## Section II Proposed Rules

### DEPARTMENT OF HEALTH

#### Board of Massage Therapy

RULE NO.:       RULE TITLE:

64B7-29.001    Definitions

PURPOSE AND EFFECT: The Board proposes the rule amendment to clarify language and make consistent with HB 245.

SUMMARY: To clarify language and make consistent with HB 245.

#### SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No

person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**64B33-5.001 Disciplinary Guidelines.**

(1) The Board provides within this rule disciplinary guidelines which shall be imposed upon applicants or licensees whom it regulates under Chapter 468, Part XIII, F.S. or Section 456.47. The purpose of this rule is to notify applicants and licensees of the ranges of penalties which will routinely be imposed unless the Board finds it necessary to deviate from the guidelines for the stated reasons given within this rule. The ranges of penalties provided below are based upon a single count violation of each provision listed; multiple counts of the violated provisions or a combination of the violations may result in a higher penalty than that for a single, isolated violation. Each range includes the lowest and highest penalty and all penalties falling between. The purposes of the imposition of discipline are to punish the applicants or licensees for violations and to deter them from future violations; to offer opportunities for rehabilitation, when appropriate; and to deter other applicants or licensees from violations.

(2) Violations and Range of Penalties. In imposing discipline upon applicants and licensees, in proceedings pursuant to Sections 120.57(1) and 120.57(2), F.S., the Board shall act in accordance with the following disciplinary guidelines and shall impose a penalty within the range corresponding to the violations set forth below. The verbal identification of offenses are descriptive only; the full language of each statutory provision cited must be consulted in order to determine the conduct included.

(3) When the Board finds an applicant or licensee whom it regulates under Chapter 468, Part XIII, or Section 456.47, F.S., has committed any of the acts set forth in Section 468.719, F.S., it shall issue a final order imposing appropriate penalties within the ranges recommended in the following disciplinary guidelines:

The Florida Office of Financial Regulation hereby gives notice: On 8/23/2021, the Florida Office of Financial Regulation issued a Final Order Denying Petition for Waiver of Rule 69W-600.0024, Florida Administrative Code filed by Thomas Dooley. The Office finds that the Petition did not demonstrate that application of paragraph 69W-600.0024(6)(b), Florida Administrative Code, as to Petitioner, would create a substantial hardship. The Office finds that the Petition fails to clearly identify or delineate the specific way(s) paragraph 69W-600.0024(6)(b), Florida Administrative Code, violates principles of fairness by affecting Petitioner in a manner significantly different from the way it affects other similarly situated persons who have to take or retake an examination. Based on the Findings of Fact and Conclusions of Law, the Petition is denied. \*\*\*The original petition was published June 2, 2021 in the Florida Administrative Register Volume 47, Number 106.
