SUMMARY: To allow licensees to sign and seal EMMs as final work product.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Professional Engineers

RULE NO.: RULE TITLE:

61G15-19.001 Grounds for Disciplinary Proceedings

NOTICE IS HEREBY GIVEN that Board of Professional Engineers has issued an order disposing of the petition for declaratory statement filed by J.S. Held, LLC, on November 05, 2020. The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published in Volume 46, No. 226, of the November 19, 2020, Florida Administrative Register. Petitioner seeks the Board's opinion to the following question: If J.S. Held LLC were to enter into the Preferred Repair Network, LLC's agreement, receive assignments under this agreement, have its Florida licensed engineers provided services under this agreement, and then pay to Preferred the " Management Fee" required by this agreement in exchange for receiving the assignment, would the Florida licensed engineer, J.S. Held LLC, its officers, agents and/or employees be in violation of Rule 61G15-19.001, F.A.C., by committing misconduct in the practice of engineering? The Board reviewed the Petition at its December 10, 2020, and February 17, 2021, meetings, both by video-conference. The Board's Order, filed on February 25, 2021, grants the petition for declaratory statement; and finds that under the Master Services Provider Agreement and the specific facts and circumstances presented in this Petition, a Florida qualified engineering business organization, its officers, directors and/or employees, would NOT be in violation of Rule 61G15-19.001, F.A.C. by committing misconduct in the practice of engineer if they entered into this agreement and paid to Preferred the specified 8% management fee; under these terms, the fee is NOT offering a bribe or commission for selection or preferment for engineering employment.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Zana Raybon, Executive Director, 2639 North Monroe Street, Suite B-112, Tallahassee, Florida 32303, or telephone (850)521-0050, or by email: zraybon@fbpe.org.

DEPARTMENT OF HEALTH

Board of Chiropractic Medicine

NOTICE IS HEREBY GIVEN that Board of Chiropractic Medicine has issued an order disposing of the petition for declaratory statement filed by Complete Care Centers, LLC, f/k/a Integrative Physical Medicine Holding, L.L.C., Marc G. Ott, D.C., and Bret G. Scheuplein, D.D., on January 19, 2021. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 47, No. 14, of the January 22, 2021, Florida Administrative Register. Petitioners sought the Board's opinion on whether, under the facts as alleged in the Petition, Petitioners or their employees could face disciplinary action against their Florida chiropractic licenses for violation of Section 456.053 and subsections 456.072(1) and 460.413(1), F.S., or the Board's rules adopted to implement the foregoing. The Board reviewed the Petition as its video-conference meeting held on February 26, 2021. The board determined that current judicial precedent requires an administrative agency decline to issue a declaratory statement when the statement would address issues currently pending in a judicial proceeding. Accordingly, the Board's Order, filed on March 24, 2021, denies the Petitioner for Declaratory Statement at this time, since there is pending litigation on the subject matter over which the Board's opinions are sought.

A copy of the Final Order Denying Petition for Declaratory Statement may be obtained by contacting: Dr. Anthony Spivey, Executive Director, Board of Chiropractic Medicine, 4052 Bald Cypress Way, Bin #C07, Tallahassee, FL 32399-3255, telephone: (850)488-0595, or by electronic mail, Anthony.Spivey@flhealth.gov.
