RULE NO.: RULE TITLE:

64B7-26.002 Licensure of Massage Establishments

PURPOSE AND EFFECT: The Board proposes to update the incorporated licensure applications to remove outdated provisions.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Emergency Rules**

**DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES**

**Division of Consumer Services**

RULE NO.: RULE TITLE:

5JER24-12 Volatility Standards for Gasoline

**SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE:** As a result of the effects of Hurricane Helene, and in light of ongoing distribution challenges, extreme and unusual circumstances exist that could foreseeably prevent the distribution of an adequate fuel supply to consumers throughout the state. Adoption of this emergency rule waiving certain volatility standards will help increase available fuel supply, assist in recovery efforts, and protect the welfare of Florida consumers.

**REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES:** This emergency rule was initiated following discussions with industry members who have access to the most up-to-date information available regarding fuel availability and distribution. The rule will apply to all fuel suppliers and will help to ensure a consistent supply of fuel in Florida while alleviating additional strain on Florida’s fuel market. As this is an unprecedented situation, prompt action based on the information available is both necessary and fair.

**SUMMARY:** This emergency rule allows fuels of different volatility classes than those set forth in ASTM International designation D4814-24, as adopted in rule 5J-21.001, F.A.C., for the periods indicated.

**THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS:** Richard Kimsey, Director of Consumer Services, 2005 Apalachee Parkway, Tallahassee, FL 32399, (850)410-3662.

Child Nutrition Programs State Waiver Request

United States Department of Agriculture

### CHILD NUTRITION PROGRAM

#### STATE WAIVER REQUEST TEMPLATE

Child Nutrition Programs are expected to be administered according to all statutory and regulatory requirements; waivers to the requirements are exceptions. However, Section 12(1) of the Richard B. Russell National School Lunch Act, 42 U.S.C. 1760(l), provides authority for USDA to waive requirements for State agencies or eligible service providers under certain circumstances. When requesting the waiver of statutory or regulatory requirements for the Child Nutrition Programs (CNPs), including the Child and Adult Care Food Program (CACFP), the Summer Food Service Program (SFSP), the National School Lunch Program (NSLP), the Fresh Fruit and Vegetable Program (FFVP), the Special Milk Program (SMP), and the School Breakfast Program (SBP), State agencies and eligible service providers should use this template. State agencies and eligible service providers should consult with their FNS Regional Offices when developing waiver requests to ensure a well-reasoned, thorough request is submitted. State agencies and eligible service providers are encouraged to submit complete waiver requests at least 60 calendar days prior to the anticipated implementation date. Requests submitted less than 60 calendar days prior to the anticipated implementation should be accompanied by an explanation of extenuating circumstances.

For more information on requests for waiving Program requirements, refer to SP 15-2018, CACFP 12-2018, SFSP 05-2018, Child Nutrition Program Waiver Request Guidance and Protocol- Revised, May 24, 2018.

State agency submitting waiver request and responsible State agency staff contact information:

Lisa Church Chief, Bureau of Child Nutrition Programs, Division of Food, Nutrition and Wellness, Florida Department of Agriculture and Consumer Services, (850)617-7413 Direct Line, (850)509-7884 Cell, [Lisa.Church@fdacs.gov](mailto:Lisa.Church@fdacs.gov)

Region: SERO

Eligible service providers participating in waiver and affirmation that they are in good standing:

The waiver would apply to NSLP, SBP, ASP, FFVP, SFSP, SSO, SMP sponsors throughout the state of Florida.

Description of the challenge the State agency is seeking to solve, the goal of the waiver to improve services under the Program, and the expected outcomes if the waiver is granted. [Section 12(1)(2)(A)(iii) and 12(1)(2)(A)(iv) of the NSLA]:

As sponsors respond to and recover from emergencies, it is important to reduce administrative burden to the fullest extent possible. FDACS desires to provide administrative and operational flexibility, where possible, while maintaining program integrity in providing nutritious meals during emergency situations. A relief of these regulatory requirements will help us to better meet the needs of our customers.

#### Challenge without waiver

Sponsors continue to face uncertainly in how to streamline operations while continuing to respond to disaster related challengers, especially power outages, flooding and school closures. Without these waivers, sponsors will spend an extraordinary amount of time completing activities related to regulatory burden rather than focusing on properly servicing students and children.

#### Decreased program participation.

Food insecurity will continue to be an issue for students and children.

#### Goal of Waiver to Improve Services

Decrease some administrative pressures for the sponsor during this difficult time.

Continued flexibility of the service options; non-congregate meals service, parent/guardian pick-up, meal service time, offer vs serve and meals at school sites provide sponsors the flexibility needed to continue to provide meals in response to emergency situations.

Maintain sponsor and site program participation and minimize hunger in the local communities.

#### Expected Outcome of Waiver

Sponsors will have an opportunity to transition back to normal operations over a longer period, which helps to assure success. Sponsors will implement flexibilities, as needed, to minimize the negative impact on program participation because of emergencies.

Simplify program administration for the sponsors, so they can focus on the highest priority needs of their program/sites.

Specific Program requirements to be waived (include statutory and regulatory citations). [Section 12(1)(2)(A)(i) of the NSLA]:

#### Unanticipated School Closures:

The waivers in this section apply to SFSP and SSO during unanticipated school closures. FNS expects that flexibilities under these waivers will only be implemented by Program operators when congregate meal service is limited by Hurricane Helene

Allow, if needed, two schools to utilize the same locations and claim separately as necessary.

Detailed description of alternative procedures and anticipated impact on Program operations, including technology, State systems, and monitoring:

If approved, there are no significant impacts on technology or state systems. These waivers will allow NSLP, SBP, ASP, FFVP, SMP, SSO and SFSP sponsors in good standing to serve meals during extraordinary cases due to a disaster, in a non-congregate setting. Approval of these waivers will ensure that children have the nutrition needed during an unanticipated school closure due to an emergency and when the children return to school. Through trainings, visits and reviews, FDACS will track sponsors that were approved to utilize these waivers during an emergency or extraordinary case related to it.

Anticipated impact:

The waivers will decrease the administrative burden, allow for efficient and effective oversight of program operation, and allow SFAs and SFSP sponsors to meet the needs of their families and children. The FDACS will continue to ensure program integrity through the application approval process and technical assistance visits.

If the waivers are not approved, the following impact will likely occur:

The students and children will not have access to meals daily;

The SFAs and SFSP sponsors cannot be empathic with their needy communities, serving meals to students and walking children;

The SFAs and SFSP sponsors will not receive funds by reimbursement; affecting their financial area, leading them to not comply with the program meal patterns, forcing them to close operations, and

Affect nutritional, physical and well-being of families' health.

Description of any steps the State has taken to address regulatory barriers at the State level. [Section 12(1)(2)(A)(ii) of the NSLA]:

The state agency has not had to address any barriers as these flexibilities were in place. If the waiver is not approved, there will be an increase in administrative burdens, an increase in barriers to participation, and it will create a negative effect on program operations.

Anticipated challenges State or eligible service providers may face with the waiver implementation:

There are no anticipated challenges with waiver implementation for eligible sponsors.

Description of how the waiver will not increase the overall cost of the Program to the Federal Government. If there are anticipated increases, confirm that the costs will be paid from non-Federal funds. [Section 12(1)(1)(A)(iii) of the NSLA]:

There is no anticipated impact on SA administrative cost, SAE and SAF, for state agency oversight with implementation of this waiver.

Anticipated waiver implementation date and time period:

The waiver will take place immediately through October 31, 2024, These waivers will only be authorized by the FDACS for

case-by-case disaster situations and only those entities requiring the waiver(s).

Proposed monitoring and review procedures:

Sponsors and sites will continue to be monitored by the FDACS and standard review procedures will continue to be followed. A corrective action plan and follow-up will address any noncompliance issues.

Proposed reporting requirements (include type of data and due date(s) to FNS):

FDACS will collect and submit data as required.

Link to or a copy of the public notice informing the public about the proposed waiver [Section 12(1)(1)(A)(ii) of the NSLA]:

Disaster waiver – link will be provided once live in Florida system.

WHEREAS, section 627.4133(2)(e)1.a., Florida Statutes, provides that:

With respect to any personal lines or commercial residential property insurance policy, including, but not limited to, any homeowner, mobile homeowner, farm-owner, condominium association, condominium unit owner, apartment building, or other policy covering a residential structure or its content . . . an authorized insurer may not cancel or nonrenew a personal residential or commercial residential property insurance policy covering a dwelling or residential property located in this state for a period of 90 days after the dwelling or residential property has been repaired, if such property has been damaged as a result of a hurricane or wind loss that is the subject of the declaration of emergency pursuant to s. 252.36, and the filing of an order by the Commissioner of Insurance Regulation.

WHEREAS, section 626.9201(2)(c)1., Florida Statutes, provides that:

Upon a declaration of an emergency pursuant to s. 252.36 and the filing of an order by the Commissioner of Insurance Regulation, an insurer may not cancel or nonrenew a personal residential or commercial residential property insurance policy covering a dwelling or residential property located in this state which has been damaged as a result of a hurricane or wind loss that is the subject of the declaration of emergency for 90 days after the dwelling or residential property has been repaired. A dwelling or residential property is deemed to be repaired when substantially completed and restored to the extent that the dwelling or residential property is insurable by another insurer that is writing policies in this state.

NOW THEREFORE, I, Michael Yaworsky, Commissioner of the Office of Insurance Regulation, find that due to the state of emergency created by Hurricane Helene, and pursuant to Executive Orders 24-208 and 24-209 issued by Governor Ron DeSantis, it is appropriate to issue this Emergency Order to protect the public health, safety and welfare of Florida policyholders in the Affected Counties.

Section A. EXTENSION OF GRACE PERIODS AND TEMPORARY POSTPONEMENT OF CANCELLATIONS

#### OR NONRENEWALS OF PROPERTY AND CASUALTY CONTRACTS

As a consequence of Hurricane Helene, the Office applies the provision of subsection 690-142.015(2), F.A.C., to all property and casualty contracts of insurance subject to regulation under the Code, including policies issued by surplus lines insurers. Pursuant to the forgoing rule, the Office extends or modifies time limits as follows:

1. Paragraph 690-142.015(2)(c): As to any policy provision, notice, correspondence, or law that imposes a time limit upon an insured to perform any act, including transmitting information or funds with respect to a contract of insurance covering a property or risk in one of the Affected Counties, which act was to have been performed on or after September 26, 2024, the time limit shall be extended to November 26, 2024.

i. This extension of time shall not relieve a policyholder who has a claim resulting from Hurricane Helene from compliance with their obligations to provide information and cooperate in the claim adjustment process relative to their property damage claim.

ii. This extension of time shall also not apply to new policies effective on or after September 26, 2024. No interest, penalties, or other charges shall accrue or be assessed, as the result of the extensions required herein. However, interest that is owed pursuant to premium financing plans with premium finance companies or insurers or their affiliates may be assessed.

2. Paragraph 690-142.015(2)(d): Between September 26, 2024, and November 26, 2024, no insurer or other entity regulated under the Code shall cancel or non-renew or issue a notice of cancellation or nonrenewal of a policy or contract of insurance covering a property or risk in one of the Affected Counties, except at the written request or written concurrence of the policyholder.

3. Paragraph 690-142.015(2)(e): All notices of cancellation issued or mailed within ten (10) calendar days preceding September 26, 2024, and affecting a policyholder in one of the Affected Counties, shall be withdrawn and reissued to insureds on or after November 26, 2024.

4. Paragraph 690-142.015(2)(f): A cancellation or nonrenewal may occur prior to November 26, 2024, at the written request or written concurrence of the policyholder.

5. Paragraph 690-142.015(2)(g): Except as provided in paragraphs 690-142.015(2)(d) and (e), above, with respect to a notice of cancellation or nonrenewal that, but for this rule, would have taken effect between September 26, 2024, and November 26, 2024, such notice is not made invalid by this rule; however,

i. The insurer shall extend the coverage to and including November 26, 2024, or a later date specified by the insurer; and

ii. The premium for the extended term of coverage shall be the appropriate pro rata portion of the premium for the entire term of the policy.

6. Paragraph 69O-142.015(2)(m): This rule shall not apply to new policies effective on or after September 26, 2024.

7. Paragraph 69O-142.015(2)(n): If the contract of insurance was financed by a premium finance company for risks located in one of the Affected Counties, the following provisions apply:

i. Premium finance companies may issue advisory 10-day notices of intent to cancel and cancellation notices in accordance with the terms of the premium finance agreement signed by the insured. In addition, each such advisory notice shall prominently contain the following statement: "If you have been displaced through the loss of your home or damage to your home which has caused you to reside elsewhere on a temporary basis, or if you have temporarily become unemployed due to the destruction caused by Hurricane Helene, please contact this office at once. Victims of Hurricane Helene will receive an automatic extension of time to and including November 26, 2024, to bring their accounts up to date and no late charges will be applied to any late payments received which were due on their accounts between September 26, 2024, and November 26, 2024. Therefore, if you are a victim of Hurricane Helene, please contact us at once at the number provided at the bottom of this notice so that we may advise you of the status of your account. If you decide that you no longer need or desire to keep the coverage provided by the insurance policy financed by your contract with us, please contact us at once so that we may instruct you on how to effect cancellation with your insurer."

ii. If a premium finance loan is in default at the end of the grace period, a premium finance company shall give proper notice by:

a. Issuing a 10-day notice of intent to cancel to the insured by the means provided under section 627.848(1)(a)1., Florida Statutes, and applicable regulations; and

b. If the insured does not bring their loan current within the time provided in

the notice of intent, a premium finance company may mail the insurer a request for cancellation as provided in section 627.848(1)(a)2., Florida Statutes.

iii. Upon receipt of a request for cancellation from a premium finance company after

November 26, 2024, the insurer will process the cancellation in accordance with paragraph (2)(h) of Rule 69O-142.015.

iv. Any insurer who is unable to cancel because it has received a claim under a policy for which it receives a notice of cancellation from a premium finance company will offset the balance owed the premium finance company, as disclosed in the notice of cancellation, from the first claim payments made under the policy.

v. No late charges shall be assessed for any insured who qualifies for protection under this rule.

#### Section B. APPLICATION OF SECTION 627.4133(2)(e)1.a., FLORIDA STATUTES

In addition to the requirements of Rule 69O-142.015, F.A.C., activated by Section A of this Emergency Order, an authorized insurer, pursuant to section 627.4133(2)(e)1.a., Florida Statutes, may not cancel or non-renew a personal residential or commercial residential property insurance policy covering a dwelling or residential property that is damaged as a result of Hurricane Helene, for a period of 90 days after the dwelling or residential property has been repaired except as provided in section 627.4133(2)(e)2., Florida Statutes.

#### Section C. APPLICATION OF SECTION 626.9201(2)(c), FLORIDA STATUTES

In addition to the requirements of Rule 69O-142.015, F.A.C., activated by Section A of this Emergency Order, a surplus lines insurer, pursuant to section 626.9201(2)(c), Florida Statutes, may not cancel or non-renew a personal residential or commercial residential property insurance policy covering a dwelling or residential property that is damaged as a result of Hurricane Helene, for a period of 90 days after the dwelling or residential property has been repaired, except as provided in section 626.9201(2)(c)2., Florida Statutes.

#### Section D. EXTENSION OF GRACE PERIODS AND TEMPORARY POSTPONEMENT OF CANCELLATIONS OR NONRENEWALS FOR LIFE AND HEALTH CONTRACTS

As a consequence of Hurricane Helene, the Office applies the provision of subsection 69O-142.015(3), F.A.C., to all life and health contracts of insurance subject to regulation under the Code except for major medical health insurance policies subject to regulation by the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152, and regulations adopted pursuant to those acts, to the extent this requirement would result in a violation of federal law. Pursuant to the forgoing rule, the Office extends or modifies time limits as follows:

1. Paragraph 69O-142.015(3)(c): As to any policy provision, notice, correspondence, or law that imposes a time limit upon any insureds residing in the Affected Counties to perform any act or transmit information or funds with respect to a contract of insurance, which act was to have been performed on or after September 26, 2024, the time limit shall be extended to November 26, 2024.

i. This extension of time shall not relieve a policyholder who has a claim resulting from Hurricane Helene from compliance with their obligations to provide information and cooperate in the claim adjustment process relative to their claim.

ii. This extension of time shall also not apply to new policies effective on or after September 26, 2024. No interest, penalties, or other charges shall accrue or be assessed, as the result of the

extensions required herein. However, interest that is owed pursuant to premium financing plans with premium finance companies or insurers or their affiliates may be assessed.

2. Paragraph 69O-142.015(3)(d): Between September 26, 2024, and November 26, 2024, no insurer or other entity regulated under the Code shall cancel or non-renew a policy or contract of insurance or issue a notice of cancellation or nonrenewal on a contract of insurance covering a person residing in any Affected Counties, except at the written request or written concurrence of the policyholder.

3. Paragraph 69O-142.015(3)(e): All notices of cancellation issued or mailed within ten (10) calendar days preceding September 26, 2024, and affecting policyholders residing in one of the Affected Counties, shall be withdrawn, and reissued to insureds on or after November 26, 2024.

4. Paragraph 69O-142.015(3)(f): A cancellation or nonrenewal may occur prior to November 26, 2024, at the written request or written concurrence of the policyholder.

5. Paragraph 69O-142.015(3)(g): Except as provided in paragraphs (3)(d) and (e) of Rule 69O-142.015, with respect to a notice of cancellation or nonrenewal that, but for this rule, would have taken effect between September 26, 2024, and November 26, 2024, such notice is not made invalid by this rule; however,

i. The insurer shall extend the coverage to and including November 26, 2024, or a later date specified by the insurer; and  
ii. The premium for the extended term of coverage shall be the appropriate pro rata portion of the premium for the entire term of the policy.

6. Paragraph 69O-142.015(3)(m): This rule shall not apply to new policies effective on or after September 26, 2024.

7. Paragraph 69O-142.015(3)(n): If the contract of insurance was financed by a premium finance company for persons residing in one of the Affected Counties, the following provisions apply:

i. Premium finance companies may issue advisory 10-day notices of intent to cancel and cancellation notices in accordance with the terms of the premium finance agreement signed by the insured. In addition, each such advisory notice shall prominently contain the following statement: "If you have been displaced through the loss of your home or damage to your home which has caused you to reside elsewhere on a temporary basis, or if you have temporarily become unemployed due to the destruction caused by Hurricane Helene, please contact this office at once. Victims of Hurricane Helene will receive an automatic extension of time to and including November 26, 2024, to bring their accounts up to date and no late charges will be applied to any late payments received which were due on their accounts between September 26, 2024, and November 26, 2024. Therefore, if you are a victim of Hurricane Helene, please contact us at once at the number provided at the bottom of this

notice so that we may advise you of the status of your account. If you decide that you no longer need or desire to keep the coverage provided by the insurance policy financed by your contract with us, please contact us at once so that we may instruct you on how to effect cancellation with your insurer."

ii. If a premium finance loan is in default at the end of the grace period, a premium finance company shall give proper notice by:  
a. Issuing a 10-day notice of intent to cancel to the insured by the means provided under section 627.848(1)(a)1., F.S., and applicable regulations, and

b. If the insured does not bring their loan current within the time provided in the notice of intent, a premium finance company may mail the insurer a request for cancellation as provided in section 627.848(1)(a)2., F.S.

iii. Upon receipt of a request for cancellation from a premium finance company after November 26, 2024, the insurer will process the cancellation in accordance with paragraph (3)(h) of Rule 69O-142.015.

iv. Any insurer who is unable to cancel because it has received a claim under a policy for which it receives a notice of cancellation from a premium finance company will offset the balance owed the premium finance company, as disclosed in the notice of cancellation, from the first claim payments made under the policy.

v. No late charges shall be assessed for any insured who qualifies for protection under this rule.

#### Section E. DEEMERS; PRIOR APPROVAL OF RATE CHANGES; SUSPENSION OF USE AND FILE RATE FILINGS

1. The time period in which any application, filing, or document, required to be filed with the Office of Insurance Regulation pursuant to the Code, which by statute would be deemed approved if not approved or denied within a specific time period, shall be tolled for a period commencing on September 26, 2024, and ending on November 26, 2024. Further, any time period within the Code in which the Office is required to take action is also tolled for a period commencing on September 26, 2024, and ending on November 26, 2024.

2. The Office will continue to accept "file and use" filings. Pending rate filings previously submitted under the "use and file" provision with an effective date between September 26, 2024, and November 26, 2024, are now considered "file and use" filings. Such filings are not required to be withdrawn and resubmitted. Pursuant to paragraph 1, above, the time to review such filings by the Office is tolled. But in the interest of the public welfare, "use and file" filings are suspended.

3. Notwithstanding the "use and file" provisions contained in sections 627.062 and 627.0651, Florida Statutes, all rate changes filed with the Office having an effective date for new business or renewal business on or after September 26, 2024,

shall be subject to the approval of the Office prior to implementation until November 26, 2024.

4. Any “use and file” rate change implementing new rates without an official filing to the Office shall be withdrawn from use and the previous rate shall be reinstated immediately.

Section F. MISCELLANEOUS PROVISIONS

1. Given the strength and size of Hurricane Helene, its expected catastrophic effect on

Florida, and its potential impact on hundreds of thousands of policyholders, the Office expects all authorized insurers, surplus lines insurers, and regulated entities to implement processes and procedures to facilitate the efficient payment of claims. This includes critically analyzing current procedures and streamlining claim payment processes as well as using the latest technological advances to provide prompt and efficient claims service to policyholders.

2. Section 627.4035(3)(b), Florida Statutes, permits insurers to pay claims by debit card or any other form of electronic transfer upon written authorization of the recipient or the recipient’s representative. Due to the severe and catastrophic impacts expected from Hurricane Helene, many insureds will be unable to receive or send mail. For the duration of this State of Emergency, the requirement of written authorization is waived provided the insurer verifies the identity of the insured or the insured’s recipient and does not charge a fee for the transaction. If the funds are misdirected, the insurer remains liable for the payment of the claim.

3. Informational form or rate filings are not subject to the provisions of the Emergency Order. Insurers should continue to file Rate Certifications in accordance with existing statutory provisions. The Emergency Order does not affect an insurer’s ability to utilize a Consent to Rate form pursuant to Section 627.171, Florida Statutes. Filings that introduce new programs in Florida are still permitted as long as there is no rate impact.

4. This Emergency Order does not preclude necessary coverage increases based on requests from the insured, updated appraisals required by law, inflation guard endorsements, or other policy provisions applied to an insurance policy upon renewal as such premium changes are not the result of a rate increase.

5. The Commissioner of the Office of Insurance Regulation may, by written Order, amend the scope of this order, based upon a determination that it is necessary.

6. The provisions of this Emergency Order shall be liberally construed to effectuate the intent, and purposes expressed therein and to afford maximum consumer protection.

7. This Emergency Order is effective immediately upon issuance and continues for 120 days unless terminated sooner by the Commissioner.

DONE and ORDERED this 30th day of September 2024.

Michael Yaworsky, Commissioner, Office of Insurance Regulation
