(3) How to Play the POWERBALL Base Game. POWERBALL is a multi-state lottery Draw game (also known as an online lottery game) which is offered to players in Florida by the Florida Lottery via authorized Florida Lottery retailers.

(a) In the POWERBALL Base Game, players select five numbers from a field of one (1) through sixty-nine (69) and one Powerball number from a separate field of one (1) through twenty-six (26) for each Play.

(b) Players may make their POWERBALL ticket selections by using a play slip; using a Florida Lottery vending machine (“vending machine”), if a vending machine for Draw game ticket purchases is available at the retailer location; by telling the retailer their desired selections; or by requesting to use the Play it Again feature.

(c) Play Slip.

1. Paper Play Slip. There are five panels on a paper play slip, each containing an upper play area and a lower play area. Each panel played will cost \$2.00 per Play, per drawing. Players may mark their desired numbers on the paper play slip by selecting six numbers (five in the upper play area and one in the lower play area) from each panel played. Players may also mark the “QP” (Quick Pick) box located at the bottom of each play area for the terminal to randomly select any or all of the six numbers from either or both play areas. A “Void” box is also located at the bottom of each panel and should be marked by the player if an error was made in his or her selections in a panel. For each panel played, the first five of the six numbers appearing in a single horizontal row on a POWERBALL ticket shall be the numbers selected from the upper play area of the play slip, and the last number shall be the Powerball number selected from the lower play area of the paper play slip. For an additional \$1.00 per Play, players may mark the “Power Play” box to increase the second through ninth prizes. Power Play will apply to all panels and advance play marked. For an additional \$1.00 per Play, players may choose the Double Play option by marking the “Double Play” box on the play slip. Double Play will apply to all panels and advanced play marked. Players may elect “Jackpot Combo” play to receive three (3) Quick Pick tickets for the next available drawing consisting of one (1) \$2.00 FLORIDA LOTTO® Base Game ticket, one (1) \$2.00 POWERBALL Base Game ticket and one (1) \$2.00 MEGA MILLIONS® ticket by marking the “Jackpot Combo \$6” box on the paper play slip. Paper Play slips must be Florida Lottery approved and players must use only blue or black ink or pencil for making selections. Paper play slips may be processed through a Florida Lottery vending machine or processed by a retailer to obtain a ticket.

2. Digital Play Slip. How to Create a Digital Play Slip. From the Landing Page on the App, a player should select the POWERBALL game icon and then click on “Pick Numbers.” For each panel played, the player should either select his or her numbers from a field of numbers described in paragraph (3)(a) or use the “Random Numbers” or “Shake to Play” feature for the App to provide the player random numbers. Up to ten panels may be created on one digital play slip. The player must also select the number of drawings, if more than the default of one drawing is desired. If the player desires to add Power Play to all panels played, the player should click the “Power Play” button so that “yes” is selected. If the player desires to add Double Play to all panels played, the player should click the “Double Play” button so that “yes” is selected. If the player desires to add Jackpot Combo play, the player should click the “Add Jackpot Combo” button so that “yes” is selected. Players may also use the “My Favorites” feature to save a digital play slip for later use. Once a digital play slip is created and the player clicks “Create Playslip,” a barcode will be displayed. The player may present the barcode appearing on his or her mobile device to the retailer to purchase a ticket through the retailer terminal or may use the barcode to purchase a ticket through a vending machine that provides for Draw game purchases. Illustrative instructions for creating a POWERBALL digital play slip are available by clicking on the “How to Play” button on the main POWERBALL page. Regardless of whether a POWERBALL ticket is created using a digital play slip or created from a paper play slip, the purchase price shall be the same.

(d) Advance Play. Players may play up to thirty-nine (39) consecutive POWERBALL drawings by using the “advance play” feature. To use the advance play feature, players may either select the number of drawings on the play slip or tell the retailer their desired number of consecutive advance drawings. The number of consecutive drawings marked will include the next available drawing and will apply to each panel played. Advance play is not available with Jackpot Combo. In the event that a planned change in the POWERBALL game requires that the number of advance plays available for purchase be reduced to zero before implementation of the change, an advance play countdown schedule will be posted on the Florida Lottery’s website at flalottery.com.

(e) Vending Machine. If a vending machine is available at a retailer location and the vending machine provides for Draw game purchases, the vending machine may be used by a player to process both paper and digital POWERBALL play slips and purchase tickets.

(f) Telling the Retailer. Retailers also are authorized to manually enter numbers selected by a player. Players electing to make their POWERBALL ticket selections by telling the retailer must specify their desired number selections (or tell the retailer they desire to use the Quick Pick feature for the terminal

to randomly select one or more of the numbers) and the number of drawings. Players may also tell the retailer if they would like to add Power Play and/or Double Play to their ticket or if they would like Jackpot Combo play.

(g) Play it Again.

1. A player may request to “Play it Again” to replay a previously purchased POWERBALL ticket. If requested, a retailer shall process the original ticket provided by the player and print a new ticket which will have the same selected numbers, number of panels, and number of drawings as the original ticket, except as provided in subparagraph (3)(g)2., below. Additionally, if the original ticket contains Power Play and/or Double Play, the new ticket will also contain Power Play and/or Double Play, as applicable.

2. An original ticket with advance play will be rejected and cannot be replayed if the number of drawings on the ticket exceeds the number of advance play drawings that are available at the time of requested ticket replay. Tickets older than sixty days cannot be replayed.

(4) POWERBALL Base Game Drawings.

(a) POWERBALL drawings to determine the POWERBALL Winning Numbers shall be conducted by MUSL three times per week, on Monday, Wednesday, and Saturday, at approximately 10:59 p.m. (ET).

(b) The Florida Lottery shall not be responsible for incorrect circulation, publication, or broadcast of official POWERBALL Winning Numbers.

(5) Determination of Prize Winners. In order for a ticket to be a winning ticket, numbers appearing in a single horizontal row on the ticket must match the official POWERBALL Winning Numbers in any order for the drawing date for which the ticket was purchased, in one of the following combinations:

(a) Jackpot Prize: Five numbers selected from the first set of balls plus the Powerball number selected from the second set of balls.

(b) Second Prize: Five numbers selected from the first set of balls and not the Powerball number from the second set of balls.

(c) Third Prize: Four numbers selected from the first set of balls plus the Powerball number selected from the second set of balls.

(d) Fourth Prize: Four numbers selected from the first set of balls and not the Powerball number from the second set of balls.

(e) Fifth Prize: Three numbers selected from the first set of balls plus the Powerball number selected from the second set of balls.

(f) Sixth Prize: Three numbers selected from the first set of balls and not the Powerball number from the second set of balls.

(g) Seventh Prize: Two numbers selected from the first set of balls plus the Powerball number selected from the second set of balls.

(h) Eighth Prize: One number selected from the first set of balls plus the Powerball number selected from the second set of balls.

(i) Ninth Prize: No numbers selected from the first set of balls and the Powerball number selected from the second set of balls.

(6) Limited to Highest Prize Won. The holder of a winning ticket may win only one prize per POWERBALL Play in connection with the POWERBALL Winning Numbers drawn and shall be entitled only to the prize won by those numbers in the highest matching prize category. All liabilities for POWERBALL and Power Play prizes are discharged upon payment of a prize claim.

(a) The POWERBALL Base Game Prize Pool for all prize categories shall consist of fifty percent of each drawing period’s sales. The POWERBALL Prize Pool shall be funded in accordance with criteria set by the Product Group.

(b) Expected Prize Payout Percentages. The Jackpot Prize payout shall be determined on a pari-mutuel basis. Except as provided in these rules, all other prizes awarded shall be paid as Set Prizes with the following expected prize payout percentages, although the actual prize payout percentage per drawing will vary by drawing.

<u>Match</u>	<u>Prize</u>	<u>Prize Amount</u>	<u>Estimated Percentage of Prize Pool Allocated</u>
<u>Five first set numbers and Powerball number</u>	<u>Jackpot</u>	<u>Jackpot Prize</u>	<u>68.0131%</u>

<u>Powerball number, only</u>	<u>Ninth</u>	<u>\$4</u>	<u>10.4373%</u>

(c) Prize money allocated to the Jackpot Prize category will be divided equally by the number of Plays determined to be winners of the Jackpot Prize.

(d) The number of Plays determined to be winners of the second through ninth prize categories will be paid as Set Prizes, except as provided in paragraphs (11)(g) and (h), below. If all or any portion of the Set Prize pool is not awarded in the current POWERBALL drawing, that portion of the Set Prize pool shall be carried forward to subsequent POWERBALL drawings.

(e) Any interest or earnings accrued on a POWERBALL Set Prize prior to prize payment shall accrue to MUSL and not to the winner.

(9) POWERBALL Base Game Jackpot Prize Payment.

(a) Shares of the Jackpot Prize shall be determined by dividing the funds available in the Jackpot Prize pool equally among all winning plays of the Jackpot Prize. Neither MUSL nor the Florida Lottery shall be responsible or liable for the difference between the Advertised or estimated Jackpot Prize amount and the actual Jackpot Prize amount after the prize payment method is known to MUSL.

(b) Players can choose one of two payment options for receiving their portion of the POWERBALL Jackpot Prize. Payment options are “Cash Option” (which may be referred to

as a “single lump sum payment”) and “Annual Payment.” Jackpot Prize winners have sixty days after the winning draw date to choose between the two payment options. Once the Jackpot Prize winner signs the Winner Claim Form, files a claim, and exercises the winner's chosen option, the election of that option shall be final and cannot be revoked, withdrawn, or otherwise changed except as provided in subparagraph (9)(d)6., below.

(c) Cash Option Payment. If the Jackpot Prize is not a guaranteed amount, the Cash Option amount offered shall be the cash amount available in the Jackpot Prize pool divided by the number of winners. If the Jackpot Prize is a guaranteed amount, the Cash Option amount offered shall be determined as set forth in subparagraphs (9)(f) 2. and 3., as applicable. In order to select the Cash Option, the Jackpot Prize winner must submit his or her ticket for payment within sixty days after the winning draw date. If the Jackpot Prize winner does not elect the Cash Option within sixty days after the winning draw date, the Annual Payment option will be applied, except as provided in subparagraph (9)(d)4., below. A Jackpot Prize winner who chooses the Cash Option payment will receive his or her share in a single lump sum payment, less applicable federal income tax withholding.

(d) Annual Payment Option.

1. If a Jackpot Prize winner elects the Annual Payment option, his or her share of the Jackpot Prize will be paid in thirty graduated annual installments that will increase by a rate determined by the Product Group, less applicable federal income tax withholding.

2. The Florida Lottery will make the initial annual payment of a prize and all further annual payments upon receipt of funds from MUSL.

3. The amount of the annual prize payment shall be determined by multiplying the winner's share of the Jackpot Prize pool by a process as approved by the MUSL Board. MUSL shall purchase and hold the investments to fund the Jackpot Prize winner's annual prize payments.

4. If the winner's share of the Jackpot Prize is less than \$250,000, the Product Group is authorized to pay such winner their Grand Prize share in one lump sum payment, without regard either to the winner's choice of prize payment method or to whether the winner claimed the Grand Prize share more than sixty days after the drawing.

5. Annual payments of the Jackpot prize or a share of the Jackpot prize will be rounded down to the nearest one thousand dollars (\$1,000) to facilitate the purchase of an appropriate funding mechanism. Rounding differences on an annuitized Jackpot prize win shall be added to the first payment to the winner or winners. Prizes other than the Jackpot prize, which become single-payment, pari-mutuel prizes, will be rounded down so that prizes can be paid in multiples of whole dollars.

Rounding differences resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

6. In the event of the death, during the annual payment period, of a POWERBALL winner who elected the Annual Payment option, the estate of the deceased winner (the “Estate”) may make a written request to the Florida Lottery to accelerate payment of all the remaining prize proceeds to the Estate. Such request will be forwarded by the Florida Lottery to MUSL for processing. MUSL will decide, in its sole discretion, whether or not to grant the payment, and if so, the form of such payment, whether in securities or cash.

(e) Jackpot Prize Amount.

1. Starting Jackpot Prize amounts and Jackpot Prize roll increases will be determined by the Product Group based on sales and interest rates, with no guaranteed minimum amount. Such determination will be made, and the advertised Jackpot Prize amount announced, prior to each drawing.

2. If the Jackpot Prize is not won in a drawing, the prize money allocated for the Jackpot Prize shall roll over and be added to the Jackpot Prize pool for the following drawing.

(f) If a guaranteed Jackpot Prize amount is won, the Jackpot Prize shares shall be determined as follows:

1. If there are multiple Jackpot Prize winners during a single drawing, each selecting the Annual Payment option, then a winner's share of the guaranteed Jackpot Prize shall be determined by dividing the guaranteed minimum Jackpot Prize by the number of winning plays.

2. If there are multiple Jackpot Prize winners during a single drawing and at least one of the Jackpot Prize winners has elected the Annual Payment option, then the MUSL Annuity Factor shall be utilized to determine the cash pool. The cost of the annuitized prize(s) will be determined at the time the annuity is purchased through a process as approved by the MUSL Board.

3. If no winner of the Jackpot Prize during a single drawing has elected the Annual Payment option, then the amount of cash in the Jackpot Prize pool shall be an amount equal to the guaranteed minimum amount divided by the MUSL Annuity Factor.

(g) Federal income taxes shall be applied and withheld from the prize amount at the time payment is made, pursuant to applicable provisions of the Internal Revenue Code and Code of Federal Regulations.

(h) Any interest or earnings accrued on a POWERBALL Jackpot Prize prior to prize payment shall accrue to MUSL and not to the winner.

(i) If the Jackpot Prize is not won in a drawing, the prize money allocated for the Jackpot Prize shall roll over and be added to the Jackpot Prize pool for the following drawing.

(10) Set Prize Payment. Set Prizes shall be paid in a single cash payment, less any applicable federal income tax withholding.

(11) Power Play®.

(a) Power Play Prize Pool. The Power Play Prize Pool for all Power Play prize categories shall consist of fifty percent of each drawing period's sales. The Power Play Prize Pool shall be funded in accordance with criteria set by the Product Group. The actual prize payout percentage per drawing will vary by drawing. The Power Play Prize Pool shall be carried forward to subsequent drawings if all or a portion of it is not needed to pay the Power Play prizes awarded in the current drawing.

(b) The Power Play option shall be available in association with the POWERBALL game. At the time of purchasing a POWERBALL ticket, a player may choose the Power Play option for an additional \$1.00 per play for each play on the POWERBALL ticket to increase the guaranteed prize amount for the second through ninth tier prizes. The POWERBALL Jackpot Prize will not be eligible for increase under the Power Play option.

(c) Power Play Drawing. A separate, random Power Play drawing will be conducted, and the results announced during each of the regular POWERBALL drawings. In each Power Play drawing, the number 2, 3, 4, 5 or 10 shall be drawn (the Power Play number, sometimes called the multiplier number). When the initially Advertised Jackpot Prize for a drawing is \$150 million or less, the possible Power Play numbers included in the Power Play drawing will be 2, 3, 4, 5 and 10. When the initially Advertised Jackpot Prize for a drawing is greater than \$150 million, the possible Power Play numbers included in the Power Play drawing will be 2, 3, 4 and 5. The Power Play number drawn will increase the value of the prizes for the second tier as provided below. The Power Play number will be used to multiply the value of the prizes for the third through ninth tiers.

(d) The probability of the various Power Play numbers being drawn during a single Power Play drawing are as follows:

When the 10X Power Play is available:

<u>Multiplier</u>	<u>Probability of Prize Increase</u>	<u>Chance of Occurrence</u>
-------------------	--------------------------------------	-----------------------------

10X	1 in 43	2.3255%
5X	2 in 43	4.6512%
4X	3 in 43	6.9767%
3X	13 in 43	30.2326%
2X	24 in 43	55.8140%

When the 10X Power Play is not available:

<u>Multiplier</u>	<u>Probability of Prize Increase</u>	<u>Chance of Occurrence</u>
-------------------	--------------------------------------	-----------------------------

5X	2 in 42	4.7619%
4X	3 in 42	7.1429%
3X	13 in 42	30.9523%

2X 24 in 42 57.1429%

(e) Application of Power Play Number.

1. Second Prize. The Power Play number selected increases the Second Prize for a winning POWERBALL with Power Play ticket to \$2,000,000.00, except as provided in (11)(g) and (h).

2. Third through Ninth Prizes. The Power Play number selected increases the prize amount for the Third through Ninth Prizes. A Third through Ninth Prize winner who purchased the Power Play feature with his or her POWERBALL ticket shall be paid a prize in the amount of the Set Prize amount multiplied by the Power Play number for that drawing.

3. Jackpot Prize. The Power Play feature does not apply to the Jackpot Prize.

(f) POWERBALL tickets that win the Second through Ninth Prizes with the Power Play option will pay the amounts shown below:

(g) If, with respect to a single POWERBALL drawing, the total of the POWERBALL Set Prizes and the Power Play prizes awarded in a drawing exceeds the percentage in the prize pools allocated to the Set Prizes and the Power Play prizes and there are insufficient funds from all sources to pay the Set Prizes for a particular POWERBALL drawing and the associated Power Play prizes, the highest Set Prize, including the Power Play prize amounts, shall become a pari-mutuel prize. If the amount of the highest Set Prize, when paid as a pari-mutuel prize, is less than or equal to the next highest Set Prize and there are still not

sufficient funds to pay the remaining prizes, the next highest Set Prize, including the Power Play prize amounts, shall become a pari-mutuel prize. If necessary, under the same test set forth in the preceding sentence, each succeeding Set Prize level shall be converted to a pari-mutuel prize, in order, until all Set Prizes become pari-mutuel. In that circumstance, the money available from the funding sources shall be divided among the winning Plays in proportion to their respective prize percentages. POWERBALL and Power Play prizes will be reduced by the same percentage.

(h) When the POWERBALL Set Prizes become pari-mutuel, the POWERBALL Set Prize amounts will be less than the amount shown in paragraph (8)(b) above, and the Power Play prizes shall be changed to an amount announced after the drawing.

(i) Power Play Set Prizes which become pari-mutuel will be rounded down so that they can be paid in multiples of whole dollars. Funds remaining after rounding shall be carried forward to the prize pool for the next drawing.

(j) All Power Play prizes shall be paid in a single lump-sum payment, less any applicable federal income tax withholding, if applicable.

(12) Double Play.

(a) How to Play Double Play.

1. Double Play is an add-on option associated with POWERBALL that costs \$1.00 per panel in addition to the cost of a POWERBALL Base Game ticket and applies to all panels played on a play slip. A Double Play Play must be purchased in conjunction with a POWERBALL Base Game Play.

2. Double Play is a five (5) out of sixty-nine (69) plus one (1) out of twenty-six (26) lottery game.

3. A player who purchases a POWERBALL ticket with the Double Play option uses the same six POWERBALL Base Game Numbers printed on the ticket to play and match the official Double Play Winning Numbers drawn in a separate Double Play Drawing.

(b) Determination of Prize Winners. In order for a ticket to be a winning Double Play ticket, numbers appearing in a single horizontal row on the ticket (the same numbers used for the POWERBALL Base Game Play) must match the official Double Play Winning Numbers in any order for the draw date for which the POWERBALL with Double Play ticket was purchased in one of the following combinations:

1. Top Prize: Five numbers selected from the first set of balls plus the one number selected from the second set of balls.

2. Second Prize: Five numbers selected from the first set of balls and not the one number from the second set of balls.

3. Third Prize: Four numbers selected from the first set of balls plus the one number selected from the second set of balls.

4. Fourth Prize: Four numbers selected from the first set of balls and not the one number from the second set of balls.

5. Fifth Prize: Three numbers selected from the first set of balls plus the one number selected from the second set of balls.

6. Sixth Prize: Three numbers selected from the first set of balls and not the one number from the second set of balls.

7. Seventh Prize: Two numbers selected from the first set of balls plus the one number selected from the second set of balls.

8. Eighth Prize: One number selected from the first set of balls plus the one number selected from the second set of balls.

9. Ninth Prize: No numbers selected from the first set of balls and the one number selected from the second set of balls.

(c) The odds of winning and value of prizes for Double Play are as follows:

<u>Number of Matches per Double Play</u>	<u>Prize Tier</u>	<u>Odds of Winning</u>	<u>Prize</u>
<u>5 of 5 + 1</u>	<u>Top Prize</u>	<u>1:292,201,338.0000</u>	<u>Top Prize*</u>
<u>5 of 5</u>	<u>Second Prize</u>	<u>1: 11,688,053.5200</u>	<u>\$500,000</u>
<u>4 of 5 + 1</u>	<u>Third Prize</u>	<u>1:913,129.1813</u>	<u>\$50,000</u>
<u>4 of 5</u>	<u>Fourth Prize</u>	<u>1:36,525.1673</u>	<u>\$500</u>
<u>3 of 5 + 1</u>	<u>Fifth Prize</u>	<u>1:14,494.1140</u>	<u>\$500</u>
<u>3 of 5</u>	<u>Sixth Prize</u>	<u>1:579.7646</u>	<u>\$20</u>
<u>2 of 5 + 1</u>	<u>Seventh Prize</u>	<u>1:701.3281</u>	<u>\$20</u>
<u>1 of 5 + 1</u>	<u>Eighth Prize</u>	<u>1:91.9775</u>	<u>\$10</u>
<u>0 of 5 + 1</u>	<u>Ninth Prize</u>	<u>1:38.3239</u>	<u>\$7</u>
<u>Overall Odds</u>		<u>1:24.8671</u>	<u>N/A</u>
<u>*The Top Prize value is \$10 million and shall be divided equally by the number of winning Top Prize Double Play Plays.</u>			

(d) All Double Play prizes, other than the Top Prize, are Set Prize amounts. The Double Play Top Prize has a fixed value of \$10 million. The Double Play Top Prize shall be divided equally by the number of Double Play Plays winning the Top Prize. If no Double Play Plays match the Top Prize Winning Double Play numbers as described above, the Double Play Top Prize will not be awarded.

(e) If, with respect to a single Double Play drawing, the total of the Double Play Set Prizes awarded in a drawing

exceeds the percentage of the prize pool allocated to the Double Play Set Prizes, and there are insufficient funds from all sources to pay the Set Prizes for a particular Double Play drawing, the highest Set Prize shall become a pari-mutuel prize. If the amount of the highest Double Play Set Prize, when paid as a pari-mutuel prize, is less than or equal to the next highest Double Play Set Prize and there are still not sufficient funds to pay the remaining Double Play Set Prizes, the next highest Double Play Set Prize shall become a pari-mutuel prize. If necessary, under the same test set forth in the proceeding sentence, each succeeding Set prize level shall be converted to a pari-mutuel prize, in order, until all Set Prizes become pari-mutuel. In that circumstance, the money available from the funding sources shall be divided among the winning Plays in proportion to their respective prize percentages.

(f) Double Play Prize Pool.

1. The prize pool for Double Play prizes shall consist of fifty-five percent of each drawing period's sales comprised of the \$1.00 add-on Double Play sales.

2. The Double Play Top Prize is a fixed value of \$10 million for each Double Play Drawing.

3. If, in any Double Play drawing there are no Double Play Plays that qualify for the Top Prize category, the portion of the prize fund allocated to the Top Prize category shall remain in the Top Prize pool for the next Double Play drawing.

4. All prize payouts are made with the following expected prize payout percentages, although the prize payout percentages per draw may vary:

<u>Number of Matches Per Double Play Play</u>	<u>Prize</u>	<u>Estimated Double Play Prize Pool Percentage Allocated to Prize</u>
<u>All five (5) of first set plus one (1) of second set.</u>	<u>Top Prize</u>	<u>9.0707 %</u>
<u>All five (5) of first set and none of second set.</u>	<u>\$500,000</u>	<u>7.7780 %</u>
<u>Any four (4) of first set plus one (1) of second set.</u>	<u>\$50,000</u>	<u>9.9558%</u>
<u>Any four (4) of first set and none of second set</u>	<u>\$500</u>	<u>2.4889%</u>
<u>Any three (3) of first set plus one (1) of second set.</u>	<u>\$500</u>	<u>6.2721%</u>
<u>Any three (3) of first set and none of second set.</u>	<u>\$20</u>	<u>6.2721%</u>
<u>Any two (2) of first set plus one (1) of second set.</u>	<u>\$20</u>	<u>5.1850%</u>
<u>Any one (1) of first set plus one (1) of second set.</u>	<u>\$10</u>	<u>19.7677%</u>

<u>None of first set plus one (1) of second set.</u>	<u>\$7</u>	<u>33.2097 %</u>
--	------------	------------------

(g) Prizes which become pari-mutuel prizes under paragraph (12)(e) above will be rounded down so that prizes can be paid in multiples of whole dollars. Rounding differences resulting from rounding these prizes shall be carried forward to the Double Play prize pool for the next drawing.

(h) Double Play Drawings.

1. Double Play Drawings shall be conducted by MUSL three times per week on Monday, Wednesday, and Saturday and will follow the POWERBALL Base Game Drawings.

2. The equipment shall be configured so that five (5) balls are drawn from one set of balls numbered one (1) through sixty-nine (69) plus one number from a separate field of one (1) through twenty-six (26).

3. Six (6) balls will be selected in the drawing. The numbers shown on the six balls, after certification by the Draw Manager and the Accountant, are the official Double Play Winning Numbers for the Double Play Drawing.

4. The Florida Lottery shall not be responsible for incorrect circulation, publication, or broadcast of the official Double Play Winning Numbers.

(i) Limited to Highest Prize Won. The holder of a winning ticket may win only one prize per Double Play Play in connection with the Double Play Winning Numbers drawn and shall be entitled only to the prize won by those numbers in the highest matching prize category. All liabilities for a Double Play prize are discharged upon payment of a prize claim.

(j) All Double Play prizes shall be paid in a single cash payment, less withholding taxes, as applicable.

(k) Double Play prizes cannot be multiplied or increased by Power Play.

(13) For tickets in which POWERBALL Base Game prizes, and/or Power Play prizes, and/or Double Play prizes are won, cash prize amounts will be combined and paid as one amount.

(14) Play Validation Requirements.

(a) In addition to the validation requirements set forth in the Florida Lottery rule governing payment of prizes, the validation requirements set forth in this subsection shall apply to POWERBALL Plays made on tickets sold in Florida. Plays sold in other jurisdictions may be subject to different requirements. A copy of the current rule governing payment of prizes can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

(b) To be a valid Play and eligible to receive a prize, a Play's ticket shall satisfy all the requirements established by the Florida Lottery for validation of winning Plays sold through its computer gaming system and any other validation requirements

adopted by the Product Group and the MUSL Board. The MUSL and the Selling Lotteries, including the Florida Lottery, shall not be responsible for tickets that are altered in any manner.

(c) Under no circumstances will a claim be paid for any prize without an official ticket matching all game Play, serial number, and other validation data residing in the Florida Lottery's computer gaming system and such ticket shall be the only valid proof of purchase and the only valid receipt for claiming or redeeming such prize.

(d) In addition to the above, in order to be deemed a valid, winning Play, all of the following conditions must be met:

1. The validation data must be present in its entirety and must correspond, using the computer validation file, to the number selections printed on the ticket for the drawing date(s) printed on the ticket;

2. The ticket must be intact;

3. The ticket must not be mutilated, altered, reconstituted, or tampered with in any manner;4. The ticket must not be counterfeit or an exact duplicate of another winning ticket;

5. The ticket must have been issued by the Florida Lottery or authorized retailer on official paper stock of the Florida Lottery;

6. The ticket must not have been stolen;

7. The Play data must have been recorded on the Florida Lottery's computer gaming system prior to the Drawing and the Play data must match this computer record in every respect. In the event of a conflict between information as printed on the ticket and as accepted by the Florida Lottery's computer gaming system, the information as accepted by the Florida Lottery's computer gaming system shall prevail;

8. The player or computer pick number selections, validation data and the Drawing date(s) of an apparent winning Play must appear on the official file of winning Plays, and a Play with that exact data must not have been previously paid;

9. The Play must not be misregistered, and the Play's ticket must not be defectively printed or printed or produced in error to an extent that it cannot be processed by the Florida Lottery;

10. In submitting a Play for validation, the claimant agrees to abide by applicable laws, all rules and regulations, instructions, conditions, and final decisions of the Florida Lottery;

11. There must not be any other breach of the MUSL PB Rules in relation to the Play that the Florida Lottery determines justifies invalidation;

12. The Play must be submitted to the Florida Lottery.

(e) A Play submitted for validation that fails any of the validation conditions shall be considered void, subject to the following determinations:

1. In all cases of doubt, the determination of the Florida Lottery shall be final and binding; however, the Florida Lottery

is authorized to replace an invalid Play with a Play of equivalent sale price;

2. In the event a defective ticket is purchased or in the event the Florida Lottery determines to adjust an error, the claimant's sole and exclusive remedy shall be the replacement of such defective or erroneous ticket(s) with a Play of equivalent sale price;

3. In the event a Play is not paid by the Florida Lottery and a dispute occurs as to whether the Play is a winning Play, the Florida Lottery is authorized to replace the Play as provided in subparagraph (14)(e)1. above. This shall be the sole and exclusive remedy of the claimant unless the laws or regulations governing the Florida Lottery provide for further review.

(15) POWERBALL Rules and Prohibitions.

(a) By purchasing a POWERBALL ticket, a player agrees to comply with and abide by all rules of the Florida Lottery.

(b) Florida POWERBALL prizes shall be claimed only through a Florida Lottery retailer (for prizes less than \$600) or Lottery office beginning on the first business day following the drawing. The Lottery is not authorized to accept claims or pay prizes for POWERBALL tickets purchased in other jurisdictions. POWERBALL prize payments shall be made in accordance with this POWERBALL rule and the rule of the Florida Lottery governing payment of prizes. A copy of the current payment of prizes rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

(c) Subject to a retailer's hours of operation and gaming system availability, POWERBALL lottery tickets are available for purchase daily between the hours of 6:00 a.m. and 12:00 midnight, Eastern time (ET). Ticket sales for a specific POWERBALL drawing will close at 10:00 p.m., (ET), on the night of the drawing. (1) Beginning August 22, 2021, through September 27, 2021 ("Promotion Period") the Florida Lottery will conduct the POWERBALL® First Millionaire of the Year® Promotion ("Promotion"). Players who purchase a POWERBALL® lottery ticket of any price point can scan the barcode on their tickets using the Florida Lottery's Mobile Convenience App ("App") or can manually enter the ticket number through the Florida Lottery's website (flalottery.com) to collect symbols and earn entries into the Semifinalist Drawing for a chance to win a \$1,000 prize and become one of fifty Florida semifinalists in the national Finalist Drawing. Additionally, if selected as a one of five finalists, he or she will win a Celebrate@Home New Year's Eve Party Package Prize ("Celebrate@Home Prize") that includes a chance to win the \$1 Million prize in the New Year's \$1 Million Drawing. POWERBALL lottery tickets, including POWERBALL tickets in a Jackpot Combo play, POWERBALL® tickets with Power Play® and/or Double Play®, and both winning and non-winning POWERBALL tickets [collectively "POWERBALL ticket(s)"] may all be used to enter the Promotion. Only POWERBALL tickets purchased or issued as a "free ticket" during the Promotion Period may be used to enter the Promotion.

(2) How to Enter.

(a) To enter a POWERBALL® ticket into the Semifinalist Drawing, a player may use the Florida Lottery's website at flalottery.com or use the Florida Lottery's Mobile Convenience App ("App").

1. Website. On the home page of the Florida Lottery's website, players are to click on the Second Chance tab, select the POWERBALL® First Millionaire of the Year® Promotion and follow the directions or go directly to flalottery.com/powerball fmy and follow the directions. Players will be prompted to log-in or register. Players using the website may manually enter the 19-digit ticket number

(omitting spaces and dashes) on the ticket entry page to collect entries as further described in subsection (3) below.

2. App. On the App, players may click on either of the Promotions buttons, select the POWERBALL® First Millionaire of the Year® Promotion and follow the directions. Players will be prompted to log-in or register if not already logged in. A Promotions button is located on the main menu and also on the bottom navigation bar. Players may scan the barcode on the bottom of a ticket or may manually enter the 19-digit ticket number (located near the bottom of the ticket) on the ticket entry page to collect entries as further described in subsection (3) below.

3. Regardless of whether a player chooses to participate in the Promotion by using the web browser or the App, the following provisions shall apply:

a. the player may use the same account login information to enter tickets;

b. the player will only be required to register one time; and

c. the player's entry history will be cumulative among the entry platforms.

(b) Any attempt by a player to use more than one account by using multiple or different email addresses, identities, registrations, logins, or any other methods will subject the player and any associated entries to disqualification.

(c) The odds of winning depend on the number of entries in the drawing. All entries are subject to validation by the Florida Lottery and may be disqualified if eligibility requirements are not met. Lottery tickets should not be mailed to the Lottery for entry into the drawing. Lottery tickets received in the mail by the Florida Lottery for entry into the Promotion will not be entered into the drawing and will not be returned.

(3) How to Earn Entries.

To collect play symbols and earn entries into the Semifinalist drawing, a player may scan the barcode on the bottom of a POWERBALL ticket using his or her mobile device or may manually enter the 19-digit ticket number. Thereafter, four game cards will appear on the screen. Each game card contains four spots to collect the four symbols. For each POWERBALL ticket entered, the player will earn 1 symbol for each dollar of the total price of the ticket. If the ticket includes Double Play, the player will also earn an additional number of symbols equal to the price of the ticket. If the ticket includes one or more Monday drawings, the player will also earn an additional number of symbols equal to the price of the ticket. For example, a \$10 POWERBALL ticket will earn 10 symbols. A \$10 POWERBALL ticket with Double Play will earn 20 symbols. A \$10 POWERBALL ticket that includes a Monday drawing will earn 20 symbols. A \$10 POWERBALL with Double Play that also includes a Monday drawing will earn 30 symbols. Awarded symbols will be placed randomly in an available game

card. When all four symbols have been collected on a game card, the player will earn one entry into the drawing. When a filled game card generates an entry into the drawing, the symbols will be cleared on that game card, and a player can begin collecting more symbols. A player may earn multiple entries during the entry period; however, a player can only win one prize. Players may only manually enter or scan up to two hundred tickets per day. Each ticket number can only be scanned or entered one time. Entries that include training tickets that were produced by a retailer terminal while in training mode or tickets with invalid ticket numbers will be disqualified. The hours for ticket entry are between 6:00 a.m. ET and 12:00 midnight ET seven days a week during the Promotion Period. The odds of winning depend on the number of entries in each drawing. All entries are subject to validation by the Florida Lottery and may be disqualified if eligibility requirements are not met. POWERBALL lottery tickets shall not be mailed to the Lottery for entry into the Semifinalist Drawing. POWERBALL lottery tickets received in the mail by the Florida Lottery for entry into the Promotion will not be entered into the Semifinalist Drawing, or any other promotional drawing and will not be returned.

(4) Coupons. Beginning August 24, 2021, and continuing through September 27, 2021, 5,000 buy one get one coupons will be generated for every “nth” ticket scanned or entered statewide. When an nth ticket is entered and a coupon awarded, a “bonus notification” will pop-up on the ticket entry page at the conclusion of the entry process. The coupon will be added to the “My Coupons” section of the “Coupons” page of the player’s account. Coupons are for a free \$2 POWERBALL Quick Pick ticket with the purchase of any POWERBALL with Double Play ticket. Coupons may be redeemed by players at a Florida Lottery retailer or a Florida Lottery District Office by presenting the coupon barcode on their mobile device for scanning, or players may redeem the coupon by printing the coupon from the website and presenting a hardcopy. Coupons may not be redeemed by mail. Coupons are valid for one use only and must be redeemed by 11:59:59 (ET) on November 26, 2021. The odds of winning a coupon depend on the number of tickets entered per day.

(5) Semifinalist Drawing and Number of Prizes. The Florida Lottery will conduct one drawing in the Promotion to select fifty semi-finalists. Prizewinners for the drawing will be randomly selected from entries submitted and received before midnight (ET) on September 27, 2021. Prizewinners will be randomly selected using a certified random number generation process. The drawing shall be public, held in Tallahassee, Florida, and witnessed by an accountant employed by an independent certified public accounting firm. The drawing date, entry period, and number of prizes are as follows:

<u>DRAWING</u>	<u>DRAWING DATE</u>	<u>ENTRY PERIOD</u>

<u>PRIZE</u>	<u>NUMBER OF PRIZES</u>
\$1,000/ Semifinalist in the Finalist Drawing	50

In the drawing, the Florida Lottery will select a total of eighty-five valid entries. The first fifty entries drawn will each win a \$1,000 prize and become a semifinalist in a national finalist drawing further described below. The remaining entries drawn will be alternates and used in the order in which they were drawn and in the order of need to select an alternate prizewinner in the event a prizewinner cannot be notified or fails to timely provide required claim documentation as set forth in subsection (7) below, or in the event an entry is disqualified

(6) \$1,000 Prize Prizewinner Notification.

(a) The prizewinners in the semifinalist drawing will be announced and posted on flalottery.com on October 4, 2021, or as soon as thereafter as practicable.

(b) The Florida Lottery will attempt to notify each prizewinner by telephone or email using the contact information provided in the prizewinner’s registration data no later than one business day after the prizewinners are posted on the Florida Lottery’s website. The Florida Lottery deems the prizewinner’s registration data as the prizewinner’s official contact information. Issuing an email or leaving a telephone message on voicemail, if available, shall constitute notification. The Florida Lottery will not attempt to further locate a prizewinner if attempts to reach the prizewinner by telephone or email are unsuccessful. If the Florida Lottery is unable to have contact by telephone or email with a prizewinner within four business days of the date the prizewinners are posted on the website, the prizewinner will forfeit his or her right to claim the prize and the Florida Lottery will select an alternate prizewinner in accordance with subsection (5) above. If the Florida Lottery is unable to have contact by email or telephone with the alternate prizewinner within four business days of the date of notification, the alternate prizewinner will forfeit his or her right to claim the prize and the Florida Lottery will select the next alternate prizewinner. This process will continue until an alternate is contacted or the Florida Lottery has exhausted the list of alternates due to unsuccessful notification attempts or due to failure by a prizewinner or an alternate prizewinner to timely provide required claim documentation as set forth in subsection (7) below. Notwithstanding the foregoing notification attempt provisions, the Florida Lottery will not continue notification attempts past October 14, 2021. The

Florida Lottery is not responsible or liable for system failures of any sort or type, including, but not exclusively, computer failures, email service failures, telephone failures. If the Florida Lottery exhausts the list of alternate prizewinners or if the Lottery is unable to contact an alternate by October 14, 2021, the prize will not be awarded.

(7) How to Claim a \$1,000 Prize. To claim a \$1,000 prize in the Semifinalist Drawing, a prizewinner must submit to the Florida Lottery a completed Winner Claim Form DOL-173-2, Revised 3/21, or Spanish Winner Claim Form DOL-173-2S, Revised 3/21, and a copy of acceptable identification as set forth in the rule of the Florida Lottery governing payment of prizes. A copy of the current prize payment rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011. The required documents must be received by the Florida Lottery no later than six business days after the Florida Lottery has first notified the prizewinner by telephone (notification by telephone is deemed complete by leaving a voicemail message, if available) or email (issuing an email constitutes notification). If the Florida Lottery does not receive the required documents from a prizewinner by the sixth business day after notification, the prizewinner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate prizewinner as described in subsections (5) and (6), above. The same timeframe for a prizewinner to return required documentation to the Florida Lottery shall apply to an alternate prizewinner. A prizewinner in this Promotion is not required to submit the POWERBALL ticket(s) he or she scanned or manually entered to generate an entry to claim a prize.

(8) Finalist Drawing and \$1 Million Prize Drawing. All prizewinners of the \$1,000 Prize and prizewinners from other Lotteries participating in their states' First Millionaire of the New Year Promotion, will be entered into a Finalist Drawing anticipated to be conducted in early November 2021, in which five finalists will be selected for the \$1 Million Prize drawing. If one or more Florida entries (maximum of five) are selected as finalist(s), each finalist will win a Celebrate@Home Prize, as further described below. The \$1 Million Prize Drawing is anticipated to be conducted on or about January 1, 2022 in which one \$1 Million Prize will be awarded. A prizewinner is not required to be present at the Finalist Drawing to be entered or selected in the Finalist Drawing, nor is a finalist required to be present at the \$1 Million Prize Drawing to be entered or selected in the \$1 Million Prize drawing. Both the finalist drawing and the \$1 Million Prize Drawing will be conducted by the Multi-State Lottery Association (MUSL) using a certified random number generation process. Drawings will be witnessed by an independent auditor employed by an independent certified public accounting firm. It is anticipated that the finalists selected in the Finalist Drawing will be

announced in late November or early December. The \$1 Million Prize prizewinner will be announced on or about January 1, 2022. The odds of being selected as a finalist depend on the total number of valid eligible entries (which includes entries from other participating Lotteries) in the finalist drawing. The odds of a finalist winning the \$1 Million Prize in the \$1 Million Prize Drawing are 1 in 5.

(9) How to Claim a Celebrate@Home Prize. A Florida Celebrate@Home Prize prizewinner in the Finalist Drawing will be contacted first by the Florida Lottery and required to complete a Winner Claim Form DOL 173-2, revised 3/21, or Spanish Winner Claim Form DOL 173-2S, revised 3/21, and provide a copy of acceptable identification as set forth in the rule of the Florida Lottery governing payment of prizes in order to claim the prize. (c) While a Celebrate@Home Prize prizewinner is not obligated to host or have a New Year’s Eve celebration at his/her residence to participate in the drawing for, and to remain eligible to win, the \$1 Million Prize, the prizewinner must agree to:

1. Participate and appear in the Program via remote video transmission from his/her residence or another local location to be determined by the provider of the Celebrate@Home Prize (“Prize Provider”) in its sole discretion, subject to a background check, execution of appearance release/s, and all then-current federal, state, and/or local government and/or agency, network, or Prize Provider laws, regulations, restrictions, guidelines, and/or protocols (collectively, “Production Requirements”); or

2. Appoint a proxy (or have a proxy appointed) to participate and appear in the program via remote video transmission in place of the prizewinner, subject to the proxy’s satisfying the Production Requirements. In such event, the prizewinner will still receive all elements of the Celebrate@Home Prize, unless he or she elects to give them to his or her proxy, and shall remain eligible to win the \$1 Million Prize. If a prizewinner appoints a proxy, the proxy must also

satisfy the Production Requirements in order to participate in the broadcast of the Program.

(d) In the event that the prizewinner’s designated proxy does not satisfy the Production Requirements, the Prize Provider reserves the right, in its sole discretion, either to:

1. Allow the prizewinner to appoint another proxy to appear in the Program in the prizewinner’s place, subject to Prize Provider’s production schedule and deadlines and satisfying the Production Requirements; or

2. Appoint another proxy, selected by the Prize Provider, to appear in the Program in the prizewinner’s place.

(e) The prizewinner’s eligibility to participate in the Program and/or the drawing for the \$1 Million Prize is not affected by the prizewinner’s failure to satisfy the Production Requirements and/or by any information obtained pursuant to a background check, but those failures may affect the nature of the Prizewinner’s appearance and/or degree of participation in the Program. While the prizewinner’s eligibility to participate in the drawing for the \$1 Million Prize is an element of the Prize, the opportunity to participate in the recording and production of the program and/or appear in the broadcast of the Program is expressly not an element of the Prize and is determined by the Prize Provider in its sole discretion. The Prize Provider reserves the right to appoint a proxy to appear and participate in the Program for the prizewinner for any reason as it may determine in its sole discretion. The appointment of any proxy shall not affect the prizewinner’s eligibility for the \$1 Million Prize. If the prizewinner chooses to appoint a proxy, he or she must do so on or before November 19, 2021, and shall complete a Proxy Appointment and Acknowledgement Form DOL-491-B, revised 5/21. The proxy must complete a Proxy Release, Acknowledgement and Authorization Form DOL-474-NYRE-P, revised 8/21. The forms must be received by the Lottery by November 19, 2021. Forms DOL-491-B and DOL-474-NYRE-P are hereby incorporated by reference and can be obtained from any Florida Lottery office, or by writing to: Florida Lottery, Customer Service Division, 250 Marriott Drive, Tallahassee, Florida 32399-4016.

(f) All expenses involved with or related to the Celebrate@Home Prize, not specifically included in the description of the prize including transportation and other incidentals, are the responsibility of the prizewinner and their guest(s).

(g) The date and location of any of the events included in the Celebrate@Home Prize (“Events”) are subject to change. If any Event is delayed, postponed, or canceled for any reason, in whole or in part, the prizewinner will not receive compensation in lieu of any such delayed, postponed, or canceled element of the Celebrate@Home Prize.

(h) Except as provided herein for a proxy, no prize element substitution, cash substitution, assignment, or transfer of the Celebrate@Home Prize or any elements thereof is permitted. Any unused elements of the Celebrate@Home Prize will be forfeited, will not be redeemable for cash, and will not reduce the Celebrate@Home Prize value awarded for tax purposes.

If the prizewinner is identified as owing any outstanding debt to any state agency or owes child support collected through a court, the debt will be offset in accordance with section 24.115, F.S. If the debt is an amount less than the amount of the cash prize, the balance of the prize less applicable income tax withholding and after the debt is offset shall be awarded. If the debt is an amount greater than any cash prize, the entire prize amount after applicable income tax withholding will be applied to the outstanding debt.

(b) Celebrate@Home Prize. If the prizewinner is identified as owing any outstanding debt to any state agency or owes child support collected through a court, the debt will be offset in accordance with section 24.115, F.S. If the debt is an amount less than the cash portion of the prize, the non-cash portion of the prize and the cash portion of the prize less the amount owed and federal tax withholding, if applicable, shall be awarded. If the winner is identified as owing such a debt in an amount greater than the cash portion of the prize, the winner's entire cash portion of the prize will be applied toward the outstanding debt as provided in section 24.115, Florida Statutes, and the winner will receive the remaining non-cash portion of the prize.

(13) \$1,000,000 Prize Claiming Procedures. If the prizewinner in the \$1 Million Prize drawing is a Florida winner, the prizewinner will be required to complete a Winner Claim Form DOL-173-2, Revised 3/21, or Spanish Winner Claim Form DOL-173-2S, Revised 3/21, and provide a copy of

Payment of prizes will be made in accordance with the rule of the Florida Lottery governing payment of prizes. Applicable tax forms for the \$1 Million Prize will be issued by the Florida Lottery to the prizewinner separately from the tax forms for the Celebrate@Home Prize.

(14) A prizewinner in this Promotion is not required to submit the POWERBALL ticket(s) he or she scanned or manually entered to generate an entry to claim a prize.

(15) Taxes.

(a) Except as specifically mentioned herein, all federal, state and/or local taxes or other fees on all prizes, as applicable, will be the responsibility of the prizewinner.

(b) Federal income taxes are required to be withheld from a prize awarded to a nonresident alien claimant at the rate of thirty percent (30%) pursuant to applicable provisions of the Internal Revenue Code. Thirty percent federal income tax withholding will be withheld from a \$1,000 Prize, and, if applicable, a \$1 Million Prize won by a nonresident alien prizewinner in the Promotion. The reporting and subsequent payment of any additional federal, state and/or local taxes shall be the responsibility of the nonresident alien prizewinner.
