NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 50 No. 195, October 4, 2024 issue of the Florida Administrative Register.

The rule notice inadvertently omitted a complete description of the SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION.

The correct SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION is as follows:

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time. The person to be contacted regarding this rule is: Timothy L. Shipman, Executive Director, Florida Athletic Commission, 2601 Blair Stone Road, Tallahassee, FL 32399-1016 or telephone

 NOTICE OF TELEPHONIC PUBLIC HEARING

The Capital Trust Authority (the "CTA") has been requested by Madrone - Florida Tech Student Housing I, LLC, a Florida limited liability company ("Madrone Florida Tech I"), the sole member of which is Madrone Community Development Foundation, a California nonprofit public benefit corporation (the "Foundation"), and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), or another Florida limited liability company, the sole member of which is the Foundation (such entity or Madrone Florida Tech I, as applicable, the "Borrower"), to issue its Educational Facilities Revenue Bonds, in one or more series of tax-exempt qualified 501(c)(3) bonds or taxable bonds, in an aggregate principal amount not to exceed \$100,000,000 (the "Bonds").

For the purposes of Section 147(f) of the Code, notice is hereby given that, in accordance with the Internal Revenue Service Revenue Procedure 2022-20, a telephonic public hearing will be held by a hearing officer on behalf of the CTA on Friday, October 25, 2024 at 10:30 A.M. The purpose of the hearing is to take public comments regarding the issuance of said Bonds by the CTA, the nature and location of the Project (hereinafter defined) and the plan of finance. The proceeds of the Bonds will be loaned to the Borrower by the CTA for the purpose of financing or refinancing, including through reimbursement, (i) the acquisition, design, construction, installation and equipping of the following improvements, located on the campus of Florida Institute of Technology ("Florida Tech") at 150 West University Boulevard, Melbourne, Florida 32901: (A) an approximately 212,237 square foot student housing development, which shall consist of an approximately 148-unit student housing facility, consisting of approximately 562 beds, including additional amenities and ancillary facilities, including two (2) staff

The plan of finance contemplates that the CTA will issue, in respect to the Project, not exceeding \$100,000,000 in aggregate principal amount of its Bonds, in one or more series of tax-exempt qualified 501(c)(3) bonds or taxable bonds, and loan the proceeds of the Bonds to the Borrower to provide funds for the Project. The Facilities will be owned by the Borrower, or an affiliate thereof or another entity chosen by the Borrower.

The Bonds, when issued, will be special, limited obligations payable solely out of the revenues, income and receipts pledged to the payment thereof and derived from financing agreements with the Borrower, and none of the CTA, Brevard County, Florida (the "County"), or the State of Florida (the "State") will be obligated to pay the principal of, premium, if any, or interest on the Bonds except from the payments of the Borrower. The Bonds and the interest thereon shall never (i) pledge the taxing power of the County, the State or any other political subdivision, public agency or municipality thereof within the meaning of any constitutional or statutory provision, (ii) constitute the debt or indebtedness of the CTA, the County, the State or any other political subdivision, public agency or municipality thereof within the meaning of any constitutional or statutory provision, or (iii) pledge the full faith and credit of the CTA, the County, the State or any political subdivision, public agency or municipality thereof. PLACE: A telephonic hearing, using the instructions provided herein.

GENERAL SUBJECT MATTER TO BE CONSIDERED: NOTICE OF TELEPHONIC PUBLIC HEARING

The Capital Trust Authority (the "CTA") has been requested by Jewish School of Miami, Corp., a Florida not for profit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and/or one or more related and/or affiliated entities (collectively, the "School") or Mel Landow Foundation, Inc., a Florida not for profit corporation, and/or one or more related and/or affiliated entities (collectively, the "Foundation"), to issue its Educational Facilities Revenue and Revenue

Refunding Bonds, in one or more series of tax-exempt qualified 501(c)(3) bonds or taxable bonds, in an aggregate principal amount not to exceed \$27,000,000 (the "Bonds").

For the purposes of Section 147(f) of the Code, notice is hereby given that, in accordance with the Internal Revenue Service Revenue Procedure 2022-20, a telephonic public hearing will be held by a hearing officer on behalf of the CTA on Friday, October 25, 2024 at 10:00 A.M. CST/11:00 A.M. EST, or as soon thereafter as the matter may be heard, using the telephone conference instructions provided herein. The purpose of the hearing is to take public comments regarding the issuance of said Bonds by the CTA, the nature and location of the Project (hereinafter defined) and the plan of finance. The proceeds of the Bonds will be loaned to the School or the Foundation (such borrowing entity hereinafter defined as the "Borrower") by the CTA for the purposes of (i) financing and/or refinancing the acquisition of and construction of improvements to an approximately 66,453 square foot existing education facility to accommodate approximately 1,200 students in grades K-12, known as The Jewish Academy, situated on approximately 4.48 acres of land and located at 3100 SW 9th Avenue, Fort Lauderdale, Florida 33315, including related facilities, fixtures, furnishings and equipment (collectively, the "Facilities"); (ii) funding a debt service reserve fund for the Bonds, if deemed necessary or desirable; (iii) funding capitalized interest for the Bonds, if deemed necessary or desirable; and (iv) financing certain costs of issuing the Bonds (collectively, the "Project"). The plan of finance contemplates that the CTA will issue, in respect to the Project, not exceeding \$27,000,000 in aggregate principal amount of its Bonds, in one or more series of tax-exempt qualified 501(c)(3) bonds or taxable bonds, and loan the proceeds of the Bonds to the Borrower to provide funds for the Project. The Facilities will be owned by the School or the Foundation, or an affiliate of either.

The Bonds, when issued, will be special, limited obligations payable solely out of the revenues, income and receipts pledged to the payment thereof and derived from financing agreements with the Borrower, and none of the CTA, Broward County, Florida (the "County"), or the State of Florida (the "State") will be obligated to pay the principal of, premium, if any, or interest on the Bonds except from the payments of the Borrower. The Bonds and the interest thereon shall never (i) pledge the taxing power of the County, the State or any other political subdivision, public agency or municipality thereof within the meaning of any constitutional or statutory provision, (ii) constitute the debt or indebtedness of the CTA, the County, the State or any other political subdivision, public agency or municipality thereof within the meaning of any constitutional or statutory provision, or (iii) pledge the full faith and credit of the CTA, the County, the State or any political subdivision, public agency or municipality thereof. CTA has no taxing

power. Issuance of the Bonds is subject to several conditions including satisfactory documentation and receipt of necessary approvals for the financing.

INTERESTED PERSONS ARE ENCOURAGED TO ATTEND BY TELEPHONE CONFERENCE USING THE INSTRUCTIONS BELOW. ANY PERSONS WISHING TO PRESENT ORAL COMMENTS IN PERSON MUST NOTIFY THE CTA BY WRITTEN NOTICE AT LEAST 24 HOURS BEFORE THE HEARING, IN ORDER THAT SOCIAL DISTANCING ACCOMMODATIONS MAY BE MADE FOR THOSE IN ATTENDANCE. A dwelling or residential property is deemed to be repaired when substantially completed and restored to the extent that the dwelling or residential property is insurable by another insurer that is writing policies in this state.

NOW THEREFORE, I, Michael Yaworsky, Commissioner of the Office of Insurance Regulation, find that due to the state of emergency created by Hurricane Helene, and pursuant to Executive Orders 24-208 and 24-209 issued by Governor Ron DeSantis, it is appropriate to issue this Emergency Order to protect the public health, safety and welfare of Florida policyholders in the Affected Counties.

Section A. EXTENSION OF GRACE PERIODS AND TEMPORARY POSTPONEMENT OF CANCELLATIONS OR NONRENEWALS OF PROPERTY AND CASUALTY CONTRACTS

As a consequence of Hurricane Helene, the Office applies the provision of Rule 69O-142.015(2), F.A.C., to all property and casualty contracts of insurance subject to regulation under the Code, including policies issued by surplus lines insurers. Pursuant to the forgoing rule, the Office extends or modifies time limits as follows:

1. Rule 69O-142.015(2)(c): As to any policy provision, notice, correspondence, or law that imposes a time limit upon an insured to perform any act, including transmitting information or funds with respect to a contract of insurance covering a property or risk in one of the Affected Counties, which act was to have been performed on or after September 26, 2024, the time limit shall be extended to December 10, 2024.

i. This extension of time shall not relieve a policyholder who has a claim resulting from Hurricane Helene from compliance with their obligations to provide information and cooperate in the claim adjustment process relative to their property damage claim.

ii. This extension of time shall also not apply to new policies effective on or after September 26, 2024.

iii. If a policyholder of Citizens Property Insurance Corporation (Citizens) has been rendered ineligible for continued coverage with Citizens because of one or more offers of continued coverage from private market insurers through the depopulation process, and the policyholder has not selected an offer by the original selection deadline, then the insurer offering the lowest premium shall be scheduled to assume the policy in order to ensure that the policyholder experiences no lapse in coverage. A policyholder who has received one or more offers of continued coverage from private market insurers through the depopulation process, but who is not rendered ineligible for continued coverage with Citizens, will be able to continue their coverage with Citizens. Should any policyholder, either those eligible or ineligible for continued coverage with Citizens, fail to receive actual notice of an offer from a private market insurer through the depopulation process, that policyholder may continue their coverage with Citizens. This subparagraph shall not conflict with any requirements of section 626.9201(2)(c)1. or 627.4133(2)(e)1.a., Florida Statutes.

iv. Citizens will exercise due diligence in servicing its policyholders at each step of the depopulation process and submit, on a monthly basis, a report to Office detailing the depopulation process in affected counties where consumers may have difficulties.

No interest, penalties, or other charges shall accrue or be assessed, as the result of the extensions required herein.

However, interest that is owed pursuant to premium financing plans with premium finance companies or insurers or their affiliates may be assessed.

2. Rule 69O-142.015(2)(d): Between September 26, 2024, and December 10, 2024, no insurer or other entity regulated under the Code shall cancel or non-renew or issue a notice of cancellation or nonrenewal of a policy or contract of insurance covering a property or risk in one of the Affected Counties, except at the written request or written concurrence of the policyholder.

3. Rule 69O-142.015(2)(e): All notices of cancellation issued or mailed within ten (10) calendar days preceding September 26, 2024, and affecting a policyholder in one of the Affected Counties, shall be withdrawn and reissued to insureds on or after December 10, 2024.

4. Rule 69O-142.015(2)(f): A cancellation or nonrenewal may occur prior to December 10, 2024, at the written request or written concurrence of the policyholder.

5. Rule 69O-142.015(2)(g): Except as provided in Rule 69O-142.015(2)(d) and (e), above, with respect to a notice of cancellation or nonrenewal that, but for this rule, would have taken effect between September 26, 2024, and December 10, 2024, such notice is not made invalid by this rule; however,

i. The insurer shall extend the coverage to and including December 10, 2024, or a later date specified by the insurer; and

ii. The premium for the extended term of coverage shall be the appropriate pro rata portion of the premium for the entire term of the policy.

6. Rule 69O-142.015(2)(m): This rule shall not apply to new policies effective on or after September 26, 2024.

7. Rule 69O-142.015(2)(n): If the contract of insurance was financed by a premium finance company for risks located in one of the Affected Counties, the following provisions apply:

i. Premium finance companies may issue advisory 10-day notices of intent to cancel and cancellation notices in accordance with the terms of the premium finance agreement signed by the insured. In addition, each such advisory notice shall prominently contain the following statement:

Victims of Hurricane Helene will receive an automatic extension of time to and including December 10, 2024, to bring their accounts up to date and no late charges will be applied to any late payments received which were due on their accounts between September 26, 2024, and December 10, 2024.

ii. If a premium finance loan is in default at the end of the grace period, a premium finance company shall give proper notice by:

a. Issuing a 10-day notice of intent to cancel to the insured by the means provided under section 627.848(1)(a)1., Florida Statutes, and applicable regulations; and

b. If the insured does not bring their loan current within the time provided in the notice of intent, a premium finance company may mail the insurer a request for cancellation as provided in section 627.848(1)(a)2., Florida Statutes.

iii. Upon receipt of a request for cancellation from a premium finance company after December 10, 2024, the insurer will process the cancellation in accordance with paragraph (2)(h) of Rule 69O-142.015.

iv. Any insurer who is unable to cancel because it has received a claim under a policy for which it receives a notice of cancellation from a premium finance company will offset the balance owed the premium finance company, as disclosed in the notice of cancellation, from the first claim payments made under the policy.

v. No late charges shall be assessed for any insured who qualifies for protection under this rule.

Section B. APPLICATION OF SECTION 627.4133(2)(e)1.a., FLORIDA STATUTES

In addition to the requirements of Rule 69O-142.015, F.A.C., activated by Section A of this Emergency Order, an authorized insurer, pursuant to section 627.4133(2)(e)1.a., Florida Statutes, may not cancel or non-renew a personal residential or commercial residential property insurance policy covering a dwelling or residential property that is damaged as a result of Hurricane Helene, for a period of 90 days after the dwelling or residential property has been repaired except as provided in section 627.4133(2)(e)2., Florida Statutes.

Section D. EXTENSION OF GRACE PERIODS AND TEMPORARY POSTPONEMENT OF CANCELLATIONS OR NONRENEWALS

FOR LIFE AND HEALTH CONTRACTS

As a consequence of Hurricane Helene, the Office applies the provision of Rule 69O-142.015(3), F.A.C., to all life and health contracts of insurance subject to regulation under the Code except for major medical health insurance policies subject to regulation by the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152, and regulations adopted pursuant to those acts, to the extent this requirement would result in a violation of federal law. Pursuant to the forgoing rule, the Office extends or modifies time limits as follows:

1. Rule 69O-142.015(3)(c): As to any policy provision, notice, correspondence, or law that imposes a time limit upon any insureds residing in the Affected Counties to perform any act or transmit information or funds with respect to a contract of insurance, which act was to have been performed on or after September 26, 2024, the time limit shall be extended to December 10, 2024.

i. This extension of time shall not relieve a policyholder who has a claim resulting from Hurricane Helene from compliance with their obligations to provide information and cooperate in the claim adjustment process relative to their claim.

ii. This extension of time shall also not apply to new policies effective on or after September 26, 2024.

No interest, penalties, or other charges shall accrue or be assessed, as the result of the extensions required herein. However, interest that is owed pursuant to premium financing plans with premium finance companies or insurers or their affiliates may be assessed.

2. Rule 69O-142.015(3)(d): Between September 26, 2024, and December 10, 2024, no insurer or other entity regulated under the Code shall cancel or non-renew a policy or contract of insurance or issue a notice of cancellation or nonrenewal on a contract of insurance covering a person residing in any Affected Counties, except at the written request or written concurrence of the policyholder.

3. Rule 69O-142.015(3)(e): All notices of cancellation issued or mailed within ten (10) calendar days preceding September 26, 2024, and affecting policyholders residing in one of the Affected Counties, shall be withdrawn, and reissued to insureds on or after December 10, 2024.

4. Rule 69O-142.015(3)(f): A cancellation or nonrenewal may occur prior to December 10, 2024, at the written request or written concurrence of the policyholder.

5. Rule 69O-142.015(3)(g): Except as provided in paragraphs (3)(d) and (e) of Rule 69O-142.015, with respect to a notice of cancellation or nonrenewal that, but for this rule, would have taken effect between September 26, 2024, and December 10, 2024, such notice is not made invalid by this rule; however,

- i. The insurer shall extend the coverage to and including December 10, 2024, or a later date specified by the insurer; and
- ii. The premium for the extended term of coverage shall be the appropriate pro rata portion of the premium for the entire term of the policy.

6. Rule 690-142.015(3)(m): This rule shall not apply to new policies effective on or after September 26, 2024.

7. Rule 690-142.015(3)(n): If the contract of insurance was financed by a premium finance company for persons residing in one of the Affected Counties, the following provisions apply:

- i. Premium finance companies may issue advisory 10-day notices of intent to cancel and cancellation notices in accordance with the terms of the premium finance agreement signed by the insured. In addition, each such advisory notice shall prominently contain the following statement:

“If you have been displaced through the loss of your home or damage to your home which has caused you to reside elsewhere on a temporary basis, or if you have temporarily become unemployed due to the destruction caused by Hurricane Helene, please contact this office at once.

Victims of Hurricane Helene will receive an automatic extension of time to and including December 10, 2024, to bring their accounts up to date and no late charges will be applied to any late payments received which were due on their accounts between September 26, 2024, and December 10, 2024.

Therefore, if you are a victim of Hurricane Helene, please contact us at once at the number provided at the bottom of this notice so that we may advise you of the status of your account. If you decide that you no longer need or desire to keep the coverage provided by the insurance policy financed by your contract with us, please contact us at once so that we may instruct you on how to effect cancellation with your insurer.”

- ii. If a premium finance loan is in default at the end of the grace period, a premium finance company shall give proper notice by:

- a. Issuing a 10-day notice of intent to cancel to the insured by the means provided under section 627.848(1)(a)1., Florida Statutes, and applicable regulations, and

notice of cancellation, from the first claim payments made under the policy.

Section E. DEEMERS; PRIOR APPROVAL OF RATE CHANGES; SUSPENSION OF USE AND FILE RATE FILINGS

1. The time period in which any application, filing, or document, required to be filed with the Office of Insurance Regulation pursuant to the Code, which by statute would be deemed approved if not approved or denied within a specific time period, shall be tolled for a period commencing on September 26, 2024, and ending on December 10, 2024. Further, any time period within the Code in which the Office is required to take action is also tolled for a period commencing on September 26, 2024, and ending on December 10, 2024.

2. The Office will continue to accept “file and use” filings. Pending rate filings previously submitted under the “use and file” provision with an effective date between September 26, 2024, and December 10, 2024, are now considered “file and use” filings. Such filings are not required to be withdrawn and resubmitted. Pursuant to paragraph 1, above, the time to review such filings by the Office is tolled. But in the interest of the public welfare, “use and file” filings are suspended.

3. Notwithstanding the “use and file” provisions contained in sections 627.062 and 627.0651, Florida Statutes, all rate changes filed with the Office having an effective date for new business or renewal business on or after September 26, 2024, shall be subject to the approval of the Office prior to implementation until December 10, 2024.

4. Any “use and file” rate change implementing new rates without an official filing to the Office shall be withdrawn from use and the previous rate shall be reinstated immediately.

Section F. MISCELLANEOUS PROVISIONS

1. Given the strength and size of Hurricane Helene, its expected catastrophic effect on Florida, and its potential impact on hundreds of thousands of policyholders, the Office expects all authorized insurers, surplus lines insurers, and regulated entities to implement processes and procedures to facilitate the efficient payment of claims. This includes critically analyzing current procedures and streamlining claim payment processes as well as using the latest technological advances to provide prompt and efficient claims service to policyholders.

2. Section 627.4035(3)(b), Florida Statutes, permits insurers to pay claims by debit card or any other form of electronic transfer upon written authorization of the recipient or the recipient’s representative. Due to the severe and catastrophic impacts expected from Hurricane Helene, many insureds will be unable to receive or send mail. For the duration of this State of Emergency, the requirement of written authorization is waived provided the insurer verifies the identity of the insured

or the insured’s recipient and does not charge a fee for the transaction. If the funds are misdirected, the insurer remains liable for the payment of the claim.

3. Informational form or rate filings are not subject to the provisions of the Emergency Order. Insurers should continue to file Rate Certifications in accordance with existing statutory provisions. The Emergency Order does not affect an insurer’s ability to utilize a Consent to Rate form pursuant to Section 627.171, Florida Statutes. Filings that introduce new programs in Florida are still permitted as long as there is no rate impact.

4. This Emergency Order does not preclude necessary coverage increases based on requests from the insured, updated appraisals required by law, inflation guard endorsements, or other policy provisions applied to an insurance policy upon renewal as such premium changes are not the result of a rate increase.

5. The Commissioner of the Office of Insurance Regulation may, by written Order, amend the scope of this order, based upon a determination that it is necessary.

6. The provisions of this Emergency Order shall be liberally construed to effectuate the intent, and purposes expressed therein and to afford maximum consumer protection.

7. This Emergency Order is effective immediately upon issuance and continues for 120 days unless terminated sooner by the Commissioner.

DONE and ORDERED this 16th day of October 2024.

Michael Yaworsky,

Commissioner

Office of Insurance Regulation

WHEREAS, Rule 69O-142.015, F.A.C., allows the Office to apply its standardized requirements such as claims reporting requirements; grace periods for payment of premiums and performance of other duties by insureds; and temporary postponement of cancellations and nonrenewals following a hurricane or natural disaster.

WHEREAS, section 627.4133(2)(e)1.a., Florida Statutes, provides that:

A dwelling or residential property is deemed to be repaired when substantially completed and restored to the extent that the dwelling or residential property is insurable by another insurer that is writing policies in this state.

NOW THEREFORE, I, Michael Yaworsky, Commissioner of the Office of Insurance Regulation, find that due to the state of emergency created by Hurricane Milton, and pursuant to Executive Orders 24-214 and 24-215 issued by Governor Ron DeSantis, it is appropriate to issue this Emergency Order to protect the public health, safety and welfare of Florida policyholders in the Affected Counties.

Section A. EXTENSION OF GRACE PERIODS AND TEMPORARY POSTPONEMENT OF CANCELLATIONS OR NONRENEWALS OF PROPERTY AND CASUALTY CONTRACTS

As a consequence of Hurricane Milton, the Office applies the provision of Rule 69O-142.015(2), F.A.C., to all property and casualty contracts of insurance subject to regulation under the Code, including policies issued by surplus lines insurers. Pursuant to the forgoing rule, the Office extends or modifies time limits as follows:

1. Rule 69O-142.015(2)(c): As to any policy provision, notice, correspondence, or law that imposes a time limit upon an insured to perform any act, including transmitting information or funds with respect to a contract of insurance covering a property or risk in one of the Affected Counties, which act was to have been performed on or after October 8, 2024, the time limit shall be extended to December 10, 2024.

i. This extension of time shall not relieve a policyholder who has a claim resulting from Hurricane Milton from compliance with their obligations to provide information and cooperate in the claim adjustment process relative to their property damage claim.

ii. This extension of time shall also not apply to new policies effective on or after October 8, 2024.

iii. If a policyholder of Citizens Property Insurance Corporation (Citizens) has been rendered ineligible for continued coverage with Citizens because of one or more offers of continued coverage from private market insurers through the depopulation process, and the policyholder has not selected an offer by the original selection deadline, then the insurer offering the lowest premium shall be scheduled to assume the policy in order to ensure that the policyholder experiences no lapse in coverage. A policyholder who has received one or more offers of continued coverage from private market insurers through the depopulation process, but who is not rendered ineligible for continued coverage with Citizens, will be able to continue their coverage with Citizens. Should any policyholder, either those eligible or ineligible for continued coverage with Citizens, fail to receive actual notice of an offer from a private market insurer through the depopulation process, that policyholder may continue their coverage with Citizens. This subparagraph shall not conflict with any requirements of section 626.9201(2)(c)1. or 627.4133(2)(e)1.a. Florida Statutes.

iv. Citizens will exercise due diligence in servicing its policyholders at each step of the depopulation process and submit, on a monthly basis, a report to the Office detailing the depopulation process in Affected Counties where consumers may have difficulties.

No interest, penalties, or other charges shall accrue or be assessed, as the result of the extensions required herein. However, interest that is owed pursuant to premium financing

plans with premium finance companies or insurers or their affiliates may be assessed.

2. Rule 69O-142.015(2)(d): Between October 8, 2024, and December 10, 2024, no insurer or other entity regulated under the Code shall cancel or non-renew or issue a notice of cancellation or nonrenewal of a policy or contract of insurance covering a property or risk in one of the Affected Counties, except at the written request or written concurrence of the policyholder.

3. Rule 69O-142.015(2)(e): All notices of cancellation issued or mailed within ten (10) calendar days preceding October 8, 2024, and affecting a policyholder in one of the Affected Counties, shall be withdrawn and reissued to insureds on or after December 10, 2024.

4. Rule 69O-142.015(2)(f): A cancellation or nonrenewal may occur prior to December 10, 2024, at the written request or written concurrence of the policyholder.

5. Rule 69O-142.015(2)(g): Except as provided in Rule 69O-142.015(2)(d) and (e), above, with respect to a notice of cancellation or nonrenewal that, but for this rule, would have taken effect between October 8, 2024, and December 10, 2024, such notice is not made invalid by this rule; however,

i. The insurer shall extend the coverage to and including December 10, 2024, or a later date specified by the insurer; and
ii. The premium for the extended term of coverage shall be the appropriate pro rata portion of the premium for the entire term of the policy.

6. Rule 69O-142.015(2)(m): This rule shall not apply to new policies effective on or after October 8, 2024.

7. Rule 69O-142.015(2)(n): If the contract of insurance was financed by a premium finance company for risks located in one of the Affected Counties, the following provisions apply:

i. Premium finance companies may issue advisory 10-day notices of intent to cancel and cancellation notices in accordance with the terms of the premium finance agreement signed by the insured. In addition, each such advisory notice shall prominently contain the following statement:

“If you have been displaced through the loss of your home or damage to your home which has caused you to reside elsewhere on a temporary basis, or if you have temporarily become unemployed due to the destruction caused by Hurricane Milton, please contact this office at once.

Victims of Hurricane Milton will receive an automatic extension of time to and including December 10, 2024, to bring their accounts up to date and no late charges will be applied to any late payments received which were due on their accounts between October 8, 2024, and December 10, 2024.

Therefore, if you are a victim of Hurricane Milton, please contact us at once at the number provided at the bottom of this notice so that we may advise you of the status of your account.

If you decide that you no longer need or desire to keep the coverage provided by the insurance policy financed by your contract with us, please contact us at once so that we may instruct you on how to effect cancellation with your insurer.”

ii. If a premium finance loan is in default at the end of the grace period, a premium finance company shall give proper notice by:

a. Issuing a 10-day notice of intent to cancel to the insured by the means provided under section 627.848(1)(a)1., Florida Statutes, and applicable regulations; and

iii. Upon receipt of a request for cancellation from a premium finance company on or after October 8, 2024, the insurer will process the cancellation in accordance with paragraph (2)(h) of Rule 69O-142.015.

iv. Any insurer who is unable to cancel because it has received a claim under a policy for which it receives a notice of cancellation from a premium finance company will offset the balance owed the premium finance company, as disclosed in the notice of cancellation, from the first claim payments made under the policy.

v. No late charges shall be assessed for any insured who qualifies for protection under this rule.

ii. If a premium finance loan is in default at the end of the grace period, a premium finance company shall give proper notice by:

a. Issuing a 10-day notice of intent to cancel to the insured by the means provided under section 627.848(1)(a)1., Florida Statutes, and applicable regulations, and

b. If the insured does not bring their loan current within the time provided in the notice of intent, a premium finance company may mail the insurer a request for cancellation as provided in section 627.848(1)(a)2., Florida Statutes.

notice of cancellation, from the first claim payments made under the policy.

Section E. DEEMERS; PRIOR APPROVAL OF RATE CHANGES; SUSPENSION OF USE AND FILE RATE FILINGS

1. The time period in which any application, filing, or document, required to be filed with the Office of Insurance Regulation pursuant to the Code, which by statute would be deemed approved if not approved or denied within a specific time period, shall be tolled for a period commencing on October 8, 2024, and ending on December 10, 2024. Further, any time period within the Code in which the Office is required to take action is also tolled for a period commencing on October 8, 2024, and ending on December 10, 2024.

2. The Office will continue to accept “file and use” filings. Pending rate filings previously submitted under the “use and file” provision with an effective date between October 8, 2024, and December 10, 2024, are now considered “file and use” filings. Such filings are not required to be withdrawn and resubmitted. Pursuant to paragraph 1, above, the time to review such filings by the Office is tolled. But in the interest of the public welfare, “use and file” filings are suspended.

3. Notwithstanding the “use and file” provisions contained in sections 627.062 and 627.0651, Florida Statutes, all rate changes filed with the Office having an effective date for new business or renewal business on or after October 8, 2024, shall be subject to the approval of the Office prior to implementation until December 10, 2024.

4. Any “use and file” rate change implementing new rates without an official filing to the Office shall be withdrawn from use and the previous rate shall be reinstated immediately.

Section F. MISCELLANEOUS PROVISIONS

1. Given the strength and size of Hurricane Milton, its expected catastrophic effect on Florida, and its potential impact on hundreds of thousands of policyholders, the Office expects all authorized insurers, surplus lines insurers, and regulated entities to implement processes and procedures to facilitate the efficient payment of claims. This includes critically analyzing current procedures and streamlining claim payment processes as well as using the latest technological advances to provide prompt and efficient claims service to policyholders.

2. Section 627.4035(3)(b), Florida Statutes, permits insurers to pay claims by debit card or any other form of electronic transfer upon written authorization of the recipient or the recipient’s representative. Due to the severe and catastrophic impacts expected from Hurricane Milton, many insureds will be unable to receive or send mail. For the duration of this State of Emergency, the requirement of written authorization is waived provided the insurer verifies the identity of the insured or the

insured’s recipient and does not charge a fee for the transaction. If the funds are misdirected, the insurer remains liable for the payment of the claim.

3. Informational form or rate filings are not subject to the provisions of the Emergency Order. Insurers should continue to file Rate Certifications in accordance with existing statutory provisions. The Emergency Order does not affect an insurer’s ability to utilize a Consent to Rate form pursuant to Section 627.171, Florida Statutes. Filings that introduce new programs in Florida are still permitted as long as there is no rate impact.

4. This Emergency Order does not preclude necessary coverage increases based on requests from the insured, updated appraisals required by law, inflation guard endorsements, or other policy provisions applied to an insurance policy upon renewal as such premium changes are not the result of a rate increase.

5. The Commissioner of the Office of Insurance Regulation may, by written Order, amend the scope of this order, based upon a determination that it is necessary.

6. The provisions of this Emergency Order shall be liberally construed to effectuate the intent, and purposes expressed therein and to afford maximum consumer protection.

7. This Emergency Order is effective immediately upon issuance and continues for 120 days unless terminated sooner by the Commissioner.

DONE and ORDERED this 16th day of October 2024.

Michael Yaworsky, Commissioner
Office of Insurance Regulation
