 Of the issuance of an Order regarding the Petition for Variance or Waiver for Glades County, filed on March 28, 2023. The Notice of Petition for Variance or Waiver was published in Volume 49, No. 66, of the April 5, 2023, Florida Administrative Register. GENERAL SUBJECT MATTER TO BE CONSIDERED: The Freight Mobility and Trade Plan (FMTP) is a comprehensive plan developed by the Florida Department of Transportation (FDOT) that identifies freight transportation needs and facilities critical to the state's economic growth and guides multimodal freight investments in Florida.

The development of a state freight plan is a requirement of the Fixing America's Surface Transportation (FAST) Act to be eligible for funding under the National Highway Freight Program (23 U.S.C. 167). The freight plan must comprehensively address the state's freight planning activities and investments, including both immediate and long-range.

The 2021 Infrastructure Investment and Jobs Act (IIJA) requires state freight plans to be updated every four years, rather than every five years.

The intent of all FMTP regional outreach events is to collect input on the issues facing Florida and potential solutions.

What to Expect from the Meeting:

At the regional outreach events the state will collect input on the issues facing Florida and potential solutions. This collaborative process provides venues and opportunities for interaction with those who utilize, provide, and plan for the freight transportation system.

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Freight Mobility and Trade Plan (FMTP) is a comprehensive plan developed by the Florida Department of Transportation (FDOT) that identifies freight transportation needs and facilities critical to the state's economic growth and guides multimodal freight investments in Florida.

The development of a state freight plan is a requirement of the Fixing America's Surface Transportation (FAST) Act to be eligible for funding under the National Highway Freight Program (23 U.S.C. 167). The freight plan must comprehensively address the state's freight planning activities and investments, including both immediate and long-range.

The 2021 Infrastructure Investment and Jobs Act (IIJA) requires state freight plans to be updated every four years, rather than every five years.

The intent of all FMTP regional outreach events is to collect input on the issues facing Florida and potential solutions.

What to Expect from the Meeting

At the regional outreach events the state will collect input on the issues facing Florida and potential solutions. This collaborative process provides venues and opportunities for interaction with those who utilize, provide, and plan for the freight transportation system.
