and develop specialty parks and signature elements unique to Broward County. The addition of the Rita Crockett Beach Sports Academy adds an additional element of recreation facilities for the community and visitors alike to promote active and healthy living that is truly a specialty and signature facility in Broward County. The Rita Crockett Beach Sports Academy, AKA, the “Pit” is the first of its kind in Florida and will be run by Rita Buck-Crockett an inductee of the Women’s Volleyball Hall of Fame, an Olympic silver medalist, a collegiate volleyball coach and a resident of the City of Dania Beach to name a few of Rita’s outstanding achievements.
