**Section IV
Emergency Rules**

DEPARTMENT OF CHILDREN AND FAMILIES

Substance Abuse Program

RULE NO.: 65DER21-2
 RULE TITLE: Clinical and Operational Standards for Medication-Assisted Treatment for Opioid Use Disorders.

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: On May 03, 2017, the Governor of the State of Florida signed an executive order declaring that the opioid epidemic threatens the State of Florida with an emergency. This executive order was extended eleven times. Also, on April 01, 2019, the Governor signed an additional order creating the Statewide Task Force on Opioid Abuse to combat the opioid

epidemic. Florida currently ranks second in the nation for overdose deaths, and deaths from a drug overdose increased in Florida by 37 percent from 2019. The Department has determined that the concern in the increase of overdose and deaths due to opioid use necessitates revising the methadone treatment procedures.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The procedure is fair and necessary under the circumstances because it ensures equitable treatment of medication-assisted treatment providers in enabling them to increase access to care for individuals in the community and decrease chances of opioid related overdoses and deaths.

Proposed changes in this emergency rule focus on changing the following: the criteria for methadone take-home privileges and the requirement on conducting face-to-face assessments.

SUMMARY: This rule makes changes to permanent Rule 65D-30.0142, F.A.C., relating to clinical and operational requirements for medication-assisted treatment for opioid use disorders. Changes are necessary to address an immediate danger to the public health by modifying the requirements related to conducting assessment services through telehealth and by adjusting the methadone take-home standards to reflect the current federal guidance. This rule reflects the Substance Abuse and Mental Health Services Administration’s temporary extension of the federal methadone take-home flexibility issued on March 2020 and extended on November 18, 2021.

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to subsection 380.05(6), Florida Statutes, approving land development regulations adopted by Polk County, Florida, (the “County”) Ordinance No. 21-046 (the “Ordinance”).

All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development for that area. § 380.05(6), Fla Stat. The Principles for Guiding Development for the Green Swamp Area of Critical State Concern are set forth in subsection 28-26.003(1), Florida Administrative Code.

8. The Ordinance is consistent with the Principles for Guiding Development as a whole, and is not inconsistent with any of the Principles for Guiding Development.
