THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Diane D. Schmidt, Legal Analyst, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER20-22 Mega Bucks Promotion.

(1) Beginning April 1, 2020, and continuing through April 30, 2020, ("Promotion Period") the Florida Lottery will conduct the Mega Bucks ("Promotion"). Players who purchase a MEGA MILLIONS® or MEGA MILLIONS with Megaplier® ticket of any price point can scan the barcode on their tickets using the Florida Lottery Collect 'N Win app on a smartphone or tablet or can manually enter the ticket number through the Florida Lottery's website (flalottery.com) to collect symbols and earn

entries into a drawing for a chance to win cash prizes and Buy One Get One (BOGO) coupons. Both winning and non-winning tickets of any value that are purchased during the Promotion Period may be used to enter the Promotion.

(2) How to Participate.

(a) Florida Lottery Collect 'N Win App Download and Registration. A player may participate in the Promotion by downloading the free Florida Lottery Collect 'N Win app at the App Store for iOS devices, or for other devices including Android smartphones, the app is available to download from the Florida Lottery's website at flalottery.com/mbucks. After the app is downloaded and opened, the "Welcome" page will be displayed. Click on the navigation bar found in the top left corner, select the "Login" button and click on "Sign in with email," "Sign in with Facebook," or "Sign in with Twitter" to log in. After logging in, a "Register" page will be displayed. Players must register their contact information one time upon first usage to activate their account. A player will be sent an email directing the player to confirm his or her registration. The player should check the junk mail or spam folder if he or she does not promptly receive an email confirmation. After confirming registration, a player may log in. Thereafter, the player may directly log in by selecting his or her preferred "Sign in" method. Players that have participated in a previous Florida Lottery Collect 'N Win Promotion need not re-register and may directly log in. A player may only create one account. Any attempt by a player to use more than one account by using multiple or different email addresses, identities, registrations, logins, or any other methods will subject the player and any associated entries to disqualification.

(b) Web Browser. A player may participate in the Promotion via web browser by visiting the Florida Lottery's homepage, flalottery.com, clicking on the Mega Bucks banner and following the directions, or by going directly to flalottery.com/mbucks and clicking on the Register/Login link at the top right corner of the page to reach the Login page to register and/or login as described above.

(c) Regardless of whether a player chooses to participate in the Promotion by smartphone, tablet or web browser the following provisions shall apply:

1. the player may use the same account login information to enter tickets;

2. the player will only be required to register one time; and

3. the player's entry history will be cumulative among the entry platforms.

(3) How to Earn Entries. To collect play symbols and earn entries into the drawing, players using a smartphone or tablet may either scan the barcode on the bottom of a ticket or may manually enter the 19-digit ticket number (located near the bottom of the ticket) on the ticket entry page. Players using the website may manually enter the 19-digit ticket number

(omitting spaces and dashes) on the ticket entry page at flalottery.com/mbucks. Four game cards will appear on the screen. Each game card contains four spots to collect the four symbols. A qualifying game ticket number entered will randomly generate a quantity (2, 4, 6, or 8) symbols and place them automatically in an available game card. When all four symbols have been collected on a game card, the player will earn one entry into the drawing. The number of tickets needed to generate one entry can range from one ticket entered up to a maximum of seven tickets entered. When a filled game card generates an entry into the drawing, the symbols will be cleared on that game card, and a player can begin collecting more symbols. A player may earn multiple entries during the entry period; however, a player may only manually enter or scan up to two hundred tickets per day. Each ticket number can only be scanned or entered one time to earn entries. The purchase price of a ticket does not affect the number of symbols generated or the number of entries produced. Entries that include training tickets that were produced by a retailer terminal while in training mode or tickets with invalid ticket numbers will be disqualified from the drawing. The odds of winning depend on the number of entries in the drawing. All entries are subject to validation by the Florida Lottery and may be disqualified if eligibility requirements are not met. Lottery tickets should not be mailed to the Lottery for entry into the drawing. Lottery tickets received in the mail by the Florida Lottery will not be entered into the drawing and will not be returned.

(4) Coupons. During the Promotion Period, a total of 3,000 BOGO coupons will be generated for every “nth” ticket scanned or entered up to approximately ninety coupons per day. When an nth ticket is generated, a coupon will be added to the “My Coupons” section of the “Coupons” page of the player’s account. The following coupons will be randomly produced during the Promotion:

(a) 1,500 “Buy one \$3 MEGA MILLIONS® with Megaplier® ticket and get one \$1 JACKPOT TRIPLE PLAY™ Quick Pick ticket free.”

(b) 1,500 “Buy one \$6 MEGA MILLIONS® with Megaplier® ticket and get one \$2 JACKPOT TRIPLE PLAY with Combo™ Quick Pick ticket free.”

Coupons may be redeemed by players at a Florida Lottery retailer or a Florida Lottery District Office by presenting the coupon barcode on their mobile device for scanning, or players may redeem the coupon by printing the coupon from the website and presenting a hardcopy. Coupons may not be redeemed by mail. Coupons are valid for one use only and must be redeemed by 11:59:59 ET on July 31, 2020. The odds of winning a coupon depend on the number of tickets entered per day.

(5) Drawing and Number of Prizes. The Florida Lottery will conduct one drawing in the Promotion on May 6, 2020.

Prizewinners for the drawing will be randomly selected from entries earned, submitted and received before midnight ET on April 30, 2020. Prizewinners will be randomly selected using a certified random number generation process. The drawing shall be public, held in Tallahassee, Florida, and witnessed by an accountant employed by an independent certified public accounting firm. DEPARTMENT OF HEALTH

Board of Speech-Language Pathology and Audiology

RULE NO.: RULE TITLE:

64B20ER20-23: Board Established and Approved Protocols for Speech-Language Pathology Assistants.

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: The Board of Speech-Language Pathology and Audiology (hereinafter the “Board”) is statutorily authorized to adopt rules establishing procedures for the direct supervision by speech language pathologists of certified speech-language pathology assistants.

On March 1, 2020, Florida Governor Ron DeSantis issued Executive Order Number 20-51 which directed the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency pursuant to the spread of the Coronavirus Disease 2019 (COVID-19). On March 9, 2020, Governor DeSantis issued Executive Order Number 20-52 (Emergency Management - COVID-19 Public Health Emergency) and officially declared that a state of emergency exists in the State of Florida. COVID-19 is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza. As of March 26, 2020, there are 2,355 confirmed cases of COVID-19 in the State of Florida. The Center for Disease Control (“CDC”) recommends mitigation measures to combat the spread of COVID-19 such as staying home when sick, keeping away from others who are sick, staying home when a household member is sick with respiratory disease symptoms, and for those who are at higher risk, including older adults and those who have serious chronic medical conditions, to avoid non-essential air travel and to avoid crowds as much as possible.

Since the issuance of the Executive Orders and declaration of a public health emergency by the State Health Officer and Surgeon General Dr. Rivkees, the Board office has received numerous calls and emails from licensees about the difficulties in directly supervising speech-language pathology assistants in the current environment and whether there is an alternative method of direct supervision in cases where the assistant is distant to the licensee. Licensees are concerned about the dangers of travel related to COVID-19. Some licensees are concerned about the dangers of being in groups of people, others are concerned about the travel itself, and others state they are in the high-risk groups identified by the CDC.

Ensuring that Florida’s speech language pathologists are not unnecessarily put at risk is essential during this healthcare emergency. Given this emergency, speech language pathologists have an increased likelihood of being exposed to COVID-19 due to the number of patients they come in close contact with during a given day. Considering the spread of COVID-19, requiring large numbers of speech-language pathologists to engage in travel for the purpose of directly supervising speech language pathology assistants unnecessarily increases the risk of exposure of these healthcare practitioners and their future patients to COVID-19. Accordingly, the Board, by emergency rule, establishes protocols for consultation and supervision of speech-language pathology assistants prior to providing services in a location distant to the supervising licensee, and requires the supervising licensee to be available to provide consultation and direction to the supervised assistant via synchronous telecommunication. The Board finds that these actions are a measured regulatory approach that helps to mitigate the threat of exposure to COVID-19 and to protect the supervised assistants and patients of speech language pathologists and the licensees themselves from exposure to COVID-19.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: Given the recently declared emergency in the State of Florida and the recent guidance from the CDC, the Board finds that an immediate danger to the public health, safety, or welfare necessitates immediate action regarding this issue. Notice of this emergency meeting was published in the Florida Administrative Register on March 27, 2020. In addition, notice of the Board’s emergency meeting was posted on the Board’s official website on March 27, 2020.

SUMMARY: The proposed emergency rule establishes approved protocols for consultation and supervision of speech-language pathology assistants prior to providing services in a location distant to the supervising licensee and requires the availability of the supervising speech language pathologist to provide consultation and direction to the supervised assistant via synchronous telecommunication.
