

4. If known, a statement disclosing whether proceedings involving the alleged discriminatory housing practice have been commenced before a Federal, State or local agency charged with enforcement of fair housing practice laws and, if so, the date of such commencement and the name of the agency.

(b) Notwithstanding the provision of paragraph (a) of this subsection, a complaint is sufficient if it is in writing under oath or affirmation and is sufficiently precise to identify the parties and to describe generally the action or practice complained of.

(6) Amendments.

(a) A complaint may be amended within ~~60~~ 30 days after filing and, thereafter, with the consent of the Executive Director upon discovery of new facts or upon a finding that information previously provided by the respondent was misrepresented.

(b) A complaint may be amended to cure technical defects, or omissions, including verification, or to clarify and amplify allegations made therein. Such amendments and amendments which describe an additional discriminatory housing practice relating to or growing out of the subject matter of the original complaint will relate back to the date the complaint was first received.

(c) An amendment adding or changing a respondent will relate back to the date the complaint was first received if, within the period provided by subsection (2) of this section, the new respondent (i) has received such notice of the filing of the complaint as is sufficient to avoid prejudice in a defense on the merits, and (ii) knew or should have known that, but for a mistake concerning identity of the proper respondent, the complaint would have been filed against the new respondent.

(7) Withdrawal. A complaint may be withdrawn by a complainant at any time; however, following the issuance of a Notice of Determination, withdrawal may be made only with the consent of the Executive Director.

(8)(a)1. Notice to Respondent. When it is determined that a complaint is complete and has been timely filed, the Executive Director shall cause notice of the filing and a copy of the complaint to be served upon the respondent. Notice should be served within 10 days of the date of filing. An amendment likewise shall be served upon the respondent.

2. The notice shall advise the respondent of relevant procedural rights and obligations by referencing, for example, Sections 760.20-.37, F.S., and Chapters 60Y-6, 60Y-7, 60Y-8, and 60Y-9, F.A.C.

3. The notice shall advise the respondent of the complainant's right to commence a civil action under Section 760.35, F.S., in court, not later than two years after the occurrence or termination of the alleged discriminatory housing practice. If filed in federal court under federal law, the notice will state that the computation of this two-year period excludes any time during which the matter is pending for administrative relief with respect to a complaint or charge based on the alleged

discriminatory housing practice. The notice will also state, however, that the time period includes the time during which an action arising from a breach of a conciliation agreement under Section 760.36, F.S., is pending.

4. The notice shall advise the respondent that retaliation against any person because he or she made a complaint or testified, assisted or participated in an investigation or conciliation under Florida's Fair Housing Act is a discriminatory housing practice that is prohibited.

(b) Notice to Complainant.

1. The Commission shall serve notice upon the complainant acknowledging the filing of the complaint, advising the complainant of the time limits set forth in Rule 60Y-7.004, F.A.C.

2. The Commission shall serve notice upon the complainant advising the complainant of the statutory remedies and choice of forums by referencing Sections 760.34, 760.35 and 760.37, F.S., and by informing the complainant that Section 760.34, F.S., is neither an obstacle nor a prerequisite to commencement of a separate civil action on his own under Section 760.35, F.S.

3. The notice shall advise the complainant of his right to commence a civil action under Section 760.35, F.S., in a court, not later than two years after the occurrence or termination of the alleged discriminatory housing practice. The notice will state that, if filing in federal court under federal law, the computation of this two-year period excludes any time during which the matter is pending for administrative relief with respect to a complaint or charge, based on the alleged discriminatory housing practice. The notice will also state, however, that the time period includes the time during which an action arising from a breach of a conciliation agreement under Section 760.36, F.S., is pending.

4. The notice shall advise the complainant that retaliation against any person because he or she made a complaint or testified, assisted, or participated in an investigation or conciliation under Florida's Fair Housing Act is a discriminatory housing practice that is prohibited.

5. Upon an investigatory determination of reasonable cause, the Commission shall serve notice upon the complainant advising the complainant that at the election of the complainant, the Attorney General may bring an action in the name of the state on behalf of the complainant to enforce the provisions of Sections 760.20-.37, F.S.

6. The complainant must make his election within 20 days after receipt of the notice. If an election is made for a civil action by the Attorney General, then a civil action may be commenced and maintained within a reasonable time from the date of the election. If the Attorney General, in its discretion, determines that it will not initiate a civil action on behalf of the aggrieved

person, the Commission shall institute a civil action in an appropriate court.

7. In addition, complainant shall be advised that, as an alternative to the Attorney General bringing an action, the Commission will petition for an administrative hearing and seek relief for complainant under Section 120.57, F.S., and prosecute the matter to a final agency order, which may include defending against an appeal by the respondent.

8. At all times, however, Complainant retains the right to seek administrative or judicial relief without governmental assistance.

(9) Maintenance of Records. Once a complaint has been served on the respondent, the respondent shall preserve all records and other evidence which may pertain to the complaint until the matter has been finally determined.

60Y-7.002 Answer.
