Section II
Proposed Rules

DEPARTMENT OF HEALTH

Board of Psychology

RULE NO.: RULE TITLE:
64B19-13.003 Continuing Psychological Education Credit

PURPOSE AND EFFECT: The Board proposes a rule amendment that updates the requirements for Board members serving on a Board Probable Cause Panel and allows for members to receive up to a maximum of 5 hours of credit per biennium in the area of risk management, on an hour by hour basis.

SUMMARY: The proposed amendment updates the rule regarding requirements for Board Members serving on a Board Probable Cause Panel.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal

for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 456.013(7), (9), 490.004(4), 490.0085(4) FS.

LAW IMPLEMENTED: 456.013(7), (9), 490.007(2), 490.0085(1), (3) FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Allen Hall, Executive Director, Board of Psychology, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3253.

RULE NOS.:	RULE TITLES:
33-601.715	Visiting Application Initiation Process
33-601.717	Visiting Denial
33-601.732	Reinstatement of Suspended Visiting Privileges

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 48, No. 200, October 13, 2022, issue of the Florida Administrative Register.

The following changes were precipitated by comments received from JAPC and the public following publication of the Notice of Proposed Rule and public comments received during the public hearing held November 9, 2022.

33-601.715 Visitation Application Initiation Process.

Form DC6-111B is being amended to update language in section 2.2 as follows: Halter tops or other braless attire, underwear-type tee shirts, tank tops, fish net clothing, or any clothes made with see-through fabric or skin-tight will not be worn by ~~males or females~~ any person.

Rulemaking Authority 944.09 FS. Law Implemented 20.315, 944.09, 944.23 FS. History—New 11-18-01, Amended 5-27-02, 9-29-03, 1-10-12, 12-21-14, _____.

33-601.717 Visitation Denial.

(1) through (4) No change.

(5) An applicant will be denied permission to visit based on the following criteria:

(a) through (c) No change.

(d) ~~With the exception of a special visit approved pursuant to Rule 33-601.736, F.A.C.,~~ A non-family member applicant previously incarcerated in any jurisdiction for a felony conviction ~~will not be eligible for visitation privileges.~~ may be allowed visitation privileges only if the warden determines that the rehabilitative value of visitation outweighs the potential threat to security and any potential negative influence on the inmate. Factors to be considered in making this determination include the adjustment record of the applicant while incarcerated, the relationship of the applicant to the inmate during incarceration, the relationship of the applicant to the inmate prior to and after incarceration, the likelihood that the applicant can assist the inmate in successfully reentering society, and the length of time after release that the applicant has resided in the community without involvement in the

criminal justice system. Visitor approval under this paragraph will be subject to the time constraints set forth in subsections (5)(c)1., 2., and 3. of this rule.

(e) No change.

(f) The applicant is a former Department volunteer whose conduct as a volunteer violated any Department rule or compromised in any manner the safety, security, or orderly operation of an institution with a volunteer history that jeopardizes the safety, security, good order, or effective management of an institution.

(g) through (o) No change.

(6) through (8) No change.

Rulemaking Authority 944.09 FS. Law Implemented 20.315, 944.09, 944.23 FS. History—New 11-18-01, Formerly 33-601.706, 33-601.707, Amended 5-27-02, 9-29-03, 6-15-06, 1-7-07, 8-6-12,_____.

33-601.732 Reinstatement of Suspended Visitation Privileges.

(1) General Provisions.

(a) through (b) No Change.

(c) An inmate must use Form DC6-236, Inmate Request Form, to submit their request for reinstatement to the suspending authority who issued the suspension pursuant to Rule 33-601.731, F.A.C. Form DC6-236 is incorporated by reference in Rule 33-103.005, F.A.C. Rule 33-103.055, F.A.C.

(d) through (f) No change.

(2) through (5) No change.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On December 14, 2022 the Division of Hotels and Restaurants received a Petition for a Routine Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and

Paragraph 5-202.11(A), 2017 FDA Food Code from Levy Premium Foodservice Limited Partnership located in Miami. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink.

The Petition for this variance was published in Vol. 48/242 on December 15, 2022. The Order for this Petition was signed and approved on January 4, 2023. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sinks are provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Daisy.Lee@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On December 14, 2022 the Division of Hotels and Restaurants received a Petition for a Routine Variance for Subparagraph 3-305.11(A)(2), 2017 FDA Food Code, Section 3-305.14, 2017 FDA Food Code, Section 6-202.15, 2017 FDA Food Code, Section 6-202.16, 2017 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code from Del Flaco LLC located in Palmetto. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol 48/242 on December 15, 2022. The Order for this Petition was signed and approved on January 4, 2023. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service

establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer’s specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

A copy of the Order or additional information may be obtained by contacting: Daisy.Lee@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NO.: RULE TITLE:

62-6.013 Construction Materials and Standards for Tanks
NOTICE IS HEREBY GIVEN that on December 21, 2022, the Department of Environmental Protection, received a petition for variance from Fuji Clean USA (Fuji Clean). The amended petition requested a variance/waiver for treatment receptacle approval from paragraphs 62-6.013(2)(f) and 62-6.013(2)(i), subsection 62-6.013(4), paragraphs 62-6.013(4)(c) and 62-6.013(6)(b), subparagraphs 62-6.013(6)(b)1 and 62-6.013(6)(b)2, 62-6.013(6)(b)3, and paragraph 62-6.013(10)(d), F.A.C. which specify standards for onsite sewage treatment receptacles. The facility is a foreign limited liability company authorized to do business in the State of Florida with a corporate address located at 41-2 Greenwood Road, Brunswick, ME 04011. The petition has been assigned OGC # 21-0817.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Debby Tipton, telephone: (850)245-8629, e-mail: Debby.Tipton@floridaDEP.gov, Department of Environmental Protection, Division of Water Resource Management, Onsite Sewage Program, Mail Station 3596, 2600 Blair Stone Road Tallahassee, Florida 32399; during normal business hours, 8:00 a.m. – 5:00 p.m., Monday through Friday, except legal holidays. Written comments must be received by the Department of Environmental Protection no later than 14 days from the date of publication of this notice.

 DATES AND TIMES: In-Person - January 19, 2023, 5:30 p.m. – 7:30 p.m.; January 26, 2023, 5:30 p.m. – 7:30 p.m.; Virtual - January 31, 2023, 11:00 a.m. – 1:00 p.m.)
 PLACE: In-Person - January 19, 2023 - Children's Board of Hillsborough County, 1002 E Palm Avenue, Tampa, FL 33605 - In-Person - January 26, 2023 - Ragan Park Community Center, 1200 E Lake Avenue, Tampa, FL 33605
 Virtual - Register at: Tampa Bay Next
<http://www.tampabaynext.com/community-conversation-virtual-option/>
GENERAL SUBJECT MATTER TO BE CONSIDERED: The meetings will provide an update on how community input on aesthetic enhancements and uses for community spaces are proposed to be incorporated into the Downtown Tampa Interchange (I-275/I-4) Safety and Operational Improvements project. The meetings will also include information about proposed design changes to the interchange. The meetings will provide identical information and will be held on multiple dates.

The previous concept included widening the existing flyover bridge from southbound I-275 to eastbound I-4 and relocating the exit to Ybor City from 21st and 22nd Streets to 14th and 15th Streets. The design change being proposed includes constructing a new two-lane flyover bridge to the inside of the interchange that drivers will use to access eastbound I-4. The existing one-lane flyover bridge is proposed to remain one lane, which drivers will use to access Ybor City via the relocated exit to 14th and 15th Streets. Additional proposed design changes include constructing an additional auxiliary lane along eastbound I-4 between I-275 and the exit to the Selmon Expressway and creating a two-lane exit to the Selmon Expressway. All proposed design changes are within the

existing right-of-way. Final design is ongoing and construction activities are anticipated to begin in early 2023.

In-Person Meetings

Format: Display boards and exhibits showing the proposed project improvements will be available in an open house format. An informational presentation will run continuously during the open house. FDOT staff will be available to receive feedback and answer questions.

Virtual Meeting

Those who cannot attend in person, may participate virtually by registering at www.TampaBayNext.com. A narrated presentation will be shown at 11:00 a.m., 11:30 a.m., 12:00 Noon, and 12:30 p.m. during the webinar. Staff will be available throughout the meeting time to receive feedback and answer questions via the online chat function. Display boards and exhibits showing the project improvements will be available for viewing during the meeting. Additionally, the material will also be posted online at www.TampaBayNext.com and www.FDOTTampaBay.com.

GENERAL SUBJECT MATTER TO BE CONSIDERED: Project No. 538-234 and 538-235

Project Description: SR 538/Poinciana Parkway Capacity Improvements Project

In June 2020, the Central Florida Expressway Authority began designing a new four-lane expressway, known as the State Road 538/Poinciana Parkway Extension from Ronald Reagan Parkway to County Road 532. This project has been designed as two segments and is expected to improve traffic flow and operations in the area.

Segment 1, from Ronald Reagan Parkway to south of US 17/92 includes nearly a half mile bridge over wetlands within the Reedy Creek Mitigation Bank; Segment 2 extends the new four-lane expressway from south of US 17/92 to CR 532. Segment 2 also includes an interchange at US 17/92, tolled ramps at CR 532 and bridges over the CSX railroad, Old Tampa Highway and US 17/92.

During the in-person and virtual meetings, the design team will present the most recent plans, answer questions and solicit feedback from attendees.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Kevin Camara as noted below at least seven (7) days prior to the meeting.

GENERAL SUBJECT MATTER TO BE CONSIDERED: Project No. 538-235A

Project Description: County Road 532/Osceola Polk Line Road Capacity Improvements Design Project

In August 2021, the Central Florida Expressway Authority, in partnership with Osceola County, began designing the proposed capacity improvements of County Road 532/Osceola Polk Line Road from Lake Wilson Road to US 17/92. This is being done in conjunction with the planned extension of Poinciana Parkway from its northern end at Ronald Reagan Parkway to CR 532 in Osceola County. The proposed 3-mile project would improve roadway connections between the extension of Poinciana Parkway and I-4 via CR 532/Osceola Polk Line Road.

During the in-person and virtual meetings, the design team will present plans, answer questions and solicit feedback from attendees.

REGIONAL PLANNING COUNCILS

North Central Florida Regional Planning Council

Bradford County Transportation Disadvantaged Community Transportation Coordinator

The North Central Florida Regional Planning Council is accepting proposals from qualified agencies or firms for the award of a contract to coordinate transportation services for the transportation disadvantaged in Bradford County, Florida. The selected contractor will be the designated Community Transportation Coordinator under Florida’s Transportation Disadvantaged Program, as authorized by Chapter 427, Florida Statutes, and more fully described in Rule 41-2 of the Florida Administrative Code.

The Community Transportation Coordinator is defined by Chapter 427, Florida Statutes as a transportation entity recommended by the appropriate designated official planning agency to ensure that coordinated transportation services are provided to the transportation disadvantaged population in a designated service area. The Community Transportation Coordinator has full responsibility for the delivery of transportation services for the transportation disadvantaged as outlined in Section 427.015(2), Florida Statutes.

The complete Request for Proposals will be available January 5, 2023 at <http://www.ncfrpc.org/>. It may also be obtained by contacting Lynn Godfrey, AICP, Senior Planner at (352)955-2200, ext. 110. Experience with eligibility-based transportation services is required.

A mandatory virtual pre-proposal conference will be held January 19, 2023, at 1:00 p.m., Eastern Standard Time, to answer questions about the Request for Proposals. The pre-

proposal conference will be conducted via communications media technology in the following format:

DIAL IN NUMBER: Toll free 1(888)585-9008, CONFERENCE CODE: 864 183 272

Inquiries about this Request for Proposals must be made during the virtual pre-proposal conference. Firms and agencies represented will have an opportunity to clarify any information contained in the request for proposals at the pre-proposal conference.

Proposals must be received by 12:00 Noon, Eastern Standard Time, February 16, 2023 at the office of the North Central Florida Regional Planning Council. Five (5) copies of the proposal must be submitted to: North Central Florida Regional Planning Council, ATTENTION: Scott R. Koons, AICP, Executive Director, 2009 N.W. 67th Place, Gainesville, Florida 32653-1603. One of these copies must be a clean, single-sided original that can be used to make additional copies. The outside of the envelope or box containing proposals must be marked "PROPOSAL FOR BRADFORD COUNTY COMMUNITY TRANSPORTATION COORDINATOR." Faxed and electronically mailed responses will not be accepted.

The North Central Florida Regional Planning Council will not accept responsibility for proposals that are not marked and submitted in this manner. Proposals are to remain in effect for ninety (90) calendar days from date of submission. The North Central Florida Regional Planning Council reserves the right to reject any or all proposals, to waive any formality concerning proposals or negotiate changes to the proposals whenever such rejection or waiver or negotiation is in the best interest of the State and the transportation disadvantaged. Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

Florida Agriculture and Mechanical University
 FAMU STUDENT HOUSING RFQ FOR CM 2023 REVISED
 RULE NO.: RULE TITLE:
 6C3-2.001 Housing (Repealed)
 Florida Agricultural and Mechanical University
 NOTICE TO CONSTRUCTION MANAGERS

Florida A&M University (FAMU) announces that Construction Management Services will be required for the following

projects: A new 400-500 bed Residence Hall with a first-floor mixed-use, New 700 bed Residence Hall that includes ground floor Amenity space, and a New 900-1000 bed FAMU Mixed-Use Apartment Complex project: The contract for Construction Management Services shall consist of a pre-construction services phase and a construction phase. The pre-construction services phase, for which the Construction Manager will be paid a fixed fee, will include value engineering, constructability analysis, development of cost models, estimating, and the development of a Guaranteed Maximum Price (GMP) at the 75% Construction Document phase. If the GMP is accepted, the Construction Phase will be implemented. Early bid packages for fast track and multi-phase development may be required to meet project goals. In the Construction Phase of the contract, the Construction Manager becomes the single point of responsibility for the project's performance and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for Phase 1 of the contract, or to arrive at an acceptable GMP within the time provided in the agreement, may result in the termination of the Construction Manager's contract.

Selection of finalists for interviews will be made based on Construction Manager qualifications, including experience and ability related to Historic renovations, additions, and new construction; experience; applicant's ability to provide service, bonding capacity; record-keeping, administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, and staff and consultants. Finalist may request a copy of the standard Florida A&M University Agreement Between Owner and Construction Management.

Blanket professional liability insurance will be required for these projects in the range amount of \$3,000,000.00 - 5,000,000.00 and will be provided as a part of Basic Services. The Construction Company must submit an RFQ for each project that they are submitting for and that project needs to be identified in the RFQ submittal. Those projects are as follows:

Project A:

Project Scope of Work

The Construction Management Professional shall provide pre-construction services phase and a construction phase, for a new 400-bed Residence Hall with first-floor mixed-use. Interior amenities for the complex may include but are not limited to central entrances, exercise gym, common lounge spaces, study spaces, computer rooms, TV rooms, a food service/convenience store, offices, gaming rooms, multipurpose, vending, laundry, and conference room. The Construction Management

Professional shall consider the following items as representative of the major requirements in the scope of services to be provided, however, it should not be construed as the complete list of items necessary for the completion of the project and to meet the client's intent to provide a new facility. FAMU's New Residence Hall project seeks Building performance in a building project that supports the occupants' health and prosperity, within budget, while respecting nature's resources and mechanical and natural systems.

Project parameters include:

- 400-500 bed residence hall with first floor mixed use and historic brick look to match existing campus.
- Construction Manager at Risk/CM Build will be required to work with Design Professional and produce early foundation/site utility package.
- Student occupancy is required for the start of the Fall 2025 semester (Construction completion 8/2025).
- Construct a highly energy efficient building with significantly reduced energy consumption, below the energy code standard for new buildings.
- The Florida A&M University is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises ("MBEs") in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services.
- Adaptability: the project shall consider the needs of its future residents, and the necessary adaptability of the facility to accommodate these changing requirements.
- Focus on health, well-being, culture and learning for the occupants of the building.
- Indoor Air Quality and Materials: As a tight building envelope and highly controlled ventilation, it is imperative to reduce the toxins in building materials and to construct the building to enhance indoor air quality. Project shall focus on air quality goals and maintenance of air quality in operations.

Project B:

Project Scope of Work

The Construction Management Professional shall provide architectural and engineering services for the design, construction, administration, and coordination with a commissioning agent, for a new 700-bed Residence Hall that includes ground-floor Amenity space. Interior amenities for the complex may include central entrances, common lounge spaces, study spaces, computer rooms, TV rooms, offices, gaming rooms, multipurpose, vending, laundry, and conference rooms. The Design Professional shall consider the following items as representative of the major requirements in the scope of services to be provided, however, it should not be construed

as the complete list of items necessary for the completion of the project and to meet the client’s intent to provide a new facility. FAMU’s New Residence Hall project seeks Building performance in a building project that supports the occupants’ health and prosperity, within budget, while respecting nature’s resources and mechanical and natural systems.

Project parameters include:

- A precast/ prestressed concrete system 700 bed Residence Hall that includes ground floor Amenity space and historic brick look to match existing campus.
- Construction Manager at Risk/CM Build will be required to work with Design Professional and produce early foundation/site utility package.
- Student occupancy is required for the start of the Fall 2024 semester (Construction completion 8/2024).
- Construct a highly energy efficient building with significantly reduced energy consumption, below the energy code standard for new buildings.
- The Florida A&M University is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises (“MBEs”) in the provision of design and construction- related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services.
- Adaptability: the project shall consider the needs of its future residents, and the necessary adaptability of the facility to accommodate these changing requirements.
- Focus on health, well-being, culture and learning for the occupants of the building.
- Indoor Air Quality and Materials: As a tight building envelope and highly controlled ventilation, it is imperative to reduce the toxins in building materials and to construct the building to enhance indoor air quality. Project shall focus on air quality goals and maintenance of air quality in operations.

Project C:

Project Scope of Work

The Construction Management Professional shall provide pre-construction phase services and construction phase services, for a new 900-1,000 bed apartment complex including site and resident amenities supporting off-campus student residents. Florida Agricultural and Mechanical University (FAMU) seeks design services from Architectural Firms, with a focus on Apartment Complexes for the FAMU Mixed-e Apartment Complex project. The Apartment Complex shall be no more than 5 stories with 900-1,000 beds including 1, 2, 3 & 4-Bedroom Suites with Kitchenettes and bathrooms. The complex will incorporate apartment-style student residence units utilizing a resident-to-bathroom ratio of no more than 2:1, preferably 1:1. Interior amenities for the complex may include

but are not limited to central entrances, exercise gym, common lounge spaces, study spaces, computer rooms, TV rooms, a market /convenience store, offices, gaming rooms, multipurpose, vending, laundry, and conference room. The Design Professional shall consider the following items as representative of the major requirements in the scope of services to be provided, however, it should not be construed as the complete list of items necessary for the completion of the project and to meet the client’s intent to provide a new facility. - Construction Manager at Risk/CM Build will be required to work with Design Professional and produce early foundation/site utility package.
- Student occupancy is required for the start of the Fall 2026 semester (Construction completion 8/2026).
- Construct a highly energy efficient building with significantly reduced energy consumption, below the energy code standard for new buildings.
- The Florida A&M University is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises (“MBEs”) in the provision of design and construction- related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services.
- Adaptability: the project shall consider the needs of its future residents, and the necessary adaptability of the facility to accommodate these changing requirements.
- Focus on health, well-being, culture and learning for the occupants of the building.
- Indoor Air Quality and Materials: As a tight building envelope and highly controlled ventilation, it is imperative to reduce the toxins in building materials and to construct the building to enhance indoor air quality. Project shall focus on air quality goals and maintenance of air quality in operations.

A copy of the Project FACT Sheet can be obtained by contacting Craig Talton, Director, (850)599-3197.

INSTRUCTIONS: Firms desiring to apply for consideration shall submit a letter of application. The letter of application should have attached:

1. A completed “Professional Qualifications Supplement” (PQS); form is to be obtained from the FAMU Facilities Planning and Construction Office. Applications on any other form will not be considered.

2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

3. Submit nine (9) three-ring, comb, or spiral (no hard, solid or tack) bound copies of the requested data in the order listed above including a flash drive with an electronic copy. Applications that do not comply with the above instructions may be disqualified. Application materials will not be returned. The plans and specifications for State University System projects are subject to reuse according to Section 287.055, Florida Statutes. FAMU is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises ("MBEs") in the provision of design and construction services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction related services. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months (about 3 years). The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant more than \$25,000 in connection with this project for a period of 36 months (about 3 years) from the date of their being placed on the convicted vendor list.
