Division of Community Development

**DEO Final Order No. DEO-21-006**

In re: AMENDMENT TO THE CITY OF KEY WEST, FLORIDA,

LAND DEVELOPMENT REGULATIONS  
ADOPTED BY CITY OF KEY WEST, FLORIDA,  
ORDINANCE NO. 19-05

**FINAL ORDER**

**APPROVING CITY OF KEY WEST ORDINANCE NO.**

**19-05**

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to subsection 380.05(6), Florida Statutes, approving the requested changes to land development regulations (“LDRs”) adopted by the City of Key West, Florida (“City”) by Ordinance No. 19-05 (“Ordinance”).

**FINDINGS OF FACT**

1. Rule 28-36.002, Florida Administrative Code, designates the City as an area of critical state concern.
2. The City adopted the Ordinance on March 5, 2019. The City rendered the Ordinance to the Department on December 28, 2020.
3. The Ordinance amends the City of Key West Code of Ordinances (“Code”) to establish Article XII, “Workforce Affordable Housing Initiative.” The Ordinance also creates sections 108-1150 through 108-1157 within Chapter 108 of the Code. The Ordinance enables the City to utilize additional Building Permit Allocation System (BPAS) units in excess of the existing BPAS units set forth in Chapter 108, Article X of the Code. The Ordinance provides restrictions on eligibility for the additional units. Section 108-1154 provides specific standards and requirements for permitting the additional units. The additional units must require deed-restrictions ensuring (a) the property remains workforce-affordable housing in perpetuity, (b) tenants evacuate during the period in which transient units are required to evacuate, and (c) rental agreements contain a separate disclosure requiring tenants to acknowledge that failure to adhere to the evacuation requirement could result in severe penalties, including eviction, to the resident.

**CONCLUSIONS OF LAW**

4. The City may amend its LDRs, but the amendment becomes effective only upon approval by the Department. § 380.05(6), Fla. Stat.
5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations amended by the Ordinance are land development regulations.
6. The Ordinance is consistent with the City’s Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically, with Objective 1-1.17, and policies 1-1.17.1, 1-1.17.2, 1-1.17.3, 1-1.17.4, 1-1.17.5, 1-1.16.1, and 3-1.1.4.
7. LDRs enacted, amended, or rescinded within an area of critical state concern must be consistent and in compliance with the principles for guiding development for that

area. See § 380.05(6), Fla. Stat. Rule 28-36.003, Florida Administrative Code sets forth the Principles for Guiding Development for the City.

8. The Ordinance is consistent and in compliance with the Principles for Guiding Development for the City as a whole, and specifically furthers the following principles:

(1)(a) Strengthen local government capabilities for managing land use and development.

(h) Protection of the public health, safety, welfare and economy of the City of Key West, and the maintenance of Key West as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that Ordinance No. 19-05 is consistent and in compliance with the City’s Comprehensive Plan and Principles for Guiding Development for the City and is hereby **APPROVED**.

This Final Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below. DONE AND ORDERED in Tallahassee, Florida.
