 59E-4.102      Florida Nursing Home Uniform Reporting System  
 59E-4.103      Prior Year Report Revisions, Ownership Change and Fiscal Year End (FYE) Change

**PURPOSE AND EFFECT:** At the direction of HB 539 (2022-49, L.O.F.) and SB 2518 (2021-041, L.O.F.) the Agency proposes to create three new rules within Chapter 59E-4 to establish a uniform system for financial reporting by nursing homes and nursing home’s home offices.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: A SERC has not been prepared by the agency. For rules listed where no SERC was prepared, the Agency prepared a checklist for each rule to determine the necessity for a SERC. Based on this information at the time of the analysis and pursuant to section 120.541, Florida Statutes, the rule will not require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**59E-4.102 Florida Nursing Home Uniform Reporting System.**

(1) The Agency hereby establishes a uniform system for electronic filing of nursing homes’ and their home offices’ prior year reports by adopting the Florida Nursing Home Uniform Reporting System (FNHURS) Manual, June 2023, which is incorporated by reference and available at: <http://www.flrules.org/Gateway/reference.asp?No=Ref-XXXXX>. The manual is also available at: <https://ahca.myflorida.com/health-care-policy-and-oversight/bureau-of-central-services/financial-analysis>.

(2) Each licensee and their home office must submit their prior year reports, required attachments and audited financial statements using the FNHURS Online System in accordance with the requirements outlined in the manual. The system is available through the Agency’s Single Sign On Portal located at <https://apps.ahca.myflorida.com/xxx>.

(3) Prior Year Report Submission.

(a) Each licensee and their home office must submit their prior year report to the Agency not more than 120 days after the end of their set fiscal year. Separate prior year reports must be submitted for each licensee, regardless of ownership or operation. The first fiscal year report is due starting with licensees and home offices that have fiscal years ending 30 days after the effective date of this rule.

(b) The actual report must be prepared for each licensee and their home office from audited financial statements for submission of the prior year report in the system. If the actual report does not correspond with the audited financial statements, the licensee and/or their home office must provide a reconciliation of the amounts presented in the audited financial statements to amounts reported in the actual report.

1. If the licensee and/or their home office is unable to obtain audited financial statements for the first year of submission within the required timeframe, the licensee and/or their home office must submit a copy of unaudited financial statements for the initial report along with its actual report in lieu of audited financial statements for that first year of submission.

2. Licensees and/or their home offices that are unable to obtain audited financial statements for the first year of submission must include an audited financial statement for the first year submission with their next fiscal year submission. The audit of the first fiscal year report may be contained in the audit of the next fiscal year submission as a separate column on the income statement, balance sheet and statement of cash flows.

3. Any changes between the initial report’s unaudited and audited financial statements submitted for the actual report must be revised pursuant to Rule 59E-4.103, F.A.C.

(c) The licensee's home office and all affiliated licensees must share the same fiscal year for the purposes of this rule.

(d) A report is considered submitted when it contains:

1. All schedules, reports, attachments and data required in this rule chapter and outlined in the manual;

2. The appropriate signatures by the Administrator/Chief Executive Officer and Chief Financial Officer of the licensee and their home office; and

3. Signed copies of audited financial statements unless an exception is noted pursuant to section (b)1. for the initial report.

(4) Review, Notification and Extension.

(a) The licensee or their home office will be notified of whether a submitted report is "Accepted" or "Not Accepted." A report is considered "Accepted" if the data are mathematically accurate, reasonable and verifiable, and the report timely meets the minimum requirements of Chapter 408, F.S. and this rule chapter.

(b) After a report is "Accepted," the Agency may request additional information about, or a revision to, the report after reviewing the aggregate data of all nursing homes in the State.

(c) The Agency may request additional information from any licensee or their home office via email or through notification in the system. The licensee or their home office must respond within 21 days of a request for information made by the Agency.

(d) Notice of Violation or Deemed Not Filed.

1. If a licensee or the home office of a licensee submits a report that does not conform to the requirements of this rule chapter, the report will be deemed "Not Accepted" and a Notice of Violation will be sent to the licensee and/or their home office via email and/or by notification through the system. Failure of a licensee or home office to submit audited financial statements pursuant to section (b)2. will result in the first year submission being deemed "Not Accepted" and a Notice of Violation will be sent to the licensee and/or their home office via email and/or by notification through the system.

2. If a licensee or the home office of a licensee subject to this rule fails to timely submit a report, a Notice of Deemed Not Filed or Notice of Violation will be sent to the licensee and/or their home office via email and/or by notification through the system.

3. The notice shall indicate the deficiencies found, the corrections or modifications necessary to make its data complete and verifiable, and the time by which a corrected or modified report must be received by the Agency.

4. The licensee or their home office shall have no fewer than 10 business days following receipt of a notice of violation or notice of deemed not filed to submit or resubmit the report to the Agency with any corrections or modifications detailed in the notice.

(e) The licensee or their home office may request an extension in writing to the Agency for up to 30 days to submit the report if the request is received at least one week prior to the due date of the report as required by section (3)(a).

(5) Modifications or corrections to a report can be made by resubmitting the report through the system.

(6) In the event a consolidated audit exists for a corporate entity, the signed copy of the consolidated audit can be substituted for individual audits of the licensee and their home office if:

(a) The consolidated audit includes consolidating schedules listing the home office and each nursing home as a separate column on the consolidating schedules.

(b) The consolidating schedules include a balance sheet, income statement and statement of cash flows.

(c) The consolidating schedules include an opinion from the certified public accountant that the schedules are presented fairly in all material respects.

(7) In the event a licensee's or their home office's audited actual data is restated, the licensee or their home office must report the restatement to the Agency within 30 days of the issuance of the restatement. The restated audit must include a letter from the auditor explaining the reason for the restatement and an updated opinion on the audited financial statements taken as a whole.

#### **59E-4.103 Prior Year Report Revisions, Ownership Change and Fiscal Year End (FYE) Change.**

(1) A licensee or their home office may submit revisions to a prior year report. Revisions to financial data must be supported by audited financial statements. Revisions to data not included in audited financial statements must be accompanied by documentation to support the accuracy of the revised data. Revised data must be submitted in accordance with Rule 59E-4.102, F.A.C., and will not be made available for internal or other governmental agency use until all revisions have been accepted.

(2) Change of Ownership. Within 120 days of the effective date of a licensee's change of ownership, a prior year report shall be filed for the period from the beginning of the licensee's fiscal year to the effective date of the change of ownership. The new owner is responsible for ensuring that such filing is accomplished. The Agency may waive the separate reporting requirement in the following circumstances:

(a) The new owner does not change the fiscal year end of the licensee; and

1. Within 60 days of the change in ownership, notifies the agency in writing that the period of prior ownership will be

included in the audited financial statements and actual report to be filed by the new owner; and

2. The new owner agrees to be responsible for all obligations, fines, assessments, filing and reporting responsibilities for the entire fiscal year.

(b) If the new owner changes the fiscal year end, and the period of prior ownership is a period of one month or less and the facility has provided a written request to the Agency to waive a 1 month report within 60 days of the change in ownership.

(3) Fiscal Year End Change. A licensee or their home office which changes its fiscal year end shall file its prior year report for the fiscal period ending on the date prior to the beginning of the new fiscal year within 120 days after such date.

(4) The Agency will not accept any prior year revisions of a previously accepted FNHURS report that is more than three fiscal years past the current fiscal year that is due to the Agency. Rulemaking Authority 408.061(2), 408.15 FS. Law Implemented 408.061(2) FS. History—new

## Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

**DEPARTMENT OF BUSINESS AND PROFESSIONAL  
REGULATION**

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that the Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by James V. Lauria, Esq., on behalf of Bond, Schoeneck and King PLLC, on January 26, 2023. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 49, No. 25, of the February 7, 2023, issue of the Florida Administrative Register. Petitioner sought the determination from the Commission regarding whether indirect ownership of a property would satisfy Section 475.011(2), F.S. and exempt an individual or an entity from the licensure requirements under Chapter 475 and whether the Partial Owner entity is permitted to enter into a contract with the property owner to specifically identify the property management services that it will provide. The Florida Real Estate Commission considered the Petition at a duly-noticed public meeting held on March 22, 2023, in Orlando, Florida. The Commission's Order was filed on June 19, 2023. The Commission denied the Petition because there is no information on the particular details of the entities or owners, nor their relationships.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giuvanna Corona, Executive Director, Florida Real Estate Commission, 400 W. Robinson Street, #N801, Orlando, FL 32801, [Giuvanna.Corona@myfloridalicense.com](mailto:Giuvanna.Corona@myfloridalicense.com)

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that the Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Jonathan "Jon" Scott Santy, on

March 01, 2023. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 49, No. 62, of the March 30, 2023, issue of the Florida Administrative Register. Petitioner asks the Commission to "Grant a declaratory statement directing DBPR to allow the use of 'Jon Scott Santy, PA' as {my official} licensure name?" The Florida Real Estate Commission considered the Petition at a duly-noticed public meeting held on May 17, 2023, in Orlando, Florida. The Commission's Order was filed on June 19, 2023. The Commission denied the Petition because Petitioner sought the Commissions adjudication over a matter regarding a license to practice issued by the DBPR and/or DRE, therefore the Petition violates section 28-105.001, F.A.C. and thus, must be denied.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giuvanna Corona, Executive Director, Florida Real Estate Commission, 400 W. DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NO.: RULE TITLE:

62-520.500 Water Quality Criteria Exemptions for Installations Discharging Into Class G-I or G-II Ground Water STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION NOTICE OF FINAL ORDER

The Department of Environmental Protection gives notice of its intent to grant water quality criteria exemptions pursuant to Rule 62-520.500, F.A.C., to the Tropicana Manufacturing Company (Petitioner) located at 1001 13th Avenue East, Bradenton Florida (OGC Case No. 19-1251). The exemption is associated with the discharge of treated industrial wastewater to Class G-II groundwater. The water quality criteria exemption will be incorporated into the current Underground Injection Control Permit 0037679-019-020-UO/5X. The exemption will establish an alternative compliance level for sodium and odor for compliance wells SMW-1 and SMW-2, and an alternative compliance level for color, odor, and iron for compliance well DMW-1. The Department’s file on this matter can be obtained by contacting Gene Honeycutt at (850)245-8848 or Gene.Honeycutt@FloridaDEP.gov.

This action is final and effective on the date filed with the Clerk of the Department unless a petition for an administrative hearing is timely filed under Sections 120.569 and 120.57, F.S., before the deadline for filing a petition. On the filing of a timely and sufficient petition, this action will not be final and effective until further order of the Department.

Because the administrative hearing process is designed to formulate final agency action, the hearing process may result in a modification of the agency action or even denial of the application.

A person whose substantial interests are affected by the Department’s action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Pursuant to Rule 28-106.201, F.A.C., a petition for an administrative hearing must contain the following information:

- (a) The name and address of each agency affected and each agency’s file or identification number, if known;
- (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner’s representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner’s substantial interests are or will be affected by the agency determination;
- (c) A statement of when and how the petitioner received notice of the agency decision;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;

- (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action;
- (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and
- (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

The petition must be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000 or via electronically at Agency\_Clerk@dep.state.fl.us. Also, a copy of the petition shall be mailed to the applicant at the address indicated above at the time of filing.

Petitions for an administrative hearing must be filed within 21 days of publication of the notice or within 21 days of receipt of the written notice, whichever occurs first.

Under Rule 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline for filing a petition for an administrative hearing. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

Mediation is not available in this proceeding.

Once this decision becomes final, any party to this action has the right to seek judicial review pursuant to Section 120.68, F.S., by filing a Notice of Appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, M.S. 35, Tallahassee, Florida 32399-3000; and by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days from the date this action is filed with the Clerk of the Department.
