64B8-30.015 Disciplinary Guidelines

PURPOSE AND EFFECT: The proposed rule amendment is intended to clarify disciplinary guidelines.

SUMMARY: The proposed rule amendment will clarify guidelines.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**Notice of Petitions and Dispositions
Regarding Declaratory Statements**

DEPARTMENT OF HEALTH

Prescription Drug Monitoring Program

NOTICE IS HEREBY GIVEN that the Department of Health (Department) has issued an order disposing of the petition for declaratory statement filed by Armando Augusto Falcon, M.D., on January 21, 2021. The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published January 26, 2021, in Vol. 47, No. 16, of the Florida Administrative Register. Petitioner sought the Department's opinion regarding a prescriber's liability for a prescription for a controlled substance when it is based in part on false information placed in the Prescription Drug Monitoring Program (PDMP) database by the U.S. Drug Enforcement Administration and whether or not there is a need for rulemaking to regulate such activity by law enforcement. The Department's order, filed on June 17, 2021, denies the petition and finds that the issues raised by the petition are not within the statutory authority of the Department; the Department is unable to issue a declaratory statement regarding past conduct; and, a declaratory statement is not the appropriate means for determining the conduct of another person.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: The Agency Clerk,

Florida Department of Health, 4052 Bald Cypress Way, Bin #A-02, Tallahassee, Florida 32399-1703, (850)245-4005, or Wanda.Range@FHHealth.gov.
