RULE NO.: RULE TITLE:

64B17-7.001: Disciplinary Guidelines

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 47 No. 3, January 6, 2021 issue of the Florida Administrative Register.

The changes are based upon written comments received by the staff of the Joint Administrative Procedures Committee.

64B17-7.001 Disciplinary Guidelines.

(1) When the Board finds that an applicant or licensee whom it regulates under Chapter 486 or Section 456.47, F.S., has violated the below-listed provisions, it shall issue a final order imposing appropriate penalties for each count or separate offense, as set forth in Section 456.072(2), F.S., within the ranges recommended in the following disciplinary guidelines. As part of a final order imposing appropriate penalties, the Board shall consider requiring an applicant or licensee to attend Board meetings, perform community service, take described continuing education courses, or take and pass the applicable jurisprudence examination. The identification of offenses is descriptive only; the full language of each statutory provision cited must be considered in order to determine the conduct included. For Florida licensees, probation may include specific compliance conditions, and conditions of probation may be required following any period of suspension of license. For out-of-state telehealth registrants, a suspension of practice may include a corrective action plan. A corrective action plan may include continuing education, passage of the Florida laws and rules exam, monitored practice, restricted practice, periodic reports to the Board, an appearance before the Board, restitution, or other corrective action deemed necessary by the Board for the health, safety, and welfare of the public. For Florida applicants, all offenses listed herein are sufficient for refusal to certify an application for licensure. If the Board makes a finding of pecuniary benefit or self-gain related to the violation, then the Board shall require refund of fees billed and collected from the patient or a third party on behalf of the patient. In addition to any other discipline imposed, the Board shall assess the actual costs related to the investigation and prosecution of a case. In addition to or in lieu of any guideline penalties provided herein, if the violation is for fraud or making a false or fraudulent representation, the Board shall impose a fine of \$10,000 per count or offense.
